## **Tower Hamlets Council** **Forthcoming Decisions Plan**

### **What is this document?**

The Forthcoming Decisions Plan (or 'Forward Plan') contains information on significant decisions that the Council expects to take over the next few months.

As a minimum this will include notice of:

- All **Key Decisions** to be taken by the Mayor, Cabinet or Commissioners
  - This could include decisions taken at public meetings or taken individually at other times.
- Budget and Policy Framework Decisions (for example the Budget Report itself and major policies to be agreed by Council as set out in the Constitution)

In addition the Council aims to publish:

- All other decisions to be taken by the Mayor and/or Cabinet
- All other decisions to be taken at the Commissioners' Decision Making Meetings

### **Key Decisions**

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive or Commissioners. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Article 13.03 of the [Constitution](#). Key Decisions can be taken by the Mayor, Cabinet or by the Commissioners individually or in formal meetings

### **Publication of Forthcoming Decisions**

Individual notices of new Key Decisions will be published on the website as they are known on the 'Forthcoming Decisions' page, whilst this 'Forthcoming Decisions Plan' collating these decisions will be published regularly, as a minimum at least, 28 days before each Cabinet meeting. The Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required.

### **Urgency**

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (on the website) as early as possible and Urgency Procedures as set out in the Constitution have to be followed.

### **Make your views known**

The most effective way for the public to make their views known about a Forthcoming Decisions is to contact the lead officer, or Cabinet Member (where stated), listed. You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

### **Information about the Decision Makers**

Further information on the Mayor and Members of the Cabinet can be found on the Council [website](#). The Commissioners are Sir Ken Knight, Chris Allison, Max Caller and Alan Wood. They have been appointed by the Secretary of State for Communities and Local Government to carry out certain functions of the Council. Details are set out in Part One of the [Constitution](#).

**Notice of Intention to Conduct Business in Private**

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority handling the information)
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matters arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes:-
  - a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
  - b) to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

<p><b>Summary of Decision</b></p>	<p>Agree the Council to get into contract with GLA for the for the £13.27m Decent Homes Additional Backlog Funding</p> <p>Amend 2013 Cabinet adopted funding profile for Decent Homes Scheme Costs totalling £181.37 million comprising GLA grant £94.50 million and Council HRA Resources: £86.87 million to: Scheme Costs: £181.37 million encompassing GLA grant: £107.77 million Council HRA Resources: £73.6 million.</p> <p>Although the DCLG was initially funding £94.50 million of the works, financing for the full £181.37 million was also made up of a mixture of HRA balances, specific capital resources set aside, and leaseholder contributions, with HRA borrowing being the last resort if necessary. The new £13.27 million grant reduces the reliance on these other HRA capital resources and increases the grant funding for the DHs programme</p> <p>The additional grant funding of £13.27 million was awarded in accordance with</p>		

Forward Plan September 2015

	<p>the national programme objective to reduce the level of non-decent backlog stock down to 10% by the end of the backlog programme. The Council's GLA funded backlog programme concludes in 2015/16. Furthermore, subject to meeting the criteria, partly or wholly funded leasehold DHs works by the £13,27m GLA grant will be subject to a £15k cap in 2015/16.</p> <p>Under the condition of the GLA £13.27m addition funding grant, the Council is obliged, under a contract, to make 917 homes decent in 2015/16 - the programme has already commenced. Relevant Q1 spend and decency outturn has been reported to the GLA. As the GLA reimburses Authorities for the relevant expenditure, the Council will need to get into contract urgently for the eligible spend of circa £2m in Q1 to be reimbursed.</p>
