Notes for Guidance

1. Describe the premises, for example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies, you must include a description of where the place will be and its proximity to the premises.
2. In terms of specific regulated entertainments please note that:
 - Plays: no licence is required for performances between 08:00 and 23.00 on any day, provided that the audience does not exceed 500.
 - Films: no licence is required for 'not-for-profit' film exhibition held in community premises between 08.00 and 23.00 on any day provided that the audience does not exceed 500 and the organiser (a) gets consent to the screening from a person who is responsible for the premises; and (b) ensures that each such screening abides by age classification ratings.
 - Indoor sporting events: no licence is required for performances between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000.
 - Boxing or Wrestling Entertainment: no licence is required for a contest, exhibition or display of Greco-Roman wrestling, or freestyle wrestling between 08.00 and 23.00 on any day, provided that the audience does not exceed 1000. Combined fighting sports – defined as a contest, exhibition or display which combines boxing or wrestling with one or more martial arts – are licensable as a boxing or wrestling entertainment rather than an indoor sporting event.
 - Live music: no licence permission is required for:
 - a performance of unamplified live music between 08.00 and 23.00 on any day, on any premises.
 - a performance of amplified live music between 08.00 and 23.00 on any day on premises authorised to sell alcohol for consumption on those premises, provided that the audience does not exceed 500.

Section 182 Advice by the Home Office Updated on April 2017

Relevant, vexatious and frivolous representations

- 9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.
- 9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.
- 9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.
- 9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.

- 9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this Guidance, an assessment should be prepared by officials for consideration by the sub- committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.
- 9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.
- 9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

Dear Mohshin Ali,

Please find below a letter opposing the application to license the new coffee shop opposite our church community hub.

I and many others strongly oppose permission for alcohol to be sold from these premises which is just a few metres from the entrance of the new Tab church & Tab Centre community hub.

As a local resident/church member. I hope my voice will be heard on this matter.

I have lived locally for 30 years and am now raising my own child ,the rise in Anti social behavior over the last 10 years is evident . The local council should be looking at ways of reducing it .

Dear sir/madam,

I am writing on behalf of the local community to oppose the above licensing application. You will be receiving many other letters/emails also opposing this application. This cafe immediately adjacent to a community hub that includes a church faith community building, a homeless shelter & homeless luncheon club, a service for vulnerable young people excluded from school, services for young children and services for vulnerable young people with severe disabilities and special needs.

The availability of alcohol in this immediately adjacent location will be a risk of harm to children and the other vulnerable groups that are supported by the community hub. The community hub also includes a specialist hospital for people for HIV and AIDS and Again this will be immediately adjacent to the coffee shop.

Although we recognise that the applicant is seeking to minimise crime and disorder, risk to public safety, public nuisance and harm to children through various actions, we do not believe that this will be sufficient to avoid these issues from occurring due to the close proximity of the coffee shop to the community hub. In particular the vulnerable young people that have been excluded from main stream education can potentially be affected by the immediate availability of alcohol but as importantly they can also be affected by behaviour associated with alcohol consumption on occasions.

The community hub also provides a wide range of services for young children and families, including a parents & toddlers group, kids club, youth club and an arts activities group for all ages and a full range of disabilities.

Unfortunately, the area around the Tab Centre, which is highly residential in nature, already experiences an unacceptable level of anti-social behaviour and many members of the community are concerned this would only increase should another this licence be granted.

As a faith community we have no issue with alcohol at all in the right context and location. There has been a faith community in this site for 200 years, which as well as being a place of worship has always provided a full range of community activities. We are aware that the licensing committee is sensitive to this issue given the fantastic diversity of cultures and religions that we enjoy in Tower Hamlets.

We wish to make representations to the licensing committee and therefore wish to be informed with good notice as when this is likely to take place.

Yours sincerely,

Dear Mohshin Ali,

I am writing to oppose the application to license the new coffee shop at 28 Hackney road, which is opposite the Shoreditch Baptist Church & community hub.

The café will be immediately adjacent to a community hub that includes a church faith community building, a homeless shelter & homeless luncheon club, a service for vulnerable young people excluded from school, services for young children and services for vulnerable young people with severe disabilities and special needs. And as such will potentially put the adults who attend these services at risk.

As a Street Pastor in this area I regularly see people adversely affected by the consumption of alcohol & it seems to me that there is already a large number of premises that sell & or serve alcohol, so can not see the need for more.

Yours sincerely,

Dear Mr Ali,

I am writing to you to express my concern about the new licencing application for 28 Hackney Road. Not only is this directly opposite a church but it is also opposite The Tab Centre - a hub and place of safety for many vulnerable people from the local community.

Yet another place selling alcohol every day of the week could have a devastating effect on the people; both young and old; who attend clubs and projects at this community centre. The Mildmay HIV/AIDS Hospital is also across the road from 28 Hackney Road and they would also agree that another licenced premises so close to them will only be harmful to their clients.

Unfortunately, the area around the Tab Centre, which is highly residential in nature, already experiences an unacceptable level of anti-social behaviour and there are many people already struggling with drug and alcohol addictions. The Tab Centre and The Shoreditch Tabernacle Baptist Church have, for many years, been working hard to help and support those who are trying to move on with their lives. Many members of the community are concerned the problems would only increase should another this licence be granted.

I personally run a charity called Arts For All in The Tab Centre, working with disadvantaged families and adults with learning disabilities. I would like to appeal to you and ask you to please consider refusing this licence as I believe that it would be detrimental to the local community and cause considerable harm.

Yours sincerely

Dear Mohshin Ali,

I and many others strongly oppose permission for alcohol to be sold from these premises which is just a few metres from the entrance of the new Tab church & Tab Centre community hub. As a member of the church, for over 5 years, I trust that you will consider my views on this matter. Although I do not live in the immediate area I am concerned as member of the church about the effects of granting a license would have upon the activities run by our centre and the clients that attend.

Therefore I am writing to oppose the above licensing application. Hi Mohshin,

Thank you for all of your support so far. On reflection, I just wanted to add the following to my letter:

We work with some of the most vulnerable people in our community - through our homeless projects, youth club, alternative education programme and elderly project. We have a number of local people that we work with and have longstanding relationships with the children and parents/guardians of our neighbours. Our projects are so important to us and we influence real change and transformation in the lives of some of the most disadvantaged and disengaged local people experiencing a multitude of barriers.

In 2016 the church kindly agreed to work in partnership with TransformUK to open an alternative education provision using the church's building. This has meant we are able to support up to 8 of the most 'high risk' young people in the borough in partnership with social care services, youth offending, local schools and the pupil referral unit. In addition to this we also support a number of other young people at risk of exclusion through our School Intervention Programmes. I am highlighting this as these young people are extremely vulnerable and, whilst they are highly supported by staff here, a premises serving alcohol all day right next to our building poses significant risk.

In addition, we ran a crowdfunding campaign last year and were extremely grateful to receive a pledge of £10,000 from LBTH which is to support our building (directly opposite this one) to be a hub for the community and include support sessions around employment, mental health, emotional wellbeing etc. It would seem strange and almost as though LBTH are contradicting the work to then approve a premises serving alcohol all day just next to us!

I hope you understand the reason for my level of concern.

I have included it in the below too.

Many Thanks

Dominy

Subject: Proposed Licensing Application

Dear Mr Ali

I am writing on behalf of the local community to oppose the above licensing application. You will be receiving many other emails also opposing this application. This cafe immediately adjacent to a community hub that includes a church faith community building, a homeless shelter & homeless luncheon club, a service for vulnerable young people excluded from school, services for young children and services for vulnerable young people with severe disabilities and special needs.

The availability of alcohol in this immediately adjacent location will be a risk of harm to children and the other vulnerable groups that are supported by the community hub. The community hub also includes a specialist hospital for people for HIV and AIDS and Again this will be immediately adjacent to the coffee shop.

Although we recognise that the applicant is seeking to minimise crime and disorder, risk to public safety, public nuisance and harm to children through various actions, we do not believe that this will be sufficient to avoid these issues from occurring due to the close proximity of the coffee shop to the community hub. In particular the vulnerable young people that have been excluded from main stream education can potentially be affected by the immediate availability of alcohol but as importantly they can also be affected by behaviour associated with alcohol consumption on occasions.

The community hub also provides a wide range of services for young children and families, including a parents & toddlers group, kids club, youth club and an arts activities group for all ages and a full range of disabilities.

Unfortunately, the area around the Tab Centre, which is highly residential in nature, already experiences an unacceptable level of anti-social behaviour and many members of the community are concerned this would only increase should another this licence be granted.

As a faith community we have no issue with alcohol at all in the right context and location. There has been a faith community in this site for 200 years, which as well as being a place of worship has always provided a full range of community activities. We are aware that the licensing committee is sensitive to this issue given the fantastic diversity of cultures and religions that we enjoy in Tower Hamlets.

We wish to make representations to the licensing committee and therefore wish to be informed with good notice as when this is likely to take place.

Yours sincerely,

Funmi Afuwape

Dear Mohshin I hope you are well.

Thank you for sending me the application yesterday this was very helpful.

I have a letter attached to you and your team.

I look forward to hearing from you especially in what will be our next steps as this is all very new to me.

Once again thank you for your support and hard work.

Dear Mohshin,

I am writing to oppose the above licensing application and understand that you will be receiving many other letters/emails also opposing this application.

I would like to object on the basis that the licensing objectives of protection of children from harm, prevention of crime and disorder and public nuisance will be adversely affected.

This cafe immediately adjacent to a community hub that includes a church faith community building, a homeless shelter & homeless luncheon club, a service for vulnerable young people excluded from school, services for young children, services for vulnerable young people with severe disabilities and special needs.

The availability of alcohol in this location will be a risk of harm to children and the other vulnerable groups that are supported by the community hub. The community hub also includes a specialist hospital for people for HIV and AIDS and again this will be immediately adjacent to the coffee shop. The availability of alcohol that can be purchased for consumption on the premises, or taken away and consumed is of great concern.

Although we recognise that the applicant has offered various measures 'to minimise crime and disorder, risk to public safety, public nuisance and harm to children through various actions', we do not believe that this will be sufficient to avoid these issues from occurring due to the close proximity of the coffee shop to the community hub and given the hours that have been applied for. In particular the vulnerable young people that have been excluded from education can potentially be affected by the immediate availability of alcohol but as important they can also be affected by behaviour associated with alcohol consumption on occasions. Many of the control measures seem to have been 'cut and pasted' into the various sections and I suspect have simply been copied from other applications.

The community hub also provides a wide range of services for young children and families, including a parents & toddlers group, kids club, youth club and an arts activities group for all ages and a full range of disabilities.

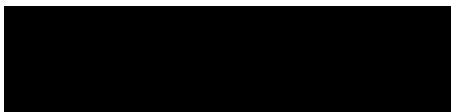

Unfortunately, the area around the Tab Centre, which is highly residential in nature, already experiences an unacceptable level of anti-social behaviour and many members of the community are concerned this would only increase should another this licence be granted.

I have no issue with alcohol in the right context and location. There has been a faith community in this site for 200 years, which as well as being a place of worship has always provided a full range of community activities. I am aware that the licensing committee is sensitive to this issue given the fantastic diversity of cultures and religions that we enjoy in Tower Hamlets.

I wish to expand on this representation at the licensing committee and may provide additional documentation before the hearing date. Unfortunately, I have only just become aware of the application and the application documents were not published on the Council's website. The applicant has not approached me to discuss the application at all.

I would also like to draw to your attention that the application is defective as the application does not appear to have been advertised on the Council's website as required. I see that the website says that the application was lodged on the 8th February, but the site notice says it was lodged on 9th February. The application is also incomplete in a number of respects. In particular, the checklist at the end of the application has not been completed. My view is that this makes the application invalid. As the applicant was professionally represented, there should be no excuse for this omission and the application should not have been lodged in its current form.

Yours sincerely,

Dear Mohshin,

Please find below a letter opposing the application to license the new coffee shop opposite our church community hub.

I and many others strongly oppose permission for alcohol to be sold from these premises which is just a few metres from the entrance of the new Tab church & Tab Centre community hub.

The Tab Church and Tab Centre have been at the heart of the community and host a variety of different projects and serves the local people every day. As a church member I feel strongly about opposing this licence as this would have an adverse effect on the service users who are vulnerable groups recovering from addictions and young adults who use the Tab as a safe and welcoming place.

I hope my voice will be heard and licence will not be issued.

Thank you.

Dear Sir

I am writing on behalf of the local community to oppose the above licensing application. This cafe immediately adjacent to a community hub that includes a church faith community building, a homeless shelter & homeless luncheon club, a service for vulnerable young people excluded from school, services for young children and services for vulnerable young people with severe disabilities and special needs. I work at The TAB with young people and pensioners providing lunch every Tuesday during the school term.

The proximity of Acorn House (men's rehabilitation centre) and The New Hanbury Project (recovery centre) means the area is busy with vulnerable men who sometimes struggle to avoid alcohol. Another outlet in an already over-supplied market is unnecessary.

The community hub also provides a wide range of services for young children and families, including a parents & toddlers group, kids club, youth club and an arts activities group for all ages and a full range of disabilities.

Unfortunately, the area around the Tab Centre, which is highly residential in nature, already experiences an unacceptable level of anti-social behaviour and many members of the community are concerned this would only increase should another this licence be granted.

Dear Mr Ali,

Licensing Application – 28 Hackney Road

I am writing to oppose the licensing application for the above premises. Although I live in another part of the Borough, I am very familiar with this location from patrolling the surrounding area on Friday nights as a volunteer team leader with Tower Hamlets Street Pastors.

I am particularly concerned about the possibility of a late-night alcohol licence in this location. It would accentuate and increase anti-social behaviour in the surrounding residential area, proving too much of a temptation for some patrons heading to or leaving the bars and clubs not far away. The area already experiences an unacceptable level of anti-social behaviour, and it is highly likely that this would only increase should this licence be granted.

This cafe is also immediately adjacent to a community hub that includes a church faith community building, a homeless shelter & homeless luncheon club, a service for vulnerable young people excluded from school, services for young children and services for vulnerable young people with severe disabilities and special needs.

The community hub also provides a wide range of services for young children and families, including a parents & toddlers group, kids club, youth club and an arts activities group for all ages and a full range of disabilities. The community hub also includes a specialist hospital for people for HIV and AIDS.

Even without the late-night aspect, the daytime availability of alcohol in this location would add a risk of harm to children and the other vulnerable groups that are supported by the community hub.

Although we recognise that the applicant is seeking to minimise crime and disorder, risk to public safety, public nuisance and harm to children through various actions, we do not believe that this will be sufficient to avoid these issues from occurring due to the close proximity of the coffee shop to the community hub. In particular the vulnerable young people that have been excluded from mainstream education can potentially be affected by the immediate availability of alcohol but as importantly they can also be affected by behaviour associated with alcohol consumption on occasions.

The availability of alcohol in this immediately adjacent location will be a risk of harm to children and the other vulnerable groups that are supported by the community hub. The community hub also includes a specialist hospital for people for HIV and AIDS and Again this will be immediately adjacent to the coffee shop.

Although we recognise that the applicant is seeking to minimise crime and disorder, risk to public safety, public nuisance and harm to children through various actions, we do not believe that this will be sufficient to avoid these issues from occurring due to the close proximity of the coffee shop to the community hub. In particular the vulnerable young people that have been excluded from main stream education can potentially be affected by the immediate availability of alcohol can also be affected by behaviour associated with alcohol consumption on occasions.

The community hub also provides a wide range of services for young children and families, including a parents & toddlers group, kids club, youth club and an arts activities group for all ages and a full range of disabilities.

Unfortunately, the area around the Tab Centre, which is highly residential in nature, already experiences an unacceptable level of anti-social behaviour and many members of the community are concerned this would only increase should another this licence be granted.

As a faith community we have no issue with alcohol at all in the right context and location. There has been a faith community in this site for 200 years, which as well as being a place of worship has always provided a full range of community activities. We are aware that the licensing committee is sensitive to this issue given the fantastic diversity of cultures and religions that we enjoy in Tower Hamlets.

We wish to make representations to the licensing committee and therefore wish to be informed with good notice as when this is likely to take place.

Yours sincerely,

Sifa Lobho

Subject: Community Appeal against licensing application - 28 Hackney Road

Dear Mohshin Ali,

Community Appeal against licensing application - [28 Hackney Road](#)

I live and work in Tower Hamlets, I was born here and have worked in education in the area for over 10 years. I am very concerned about the matter below,

Please find below a letter opposing the application to license the new coffee shop opposite our church community hub.

I and many others strongly oppose permission for alcohol to be sold from these premises which is just a few metres from the entrance of the new Tab church & Tab Centre community hub.

Regards,

Suzy Stride

Appendix 31

Anti-Social Behaviour on the Premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Section 6 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the Council is recommended (Annexe D).

The key role of the Police and SIA is acknowledged (2.1-2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder

and their staff or agents, but can directly impact on the behaviour of customers in the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) communication, CCTV, police liaison, no glasses, capacity limits are all relevant (2.3 - 2.6).

The Guidance recognises working with Home Office Immigration Enforcement in the prevention of immigration crime. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

Guidance Issued under Section 182 of the Licensing Act 2003

Conditions can be imposed for large capacity “vertical consumption” premises (10.23 – 10.24).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices.

Other Legislation

- The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder

Appendix 32

Anti-Social Behaviour from Patrons Leaving the Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy” (**see Section 4.15 and 4.16 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 6.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (**See Section 8 of the Licensing Policy**).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003

The key role of the Police is acknowledged (2.1).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) CCTV inside & out, communication, police liaison, no glasses are all relevant

There is also guidance issued around public nuisance (2.15 – 2.21).

The pool of conditions, adopted by the Council is recommended (see Appendix 3 of the Licensing Policy). Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.18/2.21).

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned (14.13).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 33

Acting as a Magnet Attracting the Young who then engage in Anti-Social Behaviour

General Advice

Members will need to consider whether any of the problems alleged to be associated with young people are the responsibility of the premises. Are they encouraging gangs in any way? If not, there may not be any proportionate conditions that can be applied? Are these patrons of the premises?

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application. However, hours may be an important issue.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate (in relation to the behaviour of patrons who have left the premises) but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy.” **(See Section 4.10 and 4.11 of the Licensing Policy).**

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. **(See Sections 5.2 of the Licensing Policy)**

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. **(See Appendix 2 Annex D of the Licensing Policy).** In particular Members may wish to consider (this list is not exhaustive):

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 35

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 15.8 of the Licensing Policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 15.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
