Executive Summary

As part of the Annual Accounts and in accordance with the principles of the CIPFA / SOLACE Delivering Good Governance in Local Government Framework. Tower Hamlets is required to undertake a review of its corporate governance processes, systems and the assurances on the governance framework to support the creation of an annual governance statement.

Recommendations:

The Audit Committee is recommended to:

1. Approve the Draft 2017/18 Annual Governance Statement and Action Plan attached at Appendix 1.

1. REASONS FOR THE DECISIONS

- 1.1 The Accounts and Audit Regulations 2015 require that the Authority must agree an Annual Governance Statement (AGS), prepared in accordance with proper practices published by CIPFA in relation to internal control, for publication with its Statement of Accounts. The Audit Committee provides an important role in reviewing the effectiveness of governance arrangements within the Council and therefore the recommendation above falls within the terms of reference for the committee.

2. ALTERNATIVE OPTIONS

- 2.1 None

3. DETAILS OF THE REPORT

- 3.1 The review of the effectiveness of the Council's system of internal control that underpins the Annual Governance Statement must be carried out at least annually. The Council's AGS forms part of the annual accounts. Its content is prepared from various sources and assurance processes including but not only the Annual Report of the Head of Internal Audit.
- 3.2 Corporate governance is defined as the systems and processes, and cultures and values, by which local government bodies are directed and controlled and through which they account to, engage with and where appropriate lead their communities. There is a strong correlation between effective governance and effective service delivery. To deliver the Council's vision and support the drive for continuous improvement strong governance arrangements need to be in place.
- 3.3 The AGS is presented to the same Audit Committee meeting as the Statement of Accounts. The AGS sets the context, describing the internal control and governance environment of the Council that have been in place for the last year.
- 3.4 Evidence sources collated for drafting the 2017/18 AGS were as follows:
- A review against the Council's own Code of Corporate Governance (Appendix 2) and an external peer review against the Public Sector Internal Audit Standards (PSIAS)
 - Consultation with, and assurance provided by Corporate Directors;
 - Work undertaken during the year by Internal Audit and other inspection bodies; and
 - A review of progress against the delivery of the 2016/17 AGS significant governance issues and action plan.

5.2 The purpose of the Audit Committee is to provide independent assurance of the adequacy of the risk management framework and the associated control environment, independent scrutiny of the authority's financial and non-financial performance to the extent that it affects the authority's exposure to risk and weakness of the control environment and to oversee the financial reporting.

5.3 This report has therefore been provided within this context to ensure the committee is able to perform its core function and to consider summary internal audit reports and the main issues arising, and seek assurance that action has been taken where necessary.
