## **Tower Hamlets Council** **Forthcoming Decisions Plan**

### **What is this document?**

The Forthcoming Decisions Plan (or 'Forward Plan') contains information on significant decisions that the Council expects to take over the next few months.

As a minimum this will include notice of:

- All **Key Decisions** to be taken by the Mayor, Cabinet or Commissioners
  - This could include decisions taken at public meetings or taken individually at other times.
- Budget and Policy Framework Decisions (for example the Budget Report itself and major policies to be agreed by Council as set out in the Constitution)

In addition the Council aims to publish:

- All other decisions to be taken by the Mayor and/or Cabinet
- All other decisions to be taken at the Commissioners' Decision Making Meetings

### **Key Decisions**

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive or Commissioners. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Article 13.03 of the [Constitution](#). Key Decisions can be taken by the Mayor, Cabinet or by the Commissioners individually or in formal meetings

### **Publication of Forthcoming Decisions**

Individual notices of new Key Decisions will be published on the website as they are known on the 'Forthcoming Decisions' page, whilst this 'Forthcoming Decisions Plan' collating these decisions will be published regularly, as a minimum at least, 28 days before each Cabinet meeting. The Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required.

### **Urgency**

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (on the website) as early as possible and Urgency Procedures as set out in the Constitution have to be followed.

### **Make your views known**

The most effective way for the public to make their views known about a Forthcoming Decisions is to contact the lead officer, or Cabinet Member (where stated), listed. You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

### **Information about the Decision Makers**

Further information on the Mayor and Members of the Cabinet can be found on the Council [website](#). The Commissioners are Sir Ken Knight, Chris Allison, Max Caller and Alan Wood. They have been appointed by the Secretary of State for Communities and Local Government to carry out certain functions of the Council. Details are set out in Part One of the [Constitution](#).

### **Notice of Intention to Conduct Business in Private**

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority handling the information)
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matters arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes:-
  - a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
  - b) to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

<p><b>Title of Report</b></p>	<p><b>Mental Health User Led Grants Programme - review of allocations for 2017-2018</b></p>	<p>Ward All Wards</p>	<p>Key Decision? Yes</p>
<p><b>Summary of Decision</b></p>	<p>The Tower Hamlets Mental Health user led grants programme currently funds user led groups to provide a wide range of social and therapeutic activities that promote social inclusion, well-being, and independence for people with mental health problems aged over 18.</p> <p>User led groups are at the heart of the Council's strategy to develop services that give more choice and control to service users. In particular the Health and Wellbeing Board Strategy places a significant emphasis on the fact that service users have told us that they want more choice and control over services. User Led groups deliver preventive services which increase wellbeing and keep people out hospital. They are effective value-for-money ways of keeping people well in the community. Local JSNA data supports the success of the Tower Hamlets preventative approach in keeping people with mental health problems well in the community, thus preventing more acute and costly care and support needs.</p> <p>The grant scheme has been running for 8 years and has steadily increased the level of peer support available in Tower Hamlets. The scheme invites small user-led groups for people with mental health problems to apply for a maximum grant of £5,000 per year to develop peer support networks.</p> <p>At the Commissioners' Decision Making Meeting on 21<sup>st</sup> April 2016, 31 groups were approved at a total of £90, 838 per annum. Funding was allocated for 12 months, renewable dependent on outcomes performance for a further year.</p> <p>At the end of year one of the programme the Grants Committee will be recommended to approve the second year of programme for 2017-18, including the revision of 5 of the grant awards for successful groups.</p>

Who will be consulted before decision is made and how will this consultation take place	<p>These proposals in the form of revised Character Appraisals and Management Guidelines for Driffield Road and Medway Conservation Areas were the subject of public consultation from 25<sup>th</sup> July 2016 to 11<sup>th</sup> September 2016. As part of this public consultation, views from National and regional stakeholders including Historic England, the Victorian Society, SPAB and the Georgian Group were sought.</p> <p>Following on from this consultation and the mayors decision at Cabinet on 6<sup>th</sup> December 2016 to explore measures intended to increase the level of public benefit which can be associated with individual planning applications for mansard roof extensions, a further series of guidance notes together with proposals for delivery have been prepared. Two public exhibitions and drop in sessions (one in the afternoon and one in the evening) were arranged at accessible venues. Information about the proposals and where to find additional information has also been advertised on the Councils website.</p> <p>Details of this consultation and previous consultations can be found here-</p>
