The Licensee shall not permit any person to tout for business or encourage other persons to visit the Premises whilst on a public highway.

For the avoidance of doubt, this condition shall not be taken to prevent the Licensee from advertising the Premises using suggestive advertising content in media that restrict access to persons over the age of 18 years and would not reasonably be expected to be directed at persons in a public place (for instance, in adult magazines, websites or television channels).

During a performance there shall be no intentional physical contact between a performer and the customer other than the transfer of money or token at the beginning, during and at the conclusion of a dance into the hand or a garter worn by the performer. For the avoidance of doubt nothing in this condition shall prevent Performers from acting to prevent, deter or counter any attempts of physical contact by a customer.
36. Without prejudice to standard condition 35 above, at the conclusion of a performance there shall be no intentional physical contact between a performer and the customer, save for a handshake. For the avoidance of doubt kissing is not permitted.

Introduction

The ward profiles have been produced for all 20 wards in Tower Hamlets. They provide the social, economic and demographic characteristics of each ward in the borough developing a broad picture of the area and help describing local differences.

In May 2014, the number of wards increased from 17 to 20. The changes were made by the Local Government Boundary Commission for England, in order to ensure that every councillor in Tower Hamlets represented roughly the same number of residents. The changes mean that no ward will have a population variance of greater than 10 per cent. As a result of the changes, the average population per councillor will be 4,029 in 2014, rising to 4,417 by 2018, according to projected population growth.

Data from the 2011 Census has been used throughout this ward profile as this still provides the single best source of statistics which are available at geography small enough to be aggregated up in to the new wards. While more recent estimates of the resident population are available for the borough and old ward boundaries, these cannot be used to infer the current population according to the new ward boundaries.

Notice of London City Airport public consultation on a new Aircraft Noise Categorisation Scheme (ANCS)

London City Airport is opening a public consultation on new proposed measures to manage aircraft noise by incentivising airlines to minimise noise. This will ensure that no noisier aircraft than currently operate at London City will be allowed to operate in future.

Individuals, businesses and interested parties are welcome to respond to the proposals, which include:

- A new method of noise monitoring that uses aircraft manufacturers' independently assessed noise certification data to categorise each aircraft. This will mirror the approach adopted by other UK airports to control noise at night. As London City does not operate night flights, it will become the first UK airport to adopt this method for daytime flights; and
- More stringent categorisation of aircraft based on the noise they generate

The existing and longstanding controls on the airport's operational hours will remain unchanged.

In order to review the new scheme proposals and submit feedback visit: www.londoncityairport.com/ANCS

Email responses can be sent to ANCS@londoncityairport.com

Written responses can be posted to:

ANCS Consultation, City Aviation House, Hartmann Road, E16 2PB

The consultation is being carried out under the requirements of the Aerodromes (Noise Restrictions) (Rules and Procedures) Regulations 2003 and is open from Friday 2 June until Friday 14 July 2017.

Once the consultation is concluded, all responses will be considered and a final proposed scheme will be submitted for approval by London Borough of Newham in summer 2017.

Tower Hamlets Council

Sex Establishment Licensing Policy

Introduction

This policy sets out Tower Hamlets Council's proposed approach to regulating sex establishments and the procedure that it will adopt in relation to applications for sex establishment licences.

The policy of the Council is to refuse applications for sexual entertainment venues. This policy is intended to be strictly applied and will only be overridden in genuinely exceptional circumstances. Such circumstances will not be taken to include the quality of the management, its compliance with licence conditions, the size of the premises or its operating hours.

The policy is intended as a guide to applicants, licence holders, people who want to object to applications and members of the Licensing Committee who are responsible for determining contested applications. It also aims to guide and reassure the public and other public authorities, ensuring transparency and consistency in decision making.

When the decision making powers of the Council are engaged each application will be dealt with on its own merits but this policy gives prospective applicants an early indication of whether their application is likely to be granted or not. It also provides prospective applicants details of what is expected of them should an application be made.

The legal controls for sex establishment premises are contained in the Local Governmental (Miscellaneous Provisions) Act 1982 as amended by the Policing and Crime Act 2009.

There are 3 types of sex establishments which fall into the licensing regime:-

Sex shops

Sex cinemas

Sexual entertainment venues

The role of the Council in its position as Licensing Authority is to administer the licensing regime in accordance with the law and not in accordance with moral standing. The Council recognises that Parliament has made it lawful to operate a sex establishment and such businesses are a legitimate part of the retail and leisure industries.

Policy Rationale

The policy has been developed that sets out how the legislation will be administered and applied. The policy identifies how the Council would exercise the licensing regime in relation to sexual entertainment venues.

The policy has been developed to reflect and complement existing Council plans and strategic approach, namely:-

- Tower Hamlets Community Plan.
- Tower Hamlets Crime & Drug Reduction Partnership Plan.
- Tower Hamlets Enforcement Policy.
- Tower Hamlets Core Strategy.
- Tower Hamlets Town Centre Spatial Strategy.
- Tower Hamlets Statement of Licensing Policy (Licensing Act 2003).
- Tower Hamlets Statement of Licensing Policy (Gambling Act 2005).

The policy has also been prepared with regard to:

- Consultation responses
- Human Rights Act 1998
- Equalities Act 2010

The policy seeks to contribute to the “One Tower Hamlets” principle by fostering community cohesion, reducing inequalities and empowering communities. The public consultation that was undertaken concerning the adoption of a nil policy did not have overwhelming support. Therefore careful consideration has been given to the policy response, given the balance that the consultation returns did not give overwhelming support.

Policy Considerations

Existing Licensed Premises

The Council has had the ability to licence sex shops and sex cinemas under the Local Government (Miscellaneous Provisions) Act 1982 for many years.

There are no licensed sex shops in Tower Hamlets.

The businesses that hold premises licences under the Licensing Act 2003 with permissions that will be affected by the adoption of the sexual entertainment venue licensing regime are as follows:-

| NAME | ADDRESS |
|---|--|
| THE BEEHIVE | 104-106 Empson Street, London, E3 3LT |

Tower Hamlets Council has adopted schedule 3 Local Government (Miscellaneous Provisions) Act 1982 with effect from 1st June 2014 so that it can:

- set a limit on the number of sexual entertainment venues
- determine premises that are appropriate for the borough and
- licence sexual entertainment venues

Sexual entertainment venues are those that regularly provide lap dancing and other forms of live performance or live display of nudity.

Establishments that hold events involving full or partial nudity less than once a month may be exempt from the requirements to obtain a sex establishment licence and applicants are advised to contact the Licensing Team for advice.

Limits on the number of licensed premises

The Council has determined that there are a sufficient number of sex shops, sex cinemas and sexual entertainment venues currently operating in the borough and it does not want to see an increase in the numbers of premises that are currently providing these activities.

The Council intends to adopt a policy to limit the number of sexual entertainment venues in the borough to nil however it recognises that there are a number of businesses that have been providing sexual entertainment in Tower Hamlets for several years. The Council will not apply this limitation when considering applications for premises that were already trading with express permission for the type of entertainment which is now defined as sexual entertainment on the date that the licensing provisions were adopted by the authority if they can demonstrate in their application:

- High standards of management
- A management structure and capacity to operate the venue
- The ability to adhere to the standard conditions for sex establishments

The Council will consider each application on its merit although new applicants will have to demonstrate why the Council should depart from its policy. Furthermore if any of the existing premises cease trading there is no presumption that the Council will consider any new applications more favourably.

Location of premises

The Council's policy is that there is no locality within Tower Hamlets in which it would be appropriate to license a sex establishment. Accordingly, the appropriate number of sex establishments for each and every locality within Tower Hamlets is zero.

As previously stated in the policy the Council will treat each application on its own merits however applicants should be aware that the Council will take into consideration the location of the proposed premises and its proximity to:

- residential accommodation,
- schools,
- premises used by children and vulnerable persons
- youth, community & leisure centres,
- religious centres and public places of worship
- access routes to and from premises listed above
- existing licensed premises in the vicinity

Impact

In considering applications for the grant of new or variation applications the Council will assess the likelihood of a grant causing impacts, particularly on the local community.

The Council will take the following matters into account:

- the type of activity
- the duration of the proposed licence
- the proposed hours of operation
- the layout and condition of the premises
- the use of other premises in the vicinity
- the character and locality of the area
- the applicant's previous knowledge and experience
- the applicant's ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant

- any reports about the applicant and management of the premises received from residents, Council officers or the police
- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers
- crime and disorder issues
- cumulative impact of licensed premises, including hours of operation
- the nature and concerns of local residents
- any evidence of complaints about noise or disturbance caused by premises
- planning permission and planning policy considerations

In considering applications for renewal the Council will take into account

- the applicant's ability to minimise the impact of their business on local residents and businesses
- any reports about the licensee and management of the premises received from residents, Council officers or the police
- whether appropriate measures have been agreed and put into place to mitigate any adverse impacts
- any evidence of complaints about noise or disturbance caused by premises

In considering applications for transfer the Council will take into account:

- the applicants previous knowledge and experience
- the applicants ability to minimise the impact of their business on local residents and businesses
- any evidence of the operation of existing /previous licences held by the applicant
- any reports about the applicant and management of the premises received from residents, Council officers or the police

- the ability of the proposed management structure to deliver compliance with licensing requirements, policies on staff training and the welfare of performers

Applicants

Where appropriate the Council expects applicants to:

- demonstrate that they are qualified by experience
- have an understanding of general conditions
- propose a management structure which will deliver compliance with operating conditions for example through
- Management competence
- Presence
- Credible management structure
- enforcement of rules internally – training & monitoring
- a viable business plan covering door staff, CCTV
- policies for welfare of performers
- demonstrate that they can be relied upon to act in best interests of performers through remuneration, facilities, protection, physical and psychological welfare
- have a transparent charging scheme with freedom from solicitation
- a track record of management compliant premises or employ individuals with such a track record

New applicants may be invited for interview by the Licensing Officer and /or Police Officer prior to the application being referred to the Licensing Committee for determination.

Applications from anyone who intends to manage the premises on behalf of third party will be refused.

Premises appearance and layout

The Council expects premises to:-

- have an external appearance which is in keeping with the locality
- prevent the display outside the premises of photographs or other images which may be construed as offensive to public decency

- adequate lighting to allow monitoring of all public areas
- surveillance by CCTV
- surveillance by CCTV of all private booths

Conditions

The council will prescribe, and from time to time revise, standard conditions which will apply generally to licences that the council will grant or renew.

Through standard conditions the council seeks to ensure that sexual entertainment venues are well managed and supervised, restrict the sexual entertainment activities and the manner in which they are permitted to be provided, protect performers, and control the impact of the venue and its customers in relation to its locality.

Specifically, standard conditions could include measures which are found in the appendix of this policy.

The Application Process

Making a new, renewal, transfer or variation application

The Act requires the Council to refuse all application if the applicant:

- Is under the age of 18 or
- Has had their licence revoked in the last 12 months or
- Is not resident in the UK, or has not been a UK resident for the last 6months or
- Has been refused an application in the last 12 months or
- Is a corporate body which in not incorporated in the UK

Applications forms and details of current fee levels are available:

- on the Council's website (www.towerhamlets.gov.uk)
- from the Licensing Team on 020 7364 5008
- by email to licensing@towerhamlets.gov.uk

The Council prefers to receive electronic applications and *offers a choice off payment options the details of which are contained in the application pack.*

The Council expects the premises to have planning consent for the intended use and hours of operation, or otherwise have lawful planning status before making an application for a new licence.

In order for the application to be valid the applicant must:

- Submit the completed application form
- Pay the application fee
- Submit a floor plan, drawn to scale showing the layout of the premises(new applications only)
- Submit a location plan (1:1250) showing the location of the premises(NB. plans will not be required for transfers nor renewal applications)
- 2 passport size photos of the applicant where the applicant is an individual rather than a limited company
- 2 passport size photos of the manager if applicant is a limited company(NB: photos will only be required if there has been a change of applicant or manager since the last application)
- Display an A4 notice at the proposed premises for 21 days following the date that the completed application is submitted setting out the application details. The notice must be in a prominent position so that it can be easily read by passers-by. A notice template will be provided with the application form.
- publish a notice on at least one occasion in a local newspaper, during the period of ten working days starting on the day the application was given Council. The advert can be any size or colour but must be readable.

Applicants who wish to advertise the application in another local newspaper are advised to contact the Licensing Team beforehand, to confirm that it is acceptable.

On receipt of a valid application the Council will consult:

- The Police
- The Fire Brigade
- Building Control
- Health and Safety
- Ward Councillors

For new and variation applications the Council will also consult:

- Development Control Team
- Local residents living within 50m of the premises

Authorised Officers from the Council, Fire Brigade and Police may choose to inspect the premises and require works to be carried out to bring the premises up to the required standard before the premises can be used for licensable activities.

The Council will not determine an application for a licence unless the applicant allows an authorised officer reasonable opportunity to enter the premises to make such examination and enquiries as may be necessary to determine the suitability of the applicant and the sex establishment.

Representations

Anyone wishing to object to the application must submit a representation, in writing, within 28 days of the date that the valid application was received by the Council.

Representations can either be submitted via

- Our website: www.towerhamlets.gov.uk
- Email to: licensing@towerhamlets.gov.uk
- Post to: Consumer and Business Regulations, Licensing Team, 6th Floor, Mulberry Place, 5 Clove Crescent, E14 2BG.

A person making a representation must clearly state their name, address, and the grounds for objecting to the application and indicate whether they consent to have their name and address revealed to the applicant. Copies of representations will be made available to the applicant 14 days before the committee hearing.

The Council will not consider objections that are frivolous or vexatious or which relate to moral grounds (as these are outside the scope of the Act).

The Council prefers to receive electronic representations.

Late representations may be admissible at the discretion of the Council if there's sufficient reason to indicate that applicants will not be significantly prejudiced by the

decision to allow a late objection to be considered. In making such a decision the Council will take into account:

- The length of the delay
- The amount of time that the applicant has to consider the representation before the hearing date
- If other representations have been received before the deadline

Determining an application

Applications with no representations will be approved under delegated authority to officers.

Applications with representations recommending that conditions be attached to the licence and which are acceptable to both the applicant and person making the representation can be approved under delegated authority to officers.

All other contested applications will be referred to the Licensing Committee for determination. The applicant, anyone making a representation and the ward Councillors will be notified the date, time and venue of the hearing and invited to attend to address the committee in person.

Applications can take up to 14 weeks to be determined. If an application is likely to take longer than 14 weeks to determine the Council will notify the applicant in writing before this deadline. Applications for sex establishment licenses are exempt from the tacit consent provisions of the EU Services Directive on the grounds of public interest and the legitimate interests of third parties.

The applicant will be notified in writing about the outcome of their application within 5 working days of the decision being made.

Sex Establishment licences are usually issued for 12 months, but can be issued for a shorter period if deemed appropriate.

In order to continue operating as a sex establishment the licence holder must make a renewal application prior to the expiry of the existing licence.

Appeals

Any applicant who is aggrieved by a decision to refuse an application or by the imposition of any conditions can appeal to the Magistrates Court within 21 days of receiving the decision in writing.

Grounds for refusing an application

1. The applicant is unsuitable to hold a licence by reason of having been convicted of any offence or for any other reason
2. That if the license were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a license if he made the application himself
3. That the number of sex establishments in the relevant locality at the time the application is made is equal to or exceeds the number which the authority consider is appropriate for that locality
4. That the grant or renewal of the license would be inappropriate, having regard:-
 - a. to the character of the relevant locality
 - b. to the use to which any premises in the vicinity are put; or
 - c. to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made.

Transitional Arrangements

Broadly speaking, those existing sexual entertainment venues (lap dancing clubs etc) with a premises licence under the Licensing Act 2003, under which it is lawful to provide such entertainment, will continue to be able to operate for one year after the Council adopts the 2009 Act provisions or, if later, the determination of any application submitted during that year.

The 'transitional period' will last for 12-months beginning with the date that the Council resolves that Schedule 3 as amended by the 2009 Act will come into force in their area ('the 1st appointed day'). Six months following the 1st appointed day will be known as the '2nd appointed day' and the day on which the transitional period ends will be known as the '3rd appointed day'.

Existing Operators

To allow time to comply with the new regime, existing operators, who, immediately before the 1st appointed day, have a 2003 Act licence and lawfully use premises as a sexual entertainment venue under that licence or are undertaking preparatory work to use the venue in that way will be allowed to continue to provide relevant entertainment until the 3rd appointed day or the determination of any application they have submitted before that time (including any appeal against the refusal to grant a licence), whichever is later.

For the purposes of the Transition a "2003 Act Licence" means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

"Preparatory work" refers to work carried out by an operator, such as a refurbishment or refit, in order that they can use the premises as a sexual entertainment venue in the future. The operator will have been granted a 2003 Act licence before the 1st appointed day but will not have used the premises as a sexual entertainment venue by that date. It is likely that such operators will be known to the Council. However, where a dispute arises between the Council and

a licence-holder over whether the licence-holder qualifies as an existing operator by virtue of this provision the Council will need to seek evidence from the licence-holder to demonstrate that they clearly intended to operate a sexual entertainment venue in the future and work had been done to achieve this end.

For the purposes of the Transition a “2003 Act Licence” means a premises licence or club premises certificate under the Licensing Act 2003 under which it is lawful to provide relevant entertainment.

Appointed Days

1st Appointed Day

The day on which the Sexual Entertainment Venue regime comes into force in the Borough and the beginning of the transitional period (1st June 2014)

2nd Appointed Day

The day 6 months after the 1st appointed day (1st December 2014)

3rd Appointed Day

The day 6 months after the 2nd appointed day and the end of the transitional period (1st June 2015)

New Applications

New applicants are people who wish to use premises as a sexual entertainment venue after the 1st appointed day but do not already have a premises licence or club premises certificate to operate as such under the 2003 Act or do have such a licence but have not taken any steps towards operating as such. After the 1st appointed day new applicants will not be able to operate as a sexual entertainment venue until they have been granted a sexual entertainment venue licence

Determining Applications Received On or Before the 2nd Appointed Day

Applicants will be able to submit their application for a sexual entertainment venue from the 1st appointed day onwards.

As the Council is able to refuse applications having regard to the number of sex establishment they consider appropriate for a particular locality, all applications made on or after the 1st appointed day but on or before the 2nd appointed day shall be considered together. This will ensure that applicants are given sufficient time to submit their application and all applications received on or before the 2nd appointed day are considered on their individual merit and not on a first come first serve basis.

No applications shall be determined before the 2nd appointed day. After the 2nd appointed day the appropriate authority shall decide what if any licences should be granted. If a new applicant is granted a licence it will take effect immediately. If an existing operator is granted a licence, it will not take effect until the 3rd appointed day, up to which point they will be allowed to continue to operate under their existing premises licence or club premises certificate.

Determining Applications Received After the 2nd Appointed Day

Applications made after the 2nd appointed day shall be considered when they are made but only once all applications made on or before that date have been determined. However, reference to determination here does not include references to the determination of any appeal against the refusal of a licence.

As with applications received on or before the 2nd appointed day, licences granted to new applicants shall take effect immediately and licences granted to existing operators shall take effect from the 3rd appointed day or, if later, the date the application is determined.

Outstanding Applications

The Council will attempt where possible to determine outstanding applications made under the 2003 Act, which include an application for the provision of

relevant entertainment, before the date that Schedule 3 as amended by the 2009 Act comes into force in their area.

Where it has not been possible to determine application before the 1st appointed day, applicants will need to submit an application for a sex establishment licence as set out in Schedule 3 if they wish to provide relevant entertainment. From the 1st appointed day onwards outstanding applicants shall be dealt with as though they are new applicants

Subject: RE: Info request for Licensing Committee Members - SEV renewals

Hi Mohshin,

As I understand it, the Council's licensing committee are looking to understand how Aldgate has changed with regard to the balance of commercial and residential properties.

The planning service doesn't have data readily available on the use of individual properties, but Ann Horwood has provided spreadsheets showing 576 residential addresses within 100 m of Whites, 326 residential addresses within 100m of Flamingos and 264 residential addresses within 100 m of Nags Head.

There are a number of large scale residential developments taking place within Aldgate which are starting to transform its character from a mainly office and commercial location to a more mixed area with a growing residential community.

Notable major developments that the Committee should be aware of:

Goodman's Fields – land between Leman Street, Alie Street, Gowers Walk and Hooper Street

Permission granted on 17/02/2011 for the redevelopment of the former RBS buildings west of Leman Street. The three developments above represent the introduction of **1,836 new homes** in Aldgate.

We also looked at smaller scale planning permissions granted recently within the zones you provided that include an element of residential. Only one came up in our search – Permission granted on 31/10/2017 for erection of one additional storey to provide three additional flats at 14-20 Alie Street. This extension related to a new development of 31 residential units granted permission on 15 June 2010. Nearest SEV is Flamingos – 65 meters away.

I trust the above is helpful.
