Consideration

Each application must be considered on its own merits and after careful consideration the Chair stated that the Sub Committee had carefully listened to both interested parties with particular regard to the licensing objective of the prevention of crime and disorder.

Members heard from the police officer with regard to the events which took place which triggered the review.

Members heard from the Licence Holder who confirmed that he would be willing to assist the police with their investigation and that there was likely to have been a misunderstanding at the time which lead him not giving a full statement at the time.

Members heard from the Licence Holder's representative that the licence holder was willing to add a condition to the licence which would prevent Mr Huseyin Yaz from entering the premises.

Member noted that the Police had come to an agreement with the Premises Licence Holder that the Police would withdraw their review application on the undertaking that the Applicant would put in a minor variation to add the following condition;
