Support to Council funded organisations

Project, which is a partnership between THVCS and Volunteer Centre Tower Hamlets, provides training, advice and support to organisations funded by the London Borough of Tower Hamlets in order to develop their systems and improve their financial and project management.

Project has been successful overall in delivering its output targets during its lifetime, assisting LBTH grant-funded organisations to be ready to deliver their Council-funded projects. It has provided in-depth support to organisations on a number of areas such as premises, plus management and reporting for LBTH Main Stream Grant. Support has also been provided on: fundraising, governance, staff recruitment, volunteering, charity registration, sustainability, pensions, service user involvement, health and safety and social media.

Project has delivered support through training, resources, information provision and one-to-one development work. A key focal point for the project in Period 9 was delivering training events on LBTH's new grant policy.

Project's achievement rate against its combined cumulative output profile at the end of Period 9 was 141%.

Supporting VCS organisations based in Tower Hamlets

Project, which is a partnership between THCVS, Volunteering Centre Tower Hamlets and Tower Hamlets Community Transport, assists voluntary sector organisations in the borough, through advice and training, to develop and maintain effective systems, plan effectively, raise funds, manage projects and staff and achieve quality assurance accreditations. Project has been successful overall in delivering its output targets and supporting the development of a strong voluntary sector in the borough. It has provided advice to organisations on a range of areas, particularly in relation to governance, start-ups, premises, advice on external funding, trustee development and

development of good practice and procedures on volunteering. The project has also delivered Minibus Driver Awareness Scheme accredited training in driving and first aid and delivered minibus journeys to support local voluntary sector activity. As with the Support to Council funded organisations project a key focal point for the Supporting VCS organisations based in Tower Hamlets project in Period 9 was delivering training events on LBTH's new grant policy.

Project's achievement rate against its combined cumulative output profile at the end of Period 9 was 144%.

Strategic Partner Project

Project provides and supports representation, networking and partnerships among voluntary sector organisations and between the statutory, business and voluntary sectors in the borough. The project has undertaken much work in relation to voluntary sector premises in the borough, liaising with and influencing LBTH policy on community buildings. In Period 9 the project has worked with LBTH on the development of a new framework for co-production with the Council, particularly in relation to its new grant policy. THCVS has worked through the project to represent the voluntary sector on partnerships such as Tower Hamlets Together.

Project's achievement rate against its combined cumulative output profile at the end of Period 9 was 123%.
