Dear Sir,

Tower Hamlets Police formally object to the application for a Premises License for 381 Mile End Road Bow.

Tower Hamlets Police object to this application on the grounds of preventing Crime and Disorder and Public Nuisance.

The area around this premises suffers from high levels of crime including drug dealing and assaults as well as anti-social behaviour. The area around Mile End park is also used by local gangs to commit robberies and other crimes. A premises that is open till 4 am on a Friday and Saturday will in the opinion of the Police be a magnet for local gangs.

By having a premises open till 4am Police believe that the premises will be a magnet for these groups and result in increased crime and disorder in the area.

The premises is also close to the New Globe Public House as well as Mile End Tube Station which is a main transport hub for late night revellers over the weekend. Police fear that the vast majority of the premises' customers will be those who are making their way home after a night out.

Many will consume alcohol and as such will be more likely to cause nuisance to local residents as their voices will be raised. There is also a greater risk of drunk people being involved in crime as their decision making skills are impaired. This is especially true as they wait in a small area for their food, where experience tells us that confrontations are likely to occur.

Yet the applicant has offered no conditions or given any indication how he would prevent crime and disorder from taking place.

We believe that being open until 4am on a Friday and Saturday is simply too late. We acknowledge that there is a demand for late night refreshment in the ever growing night time economy and this must be balanced with the needs to uphold the licensing objectives. We believe that by allowing the premises to open till 2am this satisfies both needs.

We suggest that the hours for Late Night Refreshment be adjusted to the following:

Sunday to Thursday 23:00 - 00:00
Friday and Saturday 23:00 - 02:00

We also ask that the following conditions be added to the premises license:

1) A CCTV camera system covering both internal and external to the premise is to be installed, the positions of the camera are to be agreed with Tower Hamlets Police Licensing..

1. The CCTV recordings are to be maintained for 31 days and to be provided upon request to either a Police Officer or an officer of any other Responsible Authority. A system shall be in place to maintain the quality of the recorded image and a complete audit trail maintained. The system will be maintained and fully operational throughout the hours that the premises are open for any licensable activity.

2. At all times the premises is open, a person who can operate the CCTV system must be present on the premises. who can download the images and present them immediately on request by a police officer or other responsible authority.

2) That an incident report book be kept and record all incidents of crime and disorder at the premises.

Dear Licensing

Having regard for the application for Premises License and the potential impact of public nuisance and measures to prevent noise generated from within the premises or outside it which could cause disturbance to people in the vicinity, the proposed hours are well beyond the Council's framework hours.

It must be noted that the Council's framework hours (i.e. when premises are open) are:

- **Monday to Thursday 0600 hours to 2330 hours; and**
- **Friday & Saturday 0600 hours to midnight**
- **Sunday 0600 hours to 2230 hours.**

The applicant is proposing:

- **late night refreshment: Sunday to Thursday until 0100 hours, Friday and Saturdays until 0400 hours**

We are proposing:

- **late night refreshment: Sunday to Thursday until Midnight, Friday and Saturdays until 0200 hours**

Noise Sensitive premises: residential and commercial premises in close proximity to 318 Mile End Road, including residential premises immediately adjacent to premises.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits; and
- The hours of operation (inclusive of proposals)

CONCLUSION

- Environmental Protection **does not** support the application for 381 Mile End Road as there is great likelihood of disturbance to residential premises at the noise sensitive hours sought. However I am willing to withdraw my objection if the Applicant agrees to the proposed hours as above (Sunday to Thursday until Midnight, Friday and Saturdays until 0200 hours)

Kind regards

Nicola Cadzow

Appendix 7

Access and Egress Problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.15).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.19)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 8

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 10.1 of the Licensing Policy**). While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.10**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 Annex D of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs where public nuisance is being caused by noise coming from the premises and the closure of the premises is necessary to prevent that nuisance.

Guidance Issued under Section 182 of the Licensing Act 2003

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.15).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 9

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 10

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 15.8 of the Licensing Policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 15.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
