OPERATING SCHEDULE

When do you want the premises licence to start? / /
dd mm yyyy

If you wish the licence to be valid only for a limited period, when do you want it to end / /
dd mm yyyy

Provide a general description of the premises

For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off- supplies you must include a description of where the place will be and its proximity to the premises.

We plan to produce a recreational activity based event space for all members of society. It is completely accessible to all ages, sexes and abilities.

The activity is known as table shuffleboard, we will install 3 original tables and all equipment for rental on an hourly rate.

Table Shuffleboard is a game in which players push weighted discs, sending them gliding down a narrow and elongated wooden table, with the purpose of having them come to rest within a marked scoring area.

The space will be open to bookings of individuals or groups as it can be played by a team and we plan to host small leagues for local businesses and residents to participate in. There is also a plan to have a senior's afternoon.

Continued from previous page...

The activity is the hero of our installation, but we also feel it necessary to have the facility to sell food, soft drinks and alcohol.

If 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

London Shuffle will take every effort to deliver a safe and secure experience for all that enter its environment and surrounding areas. In order to do this it will promote the following rules to its staff and will run a strict zero tolerance to any such deviance:

1. Alcohol supplied to those people taking part in the gaming activity or waiting to play.
2. Experienced bar staff will maintain vigilance in alcohol units per customer.
3. SIA security present at times venue is open to public after 6pm.
4. Special consideration of the licence granted and its strict obedience considering but not restricted to:
 - no selling of alcohol to underage people
 - no drunk and disorderly behaviour tolerated on the premises or surrounding estate
 - zero tolerance of drug use
 - zero tolerance of aggressive or violent behaviour
 - no harm to any children
 - well presented operating hours around staff areas so that all are aware
 - 1 management level staff present at all times the venue is open to maintain staff and security levels

b) The prevention of crime and disorder

London Shuffle will take every effort to deliver a legal and orderly experience for all that enter its environment and in the surrounding areas. In order to do this it will promote the following rules to its staff and will run a strict zero tolerance to any such deviance:

1. SIA security throughout the venue in predesignated locations with industry standard equipment - protective clothing and radios
2. A clear and legible notice will be placed outside the premises indicating the normal hours under the terms of the premises license during which licensable activities are permitted.
3. Clear notices on entry and exits warning of potential criminal activity, such as theft, that may target customers may be displayed.
4. Customer consumption restricted to acceptable units and those drunk considered and managed appropriately.
5. Prevention and vigilance in illegal drug use through out the entire venue.
6. Staff will be well trained in asking customers to use premises in an orderly and respectful manner and prevent drinking alcohol at the retail unit. Anyone not adhering to this will be asked to leave the premises in a controlled and orderly manner by SIA security.
7. Staff to report to security any suspicious behaviour.
8. Security will involve police immediately if any illegal activity occurs.
9. Security and key staff on radios for comms.
10. The level of SIA staff on site will vary according to the number of customers but will be a minimum of 1 and maximum of 4.

c) Public safety

London Shuffle will take every effort to deliver an experience that is safe and focussed on public safety for all that enter its environment and in the surrounding areas. In order to do this it will promote the following rules to its staff and will run a strict zero tolerance to any such deviance:

1. Well trained staff adherence to environmental health requirements.
2. Training and implementation of underage ID checks.
3. A log book or recording system shall be kept upon the premises in which shall be entered particulars of inspections made; those required to be made by statute, and information compiled to comply with any public safety condition attached to the premises licence that requires the recording of such information. The log book shall be kept available for inspection when required by persons authorised by the Licensing Act 2003 or associated legislation.
4. All parts of the premises, fixtures, fittings and apparatus therein, door fastenings and notices, lighting, heating, electrical, air condition, sanitary accommodation and other installations, will be maintained at all times in good order and in a safe condition.

Continued from previous page...

5. H&S officer sign off on all activity.
6. Risk assessments from all suppliers.
7. Good event management plan to be in place with excellent event fire escape plan will be in place with SIA and staff familiar with emergency plans and process.
8. A first aider on site at all times of public opening.
9. Security and key staff on radios for comms.
10. No drinks allowed outside the venue.

d) The prevention of public nuisance

London takes the consideration of local residents and commercial ventures seriously and will do all it can to minimise disruption with well considered plans and processes that will be reviewed by the management and improved where necessary.

1. Noise reduction measures to address the public nuisance objective including decibel readings taken regularly and a limiting on the sound with volume block.
2. Prominent, clear and legible notices will be displayed at the exit requesting the public to leave the premises and the area quietly as well as security on exit to reiterate and manage noise proactively.
3. Customers will be restricted from not congregating in the street outside the premises and access of customers will be strictly maintained to opening hours. We do not envisage any build up of customers before doors open.
4. The movement of bins and rubbish outside the premises will be kept to a minimum after 10.00pm. This will help to reduce the levels of noise produced by the premises. Cleaning staff will operate within hours of license.
5. Customers won't be able to take products off premises and will be monitored by security.
6. Attendance levels will be kept to maximum of 28 and will be proactively escorted from the venue in stages to ensure minimum noise on egress.

e) The protection of children from harm

1. A "Challenge 25" sign will be positioned at the bar. This will encourage anyone who is over 18 but looks under 25 to carry acceptable ID (a card bearing the PASS hologram, a photographic driving license or a passport) if they wish to buy alcohol.
2. Staff will be well trained about requirements for persons' identification and age establishment.
3. Log Book will be kept upon the premises all the time with staff trained in its use, it will be regularly checked and staff informed of any changes to it.
4. Full exclusion for anyone under 18 will be in place after 6pm and zones will be created to separate as best possible under 18s and those consuming alcohol.
5. A first aider will be present at all times of public opening.
6. Excessive consumption prohibited at all times and when under 18s on site consumption kept to below moderate.
7. When possible we will host no alcohol periods for families at the start of Saturdays and Sundays for 2 hours.

Appendix 5

**Section 182 Advice by the Home Office
Updated on March 2015**

Relevant, vexatious and frivolous representations

- 9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.
- 9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.
- 9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.
- 9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.

- 9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this Guidance, an assessment should be prepared by officials for consideration by the sub- committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.
- 9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.
- 9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

My Ref: CLC/EHTS/LIC/098194
The London Shuffle Club, 1 Chance Street London E1 6JT

Dear Kathy Driver,

I am writing to object to the above application made by The London Shuffle Club to obtain a premises licence in order to run a late night entertainment venue that serves alcohol and other refreshments.

On the basis that:

- * The proposed venue in question sits directly opposite my home where I have lived for the past 15 years.
- * The doorway of the proposed venue is a single doorway that would cause a human bottleneck of visitors entering and exiting the property which in turn would cause an unnecessary increase of people traffic to an already over used street.
- * I am concerned that an increase of people to the area, particularly the kind that have come to play 'adult games' will bring with it an increase of exaggerated noise heightened by the lubrication of alcohol as they linger outside waiting for friends and taxis to bring and take them away.
- * there will be an increase of vehicular traffic to an other wise quiet street. This will bring an increase of noise, engines running and horns blowing as they wait for guests, turn in the street or simply get lost trying to find the venue.
- * Chance Street is a narrow Street, an increase of traffic in both directions results in vehicles mounting the pavement in order to pass, I have on several occasions been scared for my life as I opened my front door onto the street and a car or delivery van careers past at high speed barely in front of my nose as it mounts the pavement

* recently myself and my neighbours on both sides ([REDACTED]) have been experiencing an increasing amount of vandalism and graffiti to our properties, the gate next to my front door that belongs to my neighbour was kicked in on Sunday night leaving both of our rear doors vulnerable, our houses in danger of break-ins

* the outside of our buildings are regularly attacked by graffiti using either spray paint that we have to pay to be professionally removed or more recently, with acid pens, that cannot be removed and so results in my entire window being replaced, which costs me somewhere in the region of £3,000 a go as they are architecturally designed.

* Graffiti, if not acted on immediately just attracts more vandalism to the area.

* my windows are constantly being spat at, vomited over and I regularly have drinks sprayed or even bottles thrown at them

The application states that the proposed venue will operate between the hours of 12 noon to 11 pm 7 days a week for the next three years. As a direct neighbour I feel that granting this license will ruin my life as I literally have no where to go.

I have been a resident in Shoreditch for over 20 years and we simply do not need yet another late night entertainment venue that serves alcohol in this area, there doesn't seem to be any respect for other people's property where alcohol is consumed, put in my position would you stand for this?

I thank you for taking the time to listen to my objection, please spare us any more grief.

Yours,

SUE
WEBSTER

Subject: Licensing Act 2003: 1 Chance Street

Dear Sirs,

I write on behalf of the Jago Action Group (JAG) to oppose the licence application for these premises made by the London Shuffle Group.

JAG is the residents' and tenants' association representing residents in the neighbourhood of the application premises. This is a predominantly residential area, although at street level there are mainly commercial premises, most in the retail and hospitality trades, and the application site is on the edge of a former light industrial estate (but directly opposite homes).

JAG welcomes the decision of the owners of the industrial estate to let out premises on it, presumably including 1 Chance Street, on 3-5 year tenancies. Indeed we hope this will lead to a reconsideration of the plans for the estate's development, so that they focus more on providing homes for Londoners. However this is not a licensing consideration and we are also mindful of the problems that have already arisen relating to the operation of other parts of the estate, especially [REDACTED].

In any case, JAG welcomed the introduction of the Brick Lane Cumulative Impact Zone (CIZ) and continues to call for its strict enforcement. As the authority is aware, the neighbourhood continues to suffer from the excesses of the 'night time economy', including: noise both from premises and from inebriated groups in the street; anti-social behaviour and petty crime including littering, aggressive behaviour, drug taking, public urination, defecation and vomiting.

1 Chance Street is within the CIZ. As you well know, under section 8 of the policy adopted by the Borough the license application must be refused unless the applicants 'show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced' (8.4).

We have examined carefully the application submitted and there appears to be little or no attempt to demonstrate that the operation of the premises, were a licence to be granted, would not add to the cumulative impact being experienced in the neighbourhood. We note that the applicants propose to finish serving alcohol at 10pm (9pm on Sunday), which is earlier than many existing bars, but this is still late enough to add to the cumulative problems residents face. We also note that the applicants propose to limit the number of customers to 28, but 28 people can still make a lot of noise and add to all the other problems. Although there is a reference to serving only players and those waiting to play, this does not appear to be an enforceable condition that would tie to the premises being used as a shuffle club. The application is of

course for a premises licence, albeit for a limited period, that could be passed on to other operators. The other elements of the application, i.e. the great majority, appear to offer merely conditions that are pretty standard. Furthermore in the case of noise from within the premises they are extremely vague.

The association will of course examine any serious attempt the applicants may make to strengthen their proposals so they might demonstrate the operation of the premises will not add to cumulative impact. On the basis of this application however their case is far from made and we submit the authority is bound to turn it down under section 8 of the licensing policy.

Please don't hesitate to get in touch if we can clarify anything further.

Dear Licensing,

I have no objections to the Premise License Application for Shuffle Group Ltd 1 Chance Street following agreement with the Applicant to add conditions to apply as follows:-

- 1) no noise shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance.
- 2) Loudspeakers shall not be located in the entrance lobby or outside the premises building.
- 3) All windows and external doors shall be kept closed after **22:00 hours**, except for the immediate access & egress of persons.

Just to repeat, as the Applicant has already confirmed, the Provision for Indoor Sporting Events is until 22:30 hours Thursday Friday and Saturday, with premise closing at 23:00 hours, with all other days and timing as per original application.

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 8.1 of the Licensing Policy**).

While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 12.11**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 8.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 2 Annex D of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells

- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs. a premises causing a nuisance resulting from noise emanating from the premises.

Guidance Issued under Section 182 of the Licensing Act 2003

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (13.20 and Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.36) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.38).

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 11

Access and Egress Problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.19).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.20)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.22) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 12

Anti-Social Behaviour on the Premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Section 6 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the Council is recommended (Annexe D).

The key role of the Police and SIA is acknowledged (2.1-2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff or agents, but can directly impact on the behaviour of

Customers in the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) communication, CCTV, police liaison, no glasses, capacity limits are all relevant (2.3 - 2.7).

Guidance Issued under Section 182 of the Licensing Act 2003

Conditions can be imposed for large capacity “vertical consumption” premises (10.23 – 10.24).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices.

Other Legislation

- The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

Appendix 13

Anti-Social Behaviour from Patrons Leaving the Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy” (**see Section 4.15 and 4.16 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 6.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (**See Section 7 of the Licensing Policy**).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003

The key role of the Police is acknowledged (2.1).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) CCTV inside & out, communication, police liaison, no glasses are all relevant

There is also guidance issued around public nuisance (2.14 – 2.20).

The pool of conditions, adopted by the Council is recommended (see Appendix 3 of the Licensing Policy). Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.18/2.20).

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned (13.13).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 14

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 15

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 15.8 of the Licensing Policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 15.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates

Appendix 16

Licensing Policy

8 Special Cumulative Impact Policy for the Brick Lane Area

- 8.1 As with many other London Borough's the majority of late night licensed premises are concentrated within one area of the Borough. Following guidance issued under the Licensing Act 2003 a cumulative impact policy was adopted on 18th September 2013 by the Council.
- 8.2 After consultation the Council recognises that because of the number and density of licensed premises selling alcohol, on and off the premises and the provision of late night refreshment (sale of hot food after 11pm) within the Brick Lane Area as defined in Figure One, there might be exceptional problems of nuisance, disturbance and/or disorder outside or away from those licensed premises as a result of their combined effect.
- 8.3 The Licensing Authority is now of the view that the number, type and density of premises selling alcohol for consumption on and off the premises and/or the provision of late night refreshment in the area highlighted in Figure One is having a cumulative impact on the licensing objectives and has therefore declared a cumulative impact zone.
- 8.4 The effect of this Special Cumulative Impact Policy is to create a rebuttable presumption for applications in respect of the sale or supply of alcohol on or off the premises and/or late Night Refreshment for new Premises Licences, Club Premises Certificates or Provisional Statements and applications for variations of existing Premises Licences, Club Premises Certificates (where the modifications are relevant to the issue of cumulative impact for example increases in hours or capacity). Where the premises are situated in the cumulative impact zone and a representation is received, the licence will be refused. To rebut this presumption the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced. This policy does not act as an absolute prohibition on granting/varying new licences in the Cumulative Impact Zone.
- 8.5 The Special Cumulative Impact policy will not be used to revoke an existing licence or certificate and will not be applicable during the review of existing licences.

The Cumulative Impact Zone in the Brick Lane area

The Cumulative Impact Zone is detailed in the map below. The map shows all of the premises (dots) currently licensed under the Licensing Act 2003 in the Brick Lane Area. The Cumulative Impact Zone is defined by the dark line.
