Wednesday 4<sup>th</sup> 2009

Dear Sir/Madam

I am writing to register my concerns and objections to the opening of a gambling house/betting shop on Devons road opposite a secondary school, a children centre and in the heart of a residential area. I and many residents are deeply concerned about this. I both work and live in Poplar.

This is in an overwhelmingly residential area, with a local secondary school (Saint Pauls Way), nursery, Sure start, church and a mosque within 100m of the venue. We believe that this risks creating a disorderly atmosphere by drawing gamblers into a peaceful neighbourhood with many residents who are offended by gambling, and by heightening children's awareness of gambling at an impressionable age -leading to higher exposure in future to its risks.

I do not feel that it satisfies Section1 of the Gambling Act (c) protecting children and other vulnerable persons from being harmed or exploited by gambling.

Bow Common Lane has a sprinkling of local shops, and that no. 56 can't be regarded as part of a main shopping district. It is out of character and in a densely populated residential area surrounded by three institutions which deal with children directly on a daily basis. There is currently already a betting shop on Devon's road so to have another one would be viewed by many as encouraging and promoting a gambling lifestyle to the already poor residents of Bromley-by- Bow and Poplar. Tower Hamlets already has high levels of poverty, unemployment and many social disadvantages, for such a house to be located near residents in front of schools is very disturbing and tasteless. I urge you strongly to re-consider licensing this shop in a residential area and on Devon's road.

In light of the credit crunch, and large numbers of losses of jobs, it is very in sensitive to turn this residential area into a gambling arena. People are very desperate and to have this business in the heart of a community, I feel it is irresponsible and dangerous for children who will have to pass this everyday to school.

Local Parish, Imams, Head teachers and Councilors have strongly opposed to this and I request the relevant authorities to investigate this and to also do the same.

I thank you for your kind co-operation. Please do not hesitate to contact me for any further information.

**Yours sincerely,**

*S. Begum*
