

Tower Hamlets Together Health and Wellbeing Strategy

Proposed Priority actions for 2018/19

Discussion

Recap

- The Tower Hamlets Health and Wellbeing Strategy was launched in April 2017
- We agreed to focus on a small number of transformational priorities where we could make a difference
- We agreed to review actions around these priorities annually

Priorities of the Tower Hamlets Health and Wellbeing Strategy

- 1. Communities driving change**
- 2. Creating a healthy place**
- 3. Health and employment**
- 4. Healthy weight in children**
- 5. Delivering an integrated health and care system**
- 6. Working to a shared outcomes framework**

Purpose of session

The purpose of this presentation is to set out and discuss proposed priority actions for 2018/19 based on

- 1. Progress last year**
- 2. Strategic context**
 - 1. Coproduction/Communities Driving Change**
 - 2. Tower Hamlets Together**
 - 3. New Council Administration and Priorities (Strategic Plan)**
 - 4. Community Plan**
 - 5. East London and City Health and Care Partnership (STP)**
 - 6. London Devolution**
 - 7. London Mayors Health Inequalities Strategy**
 - 8. National Policy**

Communities Driving Change

- 1. Develop and implement twelve coproduced action plans to improve wellbeing in the most deprived neighbourhoods in Tower Hamlets**
- 2. Establish a loneliness taskforce**
- 3. Establish a Thrive hub in Tower Hamlets**
- 4. Use insights from the Community Insight Programme to shape work of THT lifecourse workstreams**

Creating a Healthy Place

- 1. Implement the Tower Hamlet's approach to Health Impact Assessment through the Local Plan**
- 2. Implement 'Connectivity' programme of walking, green routes across the borough**
- 3. Establish Council policy response to the Declaration on Sugar Reduction**
- 4. Respond to HWBB actions within the Air Quality Action plan (schools, patients, residential providers, public sector fleets, campaigns)**

Employment and Health

- 1. Re-establish the Employers Forum using Time for Change and the London Healthy Workforce Charter as a lever for change**
- 2. Work with the DWP Work and Health programme to maximise benefits for Tower Hamlets residents**
- 3. Implement programmes supporting employment**
 - 1. People with a mental health diagnosis**
 - 2. People with learning disability**
 - 3. Parents of young children**

Children's Healthy Weight and Nutrition

- 1. Coproduce a children's healthy weight strategy**
- 2. Participate in the London Devolution Pilot on School Superzones**
- 3. Continue to increase uptake of the Healthy Mile in primary schools**
- 4. Implement the Schools Dashboard based on the pilot of 17/18**

Developing an Integrated System

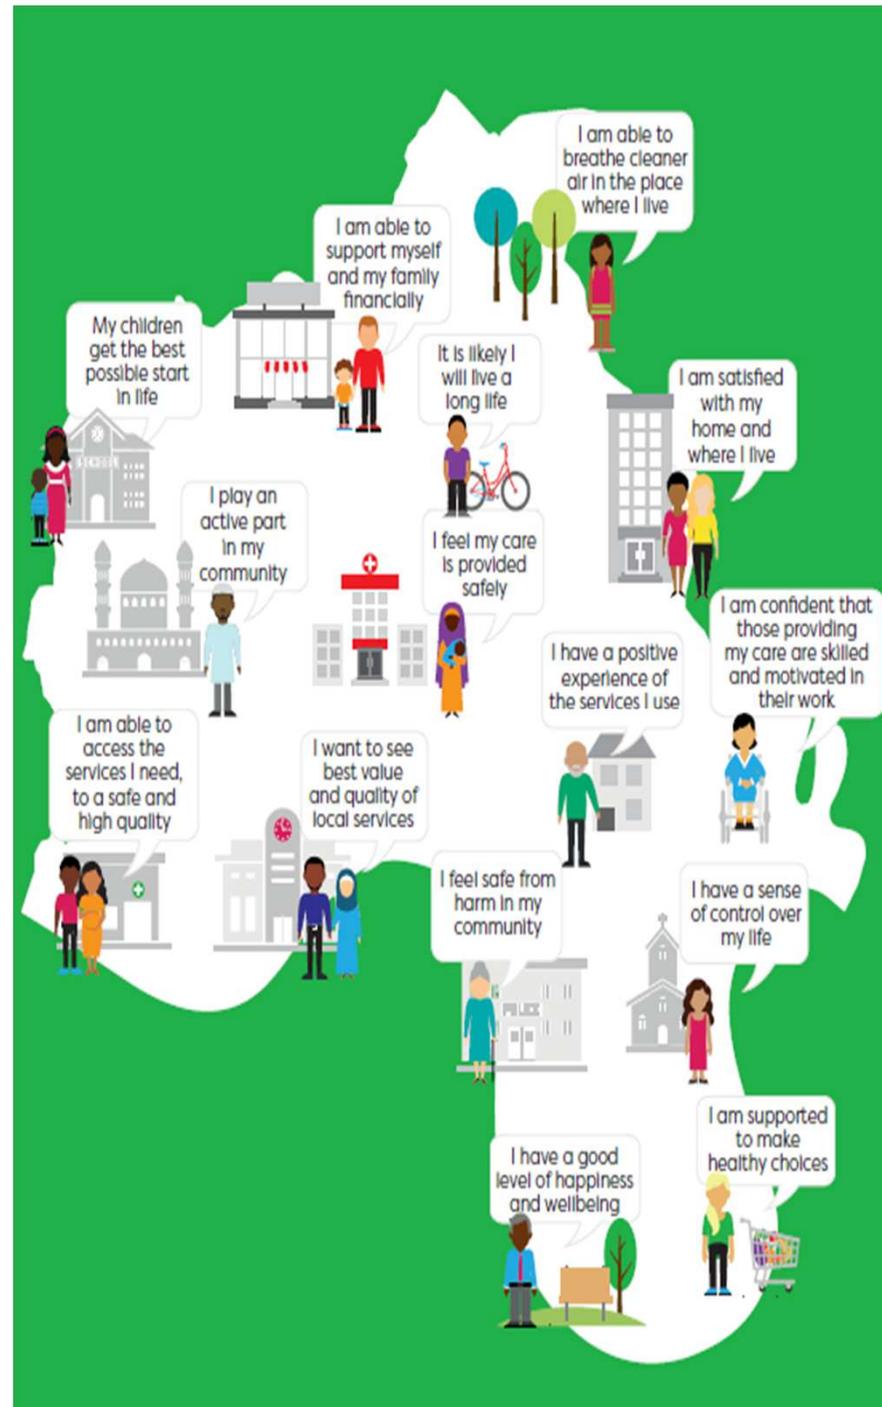

- 1. Develop and strengthen the governance and partnership arrangements of Tower Hamlets Together**
- 2. Drive innovation, integration and efficiency through the Life Course work streams and Locality Health and Wellbeing Committees**
- 3. Promote ownership of the THT vision at all levels through the health and care system**

Shared Outcomes Framework

- 1. Implement a programme of ‘Measuring what matters’ – identifying indicator clusters that link to the ‘I statements’**
- 2. Undertake a programme to embed the Shared Outcomes Framework**
 - 1. Commissioner perspective**
 - 2. Provider perspective**
 - 3. Community perspective**

Tower Hamlets Together Shared Outcome Framework

**What matters to
Tower Hamlets
residents....**

Linking priorities to Shared Outcomes Framework

| | Related 'I' Statements |
|---|---|
| Communities Driving Change | <ul style="list-style-type: none"> 'I play an active part in my community' 'I feel safe from harm in my community' 'I have a sense of control over my life' 'I am supported to make healthy choices' 'I have a good level of happiness and wellbeing' |
| Creating a Healthy Place | <ul style="list-style-type: none"> 'I am able to breathe cleaner air in the place where I live' 'I feel safe from harm in my community' 'I am supported to make healthy choices' 'I am satisfied with my home and where I live' |
| Employment and Health | <ul style="list-style-type: none"> 'I have a sense of control over my life' 'I am able to support myself and my family financially' |
| Children's Healthy Weight and Nutrition | <ul style="list-style-type: none"> 'My children get the best possible start in life' 'I have a good level of happiness and wellbeing' 'I am supported to make healthy choices' 'It is likely I will live a long life' |
| Developing an Integrated System | <ul style="list-style-type: none"> 'I am able to access the services I need, to a safe and high quality' 'I want to see best value and quality of local services' 'I feel my care is provided safely' 'I have a positive experience of the services I use' 'I am confident that those providing my care are skilled and motivated in their work' |

As a Board member

- What are your thoughts on the actions proposed?
- How would you like to be involved taking these forward?
