Summary

This report and its appendix set out the annual report of Tower Hamlets Local Safeguarding Children Board (LSCB), which is a statutory requirement under the Children Act 2004 and Working Together to Safeguard Children Guidance 2015. The annual report sets out the Board's governance arrangement, key safeguarding information and response to the Ofsted Review of LSCB undertaken in February 2017.

The Annual Report was signed off by the Local Safeguarding Children Board (LSCB) on 04 October 2017.

Recommendations:

The Health & Wellbeing Board is recommended to:

1. To note the content of the Safeguarding Children Board's Annual Report.
2. To consider the LSCB priorities and any implications arising from the LSCB Annual Report for the HWBB and its work programme.

1. REASONS FOR THE DECISIONS

- 1.1 The Local Safeguarding Children Board (LSCB) is required to publish an annual report on the effectiveness of child safeguarding arrangements and promoting the welfare of children in its locality, ensure the annual report is available within the professional and public domain. The LSCB annual report, which fulfils this responsibility, is appended to this paper.
- 1.2 Working Together to Safeguard Children Guidance 2015 requires the LSCB Annual Report to be made available to the Chair of the Health and Wellbeing Board.

2. ALTERNATIVE OPTIONS

- 2.1 There are no alternative options, as it is a statutory requirement for this report to be reported to the Health and Wellbeing Board.

3. DETAILS OF REPORT

- 3.1 Ofsted undertook a review of the LSCB in February 2017 and found it be 'inadequate' as it is was 'not discharging all of its statutory functions'. It was described to have a number of shortfalls including the LSCB Performance Dataset, which did not sufficiently focus on core business and its priorities, or able to monitor the quality of front line practice.
- 3.2 The LSCB has accepted Ofsted's judgement and findings and as a result, the annual report is limited in its ability to reflect the full range of activities undertaken by the board and partner members and demonstrate it has been able to keep all children safe from harm.
- 3.3 The 2016-17 annual report is a departure from previous years in that it is not able to provide an assessment of the effectiveness of the local safeguarding arrangements. The condensed annual report excludes analysis of its performance in 2016-17. It focuses on explaining how the LSCB will respond to the findings of the Ofsted Review and its future direction.
- 3.4 The content of the annual report includes its current governance information, local borough profile including key safeguarding information and setting out the national context for LSCBs in the near future. Four priority areas have been identified to tackle the immediate improvement work required by the board following the Ofsted review. This has been agreed in consultation with LSCB partner members.
- 3.5 The LSCB will ensure next year's report provides a full and detailed account of the areas of improvement and demonstrate it is able to challenge and hold its partners to account.

4. COMMENTS OF THE CHIEF FINANCE OFFICER

- 4.1 In response to Ofsted's findings and recommendations, Tower Hamlets LSCB may experience increased costs in 2017-18 as part of its efforts to implement the recommendations and the potential increase in the numbers of serious case reviews.
- 4.2 The 2017-18 cost is unquantified at this stage but is likely to be significantly higher than the circa. £86K incurred in 2016-17. Whilst the cost of running the LSCB is shared with partners, LBTH remains the highest contributor towards these costs.

5. LEGAL COMMENTS

- 5.1 The Council's functions in relation to children include an obligation under section 11 of the Children Act 2004 to make arrangements to ensure that its functions are discharged having regard to the need to safeguard and promote the welfare of children.
- 5.2 The Council has established the LSCB in accordance with its current obligation under section 13 of the Children Act 2004. The LSCB carries out the following functions as prescribed in the Local Safeguarding Children Boards Regulations 2006 –
 - (a) developing policies and procedures for safeguarding and promoting the welfare of children in Tower Hamlets;
 - (b) communicating to persons and bodies in Tower Hamlets the need to safeguard and promote the welfare of children, raising their awareness of how this can best be done, and encouraging them to do so;
 - (c) monitoring and evaluating the effectiveness of what is done by the authority and their Board partners individually and collectively to safeguard and promote the welfare of children, and advising them on ways to improve;
 - (d) participating in the planning of services for children in the area of the authority; and
 - (e) undertaking reviews of serious cases and advising the authority and their Board partners on lessons to be learned.
- 5.3 Section 14A of the Children Act 2004 requires the LSCB Chair to publish an annual report on the effectiveness of child safeguarding and promoting the welfare of children in the local area. The statutory guidance 'Working Together to Safeguard Children' published in March 2015 and updated on 16 February 2017 sets out that the annual report should be published in relation to the preceding financial year and should fit with local

agencies' planning, commissioning and budget cycles. The report should be submitted to the Chief Executive, Mayor, the local police and crime commissioner and the Chair of the Health and Wellbeing Board. It is therefore a legal requirement for the HWBB to consider this report, and the recommendation that HWBB consider the LSCB priorities and any implications arising from the LSCB Annual Report for the HWBB and its work programme is appropriate.

- 5.4 The annual report should provide a rigorous and transparent assessment of the performance and effectiveness of local services. It should identify areas of weakness, the causes of those weaknesses and the action being taken to address them as well as other proposals for action. It is therefore appropriate that the report addresses the concerns raised in respect of the LSCB in the Ofsted Review and action plan to improve child safeguarding practice. The report should include lessons from reviews undertaken within the reporting period. The appended report complies with these requirements.
- 5.5 Please note that when Chapter 2 of the Children and Social Work Act 2017 comes into force, this will make changes to the arrangements for local child safeguarding partnerships and the serious case review process, including provision for a central Child Safeguarding Practice Review Panel for cases of national importance. The commencement date for the relevant sections has not yet been published.

6. ONE TOWER HAMLETS CONSIDERATIONS

- 6.1 The report sets out safeguarding issues for children in Tower Hamlets and how the LSCB partners intend to address them. This is an important aspect of ensuring that all children are appropriately safeguarded at all times and are able to achieve a good level of wellbeing.

7. BEST VALUE (BV) IMPLICATIONS

- 7.1 There are no implications.

8. SUSTAINABLE ACTION FOR A GREENER ENVIRONMENT

- 8.1 There are no implications

9. RISK MANAGEMENT IMPLICATIONS

- 9.1 The LSCB maintains a Risk and Issues Register, capturing risks as identified by a member agency or the LSCB Independent Chair. The risks, mitigation and remedial actions are monitored by the LSCB Chair and Board members.
- 9.2 Risks causing concern are escalated by the LSCB Chair to the Chief Executive or senior officer of the relevant agency. The Chief Executive is also

kept informed of the LSCB risk register through monthly one-to-one meetings with the LSCB Independent Chair.

10. CRIME AND DISORDER REDUCTION IMPLICATIONS

- 10.1 Safeguarding has an important interface with crime and disorder. Effective safeguarding means that children and young people will be kept safe from harm caused by crime, for example abuse, exploitation and serious youth violence. The LSCB will work across with community safety and other key partnership forums to deliver an integrated safeguarding agenda.
