Tower Hamlets Council **Forthcoming Decisions Plan**

What is this document?

The Forthcoming Decisions Plan (or 'Forward Plan') contains information on significant decisions that the Council expects to take over the next few months.

As a minimum this will include notice of:

- All **Key Decisions** to be taken by the Mayor, Cabinet or Commissioners
 - This could include decisions taken at public meetings or taken individually at other times.
- Budget and Policy Framework Decisions (for example the Budget Report itself and major policies to be agreed by Council as set out in the Constitution)

In addition the Council aims to publish:

- All other decisions to be taken by the Mayor and/or Cabinet
- All other decisions to be taken at the Commissioners' Decision Making Meetings

Key Decisions

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive or Commissioners. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Article 13.03 of the [Constitution](#). Key Decisions can be taken by the Mayor, Cabinet or by the Commissioners individually or in formal meetings

Publication of Forthcoming Decisions

Individual notices of new Key Decisions will be published on the website as they are known on the 'Forthcoming Decisions' page, whilst this 'Forthcoming Decisions Plan' collating these decisions will be published regularly, as a minimum at least, 28 days before each Cabinet meeting. The Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required.

Urgency

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (on the website) as early as possible and Urgency Procedures as set out in the Constitution have to be followed.

Make your views known

The most effective way for the public to make their views known about a Forthcoming Decisions is to contact the lead officer, or Cabinet Member (where stated), listed. You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

Information about the Decision Makers

Further information on the Mayor and Members of the Cabinet can be found on the Council [website](#). The Commissioners are Sir Ken Knight, Chris Allison, Max Caller and Alan Wood. They have been appointed by the Secretary of State for Communities and Local Government to carry out certain functions of the Council. Details are set out in Part One of the [Constitution](#).

Notice of Intention to Conduct Business in Private

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority handling the information)
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matters arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes:-
 - a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
 - b) to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

Title of Report	Crisis & Support Grant (Local Welfare Provision) Scheme 2016/17	Ward All Wards	Key Decision? Yes
Summary of Decision	<p>Consider and decide on options to implement a revised Crisis & Support Grant scheme in 2016/17 which will operate without funding from Government while still responding to cases of urgent need and hardship.</p> <p>The Crisis & Support Grant (Local Welfare Provision) scheme was introduced in April 2013 following devolving of social fund budgets from the DWP to local authorities. The scheme supports individuals and families facing financial emergencies and crises.</p> <p>The scheme is currently funded by DCLG grant as part of the annual Local Government Financial Settlement. However funding was cut by 50% for 2015/16 and it is anticipated the funding will cease for 2016/17, although confirmation of this is unlikely before the provisional LGFS expected to be announced in November/December.</p> <p>The Council will therefore need to consider options for continuing the scheme in 2016/17 and future years without central Government funding.</p>
