"Staff are friendly and the store is always well stocked."

"But products are way overpriced and it gets super busy at peak times."

"Great place to buy essentials but it is pricier."

Great place to buy essentials but it is pricier. There is a lovely atmosphere and there's always been a full stock when I've been there. Staff are there to help when you need them but I don't get a friendly vibe from them. Location is great for a stop by and the place had vamped up its appearance so it looks more appealing.

"Lovely pub, great food and pizza, authentic atmosphere and friendly staff."

"They have recently adopted a traditional menu of pie, mash and liquor..."

"Place stinks and and is a hangout for the local riff raff"

Fantastic. Classic pub with great mix of customers. Friendly. Great mix of beers. Fantastic pizza and burgers but that's not why you go to a pub so it's a bonus. All sports on and there's pool. Best in the area unless you want a pretentious place or a dive

My home from home, relaxed atmosphere, good beer, great pizza especially on Monday when you get a pizza and a drink for a tenner.
