17	<b>HWB 14/01/19 Item 7</b>	Develop a public facing Local Transformation Plan: CYP Mental Health & Emotional Wellbeing Refresh 2018/19.	Diana Viscusi/ Carrie Kilpatrick.	February/March 2019	Due to competing priorities a decision has been made to first address the feedback received from the local Boards and from NHS England in order to re-submit the plan to NHS England by the scheduled deadline of February 2019. Once the technical document is finalised we will work with the CSU communication services to develop the public facing document.
21	<b>HWB 14/01/19 Item 8</b>	Follow up on Data Sharing Agreement for live birth data - update on when the agreement could be expected.	Simon Twite, (Public Health Lead Maternity & Early Years)	11 March 2019	<p>Item refers to establishing a process whereby 'new birth notification' data exchange can take place between 'health' and Children's Centres in Tower Hamlets.</p> <p>The data is client identifiable and establishing this data flow has required Information Governance and data sharing protocols to be in place. Progress on previous local solutions has been hampered by a number of externalities – most recently GDPR rollout.</p> <p>The requirement for new birth notification data sharing by the provider of the new Tower Hamlets 0-5 specialist community Public Health Nursing Service (Tower Hamlets GP Care Group) is set</p>
