

Shuffle deadline

Continued from page 1

Shuffle hosts its annual festival of film, performance and education in the park grounds.

Kate MacTiernan, who organises the festival, said: "We used the Lodge as a temporary office while the event was on, but we want to make the arrangement permanent.

"The [planned] extension is

about 40 square metres and that can fit around 45 people, which is ideal for workshops, talks, films and so on."

She called for the support of local businesses and individuals as the fundraiser enters its final week and said that those who donate would be permanently recognised with a plaque in the park grounds.
