

Theme 5 Community Engagement, Cohesion and Resilience

MSG Programme Period 6 (Jan-Mar 2017) Performance Report

Theme 5 – Community Engagement, Cohesion and Resilience:

This theme focuses on seeking key outcomes including:

- Identifiable increase in numbers of local residents taking on key leadership and representational roles within the community
- Increase in number of people who feel they are getting on better with others in their communities, as identified from annual community surveys
- Increased opportunities for communities to work together on local improvement projects, cultural celebration and exchange

The ten funded projects in January to March 17 are classified as ‘Green’ and all report they are meeting expected outputs. Where appropriate projects have demonstrated activities aimed an inclusion of participants from different communities, targeting those that are not accessing their project. Many have shown continuous improvement in the quality of projects resulting in improved outcomes for participants.

The projects funded through Theme 5 have ended as at 31 March 2017.

The successor Community Engagement, Cohesion and Resilience programme has moved to a contracting model and bids have been received through a tender process. These are in the process of being assessed and decisions on provider funding will be made in due course.

Activity is due to begin in September 2017.
