Statement

1. I am [REDACTED] and I am employed by [REDACTED]
2. I was instructed by [REDACTED] to attend Health One, 66 Middlesex Street, London, E1 7EZ, in order to conduct a test purchase task on behalf of the London Borough of Tower Hamlets.
3. At approximately 13:47 hrs on the 23/06/2017 I visited Health One, 66 Middlesex Street, London, E1 7EZ, in order to conduct a test purchase task.
4. Upon entering the premises I was greeted by two females who appeared to be Asian and one female who appeared to be European. I purchased a one hour massage for £55 which I paid for in cash as I was told there was no card machine.

One of the females, who was wearing a sleeveless top and a short skirt, then led me to a room downstairs. She asked if it was my first time and I replied "Yes." She told me to undress and then exited the room.

I undressed down to my underwear and then lay on the massage table. Upon her return, the female asked if I was sore anywhere and I stated that my back was sore. During the massage she moved her hands to the area of my groins, at which point I stated that my legs were fine, it was mainly my back that I wanted massaging.

She then asked me if I would like a "happy ending" and gestured towards my genitals with her hands. I asked her what the cost was of this and she replied "£30", I then declined the offer. She then asked if I "liked it" and I replied "On my back, yes."

Witness Statement

CJ Act 1967, s.9; MC Act 1980, ss.5A(3) (a) and 5B; Criminal Procedure Rules 2005 , Rule 27.1

Upon completing the massage, the female slapped my leg and stated "Finished." I then departed the premises.

- 5. During this visit I was offered, without any previous suggestion by myself, services of an apparent sexual nature.*
- 6. I declined all offers of such services.*
- 7. Following my visit I immediately returned to my vehicle and wrote notes on the details of the event within a document on my work-issued smart-phone on 23/06/2017. I exhibit these as DH.005*
- 8. I believe the facts stated in this witness statement are true.*
