Originating Officer(s)	Bola Tobun, Investment & Treasury Manager
Wards affected	All wards

Summary

This report sets out the need for a training and development programme for members of the Pension Board and Committee.

There are requirements for LGPS Pension Committee members, Pension Board members and officers to have an appropriate level of knowledge and skills. These are being driven by the Chartered Institute of Public Finance and Accountancy (CIPFA) publication “Pensions Finance, knowledge and skills framework, Technical Guidance for Elected Representatives and Non-executives in the Public Sector” (2010) (referred to elsewhere in this report as the “CIPFA knowledge and skills framework (2010)”, the Pensions Regulator (TPR), legislation and recently CIPFA publication - A Technical Knowledge and Skills Framework for local Pension Boards.

Recommendations:

Members are asked to consider this report and to:

- a) Note the assessment and training resources provided by the Pensions Regulator (paragraph 3.21 – 3.24);
- b) Note the adoption of the CIPFA Local Pensions Boards Technical Knowledge and Skills framework (paragraph 3.25 – 3.32), including the self-assessment matrix (attached as Appendix 2) and
- c) Agree the training framework and programme for 2019/20 set out within the report (para 3.33 and 3.35).

1. REASONS FOR THE DECISIONS

- 1.1 Governance is defined as the action, manner or system of governing. Good governance is vital and is promoted in the context of a pension scheme/fund by having Members and Observers on the decision making body who have the ability, knowledge and confidence to challenge and to make effective and rational decisions. The “CIPFA knowledge and skills framework (2010)” provides a framework for the training and development of members/observers with the objective of improving knowledge and skills in all relevant areas of the activity of a Pensions Board.

2. ALTERNATIVE OPTIONS

- 2.1 No alternatives

3. DETAILS OF REPORT

- 3.1 The Pension Fund recognises the importance of training of Committee members, Board members and officers in relation to Pension Fund matters. The Fund’s Governance Policy Statement refers to the Fund’s current policy with regard to training. Also the Annual Report and Statement of Accounts for the Fund include a statement setting out governance compliance against the Myners effective decision making principle.
- 3.2 Arrangements for regular training of members and officers are in place, with training delivered through a number of means including: online training on the Pension Regulator website; external seminars and events (in person or via video conference); training delivered as Committee agenda items; and other briefings and research material.
- 3.3 The CIPFA Code of Practice on Public Sector Pensions Finance Knowledge and Skills, and CIPFA’s supporting Framework and guidance documentation was formally adopted by the Pensions Committee in November 2013 and adopted by Pensions Board in July 2016.
- 3.4 Following the introduction of the Public Service Pensions Act 2013 the Pensions Regulator has outlined the legal requirements for individual Pension Board members to have the correct level of knowledge and understanding to undertake their role. The training policy with regards to Pension Board members is addressed separately in this document.

The CIPFA Code and Framework

- 3.5 In order to ensure all members and officers involved in Pension Fund decisions are adequately trained, CIPFA has developed a Public Sector Pensions Knowledge and Skills Framework to support the Code. The Code and Framework are seen as supporting the requirements of the Public Sector Pensions Act 2013 and Pension Regulator code.
- 3.6 The CIPFA Framework supporting the Code of Practice is intended to have two primary uses:

- i) as a tool for organisations to determine whether they have the right skill mix to meet their scheme financial management needs,
 - ii) as an assessment tool for individuals to measure their progress and plan their development.
- 3.7 The Framework sets out 6 core areas of knowledge and skills for those involved in LGPS pensions finance (both members and officers):
- i) pensions legislative and governance context
 - ii) pensions accounting and auditing standards
 - iii) financial services procurement and relationship management
 - iv) investment performance and risk management
 - v) financial markets and products knowledge
 - vi) actuarial methods, standards and practices
- 3.8 An extract of the competency assessment for members has been included with this report at Appendix 1 and is further described at section 3.14 - 3.16.
- 3.9 The CIPFA Framework recognises that all LGPS Funds will differ, and each fund will wish to adapt the framework to suit their own requirements e.g. not all funds will be of a size, or take an investment approach, whereby all activities and knowledge are in-house. The framework acknowledges that some Funds will choose to access certain types of expertise from external sources such as investment managers and investment advisers.
- 3.10 The key recommendations of the Code and Framework are:
- i) Formal adoption of the CIPFA Framework as the basis for training and development of members and officers involved in Pension Fund finance matters.
 - ii) Disclosure within the Pension Fund Annual Report and Financial Statements how the framework has been applied, what assessment of training needs has been undertaken, and what training has been delivered against the identified training needs.

Tower Hamlets Pension Fund complies with both of these recommendations.

Training Policy

- 3.11 Training needs will be assessed using the structure of the 6 core knowledge and skills areas set out at paragraph 3.7 Training needs assessment and delivery will be based upon a group (Committee and Board) and individual (member/officer) approach.

Group Needs and Training

- 3.12 It is likely that most aspects of training will be delivered on a group basis, either at Committee and Board or through separate events to which all members will have the opportunity to attend. For this type of training, the training programme and assessment of needs will be based on a consideration of; new developments and legislation, topical/live issues, as well as member feedback and specific requests for training.
- 3.13 Group training will be delivered through a variety of mediums including:

- provided directly at Pensions Committee and Board through reports and presentations.
- specific training sessions/conferences/seminars/visits, provided by e.g. Council officers, investment managers, investment advisors, national bodies such as Chartered Institute of Public Finance and Accountancy (CIPFA), National Association of Pensions Funds Ltd (NAPF), The Pensions Regulator (TPR), etc.
- provision of and reading of relevant material e.g. research, briefing papers, website content, industry magazines, etc.

Individual Needs and Training

- 3.14 To further support the identification of training needs, and recognising some individuals may have specific requirements the CIPFA Framework provides for self-assessment to identify training needs.
- Appendix 1 provides further details of the 6 core competencies and members are asked to review this to self-assess any personal knowledge and skills requirements they feel they may have.
 - And for officers this will be part of the Council's Employee Review and Development (PDR- personal development review) process to identify any specific individual officer training needs.
- 3.15 Having reviewed these learning assessment tools, members may wish to approach the Investment & Treasury Manager to discuss any individual queries or training needs they may have identified. It is important that members appreciate that an in-depth understanding of all the core knowledge areas is neither assumed nor necessary. In many cases what the framework expects is only an understanding or awareness of the area, and knowledge of where more detailed knowledge could be sought e.g. members are not necessarily expected to have in depth knowledge of a matter, but a general awareness of the issue and understanding of where they might source further information if required.
- 3.16 Following the meeting, officers will follow up with members to capture feedback from the self-assessment process. An annual report on training will be considered by the Pensions Committee and Board in future, to ensure that training needs are regularly assessed and training arrangements developed.

Pension Board

- 3.17 The Pension Board has been established from 1 April 2015 under the provisions of section 5 of the Public Service Pensions Act 2013 and regulation 106 of the LGPS Regulations 2013.
- 3.18 The regulations require that pension board members must meet certain legal requirements that relate to their knowledge and understanding. Members must:
- i) have a working knowledge of the scheme rules and of any policy document for the scheme
 - ii) have knowledge and understanding of the law relating to pensions
- 3.19 The Pension Regulator and CIPFA have produced material to assist with training needs assessment and the acquisition of the identified knowledge and

skills and are described in the following sections. Pension Board members should take advantage of either or both of these learning resources, if required, to help ensure the attainment of the appropriate level of knowledge and understanding.

- 3.20 Following the meeting, officers will follow up with members to capture feedback from the self-assessment process. An annual report on training will be considered by the Pensions Committee and Board in future, to ensure that training needs are regularly assessed and training arrangements developed.

The Pensions Regulator

- 3.21 The Pensions Regulator (TPR) is the UK regulator of work-based pension schemes. TPR works with trustees, employers, pension specialists and business advisers, giving guidance on what is expected of them.
- 3.22 The principal aim of the Pension Regulator is to prevent problems from developing. The Regulator uses their powers flexibly, reasonably and appropriately, with the aim of putting things right and keeping schemes, and employers on the right track for the long term.
- 3.23 The Pensions Regulator also provides training resources. On the Pension Regulator website there is a learning assessment tool available which is a useful resource to help Pension Board members identify any training requirements. <http://www.thepensionsregulator.gov.uk/public-service-schemes/knowledge-and-understanding-duty-on-board-members.aspx>
- 3.24 The Pensions Regulator also provides a free online learning programme called the Public Service toolkit which Pension Board members should complete; <https://education.thepensionsregulator.gov.uk/login/index.php>. These resources are freely available to all members and officers.

CIPFA: Local Pension Boards A Technical Knowledge and Skills Framework (TKSF)

- 3.25 This TKSF has been developed as following the introduction of the Public Pensions Act 2013. This is an extension of the previous CIPFA Knowledge and Skills framework (para 3.5) which had to be revised to include specific reference to the knowledge and skills required by Pension Board Members.
- 3.26 TKSF is intended to have two primary uses:
- i) as a tool to help organisations establish and maintain policies and arrangements for acquiring and retaining knowledge and understanding to support their pension board members.
 - ii) as an assessment tool for individuals to measure their progress and plan their development in order to ensure that they have the appropriate degree of knowledge and understanding to enable them to properly exercise their functions as a member of a pension board
- 3.27 The TKSF covers eight key areas:
- i) Pensions Legislation
 - ii) Pensions Governance
 - iii) Pensions Administration

- iv) Pensions account and auditing standards
 - v) Pensions services procurement and relationship management
 - vi) Investment performance and risk management
 - vii) Financial markets and products knowledge
 - viii) Actuarial methods standards and practices.
- 3.28 This framework will be formally adopted by the fund to assist with planning and monitoring training for Pension Board members.
- 3.29 Tower Hamlets Council members can register on the CIPFA website (<http://www.cipfa.org/>) to download copies of the whole framework document or can contact the Investment & Treasury Manager for assistance in accessing a copy of the framework.
- 3.30 Appendix 2 provides a copy of the Self-Assessment Matrix from this framework. Pension Committee members may consider referencing this to identify any training requirements.
- 3.31 A very short training session to ensure that all Members and Observers of the Pensions Committee have an understanding of the roles, responsibilities and statutory documents of the fund would be held on 24th July 2018 at the first meeting of the Committee for this municipal year.
- 3.32 Details of further training to be delivered will be recorded by officers, and will be used for annual disclosure within the Pension Fund Annual Report, in line with the CIPFA framework expectations.

4. COMMENTS OF THE CHIEF FINANCE OFFICER

4.1 This report details the pension fund commitment to training and the training plan for 2019/20. There are no specific financial implications arising from this report and any costs associated with delivering training to the Board members and officers will be met by the pension fund.

5. LEGAL COMMENTS

5.1 Whilst there are no immediate legal consequences arising from this report it is important that members are trained appropriately so that decisions are made from a sound knowledge base thereby minimising the risk of any legal challenge.

6. ONE TOWER HAMLETS CONSIDERATIONS

6.1 The employer's contribution is a significant element of the Council's budget and consequently any improvement in investment performance will reduce the contribution and increase the funds available for corporate priorities.

6.2 A viable pension scheme also represents an asset for the recruitment and retention of staff to deliver services to the residents.

7. BEST VALUE (BV) IMPLICATIONS

7.1 This report helps in addressing the required knowledge and skills needed for Members to understand the duties and responsibilities of a trustee and how best to fulfil these effectively, efficiently and in accordance with regulatory requirements.

8. SUSTAINABLE ACTION FOR A GREENER ENVIRONMENT

8.1 There is no Sustainable Action for A Greener Environment implication arising from this report.

9. RISK MANAGEMENT IMPLICATIONS

9.1 Any form of decision making process inevitably involves a degree of risk.

9.2 Effective training and development will help Members to gain sufficient knowledge and skills necessary to make appropriate decisions in minimising risk associated with their roles and responsibilities.

10. CRIME AND DISORDER REDUCTION IMPLICATIONS

10.1 There are no crime and disorder reduction implications arising from this report.
