New management company's series of regulations

1. Treatment

After we take over the new company, we guarantee that customers are free to use the treatment they have purchased within one year.

2. Notice

After we took over the new company, we marked the rules of our new company behind each room door. Prompt customers to comply with our new company regulations. If the customer violates our actions or treats our employees rudely, we ask the customer to leave immediately and we will not make a refund.

3. Specification

All employees wear uniforms and badges, which are implemented in accordance with the new company rules and regulations. Note that after each room prompts, any inappropriate customer staff should immediately notify reception, and the registered customer name will not be received next time. Thank you for your support from every customer and employee.

Many thanks
