4.0 Temporary Event Notices

- 4.1 Temporary Event Notices (TENs) are a creation of the Licensing Act 2003. They provide a method by which licensable activities can be carried out on a temporary basis (max. 168 hrs) without a licence. The maximum number that can attend at any one time is 499. At least 10 full working days notice must be given to the licensing authority. When a TEN cannot be obtained, for example the event is over 499, then a full premises licence must be obtained, for a limited duration.
- 4.2 The licensing authority cannot oppose an application, (nor can local residents or businesses). The licensing authority must reject any application that does not meet the rules as to numbers, maximum per year etc. The limits are now as follows: 15 TEN per calendar year or 21 days. The responsible authorities that can object is the Metropolitan Police or Environmental Protection.
- 4.3 The Police and Environmental Protection can object on the grounds that allowing the event to go ahead will undermine one of the Licensing Objectives.
- 4.4 Following an objection by the relevant responsible authority one or more conditions may be imposed by the Licensing Authority
- (a) if it considers it appropriate for the promotion of the licensing objectives to do so,
 - (b) the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of the same premises, or any part of the same premises, as the temporary event notice, and
 - (c) the conditions would not be inconsistent with the carrying out of the licensable activities under the temporary event notice.
- 4.5 Where the authority decides to impose one or more conditions;
- (a) the authority must give the premises user notice of the decision;
 - (b) the notice must be accompanied by a separate statement (the “statement of conditions”) which sets out the conditions that have been imposed on the temporary event notice; and
 - (c) a copy of the notice and statement of conditions must be given to each relevant party.
- 4.6 LATE TENs have been created through the Police Reform and Social Responsibilities Act 2011, a Late TEN can be made no later than FIVE working days and no earlier than NINE working days before the event. The limits to these applications are no more than 2 for a non personal licence holder or no more than 10 for a personal licence holder.
- 4.7 The Police and Environmental Protection can object to Late TENs, if an objection is made the Licensing Authority must issue a counter notice advising the event cannot take place.

5.0 **Objections**

5.1 The Police objections are contained in **Appendix 12**.

5.2 The Police have agreed the following with the applicants and therefore withdrawn their objections to:

Pond Bar

Stop serving at 22:00hrs and close to public at 22:30.

Lodge Yard bar

To employ 1 SIA on Friday & Saturday between the hours of 8pm and 11:30pm

Underground Car Park

withdrawn

Hamlets Way

Market to close at 10pm

Police withdrawal is detailed in **Appendix 13**.

5.3 Environmental Protection objections are contained in **Appendix 14**.

5.4 Environmental Health have withdrawn objections in relation to:

Pond Bar

Stop serving at 22:00hrs and close to public at 22:30.

Hamlets Way

Market to close at 10pm

EH withdrawal is detailed in **Appendix 15**

Advice to Members

5.5 The Police Reform and Social Responsibility Act 2011 have amended legislation whereby Environmental Protection alongside Police can object to Temporary Event Notice under any of the licensing objectives.

5.6 This hearing is required by the Licensing Act 2003. As always the decision is on the civil burden of proof, i.e. the balance of probability.

5.7 Members can consider any of the licensing objectives. Other matters can also be dealt with elsewhere by primary legislation.

- 5.8 Premises users are not required to be on the premises for the entire duration of the event authorised by the TEN, but they will remain liable to prosecution for certain offences that may be committed at the premises during the period covered by it. These include, for example, the offences of the sale of alcohol to a person who is drunk; persistently selling alcohol to children; and allowing disorderly conduct on licensed premises.
- 5.9 The police or local authority exercising environmental health functions may contact the premises user to discuss their objections and try to come to an agreement which will allow the proposed licensable activities to proceed. The TEN can be modified. If there is no agreement, the licensing authority must hold a hearing to consider the notice.

6.0 Temporary Event Notice Limits

- 6.1 Section 100 (5) (d) of the Licensing Act 2003 refers to limits on numbers: “the maximum number of persons (being a number less than 500) which the premises user proposes should, during those times, be allowed on the premises at the same time”
- 6.2 On referring to Patersons it makes reference to the above limit; “It would seem that this figure shall include members of staff and any other persons present upon the premises. There has been a suggestion that the provision could be used to licence events catering for significantly more than the permitted 500 persons by the simple expedient of arranging for the licensable activities to take place in discrete individual locations across one main site. Whilst such an arrangement has yet to come before the High Court, it is our view that such a transparent attempt to circumvent the public consultation and controls attendant upon an application for a premises licence would be likely to be interpreted as falling outside the provisions of s 100, in much the same way as efforts of certain operators to create multiple ‘premises’ under the Gambling Act 2005 (to secure the maximum benefit from their gaming machines allowance) has recently been condemned by the Gambling Commission in its amended guidance on so called ‘split premises’.”

7.0 Legal Comments

- 7.1 The Council’s legal officer will give advice at the hearing.

8.0 Finance Comments

- 8.1 There are no financial implications in this report.

Dear Licensing

Please accept this as a holding objection for the TENs relating to the Shuffle festival. My representation will be based on the crime and disorder and public nuisance objectives. Unfortunately due to the large files my Met Police computer did not accept the TENs and I need to scrutinise the applications. At the moment I have the following eleven (11) TENs

Shuffle - Railway Yard, Tower Hamlets Cemetery Park,	Elizabeth Daish:	25th July 2017	00:00 Saturday 27th 22:30 to 00:00 Sunday	
THC: Chestnut Glade:area 4	Elizabeth Daish:	27th July 17	26th+27th:2300-midnight	alcohol, LNR, RE
THC:Pond Bar: Area 7	Elizabeth Daish:	27th July 17	26th:2300-0000:27th:2230-midnight	alcohol, LNR,
Scaffold Yard: Area 8	Elizabeth Daish:	27th July 17	26th+27th:2300-midnight	alcohol, RE
Hamlets Way:market: Area 2	Elizabeth Daish:	27th July 17	26th+27th:2300-midnight	LNR
THC:Music Pav: Area 5	Elizabeth Daish:	27th July 17	26th+27th:2300-midnight	Alcohol, LNR, RE
THC:Cantrell Field:Area 6	Elizabeth Daish:	27th July 17	26th+27th:2300-midnight	RE, films and music
THC:The Lodge: Blue area	Elizabeth Daish:	27th July 17	16th-20th : 1200-2300	Alcohol, RE
SouthernGrove:car park:Area 1	Elizabeth Daish:	27th July 17	26th-27th :1200-2100	RE
THC:Lodge Yard bar:Blue area	Elizabeth Daish:	27th July 17	Wed-Fri:1200-2300: Sat-Sun;1200-0000	alcohol,RE
THC:Soanes:green area	Elizabeth Daish:	27th July 17	23rd-27th: Wed-Fri:1200-2300 Sat-Sun:1200-midnight	alcohol

I am hoping to resolve some of the issues so Shuffle can go ahead in a safe environment.

The eleven TENs are all part of the Shuffle Festival. The use of TENs does not allow local residents to consider their proposals

I believe the midnight terminal hour is likely to cause a nuisance to local residents whether it is from the entertainment or people under the influence of alcohol

In regards to the Scaffold Yard , the licensable activities will take place in the uncovered yard. Music at this time of night will cause a public nuisance.

I'm concerned that the area such as the Pond Bar has no SIA. I know this has been addressed by Sgt Warlow as he has concerns about youths on mopeds on the pathway. I am concerned about their patrons being victims of crime in the park or when leaving at midnight. I have already discussed with the organisers the need to increase their SIA levels.

Is there a need for off sales?

I would ask the applicant to consider the following;

Licensable activities: 2300 finish, closing 2330

There is another meeting soon, where hopefully these concerns will be addressed.

Hi Kathy

After our meeting today and the below applications coming to my notice, please add these to my objection along with the other Shuffle TENs.

Amy.

There appears to be a number of discrepancies between the TENs and the hours on the management plans.

It is likely we can agree on the 2300 TENs .

Further to the street market TEN for Hamlets Way, I am concerned over potential crime and disorder if the market is to remain open until midnight. I would suggest 2200 at most. Even then I would ask your client to consider reducing this further.

Best wishes

Alan

Dear Licensing

Re: the TEN for the Workhouse in Southern Grove, E3 on the 26th and 27th August 2017.

After visiting the location on Monday 31st July 2017 I wish to further oppose this application as I believe it undermines the public safety.licensing objective.

I attended the location with LBTH officers and managed to gain access to the adjoining school and overlook the venue.

As described at a meeting the following day it looked like a jungle. The outer area had a large amount of shrubbery and substantial trees. I couldn't see whether the ground was even or whether there was any other items that may have been of concern.

. At the meeting at Mulberry Place on the 1st August 2017, the organisers said that the external area will be made safe prior to the festival. At the moment this cannot be verified.

The organisers have also said that a second entry/exit point will be added. The availability of another exit would increase capacity but as of yet this has still to be done.

The hours remain a concern and I have discussed this the noise officer. We believe licensable activities should finish at 2300.

Dear Licensing,

Please take this as my holding objection to the Following TENs :-

M/102175 - Area 8 - Scaffold Yard – Sale of Alcohol and Regulated Entertainment
M/102176 - Area 2 – Hamlets Way – Late Night Refreshment (LNR)
M/102177 – The Lodge bar – Supply of Alcohol & Regulated Entertainment

M/102183 – Area 7 Pond Bar – Sale of Alcohol & LNR
M/102185 - Area 1 Women’s Workhouse – Regulated Entertainment

I have to consider the TENs applications, and I do not believe that that the Licensing Objective for the Prevention of Public Nuisance will be met by allowing the hours for Licensable Activities for the above TENs until Midnight, with premises closing at 0030 hours.

However I will withdraw my objection if:-

(1) the Applicant agrees to all licensable activities finishing at 2300 hours, closing at 2330 hours: and

(2) the applicant provides details that should be on the Noise Management Plan to include (1) noise monitoring Points, (2) background noise readings from the Nearest Noise Residential Premises pre the event

with consideration Low Frequency levels. In open air venues low frequency content of the music can be more disturbing at a distance from the event location. A level of 65dB in either 63Hz or 125Hz octave band may be satisfactory for this location. Having spoken to Mark at Hark Audio (shown on the noise management plan), they are only providing the Audio equipment, and not undertaking noise monitoring on site.

I am hopefully that in the last Shuffle SAG meeting that agreement can be met and further details of the Applicants NMP will be provided.

Hi Kathy,

Following the last Safety Advisory Group (SAG) meeting with the applicant on the 1st August 2017, attended by representatives from the Police, Licensing, Arts and Events, Health & Safety & the London Fire Brigade, I have further considered the TENs applications for the for Shuffle Film festival and the potential impact of public nuisance and measures to prevent noise generated from within the premises or outside it which could cause disturbance to people in the vicinity.

At the SAG meeting, having previous asked for details of what noise mitigation measures they have in place to minimise noise impact from the event on residents, the applicant was unable to advise of any details and to date I have yet to receive confirmation of this.

When advised that they needed a noise consultant preferable from the Institute of Acoustic or Association of Noise Consultants, I was informed that they were not aware of this and that last year they used a noise app on their phone, which does correlate (see folder attached) with the fact that I met their Acoustic Engineer on site last year and my Colleague Michael Dunn went to the pre event sound checks (see folder attached)

Another discrepancy is the fact that when I mentioned using headphones to listen to films after 11pm, I was advised by the applicant that these were not used last year. However an email from their legal representative on 16.6.16 last year (see folder attached) I was advised that that entertainment will either use headphones as requested or not be licensable, and at all times (pre and post 11pm) the entertainment will be appropriately controlled.

Having contacted Hark Audio last week, the Company on the Noise Management Plan for PA and Sound for Shuffle 2017, I spoke to Mark (who happened to undertake the sound monitoring for Shuffle last year), and he advised me this year he was only supplying the Sound System, but was not undertaking Sound Testing this year, as he no longer had a Sound Level Meter.

Due to the discrepancies in information, and the fact that the applicant has yet to provide me with the required information to assess whether they are taking sufficient steps this year to minimise and monitor to noise levels from their event, I do not feel confident in the Noise Management of the Event, and hence do not consider that at this time that the License Objectives for the Prevention of Public Nuisance will be adhered to.

Therefore my objection still holds relating to:-

Area 4 - Horse Chestnut Glade, Area 5 - Music Pavillion & Memorial Glade, Area 6 - Cantrell Field. However, if the Applicant provides sufficient evidence, to show steps/methods are being taken to minimise noise impact to local residents I would consider withdrawing my objections.

With regards to the Area 9 – Railway Yard & Area 2 the Women’s Workhouse both Pc Cruickshank and I would agree: Licensable activities until 2300 hours, closing at 23:30 (and not as per the application until Midnight, with Premises closing at 00:30).

Noise Sensitive premises: residential in close proximity to Tower Hamlets Cemetery Park including in Steadman House, Lockhart Street, Bow Common Lane including Loweswater House, and Brockesley Street.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to “public nuisance” for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents.
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits; and
- The hours of operation (inclusive of proposals)

CONCLUSION

Environmental Protection **does not** support the applications for Shuffle Tower Hamlets Cemetery including Horse Chestnut Glade, Music Pavilion & Memorial Glade and Cantrell Field, Women’s Workhouse & Railway Yard, as there is great likelihood of disturbance to residential premises at the noise sensitive hours sought. However I am willing to withdraw my objections if the required noise management details are provided and the Applicant is willing to reduce the hours for the Women’s Workhouse and the Railway Yard.

Hi Kate

Thank you for arranging the meeting it was helpful to understand from being on site, how the event will operate.

However I do not believe that the Licensing Objective for the Prevention of Public will not be met from two aspects of your event as follows:

- (1) The films on two sectors of the Park until 2am because despite advising that the noise levels will be background level, late at night & early hours of the morning background noise levels will already be low (the area itself is a quiet area), so the use of headsets will be required whilst watching the films after 11pm.
- (2) As your event goes into noise sensitive times of night the sound from the foghorn is likely to cause a noise disturbance to residential premises in close proximity, and possibly further a field, and therefore I cannot agree to the foghorn being used after 22:30 hours of night.

If you can agree to the use of headphones when films are being watched after 11pm on both sites and the foghorn will not be used after 22:30, and all other aspects in your email (14/6/16) are adhered to then I see no reason to object to your TENs application.

Hi Nicola + Mark,

Thanks for coming down today and getting soaked and getting the sound levels etc. in order to recap so everyone remembers:

All noise levels to comply with wording stipulated on our license 'Not audible such as to cause a nuisance at the boundary'

This is to be checked on site during the festival by the Shuffle team, and noise levels to be recorded with on site noise meters supplied by Mark.

Friday 8th July, on site soundcheck.

1. Horse Chestnut Glade

- 2 speakers for films till midnight
- turned right down to background levels from midnight - 2am
- audience to be moved closer so as to be audible and intimate

2. Music Pavillion

- amplified music till 11 at usual sound levels
- amplified music from 11 - 12midnight to be ambient without bass or drums (I checked this and the last act at this time is a solo guitarist, so that works!)

3. Cantrell Field

- Second cinema screen 2 speakers for films
- Small stage for live score by Minima with amplification from 9pm - 11pm
- films to continue to 2am with low background levels
- audience to be moved closer so as to be audible and intimate

4. Sound sculpture deep in the woods

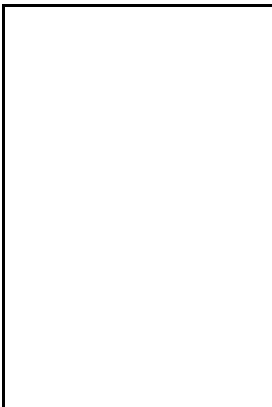

- not amplified but operated through steam and fog-horns
- timings: 12:00 14:00 17:00 22:30 23:30 23:53
- people left on site to be directed to this area after midnight as it is the furthest from any housing

Any questions please get in contact. We will be submitting the TENS for sign off this week!

Peter,

There may be some calls regarding this event which I guess will probably be late **22.30 / 23.30 / 23.53** as there will be steam powered boat horns sounding for between '**3 to 4 minutes**'. These are locate in the Eastern section of the park so any properties to the East of the park are likely to be getting the full effect. The same stage has a performance similar to Stomp....

Additionally, there will be films playing at the North side of the park nearest domestics are in Brokesley Street [31 to 39 & 40 to 44] as long as they are careful this should not be a problem but is also going on quite late.

The contact numbers are in the first instance Lizzy Daish [REDACTED]

[Only should she not be contactable then Kate Mactiernan on 0 [REDACTED]

They have a reasonable sound engineer on board who knows what is needed and how to do it (except for the fog horns).

Please pass the word around to whoever is on at the weekend.

Hi Alan

Taking into account the points made from the police today, we agree to the following regarding the Temporary Events Notices:

1. To stop serving alcohol at Pond Bar at 22:00
2. To close Hamlets Way Market at 22:00

Shuffle is committed to delivering a safe and responsible community event. We do not agree to any other changes to the submitted Temporary Events Notices due to the negative impact this may have on the artistic integrity of the festival, and understand that this will result in us going to a hearing.

Best wishes
Lizzy
