

# Appendix 8a

Additional evidence from Mr & Mrs Fanning

Day & Date	Type of Noise	Started & Stopped	Effects
<p><b>Saturday 27 October</b></p>	<p>Loud Music taking place and the songs that I could hear in my Bedroom were  <b>Oh Mandy</b>  <b>Heartbreaker</b>  <b>The Sixties</b>  This noise that sounded like a Karaoke was taking place.  The pub has quite a few speakers near the doors.</p>	<p>Started Around 9   Stopped around 1.00am</p>	<p>This prevented me, my husband and 3 sons sleeping   My husband gets up for work just after 5.00am on a Saturday and Sunday morning.   I called out the out of Hours noise control team and the time they arrived the music quieted down.   A while after they left the music started up again.  .</p>
<p><b>Friday 02 November</b></p>	<p>Loud music heard in the bedroom  Songs included  <b>Young hearts run free</b>  <b>Dancing in September</b>  <b>Baby give it up</b>  <b>Loud conversation could also be heard outside the pub in the street</b></p>	<p>Started 9.20   Stopped around 12.20</p>	<p>Prevented my whole family from sleeping as all of this was causing disturbance.   As previously mentioned my husband gets up at 5.00am on a Saturday and 6am on a Sunday as he works for Asda.   I ended up with a bad headache due to lack of sleep and felt as though I lost the whole of Saturday due to tiredness.</p>
<p><b>Saturday 03 November</b></p>	<p>Loud music heard again in the bedroom from a <b>Singer that was present in the pub that evening singing Mr Bojangles</b>   Loud conversations taking place in the street that I could hear in my bedroom/ laughing and talking</p>	<p>Started 9.30   Stopped well after 12.00</p>	<p>Prevented all my family (2 young twin sons) that sleep in the back of the house from sleeping.   My older son had problems sleeping as well.</p>
<p><b>Sunday 04 November</b></p>	<p>Loud music included the Song <b>New York New York</b>   Loud conversations</p>	<p>Started 8.40   Stopped Before 10.00</p>	<p>In bed by 8.45 as getting up for work at 5.00am and could not sleep. Whole family can hear this.   I now feel this is becoming a health</p>

	taking place outside the pub in the street		issue and will be consulting my GP.  My whole weekend has been ruined as I feel tired all the time and suffered a headache all weekend.
<b>Monday 05 November</b>			<b>Now struggling in work on Monday morning due to a headache caused by lack of sleep</b>
<b>Thursday 08 November</b>	Conversation outside the pub in street	Started around 10.00  Stopped After 10.30	Could hear talking and prevented sleep
