Describe Briefly The Nature Of The Proposed Variation

Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.

The business is a Turkish Restaurant and takeaway service situated on Bethnal Green Road which is a high street. The restaurant is a family orientated restaurant. The restaurant has a open kitchen for grilling the food at the entrance and has capacity of 60 covers over the ground and lower ground level.

We currently hold the frame work hours of opening and would like to extend the hours for sale of hot food only. This application does not require the extension of the current alcohol license.

We are on the high street and there is a demand for late night eating. A majority of our customers are from the local community and their typical culture is to eat late. These customers do not require consumption of alcohol just hot food. Due to the current opening hours we are losing a lot of business which is now affecting the financial stability of the company and forcing our customers to go else where. We are making this variation application to meet the demands of our customers.

being on the high street there is numerous 24 hour shop including nearby McDonalds serving food. There is a kebab shop opposite the restaurant which is open till 2am evryday and till 4am over the weekend. There is a 24 hours convinience store 2 doors away at 325 Bethnal Green Road.

Section 182 Advice by the Home Office
Updated on April 2017

Relevant, vexatious and frivolous representations

- 9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.
- 9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.
- 9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.
- 9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.

- 9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this Guidance, an assessment should be prepared by officials for consideration by the sub- committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.
- 9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.
- 9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

Dear Licensing

I have spoken to the Applicant Mr Basal, however we unable to come to an agreement with the hours of operation of the premises, and having regarded the application for Premises License for and the potential impact of public nuisance and measures to prevent noise generated from within the premises or outside it which could cause disturbance to people in the vicinity, the proposed hours are well beyond the Council's framework hours.

It must be noted that the Council's framework hours (i.e. when premises are open) are:

- **Monday to Thursday 0600 hours to 23:30 hours; and**
- **Friday & Saturday 0600 hours to midnight**
- **Sunday 0600 hours to 2230 hours.**

The Existing opening hours for the Premises are:

- **Monday to Thursday 0600 hours to Midnight; and**
- **Friday & Saturday 0600 hours to 00:30 hours**
- **Sunday 0600 hours to 2300 hours.**

The applicant is proposing:

- **Monday to Wednesday 0600 to 0200 hours; (2 hours increase in operating hours)**
- **Thursdays until 0300 hours; and (3 hours increase in operating hours)**
- **Fridays and Saturdays until 0400 hours (3 and a half hours increase in operating hours)**
- **Sundays until 0200 hours (3 hours increase in operating hours)**

Noise Sensitive premises: residential and commercial premises in close proximity to 329 Bethnal Green Road London E2 6AH including immediately adjacent to the premises, 13 metres away at St James Court (31 Residential Premises), 30 metres across Bethnal Green Road and the surrounding area.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits; and
- The hours of operation (inclusive of proposals)

CONCLUSION

Environmental Protection **does not** support the application for 329 Bethnal Green Road London E2 6AH as there is great likelihood of disturbance to residential premises at the noise sensitive hours sought.

Dear Mr Lewis

Application to vary a Premises Licence

Wood Mangal, 329 Bethnal Green Rd, E2 6AH

I write with reference regarding the above application. Please accept this letter as notification that the police as a responsible authority wish to object to this application on the following two licensing objectives.

The prevention of crime and disorder

The prevention of public nuisance

The applicant has applied for the following hours in regard to LNR

Sun- Wed: 2300 - 0200

Thursday : 2300 - 0300

Fri-Sat : 2300 - 0400

Approximately one year ago I opposed a late night application for this restaurant and I believe my concerns remain valid. In fact, Bethnal Green Road is becoming increasingly popular. Although the road is a main route through Tower Hamlets, there is still a considerable amount of residential properties in this street and the surrounding vicinity.

I fear that any expansions of late licences will lead to the same anti-social behaviour that afflicted Brick Lane.

By applying for such late hours I don't believe the applicant has considered what effect it would have on the local community. The applicant states that they are a "family orientated restaurant" In my experience it is very rare to see families sitting down for a meal in the early hours of the morning.

Also, the applicant states "A majority of our customers are from the local community and their typical culture is to eat late" I would suggest that many of the local community would like to see less late night venues.

It's unfortunate that many late opening venues attract people who are already under the influence of alcohol who can be violent, disruptive or liable to commit anti-social behaviour. Littering will also be a problem. People will remain the area for a longer period and violence can easily occur from the smallest incident when people are drunk.

Paragraph 8.34 of the Guidance states "applicants are in particular expected to obtain sufficient information to enable them to demonstrate, when setting out the steps they propose to take to promote the licensing objectives".....including "any risk posed to the local area by the applicants' proposed licensable activities" . The applicant states he will have:

" 1. Well trained staff to assess and monitor the type and condition of the customers entering the premises ie if they are under the influence of drugs or intoxicated, and adhere to the environmental health requirements." How exactly is this to be achieved?

The applicant mentions other late night refreshment venues, some of which have been licensed for some time. Tower Hamlets Police did oppose at the time the well known

restaurant in the same street. Whilst there is no increase in alcohol, is there any policy in place to stop people stockpiling alcohol in order to continue eating and drinking.

I am hoping to obtain a statement from the local policing team who know this locality very well and its associated problems.

Opening for such late hours, will have a detrimental effect on the nearby residents.

I ask the committee to reject this application.

If however the Committee are to grant this variation I would ask them to consider the following:

Sunday: LNR: 2300-midnight

Subject: Premises License Variation 101499 - Wood Mangal Restaurant, 323 Bethnal Green Road

Hi Licensing,

I hope you are well.

I write in reference to the "Variation of Premises Licence" application made by the Wood Mangal Restaurant located at 329 Bethnal Green Road, E2 6AH.

I wish to place on record my objection to the extension of the opening hours of the restaurant.

I apologise for the length of this representation but I wanted to give as much context to my objection as possible so that you may consider the impact of any extension to the opening hours of the restaurant on the residents directly affected.

The restaurant at 329 Bethnal Green Road is on the corner of Bethnal Green Road and Pollard Row. There are 5 flats above the restaurant (these carry the address of [REDACTED]) and a house (addressed as [REDACTED]) immediately behind the restaurant.

I write in the capacity of the owner of the building containing the restaurant (329 Bethnal Green Road) , the flats ([REDACTED]) and the house ([REDACTED]).

The restaurant, with the flats above are essentially the same structure and understandably, the activities in the restaurant have a direct impact on the lives of the occupants of the flats above... and vice versa.

I have been approached by the majority of the residents of the flats & house expressing their concerns about the impact that any extension to the operating hours of the restaurant will have upon their peaceful enjoyment. I understand a number of the residents have made representations directly to you.

The restaurant has the current opening hours of ;

06:00 - 00:00 Monday / Thursday
06:00 - 00:30 Friday / Saturday &
06:00 - 23:00 Sunday

and, generally speaking, the restaurant operators and the occupants of the flats above peacefully co-exist.

There are however, a number of current operational practices of the restaurant that impinge upon the peaceful enjoyment of the occupants of the flats namely ;

- The operators of the restaurant are made aware of early morning deliveries by delivery drivers banging loudly on the restaurant shutters to arouse the attention of the staff inside.
- Restaurant staff take cigarette breaks at the staff entrance which is in Pollard Row and the cigarette smoke and associated noise rises into any open windows of the flats which are immediately above &
- Cleaning staff play loud music as they prepare the restaurant during the period the restaurant is closed i.e. between 00:30 (latest) and 06:00.

I understand that residents have contacted the Council previously about the noise issues above.

That said, the occupants of the flats accept that they reside above a restaurant which is there to serve the community and provide employment and (with the exceptions stated above) they have the comfort that the restaurant is closed between 00:30 (latest) and 06:00 allowing, at least, for a good night's sleep.

The application seeks to extend the restaurant opening times to ;

06:00 - 02:00 Monday / Wednesday
06:00 - 03:00 Thursday
06:00 - 04:00 Friday / Saturday &
06:00 - 02:00 Sunday

If this extension is granted, the restaurant will become, as far as the adjoining residencies are concerned, a 24 hour a day operation as the kitchen and cleaning staff will be clearing down the restaurant once it closes at 04:00 (latest) and re-opens for business at 06:00 which represents a dramatic and unwelcome change to the existing operation.

The amount of time that the residents have to get a peaceful nights sleep whilst the restaurant is closed will drop dramatically from an average of roughly 5.5 hours per night as it currently stands, to a little over 3 hours per night and the residents are naturally concerned that this will impinge upon their lives in an unacceptable way.

As well as the impact of the restaurant operation itself, consideration must also be given to the increase in human activity that the extended hours will attract outside the restaurant. This will undoubtedly extend beyond the opening hours of the restaurant as people congregate, eat their food and create noise and litter particularly in Pollard Row (it being a side road) which will have an enormous detrimental effect on the residents in the flats above the restaurant.

Whilst I would not wish to generalise about the clientele that the extended hours is likely to bring to the immediate area, it is clear from the comments regarding the steps that would be taken to meet the "Licensing Objectives" that issues around "drunk and disorderly behaviour", "use and sale of illegal drugs", "violent and antisocial behaviour" and "vandals" are expected and whilst there will be management controls in place to reduce them **INSIDE** the restaurant... these issues will spill over to (or spill out to) the immediate surroundings which I hope you will agree is unfair on the residents at [REDACTED] [REDACTED].

The measures highlighted in section "d) The prevention of public nuisance" of the application provide little comfort.

As highlighted earlier there are **CURRENTLY** issues around Deliveries & Staff (Points 3 & 4 of Section d))

which have not been addressed and no amount of "notices..displayed at the exit requesting the customers to respect the needs of the nearby residents and leave the premises and the area quietly." will be read by those intent on causing such problems.

In summary, there is a balance between the needs the restaurant and those of the residents in the immediate vicinity. The residents of [REDACTED], and I, believe that extending the operating hours of the restaurant will have a significant detrimental effect on quality of life of the residents.

Additionally, I would make the following comments with regard to the rationale of the extended hours contained within the Application ;

1) Existing Supply ;

I believe that the existing demand for late night eating is already well served both in the immediate vicinity of 329 Bethnal Green Road and beyond. Within the section of the Application entitled "Describe Briefly The Nature Of The Proposed Variation" the applicant confirms this with the following statement ;

"there is numerous 24 hour shop including nearby McDonalds serving food. There is a kebab shop opposite the restaurant which is open till 2am evryday and till 4am over the weekend"

The business is described as a "family orientated restaurant" but the extended hours are likely to be competing for an already well served existing "take-away" market at 1, 2 or 3 O'Clock in the morning. A look at the menu for the Wood Mangal restaurant <http://woodmangal.com/menu.html>

suggests a significant overlap with the existing fare provided by the nearby McDonalds and kebab shop... thus competing against those rather than satisfying any perceived unmet need.

2) Losing Business ;

The Applicant suggests within the section of the Application entitled "Describe Briefly The Nature Of The Proposed Variation" that "Due to the current opening hours we are losing a lot of business which is now affecting the financial stability of the company and forcing our customers to go else where."

Whilst it is reasonable to suggest that existing customers may well have approached the restaurant with a desire to eat later than the existing hours, it is hard to imagine that existing customers would be lost

because they simply wanted to eat later. I would imagine that a customer is far more concerned with the overall experience including quality, value, service, atmosphere etc and would sacrifice eating an hour or two later if the overall experience of the restaurant was so good.

I hope that the above representation makes sense, and apologies once more for the length of this email.

I would be grateful if you would kindly confirm that this representation has been received.

Naturally, if you have any questions, or require further explanation, please feel free to mail or call me.

Kind Regards

Atrhur Knight

Good Evening,

I sent these pictures to Mohshin below who I was emailing regarding the variation of a license at Wood Mangal Bethnal Green Rd (Ref no. 101499). However, I had an email reply which didn't really make sense based on the email I sent.

Please find attached pictures of the oil that they are disposing of from The Wood Mangal directly onto the street outside our home. If you could kindly pass onto the relevant person in the environmental health department as well.

When will we know if this application has been fully rejected or if it is going ahead?

Subject: Premises License Variation 101499

Good Afternoon,

I wish to formally reject the variation of the premises license to Wood Mangal, 329 Bethnal Green Rd, E2 6AH. Case reference code above.

The current opening hours already effect my home life very much as my flat is directly above Wood Mangal, they have extremely loud metal shutters that wake me up when they close and again in the morning. Their kitchen is beneath mine and I can hear the staff in the kitchen, I can hear the music of the night cleaners and they sometimes have early morning deliveries in which they will bang extremely loudly on the metal shutters as early as 6am which wakes me up. If they are to stay open until 2am mid week and 4am at the weekend this would severely disrupt my sleeping. I have also informed my landlord as he is not happy about the current activities of the restaurant as it stands let alone an extension of their hours.

I thank you for the consideration in this really important matter for myself and my partner

Kind Regards

Lorna MacPherson

Subject: Rejection of change to opening hours - Ref: 101499

Hi,

I have been made aware of the proposals of Wood Mangal Restaurant to extend their weekday and weekend opening hours, and would like to voice my concerns and objection to this.

I live above and to the side of the restaurant at [REDACTED]. Currently the noise and smoke pollution from the restaurant is unacceptable with workers' from the restaurant, as well as customers, keeping me awake into the early hours of the morning during the week and weekend due to the noise. Despite raising my concerns with the restaurant on 3 occasions, they have made no effort to keep the noise down and continue to stand directly under my bedroom window during their breaks. I work shift patterns as a doctor and have found no empathy from the restaurant or any attempts to comprise. We are unable to keep our window open at times due to smoke entering our flat from the restaurant and also due to the noise - particularly during this hot season, this has made life very difficult.

I really do think that extending the opening hours of the restaurant will make the situation impossible for myself and the other residents of [REDACTED].

Best wishes

Dr Lucy Walker

Licensing Act 2003 - Premises Variation - Wood Mangal Restaurant 329 Bethnal Green Road E2 6AH

Dear Sir,

As a resident of [REDACTED] situated next door to the Mangal restaurant I would like to make the following representation in response to the request to extend their opening hours:

Late night/early morning visitors to the White Horse Kebab House opposite [REDACTED] are already a source of public nuisance. Customers frequently arrive in - and leave running - cars with modified (extra loud) exhaust systems with loud music playing. Disruptive and aggressive behaviour is often displayed by customers whose shouting and swearing wakes those asleep in [REDACTED] on the other side of the road. Allowing another takeaway food outlet to open on the same side of the road and adjacent to [REDACTED] would only increase the frequency of this public nuisance and increase the likelihood of disorder in this part of the Bethnal Green Road.

I note that a majority of this restaurant's customers are from the local community and their typical culture is to eat late but surely a "family oriented restaurant" can cater for its customer base without needing to stay open until 4am in the morning when one imagines the families it caters to are asleep.

In summary this is a residential neighbourhood with more than enough late night eateries already and to extend the opening hours of the Mangal restaurant would only add to the opportunity for drunks and other insomniacs to disrupt the sleep of local residents. As the application points out there are already numerous other 24 hour sources of food in the vicinity - no one is going hungry!

Yours faithfully

[REDACTED]

Hi,

I would like to raise my objections to the proposed change of opening hours to Wood Mangal restaurant on Bethnal Green Road.

I live in a flat at [REDACTED], directly above the restaurant. Currently, the restaurant causes a large amount of disruption at all hours due to the levels of noise its staff and customers create.

I feel as though I already have grounds for a noise pollution complaint without an extension to the restaurants opening hours. If an extension is granted, it will only exasperate the issue and I believe make living above the restaurant unmanageable. I hope it does not come to that.

I hope this is sufficient information for you to reject the proposed change in opening hours. If you would like any more information from me, please let me know.

Best

Mr. Thomas Belt

Appendix 14

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. **(See Sections 10.1 of the Licensing Policy)**. While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. **(See Section 15.10)**.

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. **(See Section 10.2 of the Licensing Policy)**.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. **(See Appendix 3 Annex D of the Licensing Policy)**. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs where public nuisance is being caused by noise coming from the premises and the closure of the premises is necessary to prevent that nuisance.

Guidance Issued under Section 182 of the Licensing Act 2003

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.15).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 15

Access and Egress Problems

Such as:

- Disturbance from patrons arriving/leaving the premises on foot
- Disturbance from patrons arriving/leaving the premises by car
- Lack of adequate car parking facilities
- Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.15).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.19)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 16

Anti-Social Behaviour on the Premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. **(See Section 6 of the Licensing Policy)**

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. **(See Appendix 3 of the Licensing Policy)**. In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the Council is recommended (Annexe D).

The key role of the Police and SIA is acknowledged (2.1-2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder

and their staff or agents, but can directly impact on the behaviour of customers in the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) communication, CCTV, police liaison, no glasses, capacity limits are all relevant (2.3 - 2.6).

The Guidance recognises working with Home Office Immigration Enforcement in the prevention of immigration crime. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

Guidance Issued under Section 182 of the Licensing Act 2003

Conditions can be imposed for large capacity “vertical consumption” premises (10.23 – 10.24).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices.

Other Legislation

- The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one or more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 19

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 15.8 of the Licensing Policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 15.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
