Agenda Item 1

DECLARATIONS OF INTERESTS - NOTE FROM THE MONITORING OFFICER

This note is for guidance only. For further details please consult the Members' Code of Conduct at Part 5.1 of the Council's Constitution.

Please note that the question of whether a Member has an interest in any matter, and whether or not that interest is a Disclosable Pecuniary Interest, is for that Member to decide. Advice is available from officers as listed below but they cannot make the decision for the Member. If in doubt as to the nature of an interest it is advisable to seek advice **prior** to attending a meeting.

Interests and Disclosable Pecuniary Interests (DPIs)

You have an interest in any business of the authority where that business relates to or is likely to affect any of the persons, bodies or matters listed in section 4.1 (a) of the Code of Conduct; and might reasonably be regarded as affecting the well-being or financial position of yourself, a member of your family or a person with whom you have a close association, to a greater extent than the majority of other council tax payers, ratepayers or inhabitants of the ward affected.

You must notify the Monitoring Officer in writing of any such interest, for inclusion in the Register of Members' Interests which is available for public inspection and on the Council's Website.

Once you have recorded an interest in the Register, you are not then required to declare that interest at each meeting where the business is discussed, unless the interest is a Disclosable Pecuniary Interest (DPI).

A DPI is defined in Regulations as a pecuniary interest of any of the descriptions listed at **Appendix A** overleaf. Please note that a Member's DPIs include his/her own relevant interests and also those of his/her spouse or civil partner; or a person with whom the Member is living as husband and wife; or a person with whom the Member is living as if they were civil partners; if the Member is aware that that other person has the interest.

Effect of a Disclosable Pecuniary Interest on participation at meetings

Where you have a DPI in any business of the Council you must, unless you have obtained a dispensation from the authority's Monitoring Officer following consideration by the Dispensations Sub-Committee of the Standards Advisory Committee:-

- not seek to improperly influence a decision about that business; and
- not exercise executive functions in relation to that business.

If you are present at a meeting where that business is discussed, you must:-

- Disclose to the meeting the existence and nature of the interest at the start of the meeting or when the interest becomes apparent, if later; and
- Leave the room (including any public viewing area) for the duration of consideration and decision on the item and not seek to influence the debate or decision

When declaring a DPI, Members should specify the nature of the interest and the agenda item to which the interest relates. This procedure is designed to assist the public's understanding of the meeting and to enable a full record to be made in the minutes of the meeting.

Where you have a DPI in any business of the authority which is not included in the Member's register of interests and you attend a meeting of the authority at which the business is considered, in addition to disclosing the interest to that meeting, you must also within 28 days notify the Monitoring Officer of the interest for inclusion in the Register.

RULES OF PROCEDURE

GOVERNING APPLICATIONS FOR

SEX ESTABLISHMENT LICENCES

UNDER SECTION 2 OF AND SCHEDULE 3 TO THE LOCAL GOVERNMENT

(MISCELLANEOUS PROVISIONS) ACT 1982

Date Last Reviewed:	22nd September 2016
Reviewed By:	Senior Corporate and Governance Legal Officer
Approved By:	Licensing Committee
Date Approved:	14th June 2016
Version No.	1
Document Owner:	Paul Greeno
Post Holder:	Senior Corporate and Governance Legal Officer
Date of Next Scheduled Review:	31st March 2018

1. Interpretation

- 1.1 These Procedures describe the way in which hearings will be conducted under section 2 of and schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 as amended.

2. Composition of the Licensing Committee

- 2.1 The Licensing Committee will consist of fifteen (15) members and no business shall be transacted unless at least three (3) members of the Licensing Committee are present and able to form a properly constituted Licensing Committee. The Chair shall have a second or casting vote.

3. Procedure

- 3.1 The hearing shall take place in public save that the Licensing Committee may exclude the public from all or part of a hearing where it considers that, on balance, it is in the public interest to do so. The parties and any person representing them may be excluded in the same way as another member of the public. Any person so excluded may, before the end of the hearing, submit to the Licensing Committee in writing, any information which, they would have been entitled to give orally had they not been required to leave. Where there are a number of items on the agenda, the adjournment of that item for a short period, whilst another item is heard, may allow this process to be carried out effectively.
- 3.2 The Chair will begin by asking the parties to identify themselves and confirm whether or not they are represented.
- 3.3 The Licensing Committee should always satisfy itself that sufficient notice of the hearing has been given to all parties and if not satisfied, then the Licensing Committee should take such steps as it thinks fit to deal with that issue before reaching its determination and this could include adjourning that application to a later date.
- 3.4 The Chair will explain how the proceedings will be conducted, and indicate any time limits that will be imposed on the parties. In setting time limits, the Licensing Committee will take into account the importance of ensuring that all parties receive a fair hearing, and the importance of ensuring that all applications are determined expeditiously and without undue delay. Further the Licensing Committee should allow each party an equal amount of time.
- 3.5 If a party considers that any time limit is not sufficient then they should address the Licensing Committee and which will determine accordingly.

- 3.6 If any party has informed the Authority that they will not be attending or be represented at the hearing or any party does not give notice that they will not be attending but fails to attend and is not represented, the Licensing Committee may proceed in their absence or adjourn the hearing.
- 3.7 If the Licensing Committee adjourns the hearing it should specify the date, time and place to which the hearing has been adjourned.
- 3.8 If the Licensing Committee holds the hearing in the absence of a party, it will consider at the hearing the application or objection given by that party.
- 3.9 The Chair will invite an Officer of the Licensing Section to present the report by briefly summarising the application and the number and type of the representations as set out in the papers circulated. The Officer will also advise of any discussions held with the parties; any amendments made to the application; any objections withdrawn; and any agreed conditions that the Licensing Committee is being asked to consider. The Officer shall not give any opinion on the application or ask the Committee to make an inference based on such an opinion.
- 3.10 Members of the Licensing Committee can then ask questions of clarification of the Licensing Officer or seek legal advice from the Legal Adviser to the Licensing Committee if they require in respect of matters raised during the presentation by the Licensing Officer.
- 3.11 The Legal Adviser to the Licensing Committee will then give any relevant legal advice that the Licensing Committee need to take into consideration.
- 3.12 The Chair will then ask the applicant or their representative, if present, to state their case. This should avoid repetition of material already available to the Licensing Committee in the Officer's report or otherwise, and include any reasons why an exception should be made to the Sex Establishment Licensing Policy, where appropriate; address, where appropriate, the matters stated in the Sex Establishment Licensing Policy that the Licensing Committee will take into account when considering applications; and respond to the written objections received. The submission may be followed by the evidence of any person who is giving supporting evidence on behalf of the applicant or who has made a representation in favour of the application.
- 3.13 The application is to be presented within any time limit that has been set.
- 3.14 Where an applicant is unrepresented and having difficulty in presenting their application then the Legal Adviser to the Licensing Committee may ask questions of the applicant so that the relevant points are addressed and clarified for the Licensing Committee.

- 3.15 The objectors (or their representative) will be invited to question the applicant.
- 3.16 Members of the Licensing Committee may ask questions of the applicant and/or their representative as well as any other person who has spoken in support of the application. Members can also ask questions of any other person present for the applicant who they consider can assist.
- 3.17 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.18 The Chair will then ask objectors against the application to state their case within any time limit that has been set. The objectors should not repeat what is already set out in their objections. In stating their case, the objectors should provide clarification on any points previously requested by the Council. The submission may be followed by the evidence of any person who is giving supporting evidence.
- 3.19 The applicant (or their representative) will be invited to question the objectors.
- 3.20 Members of the Licensing Committee may then ask questions of the objectors and any other person who has spoken given evidence in support. Members can also ask questions of any other person present who they consider can assist.
- 3.21 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.22 Petitions will be considered but Members should proceed with caution when relying upon petitions used as evidence due to the structure and wording used.
- 3.23 The Chair will intervene at any stage of the hearing to prevent repetitious or irrelevant points being raised.
- 3.24 The objectors (or their representative) will then be permitted to “Sum Up”.
- 3.25 The applicant (or their representative) will then be permitted to “Sum Up”.
- 3.26 The Licensing Committee will consider its decision in private save that the Legal Adviser and Democratic Services Officer will remain with them.
- 3.27 The Licensing Committee will normally return to open session to announce its decision but where they consider it appropriate for the determination to be given at a later time then the Chair will advise the parties present that the decision will not be announced then but that the determination will take place later and that written notification will be dispatched to all parties advising them of the determination.

4. Exclusions

- 4.1 In addition to any exclusion under paragraph 3.1 above, The Licensing Committee may require any person attending the hearing who in their opinion is behaving in a disruptive manner to leave the hearing and may refuse to permit the person to return; or allow them to return only on such conditions as Licensing Committee may specify.
- 4.2 Any person so excluded may, before the end of the hearing, submit to the Authority in writing, any information which, they would have been entitled to give orally had they not been required to leave.

3.0 Background

3.1 This is an application made by Whites Venues Ltd for a renewal of a Sexual Entertainment Venue licence under Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 (as amended by reg. 47 (4), Provisions of Services Regulations 2009 'the service regulations') and the Policing and Crime Act 2009 for Whites Gentleman's Club, 32-38 Leman Street, London E1 8EW.

3.2 A licence from the Council is required for the use of a premise as a sex Establishment. A sexual entertainment venue is any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer.

Relevant entertainment means:

- any live performance; or
- any live display of nudity;

which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of the audience (whether by verbal or other means).

3.3 The premise is currently granted a Sexual Entertainment Venue Licence under the Local Government (Miscellaneous Provisions) Act 1982 (as amended). A copy of the existing licence is enclosed as **Appendix 1**.

3.4 The licence consists of the basic licence, plus additional conditions relevant to that premises only. In addition, the Tower Hamlets Standard SEV Conditions also apply and for part of the licence.

This licence was in force up to: 31st May 2017 or during the time that the licensee(s) is/are the occupier of the premises, whichever is the shorter period, or unless the licence is surrendered or revoked.

The hours permitted are:

- Monday to Saturday from 12:00hrs (midday) to 04:00hrs (the following day)

The named management responsible for this premises as quoted on the SEV licence are:

- John Ronald Gold – Manager
- Alan Southwick – Duty Manager

This licence is granted subject to conditions as follows:

1. The Standard Conditions of the London Borough of Tower Hamlets made under paragraph 13 of Schedule 3 to the Local Government (Miscellaneous Provisions) Act 1982 as revised on

23rd June 2015. It is the duty of the licence holder to be aware of and abide by those conditions;

2. The following additional conditions specific to this Premises:

42. Without prejudice to Standard Condition 5, at least six SIA registered door supervisors shall constantly monitor the striptease entertainment in the Premises and ensure that all relevant conditions of this Licence are being complied with.

43. The relevant tariff must be drawn to the attention of each customer before they pay any fee or charge.

44. No charge may be made to any customer for any drink provided to a performer, hostess or companion unless a customer has expressly ordered it having been informed of the cost.

45. No charge shall be made to any customer for hire or use of any room, or reserved area within the Premises, unless the customer has first been made aware of the cost and signed an order from consenting for the charge to be made. The order form shall be counter-signed by the manager of the Premises. The order form shall state in a legible form:

- (a) the date and time of signature;
- (b) the room, or area to be used or hired by the customer;
- (c) the date, time and duration of the agreed hire or use of the room, or area;
- (d) the details as to what, if any, sexual or other entertainment will be provided and by how many performers;
- (e) the names of any agreed performers;
- (f) the total agreed price and manner of payment;
- (g) the full name of the manager; and
- (h) the full name of the customer.

The order form must be filled in and signed, and payment for the room or area taken, in the designated area shown on the attached plan. The designated area must be well-lit and covered by a CCTV camera which accurately records the transaction and the time and date of the footage. After payment is taken, the customer shall be provided with a receipt and the Licensee shall retain a copy.

3.5 The current renewal application is to permit the premises to operate as a sexual entertainment venue with opening hours as follows:

- Monday to Saturday from 12:00hrs (midday) to 04:00hrs (the following day)

3.6 The premises also hold a licence under the Licensing Act 2003. A copy of the existing Premises Licence is enclosed as **Appendix 2**. The licence was originally granted on 13th March 2006 and was amended

further to a review on 21st June 2011 and a minor variation on 15th December 2014.

The licence granted the following licensable activities and opening hours:

The sale by retail of alcohol:

- Monday to Saturday from 12:00hrs (midday) to 04:00hrs (the following day)

Regulated Entertainment consisting of Recorded Music, performances of dance, Provision of facilities for dancing:

- Monday to Saturday from 12:00hrs (midday) to 04:00hrs (the following day)

Late Night Refreshment:

- Monday to Saturday from 12:00hrs (midday) to 04:00hrs (the following day)

The opening hours of the premises:

- Monday to Saturday from 12:00hrs (midday) to 04:00hrs (the following day)
- Note: However, New Year's Eve is subject to the Regulatory Reform (Special Occasion Licensing) Order 2002. Which means that while that order is in effect the premises may remain open for the twelve hours between 23:00hrs on New Year's Eve and 11:00hrs on New Year's Day.

3.7 A copy of the renewal application is enclosed as **Appendix 3**.

3.8 Maps of the premises location are available in **Appendix 4**.

3.9 Members should note that the two regimes run concurrently therefore the premises licence granted under the Licensing Act 2003 could effectively run without the SEV in operation, if alcohol and regulated entertainment was solely taking place.

4.0 Layout of the Premises

4.1 A layout plan of the premises is available in **Appendix 5**. The premise was visited on the 12th June 2017, attended by Licensing Officers, the premises' manager and their legal representative. A checklist of questions was completed with the Applicant. A copy of that checklist is available in **Appendix 6**. Internal photos of the premises will be made available at the Committee Hearing.

The checklist covered the following points:

- The Code of Conduct for performers
- The House Rules
- The Performer Safety Policy
- Retention of performers' personal details
- Details of Door Staff attending each evening
- The venue interior and exterior (for example, whether the interior of the premises is visible from the outside)
- Public access areas and approved access to dressing rooms
- CCTV Coverage
- Functionality of the CCTV
- Advertising, both externally to the premises and online
- Information on tariffs, including both dances and beverages

4.2 In conclusion from that visit, the Licensing Officers were satisfied that all conditions of the licence were met. Management were cooperative and records were kept in working order.

4.3 Photograph(s) of the exterior of the premises is available in **Appendix 7**.

5.0 **Adverts and Flyers**

5.1 The premises has two external light boxes either side of the main doors displaying the opening times only. This can be seen in **Appendix 7**.

5.2 Copies of the adverts and flyers used to promote the premises are included at **Appendix 8**. The application form states *“flyers are distributed to drivers of private hire vehicles and hackney carriage licence holders only. These flyers provide information regarding introductory fees only. The flyers are not made available to members of the public”*.

5.3 The premises also have a website: <http://www.clubwhites.co.uk/>. There is no 'Over 18' entry tab.

6.0 **Standard Conditions**

6.1 The Council has adopted Standard Conditions that were revised on 23rd June 2015, which act as default conditions that are attached to all Sexual Entertainment Venue Licences. These are available as part of the licence in **Appendix 1**.

7.0 Codes of Conduct and Policies

7.1 The Applicant has provided Codes of Conduct and policies as required by the Standard Conditions, see **Appendix 9**, namely:

- Code of Conduct for Dancers and Performers
- Dancers and Performers Welfare Policy
- Code of Conduct of Customers

7.2 During the compliance check visits, the Code of Conduct for Customers was available throughout the premises, at the main bar and on tables. The Code of Conduct for Performer and the Dancers' Welfare Policy was also available.

7.3 If the application is granted subject to the Standard Conditions, the codes and policies will have to meet the requirements set out in the Standard Conditions.

7.4 Members have discretion to modify the standard conditions or add appropriate conditions.

8.0 Assessment and information for the vicinity

8.1 **Appendix 10** is a map of the Licensing Service's determination of the vicinity around the premises, set at 100meters from the premises. It is noted that there have been some changes in the residential accommodation since the original application.

8.2 Determination of the "use" of other Premises in the "vicinity" – "vicinity" is likely to be a narrower and smaller area than the "relevant locality" much, will depend upon the physical location of the premises, its appearance and upon the nature and hours of its operation.

and sit on one of the main routes into Central London and out to the East.

- None

12.2 The Fire Brigade were consulted, please find below a summary of their comments.

- None

12.3 The Council expects the premises to have planning consent for the intended use and hours of operation, or otherwise have lawful planning status before making an application for a new licence. Building Control were consulted, please find below a summary of their comments.

12.6 One local resident made a written objection (Members should note that no written public consultation is required for the renewal process). This is available in **Appendix 14**. Copies of these have been supplied to the applicant's legal representative with all personal details redacted. Please find below a summary of their comments:

- Noise nuisance and anti-social behaviour all hours of the day and night.

- The premises location in proximity to a local school;

12.7 A person making a representation must clearly state their name, address, and the grounds for objecting to the application and indicate whether they consent to have their name and address revealed to the

applicant. The objectors for this application asked not to have their names and addresses revealed to the Applicant. Copies of redacted representations were available to the applicant prior to the publication of this report.

12.8 The Council will not consider objections that are frivolous or vexatious or which relate to moral grounds (as these are outside the scope of the Act). All the representations received have been included in this report; Members may wish to assess the validity of the content of each objection.

12.9 Late representations may be admissible at the discretion of the Council if there's sufficient reason to indicate that applicants will not be significantly prejudiced by the decision to allow a late objection to be considered. In making such a decision the Council will take into account:

- the length of the delay;
- the amount of time that the applicant has to consider the representation before the hearing date;
- if other representations have been received before the deadline.

13.0 Licensing Authority Recommendations Following Consultation

13.1 There have been no representations from any of the authorities that have been consulted. The application has received an objection from a local resident. Members are asked to consider this representation when determining the renewal application.

14.0 Summary of Premises and Licence History

14.1 The current premises licence under the 2003 Act has been in place since 13th March 2006. The licence was amended following a review on the 21st June 2011 and then by a minor variation on the 15th December 2014. A copy of the existing premises licence is available in **Appendix 2**.

14.2 The current licence holder is: Whites Venues Limited, 32-38 Leman Street, London, E1 8EW.

14.3 The Designated Premises Supervisor was last changed to Charles Rapson Fishlock on the 30th March 2016.

15.0 Complaints and Enforcement History

15.1 The premises has received the following complaints in the last 24 months:

Date	Complainant	Nature of Complaint
16/09/2015	Anonymous public	Complainant alleged that the premises was often open until 6/7am.
4/12/2015	Patron	Allegation of complainant's drinks being spiked and total value of £10,000 taken from credit card without complainant's recollection. Already being looked into by Police and Trading Standards advised as to make a civil claim.

15.2 The premises has received the following visits by the Local Authority in the last 24 months:

Date	Authority (TS/Lic)	Nature of visit
20/11/2015	Licensing, Trading Standards and Police	<p>During the inspection, the venue was broadly compliant. However, there are some areas of concern:</p> <ul style="list-style-type: none"> • When Officers arrived at the premises we were not permitted immediate entry. Security made us wait outside until management had been radioed and sent to meet us. This is not adequate, the Police or Officers of the Authority should be admitted as soon as they arrive, upon producing appropriate identification and/or warrants; • The SEV licence is on the wall, framed, however, only the first page is displayed. The whole licence needs to be available to view; • The House Rules must be made available to patrons upon entry. At present, the door opens on to the rules thereby concealing them. This sign needs to be moved to a prominent position; • There are serious concerns in regards to the CCTV. It was explained to me, that as a result of a vermin infestation, rodents had bitten through various cables leading to a hard drive. Whilst the CCTV was recording current activity, any historical data had been

		<p>lost. If CCTV was inoperable in an area in the Club, that area had been closed (including some of the private performance rooms). The Authority had not received prior notice of this issue. I have therefore asked that the Authority be formally written to with an explanation of these incidents. Further we have asked that the areas without CCTV remain closed. The affected hard drive requires forensic examination to see if lost data can be retrieved and an example sent to us. The Standard Conditions make it very clear that footage be retained for 31days, and therefore the venue is currently in breach of that condition.</p> <p>Response letter received on the 11th January 2016 from licence holder advising that repair works and recommendations by Trading Standards regarding the CCTV system are being carried out. A service report from "Bromley Security Systems" included.</p>
09/06/2016	Licensing	SEV public notice check. All ok
24/06/2016	Licensing	Renewal compliance check visit.
12/06/2017	Licensing	Renewal compliance check visit. See Appendix 6 for the checklist.
12/06/2017	Licensing	SEV public notice check. All ok

15.3 The premises has been subject to the following enforcement actions in the last 24 months:

Date	Authority (TS/Lic)	Nature of Enforcement
None	N/a	N/a

16.0 Policy - Appropriate Number of Sexual Entertainment Venues

16.1 The Council has determined that there are a sufficient number of sex shops, sex cinemas and sexual entertainment venues currently operating in the borough and it does not want to see an increase in the numbers of premises that are currently providing these activities.

16.2 The Council intends to adopt a policy to limit the number of sexual entertainment venues in the borough to nil however it recognises that

there are a number of businesses that have been providing sexual entertainment in Tower Hamlets for several years. The Council will not apply this limitation when considering applications for premises that were already trading with express permission for the type of entertainment which is now defined as sexual entertainment on the date that the licensing provisions were adopted by the authority if they can demonstrate in their application:

- High standards of management;
- A management structure and capacity to operate the venue;
- The ability to adhere to the standard conditions for sex establishments.

16.3 The Council will consider each application on its merit although new applicants will have to demonstrate why the Council should depart from its policy. Furthermore if any of the existing premises cease trading there is no presumption that the Council will consider any new applications more favourably.

17.0 Home Office Guidance

17.1 The Home Office issued guidance to local authorities in March 2010 to assist local authorities in carrying out their functions under the Act.

17.2 The Council can refuse applications on grounds related to an assessment of the relevant locality. A licence can be refused if either, at the time the application is determined the number of Sexual Entertainment Venues, or Sexual Entertainment Venues of a particular kind, in the relevant locality is equal to or exceeds the number that the authority considers appropriate for that locality; or that a Sexual Entertainment Venue would be inappropriate having regard to the character of the relevant locality, the use to which any premises in the vicinity are put or the layout, character or condition of the premises. Nil may be the appropriate number.

17.3 The decision regarding what constitutes the 'relevant locality' is a matter for the Council. However, such questions must be decided on the facts of the individual application.

17.4 Once the Council has determined the relevant locality, it should seek to make an assessment of the 'character' of the relevant locality and how many, if any, Sexual Entertainment Venues, or Sexual Entertainment Venues of a particular kind, it considers appropriate for that relevant locality.

18.0 Licence Conditions

- 18.1 Once the Council has decided to grant a licence they are able to impose terms, conditions and restrictions on that licence, either in the form of conditions specific to the individual licence under paragraph 8 of Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982, or standard conditions applicable to all Sexual Entertainment Venues, or particular types of Sexual Entertainment Venues.
- 18.2 Where the Council decides to produce standard conditions under paragraph 13 they will apply to every licence granted, renewed or transferred by the authority unless they have been expressly excluded or varied.
- 18.3 Most sexual entertainment venues will require a Licensing Act 2003 licence as well as a Sexual Entertainment Venue licence. Where this is the case, local authorities should avoid duplicating licence conditions and should ensure that conditions imposed on the each licence are relevant to the activities authorised by that licence. For example, conditions relating to the sale of alcohol should only appear on a premises licences or clubs premises certificate and should not be imposed on sexual entertainment venue licence. Likewise, conditions relating the provisions of relevant entertainment should appear on the sexual entertainment venue licence and not a premises licence or club premises certificate. Local authorities should also avoid imposing conditions on either licence that are contradictory.
- 18.4 In many cases licences granted under the 2003 Act to existing operators will contain conditions that relate expressly and exclusively to the provision of relevant entertainment. Such a condition might prohibit contact between a performer and customer during a lap dance. In these cases, in order to avoid duplication, where conditions on premises licences or club premises certificates relate only to the provision of relevant entertainment, they shall be read as if they were deleted from the 3rd appointed day onwards.
- 18.5 In cases where conditions on a premises licence or clubs premises certificate are inconsistent with, and less onerous than, the conditions in the licence granted under the 1982 Act they shall likewise be read as though they have been deleted.

19.0 Sexual Entertainment Venues and Determination

- 19.1 Members should consider the relevant legislation; the Council's SEV Policy and Standard Conditions (see **Appendix 15** and **Appendix 1** respectively).
- 19.2 A copy of LBTH Sexual Entertainment Venue Policy is produced in **Appendix 15** for Member's information.

20.0 Legal Comments

20.1 The Council may refuse an application for the grant or renewal of a licence on one or more of the grounds specified below (Sch 3 of the LGMPA 1982 as amended ('the Act')).

20.2 The Committee has to refuse the application if any of the following grounds for refusal apply under para. 12(2) of Schedule 3 of the Act.

20.3 The mandatory grounds for refusal are as follows:

- (a) to a person under the age of 18; or
- (b) to a person who is for the time being disqualified under paragraph 17(3) below; or
- (c) to a person, other than a body corporate, who is not resident in an EEA state or was not so resident throughout the period of six months immediately preceding the date when the application was made; or
- (d) to a body corporate which is not incorporated in an EEA state 1 ; or
- (e) to a person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

20.4 The Committee has discretion to refuse the application if any of the following grounds for refusal apply under para. 12(3) of Schedule 3 of the Act.

20.5 The discretionary grounds for refusal are as follows:

- (a) the applicant is unsuitable to hold a licence by reason of having been convicted of an offence or for any other reason;
- (b) that if the licence were to be granted, renewed or transferred, the business to which it relates would be managed by or carried on for the benefit of a person other than the applicant who would have been refused a licence if they had applied themselves;
- (c) that the number of sex establishments, or of sex establishments of a particular kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality; or
- (d) the grant or renewal of licence would be inappropriate because of:
 - i. the character of the relevant locality;

- ii. the use to which the premises in the vicinity are put; or
- iii. the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

(In relation to premises, 'the relevant locality' means the locality where the premises are situated).

20.6 There is a right of appeal to the Magistrates' Court, as set out in para. 27 of Schedule 3 of the Act. 1.1. In addition, the decision of the Committee may be appealed on established public law principles.

20.7 The Committee should only consider those comments within the written objections or made orally at the hearing which are relevant to the mandatory or discretionary grounds for refusal.

20.8 The Council's legal adviser will give advice at the Hearing.

21 Finance Comments

20.1 The Chief Finance Officer has been consulted on this report and has no additional comments to make.

Introduction

The ward profiles have been produced for all 20 wards in Tower Hamlets. They provide the social, economic and demographic characteristics of each ward in the borough developing a broad picture of the area and help describing local differences.

In May 2014, the number of wards increased from 17 to 20. The changes were made by the Local Government Boundary Commission for England, in order to ensure that every councillor in Tower Hamlets represented roughly the same number of residents. The changes mean that no ward will have a population variance of greater than 10 per cent. As a result of the changes, the average population per councillor will be 4,029 in 2014, rising to 4,417 by 2018, according to projected population growth.

Data from the 2011 Census has been used throughout this ward profile as this still provides the single best source of statistics which are available at geography small enough to be aggregated up in to the new wards. While more recent estimates of the resident population are available for the borough and old ward boundaries, these cannot be used to infer the current population according to the new ward boundaries.

Population

Dear Sir / Madam

I am writing to register my objection to the application for a premises licence by . The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The Venue is located in a populated areas with new residents, noise and antisocial behaviour from users as well as staff will increase. Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this inconvenience since it opened.

Are there any safe guards in place for the venue workers namely the dancers to offer them protection from sexual exploitation.

The venue operates near to a local Primary school English Martyrs students have to walk past venue to go to school what safe guard's are their in place for the children?

I believe that a sexual entertainment licence discriminates against women and that it contribute to their sexualisation and objectification of women and a licence will contribute towards this. When femal office worked walk around the area they can sometimes feel nervous and objectified in a sexual manner and a premises of this kind will add to the objectification.

There are numerous Private Hire vehicles waiting parked on double yellow lines on Alie St E1 for bookings and his causes addition parking and environmental issues.

In view of the above, I would urge the Licensing Authority to refuse the application under Discretionary grounds for refusal.

Yours faithfully,

Tower Hamlets Council

Sex Establishment Licensing Policy

Introduction

This policy sets out Tower Hamlets Council's proposed approach to regulating sex establishments and the procedure that it will adopt in relation to applications for sex establishment licences.

The policy of the Council is to refuse applications for sexual entertainment venues. This policy is intended to be strictly applied and will only be overridden in genuinely exceptional circumstances. Such circumstances will not be taken to include the quality of the management, its compliance with licence conditions, the size of the premises or its operating hours.

The policy is intended as a guide to applicants, licence holders, people who want to object to applications and members of the Licensing Committee who are responsible for determining contested applications. It also aims to guide and reassure the public and other public authorities, ensuring transparency and consistency in decision making.

When the decision making powers of the Council are engaged each application will be dealt with on its own merits but this policy gives prospective applicants an early indication of whether their application is likely to be granted or not. It also provides prospective applicants details of what is expected of them should an application be made.

The legal controls for sex establishment premises are contained in the Local Governmental (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009.

There are 3 types of sex establishments which fall into the licensing regime:-

Sex shops

Sex cinemas

Sexual entertainment venues

The role of the Council in its position as Licensing Authority is to administer the licensing regime in accordance with the law and not in accordance with moral standing. The Council recognises that Parliament has made it lawful to operate a sex establishment and such businesses are a legitimate part of the retail and leisure industries.

Policy Rationale

The policy has been developed that sets out how the legislation will be administered and applied. The policy identifies how the Council would exercise the licensing regime in relation to sexual entertainment venues.

The policy has been developed to reflect and complement existing Council plans and strategic approach, namely:-

- Tower Hamlets Community Plan.
- Tower Hamlets Crime & Drug Reduction Partnership Plan.
- Tower Hamlets Enforcement Policy.
- Tower Hamlets Core Strategy.
- Tower Hamlets Town Centre Spatial Strategy.
- Tower Hamlets Statement of Licensing Policy (Licensing Act 2003).
- Tower Hamlets Statement of Licensing Policy (Gambling Act 2005).

The policy has also been prepared with regard to:

- Consultation responses
- Human Rights Act 1998
- Equalities Act 2010

The policy seeks to contribute to the “One Tower Hamlets” principle by fostering community cohesion, reducing inequalities and empowering communities. The public consultation that was undertaken concerning the adoption of a nil policy did not have overwhelming support. Therefore careful consideration has been given to the policy response, given the balance that the consultation returns did not give overwhelming support.

Policy Considerations

Existing Licensed Premises

The Council has had the ability to licence sex shops and sex cinemas under the Local Government (Miscellaneous Provisions) Act 1982 for many years.

There are no licensed sex shops in Tower Hamlets.

The businesses that hold premises licences under the Licensing Act 2003 with permissions that will be affected by the adoption of the sexual entertainment venue licensing regime are as follows:-

Tower Hamlets Council has adopted schedule 3 Local Government (Miscellaneous Provisions) Act 1982 with effect from 1st June 2014 so that it can:

- set a limit on the number of sexual entertainment venues
- determine premises that are appropriate for the borough and
- licence sexual entertainment venues

Sexual entertainment venues are those that regularly provide lap dancing and other forms of live performance or live display of nudity.

Establishments that hold events involving full or partial nudity less than once a month may be exempt from the requirements to obtain a sex establishment licence and applicants are advised to contact the Licensing Team for advice.

Limits on the number of licensed premises

The Council has determined that there are a sufficient number of sex shops, sex cinemas and sexual entertainment venues currently operating in the borough and it does not want to see an increase in the numbers of premises that are currently providing these activities.

The Council intends to adopt a policy to limit the number of sexual entertainment venues in the borough to nil however it recognises that there are a number of businesses that have been providing sexual entertainment in Tower Hamlets for several years. The Council will not apply this limitation when considering applications for premises that were already trading with express permission for the type of entertainment which is now defined as sexual entertainment on the date that the licensing provisions were adopted by the authority if they can demonstrate in their application:

- High standards of management
- A management structure and capacity to operate the venue
- The ability to adhere to the standard conditions for sex establishments

The Council will consider each application on its merit although new applicants will have to demonstrate why the Council should depart from its policy. Furthermore if any of the existing premises cease trading there is no presumption that the Council will consider any new applications more favourably.

Location of premises

The Council's policy is that there is no locality within Tower Hamlets in which it would be appropriate to license a sex establishment. Accordingly, the appropriate number of sex establishments for each and every locality within Tower Hamlets is zero.

As previously stated in the policy the Council will treat each application on its own merits however applicants should be aware that the Council will take into consideration the location of the proposed premises and its proximity to:

- residential accommodation,
- schools,
- premises used by children and vulnerable persons
- youth, community & leisure centres,
- religious centres and public places of worship
- access routes to and from premises listed above
- existing licensed premises in the vicinity

Impact

In considering applications for the grant of new or variation applications the Council will assess the likelihood of a grant causing impacts, particularly on the local community.

The Council will take the following matters into account:

- the type of activity
- the duration of the proposed licence
- the proposed hours of operation
- the layout and condition of the premises
- the use of other premises in the vicinity
- the character and locality of the area
- the applicant's previous knowledge and experience
- the applicant's ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant

- any reports about the applicant and management of the premises received from residents, Council officers or the police
- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers
- crime and disorder issues
- cumulative impact of licensed premises, including hours of operation
- the nature and concerns of local residents
- any evidence of complaints about noise or disturbance caused by premises
- planning permission and planning policy considerations

In considering applications for renewal the Council will take into account

- the applicant's ability to minimise the impact of their business on local residents and businesses
- any reports about the licensee and management of the premises received from residents, Council officers or the police
- whether appropriate measures have been agreed and put into place to mitigate any adverse impacts
- any evidence of complaints about noise or disturbance caused by premises

In considering applications for transfer the Council will take into account:

- the applicants previous knowledge and experience
- the applicants ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant
- any reports about the applicant and management of the premises received from residents, Council officers or the police

- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers

Applicants

Where appropriate the Council expects applicants to:

- demonstrate that they are qualified by experience
- have an understanding of general conditions
- propose a management structure which will deliver compliance with operating conditions for example through
- Management competence
- Presence
- Credible management structure
- enforcement of rules internally – training & monitoring
- a viable business plan covering door staff, CCTV
- policies for welfare of performers
- demonstrate that they can be relied upon to act in best interests of performers through remuneration, facilities, protection, physical and psychological welfare
- have a transparent charging scheme with freedom from solicitation
- a track record of management compliant premises or employ individuals with such a track record

New applicants may be invited for interview by the Licensing Officer and /or Police Officer prior to the application being referred to the Licensing Committee for determination.

Applications from anyone who intends to manage the premises on behalf of third party will be refused.

Premises appearance and layout

The Council expects premises to:-

- have an external appearance which is in keeping with the locality
- prevent the display outside the premises of photographs or other images which may be construed as offensive to public decency

- adequate lighting to allow monitoring of all public areas
- surveillance by CCTV
- surveillance by CCTV of all private booths

Conditions

The council will prescribe, and from time to time revise, standard conditions which will apply generally to licences that the council will grant or renew.

Through standard conditions the council seeks to ensure that sexual entertainment venues are well managed and supervised, restrict the sexual entertainment activities and the manner in which they are permitted to be provided, protect performers, and control the impact of the venue and its customers in relation to its locality.

Specifically, standard conditions could include measures which are found in the appendix of this policy.

The Application Process

Making a new, renewal, transfer or variation application

The Act requires the Council to refuse all application if the applicant:

- Is under the age of 18 or
- Has had their licence revoked in the last 12 months or
- Is not resident in the UK, or has not been a UK resident for the last 6months
or
- Has been refused an application in the last 12 months or
- Is a corporate body which in not incorporated in the UK

Applications forms and details of current fee levels are available:

- on the Council's website (www.towerhamlets.gov.uk)
- from the Licensing Team on 020 7364 5008
- by email to licensing@towerhamlets.gov.uk

The Council prefers to receive electronic applications and *offers a choice off payment options the details of which are contained in the application pack.*

The Council expects the premises to have planning consent for the intended use and hours of operation, or otherwise have lawful planning status before making an application for a new licence.

In order for the application to be valid the applicant must:

- Submit the completed application form
- Pay the application fee
- Submit a floor plan, drawn to scale showing the layout of the premises(new applications only)
- Submit a location plan (1;1250) showing the location of the premises(NB. plans will not be required for transfers nor renewal applications)
- 2 passport size photos of the applicant where the applicant is an individual rather than a limited company
- 2 passport size photos of the manager if applicant is a limited company(NB: photos will only be required if there has been a change of applicant or manager since the last application)
- Display an A4 notice at the proposed premises for 21 days following the date that the completed application is submitted setting out the application details. The notice must be in a prominent position so that it can be easily read by passers-by. A notice template will be provided with the application form.
- publish a notice on at least one occasion in a local newspaper, during the period of ten working days starting on the day the application was given Council. The advert can be any size or colour but must be readable.

Applicants who wish to advertise the application in another local newspaper are advised to contact the Licensing Team beforehand, to confirm that it is acceptable.

On receipt of a valid application the Council will consult:

- The Police
- The Fire Brigade
- Building Control
- Health and Safety
- Ward Councillors

For new and variation applications the Council will also consult:

- Development Control Team
- Local residents living within 50m of the premises

Authorised Officers from the Council, Fire Brigade and Police may choose to inspect the premises and require works to be carried out to bring the premises up to the required standard before the premises can be used for licensable activities.

The Council will not determine an application for a licence unless the applicant allows an authorised officer reasonable opportunity to enter the premises to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.

Representations

Anyone wishing to object to the application must submit a representation, in writing, within 28 days of the date that the valid application was received by the Council.

Representations can either be submitted via

- Our website: www.towerhamlets.gov.uk
- Email to: licensing@towerhamlets.gov.uk
- Post to: Consumer and Business Regulations, Licensing Team, 6th Floor, Mulberry Place, 5 Clove Crescent, E14 2BG.

A person making a representation must clearly state their name, address, and the grounds for objecting to the application and indicate whether they consent to have their name and address revealed to the applicant. Copies of representations will be made available to the applicant 14 days before the committee hearing.

The Council will not consider objections that are frivolous or vexatious or which relate to moral grounds (as these are outside the scope of the Act).

The Council prefers to receive electronic representations.

Late representations may be admissible at the discretion of the Council if there's sufficient reason to indicate that applicants will not be significantly prejudiced by the

decision to allow a late objection to be considered. In making such a decision the Council will take into account:

- The length of the delay
- The amount of time that the applicant has to consider the representation before the hearing date
- If other representations have been received before the deadline

Determining an application

Applications with no representations will be approved under delegated authority to officers.

Applications with representations recommending that conditions be attached to the licence and which are acceptable to both the applicant and person making the representation can be approved under delegated authority to officers.

All other contested applications will be referred to the Licensing Committee for determination. The applicant, anyone making a representation and the ward Councillors will be notified the date, time and venue of the hearing and invited to attend to address the committee in person.

Applications can take up to 14 weeks to be determined. If an application is likely to take longer than 14 weeks to determine the Council will notify the applicant in writing before this deadline. Applications for sex establishment licenses are exempt from the tacit consent provisions of the EU Services Directive on the grounds of public interest and the legitimate interests of third parties.

The applicant will be notified in writing about the outcome of their application within 5 working days of the decision being made.

Sex Establishment licences are usually issued for 12 months, but can be issued for a shorter period if deemed appropriate.

In order to continue operating as a sex establishment the licence holder must make a renewal application prior to the expiry of the existing licence.

Appeals

Any applicant who is aggrieved by a decision to refuse an application or by the imposition of any conditions can appeal to the Magistrates Court within 21 days of receiving the decision in writing.

Grounds for refusing an application

1. The applicant is unsuitable to hold a licence by reason of having been convicted of any offence or for any other reason
2. That if the license were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a license if he made the application himself
3. That the number of sex establishments in the relevant locality at the time the application is made is equal to or exceeds the number which the authority consider is appropriate for that locality
4. That the grant or renewal of the license would be inappropriate, having regard:-
 - a. to the character of the relevant locality
 - b. to the use to which any premises in the vicinity are put; or
 - c. to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

Transitional Arrangements

Broadly speaking, those existing sexual entertainment venues (lap dancing clubs etc) with a premises licence under the Licensing Act 2003, under which it is lawful to provide such entertainment, will continue to be able to operate for one year after the Council adopts the 2009 Act provisions or, if later, the determination of any application submitted during that year.

The 'transitional period' will last for 12-months beginning with the date that the Council resolves that Schedule 3 as amended by the 2009 Act will come into force in their area ('the 1st appointed day'). Six months following the 1st appointed day will be known as the '2nd appointed day' and the day on which the transitional period ends will be known as the '3rd appointed day'

Existing Operators

To allow time to comply with the new regime, existing operators, who, immediately before the 1st appointed day, have a 2003 Act licence and lawfully use premises as a sexual entertainment venue under that licence or are undertaking preparatory work to use the venue in that way will be allowed to continue to provide relevant entertainment until the 3rd appointed day or the determination of any application they have submitted before that time (including any appeal against the refusal to grant a licence), whichever is later

For the purposes of the Transition a "2003 Act Licence" means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

"Preparatory work" refers to work carried out by an operator, such as a refurbishment or refit, in order that they can use the premises as a sexual entertainment venue in the future. The operator will have been granted a 2003 Act licence before the 1st appointed day but will not have used the premises as a sexual entertainment venue by that date. It is likely that such operators will be known to the Council. However, where a dispute arises between the Council and

a licence-holder over whether the licence-holder qualifies as an existing operator by virtue of this provision the Council will need to seek evidence from the licence-holder to demonstrate that they clearly intended to operate a sexual entertainment venue in the future and work had been done to achieve this end.

For the purposes of the Transition a “2003 Act Licence” means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

Appointed Days

1st Appointed Day

The day on which the Sexual Entertainment Venue regime comes into force in the Borough and the beginning of the transitional period (1st June 2014)

2nd Appointed Day

The day 6 months after the 1st appointed day (1st December 2014)

3rd Appointed Day

The day 6 months after the 2nd appointed day and the end of the transitional period (1st June 2015)

New Applications

New applicants are people who wish to use premises as a sexual entertainment venue after the 1st appointed day but do not already have a premises licence or club premises certificate to operate as such under the 2003 Act or do have such a licence but have not taken any steps towards operating as such. After the 1st appointed day new applicants will not be able to operate as a sexual entertainment venue until they have been granted a sexual entertainment venue licence

Determining Applications Received On or Before the 2nd Appointed Day

Applicants will be able to submit their application for a sexual entertainment venue from the 1st appointed day onwards.

As the Council is able to refuse applications having regard to the number of sex establishments they consider appropriate for a particular locality, all applications made on or after the 1st appointed day but on or before the 2nd appointed day shall be considered together. This will ensure that applicants are given sufficient time to submit their application and all applications received on or before the 2nd appointed day are considered on their individual merit and not on a first come first serve basis.

No applications shall be determined before the 2nd appointed day. After the 2nd appointed day the appropriate authority shall decide what if any licences should be granted. If a new applicant is granted a licence it will take effect immediately. If an existing operator is granted a licence, it will not take effect until the 3rd appointed day, up to which point they will be allowed to continue to operate under their existing premises licence or club premises certificate.

Determining Applications Received After the 2nd Appointed Day

Applications made after the 2nd appointed day shall be considered when they are made but only once all applications made on or before that date have been determined. However, reference to determination here does not include references to the determination of any appeal against the refusal of a licence.

As with applications received on or before the 2nd appointed day, licences granted to new applicants shall take effect immediately and licences granted to existing operators shall take effect from the 3rd appointed day or, if later, the date the application is determined.

Outstanding Applications

The Council will attempt where possible to determine outstanding applications made under the 2003 Act, which include an application for the provision of

relevant entertainment, before the date that Schedule 3 as amended by the 2009 Act comes into force in their area.

Where it has not been possible to determine application before the 1st appointed day, applicants will need to submit an application for a sex establishment licence as set out in Schedule 3 if they wish to provide relevant entertainment. From the 1st appointed day onwards outstanding applicants shall be dealt with as though they are new applicants

Due to the Appeal and JR the premises was closed for the period of 20th December 2016 until 6th June 2017. Both matters were resolved by agreement between the Council and the Applicant without the need for a court hearing. The Applicant agreed to the addition of two conditions to the SEV licence, namely;

1. Management of the Business

- a. At any time while this licence is in place, the person(s) appointed by the licence holder to manage the business MUST have a minimum of 2 years relevant experience in a supervisory or enforcement role within or dealing with the sexual entertainment industry. Relevant experience can only be gained through legitimate employment which ended not less than 2 years prior to being appointed by the holder of this licence.
- b. If the licence holder appoints a person(s) to manage the business the licence holder must notify the licensing authority in writing within 14 days of the appointment and provide the Licensing Authority with an up to date copy of the newly appointed manager(s) Curriculum Vitae.

2. Independent Compliance Audits

- a. An independent Compliance Auditor, to be Instructed and paid for by the licence holder, MUST carry out a minimum of four (4) compliance audits per year. Members should note that the premises has been closed for a significant period between 20th December 2016 until 6th June 2017.

No representations have been made by the Responsible Authorities, therefore Members are asked to consider the weight of the representations made by the local residents. Members should also consider point 19.3 of Legal Comments of the grounds of refusal.

15.0 Policy - Appropriate Number of Sexual Entertainment Venues

15.1 The Council has determined that there are a sufficient number of sex shops, sex cinemas and sexual entertainment venues currently operating in the borough and it does not want to see an increase in the numbers of premises that are currently providing these activities.

15.2 The Council intends to adopt a policy to limit the number of sexual entertainment venues in the borough to nil however it recognises that there are a number of businesses that have been providing sexual entertainment in Tower Hamlets for several years. The Council will not apply this limitation when considering applications for premises that were already trading with express permission for the type of entertainment which is now defined as sexual entertainment on the date that the licensing provisions were adopted by the authority if they can demonstrate in their application:

- High standards of management;
- A management structure and capacity to operate the venue;
- The ability to adhere to the standard conditions for sex establishments.

15.3 The Council will consider each application on its merit although new applicants will have to demonstrate why the Council should depart from its policy. Furthermore if any of the existing premises cease trading there is no presumption that the Council will consider any new applications more favourably.

16.0 Home Office Guidance

16.1 The Home Office issued guidance to local authorities in March 2010 to assist local authorities in carrying out their functions under the Act.

16.2 The Council can refuse applications on grounds related to an assessment of the relevant locality. A licence can be refused if either, at the time the application is determined the number of Sexual Entertainment Venues, or Sexual Entertainment Venues of a particular kind, in the relevant locality is equal to or exceeds the number that the authority considers appropriate for that locality; or that a Sexual Entertainment Venue would be inappropriate having regard to the character of the relevant locality, the use to which any premises in the vicinity are put or the layout, character or condition of the premises. Nil may be the appropriate number.

16.3 The decision regarding what constitutes the 'relevant locality' is a matter for the Council. However, such questions must be decided on the facts of the individual application.

16.4 Once the Council has determined the relevant locality, it should seek to make an assessment of the 'character' of the relevant locality and how many, if any, Sexual Entertainment Venues, or Sexual Entertainment Venues of a particular kind, it considers appropriate for that relevant locality.

17.0 Licence Conditions

17.1 Once the Council has decided to grant a licence they are able to impose terms, conditions and restrictions on that licence, either in the form of conditions specific to the individual licence under paragraph 8 of Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982, or standard conditions applicable to all Sexual Entertainment Venues, or particular types of Sexual Entertainment Venues.

17.2 Where the Council decides to produce standard conditions under paragraph 13 they will apply to every licence granted, renewed or

transferred by the authority unless they have been expressly excluded or varied.

17.3 Most sexual entertainment venues will require a Licensing Act 2003 licence as well as a Sexual Entertainment Venue licence. Where this is the case, local authorities should avoid duplicating licence conditions and should ensure that conditions imposed on the each licence are relevant to the activities authorised by that licence. For example, conditions relating to the sale of alcohol should only appear on a premises licences or clubs premises certificate and should not be imposed on sexual entertainment venue licence. Likewise, conditions relating the provisions of relevant entertainment should appear on the sexual entertainment venue licence and not a premises licence or club premises certificate. Local authorities should also avoid imposing conditions on either licence that are contradictory.

17.4 In many cases licences granted under the 2003 Act to existing operators will contain conditions that relate expressly and exclusively to the provision of relevant entertainment. Such a condition might prohibit contact between a performer and customer during a lap dance. In these cases, in order to avoid duplication, where conditions on premises licences or club premises certificates relate only to the provision of relevant entertainment, they shall be read as if they were deleted from the 3rd appointed day onwards.

17.5 In cases where conditions on a premises licence or clubs premises certificate are inconsistent with, and less onerous than, the conditions in the licence granted under the 1982 Act they shall likewise be read as though they have been deleted.

18.0 Sexual Entertainment Venues and Determination

18.1 Members should consider the relevant legislation, the Council's SEV Policy and Standard Conditions (See **Appendices 20** and **2** respectively.)

19.0 Legal Comments

19.1 The Council may refuse an application for the grant or renewal of a licence on one or more of the grounds specified below (Sch 3 of the LGMPA 1982 as amended ('the Act')).

19.2 The Committee has to refuse the application if any of the following grounds for refusal apply under para. 12(2) of Schedule 3 of the Act.

19.3 The mandatory grounds for refusal are as follows:

- (a) to a person under the age of 18; or
- (b) to a person who is for the time being disqualified under paragraph 17(3) below; or

- (c) to a person, other than a body corporate, who is not resident in an EEA state or was not so resident throughout the period of six months immediately preceding the date when the application was made; or
- (d) to a body corporate which is not incorporated in an EEA state 1 ; or
- (e) to a person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

19.4 The Committee has discretion to refuse the application if any of the following grounds for refusal apply under para. 12(3) of Schedule 3 of the Act.

19.5 The discretionary grounds for refusal are as follows:

- (a) the applicant is unsuitable to hold a licence by reason of having been convicted of an offence or for any other reason;
- (b) that if the licence were to be granted, renewed or transferred, the business to which it relates would be managed by or carried on for the benefit of a person other than the applicant who would have been refused a licence if they had applied themselves;
- (c) that the number of sex establishments, or of sex establishments of a particular kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality; or
- (d) the grant or renewal of licence would be inappropriate because of:
 - i. the character of the relevant locality;
 - ii. the use to which the premises in the vicinity are put; or
 - iii. the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

(In relation to premises, 'the relevant locality' means the locality where the premises are situated).

19.6 There is a right of appeal to the Magistrates' Court, as set out in para. 27 of Schedule 3 of the Act. In addition, the decision of the Committee may be appealed on established public law principles.

19.7 The Committee should only consider those comments within the letters of objection or made orally at the hearing which are relevant to the mandatory or discretionary grounds for refusal.

19.8 The Council's legal advisor will give advice at the Hearing.

20 Finance Comments

20.1 There are no direct financial implications arising directly from the report. However, there are possible cost implications if the Decision was appealed to the Magistrates' Court, Crown Court or if a Judicial Review was lodged. Licence fees are expected to cover the cost of administration and compliance.

With each record the Licensee shall keep a copy of a photographic form of identity and proof of address of the performer. During a performance there shall be no intentional physical contact between a performer and the customer other than the transfer of money or token at the beginning, during and at the conclusion of a dance into the hand or a garter worn by the performer. For the avoidance of doubt nothing in this condition shall prevent Performers from acting to prevent, deter or counter any attempts of physical contact by a customer.
36. Without prejudice to standard condition 35 above, at the conclusion of a performance there shall be no intentional physical contact between a performer and the customer, save for a handshake. For the avoidance of doubt kissing is not permitted.

Introduction

The ward profiles have been produced for all 20 wards in Tower Hamlets. They provide the social, economic and demographic characteristics of each ward in the borough developing a broad picture of the area and help describing local differences.

In May 2014, the number of wards increased from 17 to 20. The changes were made by the Local Government Boundary Commission for England, in order to ensure that every councillor in Tower Hamlets represented roughly the same number of residents. The changes mean that no ward will have a population variance of greater than 10 per cent. As a result of the changes, the average population per councillor will be 4,029 in 2014, rising to 4,417 by 2018, according to projected population growth.

Data from the 2011 Census has been used throughout this ward profile as this still provides the single best source of statistics which are available at geography small enough to be aggregated up in to the new wards. While more recent estimates of the resident population are available for the borough and old ward boundaries, these cannot be used to infer the current population according to the new ward boundaries.

Dear Licensing,

I object to Flamingos club on Alie Street being issued with a sexual entertainment licence.

For the past 2 years my neighbours and I have complained to the club manager and to the council about the same things, nothing gets done for months but as we start to make some progress, then the venue is sold on and then we're back to square one. This has happened twice in the last 2 years. Tower Hamlets council are incompetent in dealing with residents complaints.

This club has been closed since January but has re-opened again within the last 4 weeks. The reason I knew it was opened again was because my kids started being woken up between 2am and 4am on school days, either by staff at this club or drunken sods leaving the club. This is unacceptable. And because there was a pile of sick on my door step from one of these drunks. Why on earth have you allowed this club to operate in a residential area? Residents who pay taxes and who are now being treated with contempt by Tower Hamlets council. This area is no longer suitable for this premises.

We hope you act appropriately this time.

Yours faithfully,

Dear Sir / Madam

I am writing to register my objection to the application for a premises licence by City Traders Ltd Club Flamingos The basis for this opposition is that granting a licence for these premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The Venue is located in a populated areas with new residents, noise and antisocial behaviour from users as well as staff will increase. Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this inconvenience since it opened.

Are there any safe guards in place for the venue workers namely the dancers to offer them protection from sexual exploitation.

The venue operates near to a local Primary school English Martyrs students have to walk past venue to go to school what safe guard's are their in place for the children?

I believe that a sexual entertainment licence discriminates against women and that it contribute to their sexualisation and objectification of women and a licence will contribute towards this. When female office workers walk around the area they can sometimes feel nervous and objectified in a sexual manner and a premises of this kind will add to the objectification.

There are numerous Private Hire vehicles waiting parked on double yellow lines on Alie St E1 for bookings and his causes addition parking and environmental issues.

In view of the above, I would urge the Licensing Authority to refuse the application under Discretionary grounds for refusal.

Yours faithfully,

If the nightclub, Flamingos deny it. Then I am happy to give you a statement to confirm I witnessed them leaving the premises and dumping at least 20 bags on the street. This is also backed up with cctv evidence.

Hi Azizul,

Is there any chance you can send someone from your team to take a look at the mess left at the rear of the commercial premises at 30 Lemman Street - this is actually on North Tenter Street. This mess has been left by the staff from the commercial premises, where they had a party last weekend. I witnessed staff leaving the waste on the street and there is also CCTV footage. Of course some residents have seen this mess and assumed it is a collection point, so as expected some residents have also left their waste too, however the majority is from the commercial premises.

I await your response.

Dear Kathy,

This same venue was open on Sunday night into the early hours of this morning (Monday). I believe it was hired out for a private function which is fine. The problem was there was really loud music, which I could hear from the inside of my flat. This is the first time this had ever happened, I have never heard their music from inside my property in the past, so I'm not sure if they have perhaps changed their music player, speakers. Increased the volume and bass or just because it's under new management - they are not aware of the suitable volume level. Either way, it was very annoying and went on until 4am. I reported to the Tower Hamlets noise nuisance team who attended, they informed me that 3 other neighbours had also called to report it too. They also told me that the venue would turn down the music and if any residents had any future complaints they should just phone the venue directly, I was reassured by this. However, when the noise nuisance team left, the volume and bass were increased again and when I attempted to call the venue using the telephone number listed for them, it was a dead line so I couldn't get through, I then found myself having to call the noise nuisance team for a 2nd time.

This is a disgrace, this venue has changed hands several times over the the last 18 months and it would seem we are back to square 1 with the new management there.

On another matter, they emptied all their rubbish in the street at 4am which not only woke up me and my family, they have also dumped all their bottles in black bags and dumped it on the street corner, they have not used their commercial waste bin and have not used the correct commercial waste bags, could you please flag this part of the complaint onto the appropriate person in TH who enforces this.

I would appreciate if the venue management could be spoken to about this.

Following your recent enquiry, the premises have registered a Judicial Review and an Appeal at Magistrates Court of which our Legal Department are dealing with. At present the premises cannot operate as a sexual entertainment venue until such time that the Courts make a decision on the JR.

In regards to the alcohol licence, despite there being an appeal, the legislation does permit them to continue until such time that the appeal is determined. Therefore they could potentially open up and use the premises licence, for example for a bar with recorded music.

In addition to the above, there are exemptions that can permit the use of an SEV on 10 occasions per year of which they could utilise in the interim.

I do believe however that at present the premises are closed.

Subject: Representations - Flamingo's Alie Street E1

To whom it may concern

I am a resident in Tower Hamlets. I live [REDACTED], directly behind the Flamingo's premises on Alie Street E1. I wish to make representations regarding the renewal of their sexual premises licence on the grounds of continuous anti-social behaviour from them and their customers.

I find it remarkable that the premises manager/owner, who is now aware of my representations and other resident's representations, he continues to operate in a way that still causes us harassment and distress due to the continuous anti-social behaviour that comes with such a premises. I will give you a couple of examples. During the early hours of this morning (23/06/17) at around 4am, 4 female dancers from the premises left making a lot of noise, screaming and shouting in the street. This obviously woke up me and my family. This is a regularly occurrence that I have previously complained about and described in my representations to your licensing committee, It often happens on weekdays too and this is not acceptable when there are people asleep and due to get up early for work in the morning. This premises is no longer suitable for this location. I also caught 1 of the taxi drivers urinating against my neighbours van, I went outside to complain about the noise, their engines running, their vehicle lights beaming through our bedroom window and their loud voices. I also told him urinating on someone's vehicle was disgusting, the staff at the venue seemed to think it was funny. This is not a 1 off, it has been brought to the attention of the owner previously, however he fails in his duty as premises licence holder to do anything about it. He therefore in my opinion, should not have a licence and their current application should be declined.

Additionally, last week male staff from the premises were shouting and arguing in the street at around 4am, I went outside to ask them to be quiet and keep the noise down - they apologised but they continued making the noise. One of them said it was his birthday and he was allowed to make noise. These males left from the rear entrance of the premises, one of them was the owner/manager.

I feel if this licence is granted, there will be a certain sigh of relief from the owner, who I'm sure is playing lip service to your committee at the moment. Any assurances that he has made to your committee in order to gain a licence would not be honoured, that is pretty evident from his lack of co-operation with the local residents and his inability to act on feedback giving to him.

For your information, there is no notice outside this premises, if I hadn't of called TH to complain about the noise from this venue, I would not have known that I had until 28th June to make representations. I hope you will take my concerns into consideration when making a final decision if you haven't already.

I look forward to your response in due course.

Kind Regards

I would like to object to this Licensing application as Alie St is increasingly a residential area and also has an infant and junior school just around the corner. It is totally the wrong place to have a strip club offering a 'nude table' etc. Since the strip clubs opened in our area we have suffered increased noise nuisance; mini cab drivers leave their engines running and chat to each other as if it were 3pm in the afternoon not 3am in the morning! and noisy, inebriated punters spill out of the club at all hours.

There has also been substantially increased amount of rubbish discarded on our steps and in our gateway and the regular use of the gateway as a urinal.

To whom it may concern,

We act as Management of the Building at [REDACTED] and represent the residents of 29 Flats in the building [REDACTED], located around the corner from Club Enviee.

We wish to lodge an objection against the licence renewal for the above premises on the following grounds:

- The club is in an area with a high proportion of residential units, the demography of the area has changed with significantly more residents than when the original club obtained a licence at this address, and therefore the nature of the business is not appropriate to the location .
- Proximity to a primary school, place of worship and residential areas frequented families and children.
- Noise, antisocial behaviour and public nuisance, particularly late at night, with people leaving the club walking down St Mark Street.
- Significant numbers of taxis waiting to collect patrons of the club late in the evening causing noise and disruption.

Tower Hamlets Council

Sex Establishment Licensing Policy

Introduction

This policy sets out Tower Hamlets Council's proposed approach to regulating sex establishments and the procedure that it will adopt in relation to applications for sex establishment licences.

The policy of the Council is to refuse applications for sexual entertainment venues. This policy is intended to be strictly applied and will only be overridden in genuinely exceptional circumstances. Such circumstances will not be taken to include the quality of the management, its compliance with licence conditions, the size of the premises or its operating hours.

The policy is intended as a guide to applicants, licence holders, people who want to object to applications and members of the Licensing Committee who are responsible for determining contested applications. It also aims to guide and reassure the public and other public authorities, ensuring transparency and consistency in decision making.

When the decision making powers of the Council are engaged each application will be dealt with on its own merits but this policy gives prospective applicants an early indication of whether their application is likely to be granted or not. It also provides prospective applicants details of what is expected of them should an application be made.

The legal controls for sex establishment premises are contained in the Local Governmental (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009.

There are 3 types of sex establishments which fall into the licensing regime:-

Sex shops

Sex cinemas

Sexual entertainment venues

The role of the Council in its position as Licensing Authority is to administer the licensing regime in accordance with the law and not in accordance with moral standing. The Council recognises that Parliament has made it lawful to operate a sex establishment and such businesses are a legitimate part of the retail and leisure industries.

Policy Rationale

The policy has been developed that sets out how the legislation will be administered and applied. The policy identifies how the Council would exercise the licensing regime in relation to sexual entertainment venues.

The policy has been developed to reflect and complement existing Council plans and strategic approach, namely:-

- Tower Hamlets Community Plan.
- Tower Hamlets Crime & Drug Reduction Partnership Plan.
- Tower Hamlets Enforcement Policy.
- Tower Hamlets Core Strategy.
- Tower Hamlets Town Centre Spatial Strategy.
- Tower Hamlets Statement of Licensing Policy (Licensing Act 2003).
- Tower Hamlets Statement of Licensing Policy (Gambling Act 2005).

The policy has also been prepared with regard to:

- Consultation responses
- Human Rights Act 1998
- Equalities Act 2010

The policy seeks to contribute to the “One Tower Hamlets” principle by fostering community cohesion, reducing inequalities and empowering communities. The public consultation that was undertaken concerning the adoption of a nil policy did not have overwhelming support. Therefore careful consideration has been given to the policy response, given the balance that the consultation returns did not give overwhelming support.

Policy Considerations

Existing Licensed Premises

The Council has had the ability to licence sex shops and sex cinemas under the Local Government (Miscellaneous Provisions) Act 1982 for many years.

There are no licensed sex shops in Tower Hamlets.

The businesses that hold premises licences under the Licensing Act 2003 with permissions that will be affected by the adoption of the sexual entertainment venue licensing regime are as follows:-

NAME	ADDRESS
THE BEEHIVE	104-106 Empson Street, London, E3 3LT
EONE CLUB	168 Mile End Road, London, E1 4LJ
NAGS HEAD PUBLIC HOUSE	17-19 Whitechapel Road, London, E1 1DU
THE PLEASURE LOUNGE	234 Cambridge Heath Road, London, E2 9NN

WHITE'S GENTLEMANS CLUB	32-38 Leman Street, London, E1 8EW
SECRETS	43-45 East Smithfield, London, E1W 1AP
IMAGES	483 Hackney Road, London, E2 9ED

Tower Hamlets Council has adopted schedule 3 Local Government (Miscellaneous Provisions) Act 1982 with effect from 1st June 2014 so that it can:

- set a limit on the number of sexual entertainment venues
- determine premises that are appropriate for the borough and
- licence sexual entertainment venues

Sexual entertainment venues are those that regularly provide lap dancing and other forms of live performance or live display of nudity.

Establishments that hold events involving full or partial nudity less than once a month may be exempt from the requirements to obtain a sex establishment licence and applicants are advised to contact the Licensing Team for advice.

Limits on the number of licensed premises

The Council has determined that there are a sufficient number of sex shops, sex cinemas and sexual entertainment venues currently operating in the borough and it does not want to see an increase in the numbers of premises that are currently providing these activities.

The Council intends to adopt a policy to limit the number of sexual entertainment venues in the borough to nil however it recognises that there are a number of businesses that have been providing sexual entertainment in Tower Hamlets for several years. The Council will not apply this limitation when considering applications for premises that were already trading with express permission for the type of entertainment which is now defined as sexual entertainment on the date that the licensing provisions were adopted by the authority if they can demonstrate in their application:

- High standards of management
- A management structure and capacity to operate the venue
- The ability to adhere to the standard conditions for sex establishments

The Council will consider each application on its merit although new applicants will have to demonstrate why the Council should depart from its policy. Furthermore if any of the existing premises cease trading there is no presumption that the Council will consider any new applications more favourably.

Location of premises

The Council's policy is that there is no locality within Tower Hamlets in which it would be appropriate to license a sex establishment. Accordingly, the appropriate number of sex establishments for each and every locality within Tower Hamlets is zero.

As previously stated in the policy the Council will treat each application on its own merits however applicants should be aware that the Council will take into consideration the location of the proposed premises and its proximity to:

- residential accommodation,
- schools,
- premises used by children and vulnerable persons
- youth, community & leisure centres,
- religious centres and public places of worship
- access routes to and from premises listed above
- existing licensed premises in the vicinity

Impact

In considering applications for the grant of new or variation applications the Council will assess the likelihood of a grant causing impacts, particularly on the local community.

The Council will take the following matters into account:

- the type of activity
- the duration of the proposed licence
- the proposed hours of operation
- the layout and condition of the premises
- the use of other premises in the vicinity
- the character and locality of the area
- the applicant's previous knowledge and experience
- the applicant's ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant

- any reports about the applicant and management of the premises received from residents, Council officers or the police
- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers
- crime and disorder issues
- cumulative impact of licensed premises, including hours of operation
- the nature and concerns of local residents
- any evidence of complaints about noise or disturbance caused by premises
- planning permission and planning policy considerations

In considering applications for renewal the Council will take into account

- the applicant's ability to minimise the impact of their business on local residents and businesses
- any reports about the licensee and management of the premises received from residents, Council officers or the police
- whether appropriate measures have been agreed and put into place to mitigate any adverse impacts
- any evidence of complaints about noise or disturbance caused by premises

In considering applications for transfer the Council will take into account:

- the applicants previous knowledge and experience
- the applicants ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant
- any reports about the applicant and management of the premises received from residents, Council officers or the police

- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers

Applicants

Where appropriate the Council expects applicants to:

- demonstrate that they are qualified by experience
- have an understanding of general conditions
- propose a management structure which will deliver compliance with operating conditions for example through
- Management competence
- Presence
- Credible management structure
- enforcement of rules internally – training & monitoring
- a viable business plan covering door staff, CCTV
- policies for welfare of performers
- demonstrate that they can be relied upon to act in best interests of performers through remuneration, facilities, protection, physical and psychological welfare
- have a transparent charging scheme with freedom from solicitation
- a track record of management compliant premises or employ individuals with such a track record

New applicants may be invited for interview by the Licensing Officer and /or Police Officer prior to the application being referred to the Licensing Committee for determination.

Applications from anyone who intends to manage the premises on behalf of third party will be refused.

Premises appearance and layout

The Council expects premises to:-

- have an external appearance which is in keeping with the locality
- prevent the display outside the premises of photographs or other images which may be construed as offensive to public decency

- adequate lighting to allow monitoring of all public areas
- surveillance by CCTV
- surveillance by CCTV of all private booths

Conditions

The council will prescribe, and from time to time revise, standard conditions which will apply generally to licences that the council will grant or renew.

Through standard conditions the council seeks to ensure that sexual entertainment venues are well managed and supervised, restrict the sexual entertainment activities and the manner in which they are permitted to be provided, protect performers, and control the impact of the venue and its customers in relation to its locality.

Specifically, standard conditions could include measures which are found in the appendix of this policy.

The Application Process

Making a new, renewal, transfer or variation application

The Act requires the Council to refuse all application if the applicant:

- Is under the age of 18 or
- Has had their licence revoked in the last 12 months or
- Is not resident in the UK, or has not been a UK resident for the last 6months
or
- Has been refused an application in the last 12 months or
- Is a corporate body which in not incorporated in the UK

Applications forms and details of current fee levels are available:

- on the Council's website (www.towerhamlets.gov.uk)
- from the Licensing Team on 020 7364 5008
- by email to licensing@towerhamlets.gov.uk

The Council prefers to receive electronic applications and *offers a choice off payment options the details of which are contained in the application pack.*

The Council expects the premises to have planning consent for the intended use and hours of operation, or otherwise have lawful planning status before making an application for a new licence.

In order for the application to be valid the applicant must:

- Submit the completed application form
- Pay the application fee
- Submit a floor plan, drawn to scale showing the layout of the premises(new applications only)
- Submit a location plan (1;1250) showing the location of the premises(NB. plans will not be required for transfers nor renewal applications)
- 2 passport size photos of the applicant where the applicant is an individual rather than a limited company
- 2 passport size photos of the manager if applicant is a limited company(NB: photos will only be required if there has been a change of applicant or manager since the last application)
- Display an A4 notice at the proposed premises for 21 days following the date that the completed application is submitted setting out the application details. The notice must be in a prominent position so that it can be easily read by passers-by. A notice template will be provided with the application form.
- publish a notice on at least one occasion in a local newspaper, during the period of ten working days starting on the day the application was given Council. The advert can be any size or colour but must be readable.

Applicants who wish to advertise the application in another local newspaper are advised to contact the Licensing Team beforehand, to confirm that it is acceptable.

On receipt of a valid application the Council will consult:

- The Police
- The Fire Brigade
- Building Control
- Health and Safety
- Ward Councillors

For new and variation applications the Council will also consult:

- Development Control Team
- Local residents living within 50m of the premises

Authorised Officers from the Council, Fire Brigade and Police may choose to inspect the premises and require works to be carried out to bring the premises up to the required standard before the premises can be used for licensable activities.

The Council will not determine an application for a licence unless the applicant allows an authorised officer reasonable opportunity to enter the premises to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.

Representations

Anyone wishing to object to the application must submit a representation, in writing, within 28 days of the date that the valid application was received by the Council.

Representations can either be submitted via

- Our website: www.towerhamlets.gov.uk
- Email to: licensing@towerhamlets.gov.uk
- Post to: Consumer and Business Regulations, Licensing Team, 6th Floor, Mulberry Place, 5 Clove Crescent, E14 2BG.

A person making a representation must clearly state their name, address, and the grounds for objecting to the application and indicate whether they consent to have their name and address revealed to the applicant. Copies of representations will be made available to the applicant 14 days before the committee hearing.

The Council will not consider objections that are frivolous or vexatious or which relate to moral grounds (as these are outside the scope of the Act).

The Council prefers to receive electronic representations.

Late representations may be admissible at the discretion of the Council if there's sufficient reason to indicate that applicants will not be significantly prejudiced by the

decision to allow a late objection to be considered. In making such a decision the Council will take into account:

- The length of the delay
- The amount of time that the applicant has to consider the representation before the hearing date
- If other representations have been received before the deadline

Determining an application

Applications with no representations will be approved under delegated authority to officers.

Applications with representations recommending that conditions be attached to the licence and which are acceptable to both the applicant and person making the representation can be approved under delegated authority to officers.

All other contested applications will be referred to the Licensing Committee for determination. The applicant, anyone making a representation and the ward Councillors will be notified the date, time and venue of the hearing and invited to attend to address the committee in person.

Applications can take up to 14 weeks to be determined. If an application is likely to take longer than 14 weeks to determine the Council will notify the applicant in writing before this deadline. Applications for sex establishment licenses are exempt from the tacit consent provisions of the EU Services Directive on the grounds of public interest and the legitimate interests of third parties.

The applicant will be notified in writing about the outcome of their application within 5 working days of the decision being made.

Sex Establishment licences are usually issued for 12 months, but can be issued for a shorter period if deemed appropriate.

In order to continue operating as a sex establishment the licence holder must make a renewal application prior to the expiry of the existing licence.

Appeals

Any applicant who is aggrieved by a decision to refuse an application or by the imposition of any conditions can appeal to the Magistrates Court within 21 days of receiving the decision in writing.

Grounds for refusing an application

1. The applicant is unsuitable to hold a licence by reason of having been convicted of any offence or for any other reason
2. That if the license were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a license if he made the application himself
3. That the number of sex establishments in the relevant locality at the time the application is made is equal to or exceeds the number which the authority consider is appropriate for that locality
4. That the grant or renewal of the license would be inappropriate, having regard:-
 - a. to the character of the relevant locality
 - b. to the use to which any premises in the vicinity are put; or
 - c. to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

Transitional Arrangements

Broadly speaking, those existing sexual entertainment venues (lap dancing clubs etc) with a premises licence under the Licensing Act 2003, under which it is lawful to provide such entertainment, will continue to be able to operate for one year after the Council adopts the 2009 Act provisions or, if later, the determination of any application submitted during that year.

The 'transitional period' will last for 12-months beginning with the date that the Council resolves that Schedule 3 as amended by the 2009 Act will come into force in their area ('the 1st appointed day'). Six months following the 1st appointed day will be known as the '2nd appointed day' and the day on which the transitional period ends will be known as the '3rd appointed day

Existing Operators

To allow time to comply with the new regime, existing operators, who, immediately before the 1st appointed day, have a 2003 Act licence and lawfully use premises as a sexual entertainment venue under that licence or are undertaking preparatory work to use the venue in that way will be allowed to continue to provide relevant entertainment until the 3rd appointed day or the determination of any application they have submitted before that time (including any appeal against the refusal to grant a licence), whichever is later

For the purposes of the Transition a "2003 Act Licence" means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

"Preparatory work" refers to work carried out by an operator, such as a refurbishment or refit, in order that they can use the premises as a sexual entertainment venue in the future. The operator will have been granted a 2003 Act licence before the 1st appointed day but will not have used the premises as a sexual entertainment venue by that date. It is likely that such operators will be known to the Council. However, where a dispute arises between the Council and

a licence-holder over whether the licence-holder qualifies as an existing operator by virtue of this provision the Council will need to seek evidence from the licence-holder to demonstrate that they clearly intended to operate a sexual entertainment venue in the future and work had been done to achieve this end.

For the purposes of the Transition a “2003 Act Licence” means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

Appointed Days

1st Appointed Day

The day on which the Sexual Entertainment Venue regime comes into force in the Borough and the beginning of the transitional period (1st June 2014)

2nd Appointed Day

The day 6 months after the 1st appointed day (1st December 2014)

3rd Appointed Day

The day 6 months after the 2nd appointed day and the end of the transitional period (1st June 2015)

New Applications

New applicants are people who wish to use premises as a sexual entertainment venue after the 1st appointed day but do not already have a premises licence or club premises certificate to operate as such under the 2003 Act or do have such a licence but have not taken any steps towards operating as such. After the 1st appointed day new applicants will not be able to operate as a sexual entertainment venue until they have been granted a sexual entertainment venue licence

Determining Applications Received On or Before the 2nd Appointed Day

Applicants will be able to submit their application for a sexual entertainment venue from the 1st appointed day onwards.

As the Council is able to refuse applications having regard to the number of sex establishments they consider appropriate for a particular locality, all applications made on or after the 1st appointed day but on or before the 2nd appointed day shall be considered together. This will ensure that applicants are given sufficient time to submit their application and all applications received on or before the 2nd appointed day are considered on their individual merit and not on a first come first serve basis.

No applications shall be determined before the 2nd appointed day. After the 2nd appointed day the appropriate authority shall decide what if any licences should be granted. If a new applicant is granted a licence it will take effect immediately. If an existing operator is granted a licence, it will not take effect until the 3rd appointed day, up to which point they will be allowed to continue to operate under their existing premises licence or club premises certificate.

Determining Applications Received After the 2nd Appointed Day

Applications made after the 2nd appointed day shall be considered when they are made but only once all applications made on or before that date have been determined. However, reference to determination here does not include references to the determination of any appeal against the refusal of a licence.

As with applications received on or before the 2nd appointed day, licences granted to new applicants shall take effect immediately and licences granted to existing operators shall take effect from the 3rd appointed day or, if later, the date the application is determined.

Outstanding Applications

The Council will attempt where possible to determine outstanding applications made under the 2003 Act, which include an application for the provision of

relevant entertainment, before the date that Schedule 3 as amended by the 2009 Act comes into force in their area.

Where it has not been possible to determine application before the 1st appointed day, applicants will need to submit an application for a sex establishment licence as set out in Schedule 3 if they wish to provide relevant entertainment. From the 1st appointed day onwards outstanding applicants shall be dealt with as though they are new applicants
