Agenda Item 1

DECLARATIONS OF INTERESTS - NOTE FROM THE MONITORING OFFICER

This note is for guidance only. For further details please consult the Members' Code of Conduct at Part 5.1 of the Council's Constitution.

Please note that the question of whether a Member has an interest in any matter, and whether or not that interest is a Disclosable Pecuniary Interest, is for that Member to decide. Advice is available from officers as listed below but they cannot make the decision for the Member. If in doubt as to the nature of an interest it is advisable to seek advice **prior** to attending a meeting.

Interests and Disclosable Pecuniary Interests (DPIs)

You have an interest in any business of the authority where that business relates to or is likely to affect any of the persons, bodies or matters listed in section 4.1 (a) of the Code of Conduct; and might reasonably be regarded as affecting the well-being or financial position of yourself, a member of your family or a person with whom you have a close association, to a greater extent than the majority of other council tax payers, ratepayers or inhabitants of the ward affected.

You must notify the Monitoring Officer in writing of any such interest, for inclusion in the Register of Members' Interests which is available for public inspection and on the Council's Website.

Once you have recorded an interest in the Register, you are not then required to declare that interest at each meeting where the business is discussed, unless the interest is a Disclosable Pecuniary Interest (DPI).

A DPI is defined in Regulations as a pecuniary interest of any of the descriptions listed at **Appendix A** overleaf. Please note that a Member's DPIs include his/her own relevant interests and also those of his/her spouse or civil partner; or a person with whom the Member is living as husband and wife; or a person with whom the Member is living as if they were civil partners; if the Member is aware that that other person has the interest.

Effect of a Disclosable Pecuniary Interest on participation at meetings

Where you have a DPI in any business of the Council you must, unless you have obtained a dispensation from the authority's Monitoring Officer following consideration by the Dispensations Sub-Committee of the Standards Advisory Committee:-

- not seek to improperly influence a decision about that business; and
- not exercise executive functions in relation to that business.

If you are present at a meeting where that business is discussed, you must:-

- Disclose to the meeting the existence and nature of the interest at the start of the meeting or when the interest becomes apparent, if later; and
- Leave the room (including any public viewing area) for the duration of consideration and decision on the item and not seek to influence the debate or decision

When declaring a DPI, Members should specify the nature of the interest and the agenda item to which the interest relates. This procedure is designed to assist the public's understanding of the meeting and to enable a full record to be made in the minutes of the meeting.

Where you have a DPI in any business of the authority which is not included in the Member's register of interests and you attend a meeting of the authority at which the business is considered, in addition to disclosing the interest to that meeting, you must also within 28 days notify the Monitoring Officer of the interest for inclusion in the Register.

RULES OF PROCEDURE GOVERNING APPLICATIONS FOR PREMISES LICENCES AND OTHER PERMISSIONS UNDER THE LICENSING ACT 2003

Date Last Reviewed:	14th June 2016
Reviewed By:	Senior Corporate and Governance Legal Officer
Approved By:	Licensing Committee
Date Approved:	14th June 2016
Version No.	1
Document Owner:	Paul Greeno
Post Holder:	Senior Corporate and Governance Legal Officer
Date of Next Scheduled Review:	31st March 2018

1. Interpretation

- 1.1 These Procedures describe the way in which hearings will be conducted under the Licensing Act 2003, as set out in the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) ('the Hearings Regulations'). The Procedures take into account the Licensing Act (Premises Licences and Club Premises Certificates) Regulations 2005.
- 1.2 Except where otherwise stated, references in this Code are to the Licensing Committee and its Sub-committees and the expression 'Licensing Committee' should be interpreted accordingly.
- 1.3 The Hearings Regulations provide (Regulation 21) that a Licensing Authority shall, subject to the provisions of those Regulations, determine for itself the procedure to be followed at a hearing.
- 1.4 These Procedures, therefore, set out the way in which Licensing Committee Meetings will be conducted under the Licensing Act 2003, following the requirements of the Hearings Regulations.
- 1.5 Proceedings will not be rendered void only as the result of failure to comply with any provision of the Hearings Regulations (Regulation 31) save that in any case of such an irregularity, the Licensing Committee shall, if it considers that any person may have been prejudiced as a result of the irregularity, take such steps as it thinks fit to cure the irregularity before reaching its determination (Regulation 32).

2. Composition of Sub-Committee

- 2.1 The Sub-Committee will consist of three (3) members and no business shall be transacted unless three (3) members of the Licensing Committee are present and able to form a properly constituted Licensing Sub-Committee. In such cases the Chair shall have a second or casting vote.

3. Procedure

- 3.1 The hearing shall take place in public save that the Licensing Committee may exclude the public from all or part of a hearing where it considers that, on balance, it is in the public interest to do so. The parties and any person representing them may be excluded in the same way as another member of the public. Any person so excluded may, before the end of the hearing, submit to the Licensing Committee in writing, any information which, they would have been entitled to give orally had they not been required to leave. Where there are a number of items on the agenda, the adjournment of that item for a short period, whilst another item is heard, may allow this process to be carried out effectively.

- 3.2 The Chair will begin by asking the parties to identify themselves and confirm whether or not they are represented.
- 3.3 The Licensing Committee should always satisfy itself that sufficient notice of the hearing has been given to all parties and if not satisfied, then the Licensing Committee should take such steps as it thinks fit to deal with that issue before reaching its determination and this could include adjourning that application to a later date.
- 3.4 The Licensing Committee will then consider any requests by a party for any other person to be heard at the hearing in accordance with the Regulations. Permission will not be unreasonably withheld provided proper notice has been given.
- 3.5 The Chair will then explain how the proceedings will be conducted, and indicate any time limits that may apply to the parties to the application. In setting time limits, the Licensing Committee will take into account the importance of ensuring that all parties receive a fair hearing, and the importance of ensuring that all applications are determined expeditiously and without undue delay. Further the Licensing Committee must have regard to the requirement to allow each party an equal amount of time.
- 3.6 If a party considers that any time limit is not sufficient then they should address the Licensing Committee and which will determine accordingly.
- 3.7 If any party has informed the Authority that they will not be attending or be represented at the hearing or any party does not give notice that they will not be attending but fails to attend and is not represented, the Licensing Committee may proceed in their absence or adjourn the hearing if it considers it to be necessary in the public interest. An adjournment will not be considered where due to the operation of the Hearing Regulations it would not be possible to adjourn.
- 3.8 If the Licensing Committee adjourns the hearing to a specified date it must specify the date, time and place to which the hearing has been adjourned and why it is considered necessary in the public interest.
- 3.9 If the Licensing Committee holds the hearing in the absence of a party, it will consider at the hearing the application, representation or notice given by that party.
- 3.10 The Chair will invite an Officer of the Licensing Section to present the report by briefly summarising the application and the number and type of the representations as set out in the papers circulated. The Officer will also advise of any discussions held with the parties; any amendments made to the application; any representations withdrawn; and any agreed conditions that the Licensing Committee is being asked to consider. The Officer shall not give

any opinion on the application or ask the Committee to make an inference based on such an opinion.

- 3.11 Members of the Licensing Committee can then ask questions of clarification of the Licensing Officer or seek legal advice from the Legal Adviser to the Licensing Committee if they require in respect of matters raised during the presentation by the Licensing Officer.
- 3.12 The Legal Adviser to the Licensing Committee will then give any relevant legal advice that the Licensing Committee need to take into consideration.
- 3.13 The Chair will then ask the applicant or their representative, if present, to present a summary of the nature and extent of the application. This should be brief, avoid repetition of material already available to the Licensing Committee in the Officer's report or otherwise, and include any reasons why an exception should be made to the Council's Licensing Policy, where appropriate, and respond to the written representations received. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence on behalf of the applicant or who has made a representation in favour of the application.
- 3.14 The application is to be presented within the time limit that has been set.
- 3.15 Where an applicant is unrepresented and having difficulty in presenting their application then the Legal Adviser to the Licensing Committee may ask questions of the applicant so that the relevant points are addressed and clarified for the Licensing Committee.
- 3.16 Members of the Licensing Committee may ask questions of the person presenting the case after their address as well as any other person who has spoken in support of the application. Members can also ask questions of the applicant as well as any other person present for the applicant who they consider can assist.
- 3.17 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.18 The Chair will then ask the persons who have made representations against the application to address the Licensing Committee within the time limit that has been set. They should not repeat what is already set out in their representations or notice or raise new matters. In their address they should provide clarification on any points previously requested by the Council. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence.
- 3.19 Members of the Licensing Committee may then ask questions of the persons making representations against the application and any other person who has

spoken in support of such representation. Members can also ask questions of any other person present who they consider can assist.

- 3.20 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.21 Petitions will be treated as representations provided they meet the requirements for relevant representations set out in the Licensing Act 2003. Members should proceed with caution when relying upon petitions used as evidence due to the structure and wording used.
- 3.22 The Licensing Committee will disregard any information given by a party, or any other person appearing at the hearing, which is not relevant to:
 - a) their application, representation or notice; and
 - b) the promotion of the licensing objectives or the crime prevention objective where notice has been given by the police.
- 3.23 The Chair will intervene at any stage of the hearing to prevent repetitious or irrelevant points being raised.
- 3.24 Cross examination of any party or any other person allowed to appear will not be allowed unless specifically permitted by the Chair.
- 3.25 There is no right for any party to sum up but they may be permitted to do at the discretion of the Chair and within time limits prescribed by the Chair.
- 3.26 The Licensing Committee will consider its decision in private save that the Legal Adviser and Democratic Services Officer will remain with them.
- 3.27 The Licensing Committee will normally return to open session to announce its decision but in cases where the prescribed time limit allows for a later determination and it is appropriate to determine the matter within that time then the Chair will advise the parties present that the decision will not be announced then but that the determination will take place within the prescribed time limit and that written notification will be dispatched to all parties advising them of the determination.

4. Exclusions

- 4.1 In addition to any exclusion under paragraph 3.1 above, The Licensing Committee may require any person attending the hearing who in their opinion is behaving in a disruptive manner to leave the hearing and may refuse to permit the person to return; or allow them to return only on such conditions as Licensing Committee may specify.

- 4.2 Any person so excluded may, before the end of the hearing, submit to the Authority in writing, any information which, they would have been entitled to give orally had they not been required to leave.

- 7.0 Conditions consistent with Operating Schedule**
- 7.1 The maximum number of persons permitted on the premises at any time (including staff) is 40.
- 8.0 Conditions Agreed/Requested by Responsible Authority**
- 8.1 None
- 9.0 Licensing Officer Comments**
- 9.1 The following is intended to advise Members of the relevant aspects of the Boroughs Licensing Policy, guidance from the Secretary of State, legislation and good practice. Members may depart from the Council's Licensing Policy and/or Government advice, provide they consider it appropriate to do so, and have clear reasons for their decision.

9.2 Guidance issued under section 182 of the Licensing Act 2003

- ❖ As stated in the guidance it is “provided to licensing authorities in relation to the carrying out of their functions under the 2003 Act.” It is a key medium for promoting best practice, ensuring consistent application and promoting fairness equal treatment and proportionality (1.7).
- ❖ Also “as long as licensing authorities have properly understood this Guidance, they may depart from it if they have good reason to do so and can provide full reasons. Departure from this Guidance could give rise to an appeal or judicial review, and the reasons given will then be a key consideration for the courts when considering the lawfulness and merits of any decision taken.” Therefore licensing authorities will need to give full reasons for their actions (1.9).
- ❖ Also Members should note “A Licensing Authority may depart from its own policy if the individual circumstances of any case merit such a decision in the interests of the promotion of the licensing objectives.” (1.12)
- ❖ Also, “The licensing authority may not impose any conditions unless its discretion has been exercised following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.” Therefore, conditions may not be imposed for the purpose other than promoting the licensing objectives and in some cases no additional conditions will be appropriate. (10.8)
- ❖ Necessary conditions should emerge from a risk assessment by the applicant, which should then be reflected in the operating schedule (10.4).
- ❖ The Guidance states: “Where there are objections to an application to extend the hours during which licensable activities are to be carried on and the licensing authority determines that this would undermine the licensing objectives, it may reject the application or grant it with appropriate conditions and/or different hours from those requested.” (10.14)
- ❖ Mandatory conditions must be imposed (10.27) and censorship avoided (10.17).
- ❖ The Guidance states: “It is still permitted to sell alcohol using promotions (as long as they are compatible with any other licensing

condition that may be in force), and the relevant person should ensure that the price of the alcohol is not less than the permitted price. Detailed guidance on the use of promotions is given in the guidance document available on the Gov.uk website.” (10.60)
Also, “Licensing authorities should not attach standardised blanket conditions promoting fixed prices for alcoholic drinks to premises licences or club licences or club premises certificates in an area.” (10.21)

- 9.3 The Licensing Act 2003 permits children of any age to be on the premises which primarily sell alcohol providing they are accompanied by an adult. It is not necessary to make this a condition.
- 9.4 In all cases the Members should make their decision on the civil burden of proof, that is “the balance of probability.”
- 9.5 In all cases Members should consider whether or not primary legislation is the appropriate method of regulation and should only consider licence conditions when the circumstances in their view are not already adequately covered elsewhere.
- 9.6 The Government has advised that conditions must be tailored to the individual type, location and characteristics of the premises and events concerned. Conditions cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff and standardised conditions should be avoided where they cannot be shown to be appropriate. (1.16/1.17)
- 9.7 The Council’s Licensing Policy generally expects applicants to address the licensing objectives and discuss how to do this with the relevant responsible authorities.
- 9.8 In **Appendices 7-10** Members are given general advice, and also have explanations of the Council’s Licensing Policy, Government advice and other legislation relating to the matters previously identified.

10.0 **Legal Comments**

- 10.1 The Council’s legal officer will give advice at the hearing.

11.0 **Finance Comments**

- 11.1 There are no financial implications in this report.

Dear Sir,

Tower Hamlets Police formally object to the application for a Premises License for 381 Mile End Road Bow.

Tower Hamlets Police object to this application on the grounds of preventing Crime and Disorder and Public Nuisance.

The area around this premises suffers from high levels of crime including drug dealing and assaults as well as anti-social behaviour. The area around Mile End park is also used by local gangs to commit robberies and other crimes. A premises that is open till 4 am on a Friday and Saturday will in the opinion of the Police be a magnet for local gangs.

By having a premises open till 4am Police believe that the premises will be a magnet for these groups and result in increased crime and disorder in the area.

The premises is also close to the New Globe Public House as well as Mile End Tube Station which is a main transport hub for late night revellers over the weekend. Police fear that the vast majority of the premises' customers will be those who are making their way home after a night out.

Many will consume alcohol and as such will be more likely to cause nuisance to local residents as their voices will be raised. There is also a greater risk of drunk people being involved in crime as their decision making skills are impaired. This is especially true as they wait in a small area for their food, where experience tells us that confrontations are likely to occur.

Yet the applicant has offered no conditions or given any indication how he would prevent crime and disorder from taking place.

We believe that being open until 4am on a Friday and Saturday is simply too late. We acknowledge that there is a demand for late night refreshment in the ever growing night time economy and this must be balanced with the needs to uphold the licensing objectives. We believe that by allowing the premises to open till 2am this satisfies both needs.

We suggest that the hours for Late Night Refreshment be adjusted to the following:

Sunday to Thursday 23:00 - 00:00
Friday and Saturday 23:00 - 02:00

We also ask that the following conditions be added to the premises license:

1) A CCTV camera system covering both internal and external to the premise is to be installed, the positions of the camera are to be agreed with Tower Hamlets Police Licensing..

1. The CCTV recordings are to be maintained for 31 days and to be provided upon request to either a Police Officer or an officer of any other Responsible Authority. A system shall be in place to maintain the quality of the recorded image and a complete audit trail maintained. The system will be maintained and fully operational throughout the hours that the premises are open for any licensable activity.

2. At all times the premises is open, a person who can operate the CCTV system must be present on the premises. who can download the images and present them immediately on request by a police officer or other responsible authority.

2) That an incident report book be kept and record all incidents of crime and disorder at the premises.

Dear Licensing

Having regard for the application for Premises License and the potential impact of public nuisance and measures to prevent noise generated from within the premises or outside it which could cause disturbance to people in the vicinity, the proposed hours are well beyond the Council's framework hours.

It must be noted that the Council's framework hours (i.e. when premises are open) are:

- **Monday to Thursday 0600 hours to 2330 hours; and**
- **Friday & Saturday 0600 hours to midnight**
- **Sunday 0600 hours to 2230 hours.**

The applicant is proposing:

- **late night refreshment: Sunday to Thursday until 0100 hours, Friday and Saturdays until 0400 hours**

We are proposing:

- **late night refreshment: Sunday to Thursday until Midnight, Friday and Saturdays until 0200 hours**

Noise Sensitive premises: residential and commercial premises in close proximity to 318 Mile End Road, including residential premises immediately adjacent to premises.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits; and
- The hours of operation (inclusive of proposals)

CONCLUSION

- Environmental Protection **does not** support the application for 381 Mile End Road as there is great likelihood of disturbance to residential premises at the noise sensitive hours sought. However I am willing to withdraw my objection if the Applicant agrees to the proposed hours as above (Sunday to Thursday until Midnight, Friday and Saturdays until 0200 hours)

Kind regards

Nicola Cadzow
Environmental Health Technical Officer
Place Directorate

Appendix 7

Access and Egress Problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.15).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.19)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 8

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 10.1 of the Licensing Policy**). While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.10**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 Annex D of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs where public nuisance is being caused by noise coming from the premises and the closure of the premises is necessary to prevent that nuisance.

Guidance Issued under Section 182 of the Licensing Act 2003

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.15).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 9

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 10

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 15.8 of the Licensing Policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 15.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
