Isle of Dogs Neighborhood Plan Examiners Report and Referendum

Under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 – notice is hereby given that an Executive Key Decision is required to be taken under General Exception Urgency provisions as it is not possible to provide at least 28 clear days' notice of the decision but it is possible to give at least 5 clear days' notice of the decision.

As required under the above regulations, the Chair of the Overview and Scrutiny Committee will be notified of the above decision being taken under the General Exception Provision.

This notification will be published as soon as possible before the decision is taken, stating why the decision must be taken urgently.

Reason why it is impractical to provide 28 clear days' notice of the decision:

Under the neighbourhood planning regulations, the Council has five weeks to take a decision on whether or not to implement Examiners' recommendations from date of receipt. The Examiner's recommendations were received on 14 April and notice of this decision was published on 16 April. However, allowing for the Council's Call In period, this decision must be taken by 12 May if a decision is to be implemented within the five week period. Therefore it was not possible to provide the full 28 days' notice. It has been possible to provide 24 days' notice however.

Individual notices of new Key Decisions will be published on the website as they are known, whilst a Forward Plan collating these decisions will be published 28 days before each Cabinet meeting. [The Committee pages](#) on the Council website include copies of the Forward Plan, Cabinet and other meeting dates and the publication dates of the Forward Plan.

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (including on the website) as early as possible and Urgency Procedures as set out in the Constitution will have to be followed.
