Continued from previous page...

List here steps you will take to promote all four licensing objectives together.

ALCOHOL BEVERAGES WILL BE PRICED AT THE HIGHER END AND PRIMARILY AIMED AT MATURE CUSTOMERS WHO ARE CONSUMING THEM WITH FOOD DURING THE DAY. CUSTOMER BEHAVIOUR MONITORED CLOSELY BY OUR TRAINED STAFF AT ALL TIMES AND CONSUMPTION RESTRICTED. WE HAVE GOOD RELATIONSHIPS WITH ALL OUR NEIGHBOURS WHICH WE INTEND TO UPHOLD.

b) The prevention of crime and disorder

ALCOHOLIC BEVERAGES WILL GENERALLY BE SOLD DURING THE DAY WITH FOOD AND ONLY OCCASIONALLY SOLD IN THE EVENING FOR SMALL EVENTS ALSO INVOLVING FOOD WHERE NUMBERS OF CUSTOMERS WILL BE LIMITED AND GENERALLY BY INVITATION ONLY. THE PREMISES IS SMALL AND A SINGULAR SPACE SO IT IS POSSIBLE TO MAINTAIN AWARENESS OF CUSTOMER ACTIVITY AT ALL TIMES BY STAFF. c) Public safety

WE WILL JOIN CHALLENGE 25 AND EMPLOY DOOR SUPERVISORS FOR SPECIAL EVENING EVENTS WHEN IDENTIFIED AS NECESSARY. d) The prevention of public nuisance

OUR SOUND EQUIPMENT IS NOT CAPABLE OF EXCESSIVE VOLUME AS IT IS A DOMESTIC SYSTEM. NOISE LEVELS ARE CONTINUOUSLY MONITORED AND KEPT LOW DURING THE DAY SO AS NOT TO DISTURB OUR NEIGHBOURS ABOVE OR TO EITHER SIDE/OUTSIDE. FOR ANY SPECIAL EVENING EVENTS OUR NEIGHBOURS WILL ALWAYS BE KEPT INFORMED AND NOISE WILL NEVER EXCEED ACCEPTABLE LEVELS AGREED WITH THEM. ALL SPECIAL EVENING EVENTS WILL BEGIN TO WIND DOWN ONE HOUR BEFORE CLOSING AND DISPERSAL IS LIMITED TO SMALL NUMBERS OF CUSTOMERS IN ANY CASE. ANY COMPLAINTS WILL BE INVESTIGATED THOROUGHLY AND PRACTICES AND PROCEDURES REVIEWED AS NECESSARY.

e) The protection of children from harm

ALL ALCOHOLIC BEVERAGES ARE AIMED AT MATURE CUSTOMERS WHO ARE MAINLY CONSUMING THEM WITH FOOD AND WILL BE PRICED TOWARDS THE HIGHER END ACCORDINGLY. WE WILL IMPLEMENT THE CHALLENGE 25 POLICY AND INSIST THAT CHILDREN UNDER 18 MUST BE ACCOMPANIED BY AN ADULT AT ALL TIMES.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Appendix 5

Section 182 Advice by the Home Office Updated on April 2018

Relevant, vexatious and frivolous representations

9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.

9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.

9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.

9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.

9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this

Guidance, an assessment should be prepared by officials for consideration by the sub-committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.

9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.

9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

To Whom It May Concern:

I'm writing to object to the application for a alcohol licence between 8 am and 11 pm for SITE at 112 Columbia Road.

My wife owns [REDACTED] Columbia Road and it is our family home.

112 Columbia is part of the established densely packed residential/ shop profile of Columbia Road. This licence would change that balance, creating the conditions for greater noise disturbance and turning the road into a corridor for destination drinkers, spilling over from Shoreditch.

Columbia Road has seem the cumulative effect of licensed premises damaging residential amenity in recent years. The licensing committee is starting now to address this, before it gets any worse. In granting this application the licensing committee would be taking a retrogressive step.

I would encourage the committee to reject this application.

Kind Regards

To The Licensing Authority,

I am writing to OBJECT to the application for a license to sell alcohol by SITE, 112 Columbia Road E2 7RG. The reasons for objection are as follows:

As a resident of Columbia Road we are already experiencing serious issues with noise, public disturbance and anti social behaviour. This is being caused by the existing establishments that sell alcohol in the vicinity and from drinkers hanging out on the street after hours. Adding another establishment with a license to serve alcohol would escalate this existing problem. The negative impact on residential

quality of life would be significant. I would ask the licensing authority to consider the cumulative impact when considering this license.

The application is for a shop / café located directly under residential flats. Historically the shops have mostly traded only on Saturdays and Sundays, whilst some have started opening all week (and this is mostly positive) a premises with a license to sell alcohol would bring a very different element into this residential street and change the character of the street. I would ask that the license authority consider the balance between residential life and business interests.

The applicants premises is directly across from Columbia Road Primary School and the hours to sell alcohol in this application are from 8am to 11pm everyday of the week. These hours seems extreme and inappropriate with the close vicinity of the school. This would allow for the sales of alcohol during school hours and when children are coming and going to and from the school.

Thank you for considering this objection, please could you confirm receipt of this letter

My best,

Kristin Perers

I am writing to object to the application for a license to sell alcohol by SITE (112 Columbia Road, E2 7RG)

I am objecting for the following reasons:

The application requests licence to sell alcohol from 8am to 11pm everyday. This seems excessive particularly given the premises is opposite our local primary school

The street already suffers from a significant amount of noise and unruly behaviour linked to existing venues selling alcohol - another venue selling alcohol will exacerbate this problem on what is a residential part of the street

The hours requested and application for licence contribute to a further change in the character of the street and the ongoing 'creep' of nighttime venues and drinking from Shoreditch. I believe another venue such as this is against the best interests and wishes of residents

Dear Sirs,

Further to my recent phone conversation today with your licensing admin officer, Ibrahim, he has advised me to write to you directly regarding this application.

I am the landlord of this property as well as the residential tenant living above it. I only found out about the application from your letter of notice. I have then tried twice to discuss the matter with the tenant, in particular the fact that the requested hours are 7 days a week from 8 am until 11pm, which concern me, both as a landlord - ie whether they would be within the permitted use as outlined by her lease (A1 and trading hours) and also as a resident upstairs , in terms of the possible nuisance and noise impact this may have on my family home? When I first asked, I was initially told they wanted to offer morning cocktails and alcoholic coffees, during normal hours (at present 8 am - 4 pm) which I do not have a problem with in principle. However, the tenant has since stated a plan to host regular evening events, the noise of which would directly impact on our residential home upstairs , so I

would object to that. I have tried to discuss this with the tenant, but to date have no further knowledge of the intended use of the licence.

I did contact your office upon receipt of the notice, and was advised it has been rejected because the required newspaper notice had not been done in time, and told not to worry. I have since seen a copy of the notice in the window with an amended end date for consultation of March 15th, hence my concern.

Please advise as soon as possible.

Kind regards,

Bux Bailey

Appendix 10

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).
If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 9.1 of the Licensing Policy**). While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 14.10**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 9.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance. In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs where public nuisance is being caused by noise coming from the premises and the closure of the premises is necessary to prevent that nuisance.

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.15).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 11

Access and Egress Problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.15).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.19)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.19) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 12

Anti-Social Behaviour on the Premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Section 6 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the Council is recommended (Annexe D).

The key role of the Police and SIA is acknowledged (2.1-2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder

and their staff or agents, but can directly impact on the behaviour of customers in the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) communication, CCTV, police liaison, no glasses, capacity limits are all relevant (2.3 - 2.6).

The Guidance recognises working with Home Office Immigration Enforcement in the prevention of immigration crime. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

Guidance Issued under Section 182 of the Licensing Act 2003

Conditions can be imposed for large capacity “vertical consumption” premises (10.23 – 10.24).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices.

Other Legislation

- The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder

Appendix 13

Anti-Social Behaviour from Patrons Leaving the Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy” (**see Section 4.15 and 4.16 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 6.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. (**See Section 8 of the Licensing Policy**).

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003

The key role of the Police is acknowledged (2.1).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) CCTV inside & out, communication, police liaison, no glasses are all relevant

There is also guidance issued around public nuisance (2.15 – 2.21).

The pool of conditions, adopted by the Council is recommended (see Appendix 3 of the Licensing Policy). Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.18/2.21).

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned (14.13).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti-social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 14

Licensing Policy, updated November 2018

Crime and Disorder

- 7.1 Licensed premises, especially those offering late night / early morning entertainment, alcohol and refreshment for large numbers of people, can be a source of crime and disorder problems and to store prescribed information.
- 7.2 When addressing crime and disorder the applicant should initially identify any particular issues (having regard to their particular type of premises and / or activities) which are likely to adversely affect the promotion of the crime and disorder licensing objective. Such steps as are required to deal with these identified issues should be included within the applications operating schedule. Where the Metropolitan Police, acting as a responsible authority, makes recommendations in respect of an application relating to the licensing objectives the Licensing Authority would expect the applicant to incorporate these into their operating schedule.
- 7.3 Applicants are recommended to seek advice from Council Officers and the Police as well as taking into account, as appropriate, local planning and transport policies, with tourism, cultural and crime prevention strategies, when preparing their plans and Schedules.
- 7.4 In addition to the requirements for the Licensing Authority to promote the licensing objectives, it also has duties under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder in the Borough and to share prescribed information.
- 7.5 The Licensing Authority, if its discretion is engaged, will consider attaching Conditions to licences and permissions to deter and prevent crime and disorder both inside and immediately outside the premises and these may include Conditions drawn from the Model Pool of Conditions relating to Crime and Disorder given in the Secretary of State's Guidance.
- 7.6 **CCTV** - The Licensing Authority, if its discretion is engaged, will attach conditions to licences, as appropriate where the conditions reflect local crime prevention strategies, for example the provision of closed circuit television cameras.

7.7 **Touting** – This is soliciting for custom. There has been a historic problem with Touting in the borough, mainly in relation to restaurants, and as such in 2006 the Council introduced a byelaw under Section 235 of the Local Government Act 1972 for the good rule and government of the London Borough of Tower Hamlets and for the prevention and suppression of nuisances.

As a result, in relation to premises where there is intelligence that touting is, or has been carried out, the Licensing Authority, where its discretion is engaged will insert a standard condition that prohibits 'touting' as follows:-

- 1) No person shall be employed to solicit for custom or be permitted to solicit for custom for business for the premises in any public place within a 500 meters radius of the premises as shown edged red on the attached plan.(marked as Appendix -)
- 2) Clear Signage to be placed in the restaurant windows stating that the premises supports the Council's 'No Touting' policy.

7.8 **Responsible Drinking** - The Licensing Authority expects alcohol to be promoted in a responsible way in the Borough. This should incorporate relevant industry standards, such as the Portman Group Code of Practice. Where appropriate and proportionate, if its discretion is engaged, the Licensing Authority will apply conditions to ensure responsible drinking. The Licensing Authority also recognises the positive contribution to best practice that "Pubwatch" and other similar schemes can make in promoting the licensing objectives and is committed to working with them.

Model Pool Conditions can be found in the Secretary of State's Guidance.

7.9 **Criminal Activity** - There is certain criminal activity that may arise in connection with licensed premises which the Licensing Authority will treat particularly seriously. These are the use of the licensed premises:

- for the sale and distribution of drugs controlled under the Misuse of Drugs Act 1971 and the laundering of the proceeds of drugs crime;
- for the sale and distribution of illegal firearms;
- for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;
- for the illegal purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and propensity for crime of young people;
- for prostitution or the sale of unlawful pornography;
- by organised groups of paedophiles to groom children;

- as the base for the organisation of criminal activity, particularly by gangs;
- for the organisation of racist activity or the promotion of racist attacks;
- for employing a person who is disqualified from that work by reason of their immigration status in the UK;
- for unlawful gambling; and
- for the sale or storage of smuggled tobacco and alcohol.

The Secretary State's Guidance states that it is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and this Licensing Authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence, even in the first instance, should be seriously considered.

7.10 In particular the Licensing Authority is mindful of the Secretary of State's Guidance "Reviews arising in connection with crime".

7.11 From 1 April 2017, businesses which sell alcohol (for example, retailers of alcohol and trade buyers) will need to ensure that the UK wholesalers that they buy alcohol from have been approved by HMRC under the Alcohol Wholesaler Registration Scheme (AWRS). They will need to check their wholesalers Unique Registration Number (URN) against the HMRC online database which will be available from April 2017. This is an ongoing obligation and if a business is found to have bought alcohol from an unapproved wholesaler, they may be liable to a penalty or could even face criminal prosecution and their alcohol stock may be seized. Any trader who buys alcohol from a wholesaler for onward sale to the general public (known as a 'trade buyer') does not need to register unless they sell alcohol to other businesses. Examples of trade buyers would be pubs, clubs, restaurants, cafes, retailers and hotels. However, they will need to check that the wholesaler they purchase alcohol from is registered with HMRC. Further information may be found at: <https://www.gov.uk/guidance/the-alcohol-wholesaler-registration-scheme-awrs>.

Smuggled goods

7.12 The Licensing Authority will exercise its discretion to add a standard condition as follows:-

- 1) The premises licence holder and any other persons responsible for the purchase of stock shall not purchase any goods from door-to-door sellers other than from established traders who provide full receipts at the time of delivery to provide traceability.
- 2) The premises licence holder shall ensure that all receipts for goods bought include the following details:
 - i. Seller's name and address
 - ii. Seller's company details, if applicable
 - iii. Seller's VAT details, if applicable
 - iv. Vehicle registration detail, if applicable
- 3) Legible copies of the documents referred to in 2) shall be retained on the premises and made available to officers on request.
- 4) The trader shall obtain and use a UV detection device to verify that duty stamps are valid.
- 5) Where the trader becomes aware that any alcohol may be not duty paid they shall inform the Police of this immediately.

Olympic Park – Football Ground

7.13 Premises where Police intelligence shows that football supporters congregate within the borough should consider in their application form the following conditions:

- 1) On Match Days for premises licensed for the supply of alcohol for consumption on the premises:
 - a) Drinks shall only be supplied in polypropylene or similar plastic and all bottled drinks shall be poured into such drinking vessels before being handed to the customer. These should be made of recyclable materials.
 - b) Registered door staff shall be employed to control the entry and exits to the premises and to manage any licensed outside area(s).

Appendix 15

Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated April 2018

Crime and disorder

- 2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).
- 2.2 In the exercise of their functions, licensing authorities should seek to cooperate with the Security Industry Authority (“SIA”) as far as possible and consider adding relevant conditions to licences where appropriate. The SIA also plays an important role in preventing crime and disorder by ensuring that door supervisors are properly licensed and, in partnership with police and other agencies, that security companies are not being used as fronts for serious and organised criminal activity. This may include making specific enquiries or visiting premises through intelligence led operations in conjunction with the police, local authorities and other partner agencies. Similarly, the provision of requirements for door supervision may be appropriate to ensure that people who are drunk, drug dealers or people carrying firearms do not enter the premises and ensuring that the police are kept informed.
- 2.3 Conditions should be targeted on deterrence and preventing crime and disorder including the prevention of illegal working in licensed premises (see paragraph 10.10). For example, where there is good reason to suppose that disorder may take place, the presence of closed-circuit television (CCTV) cameras both inside and immediately outside the premises can actively deter disorder, nuisance, anti-social behaviour and crime generally. Some licence holders may wish to have cameras on their premises for the prevention of crime directed against the business itself, its staff, or its customers. But any condition may require a broader approach, and it may be appropriate to ensure that the precise location of cameras is set out on plans to ensure that certain areas are properly covered and there is no subsequent dispute over the terms of the condition.
- 2.4 The inclusion of radio links and ring-round phone systems should be considered an appropriate condition for public houses, bars and nightclubs operating in city and town centre leisure areas with a high density of licensed premises. These systems allow managers of licensed premises to communicate instantly with the police and facilitate a rapid response to any disorder which may be endangering the customers and staff on the premises.

- 2.5 Conditions relating to the management competency of designated premises supervisors should not normally be attached to premises licences. It will normally be the responsibility of the premises licence holder as an employer, and not the licensing authority, to ensure that the managers appointed at the premises are competent and appropriately trained. The designated premises supervisor is the key person who will usually be responsible for the day to day management of the premises by the premises licence holder, including the prevention of disorder. A condition of this kind may only be justified as appropriate in rare circumstances where it can be demonstrated that, in the circumstances associated with particular premises, poor management competency could give rise to issues of crime and disorder and public safety.
- 2.6 The prevention of crime includes the prevention of immigration crime including the prevention of illegal working in licensed premises. Licensing authorities should work with Home Office Immigration Enforcement, as well as the police, in respect of these matters. Licence conditions that are considered appropriate for the prevention of illegal working in licensed premises might include requiring a premises licence holder to undertake right to work checks on all staff employed at the licensed premises or requiring that a copy of any document checked as part of a right to work check are retained at the licensed premises.

Appendix 16

Prevention of Public Nuisance

- 9.1 Licensed premises, especially those operating late at night and in the early hours of the morning, can cause a range of nuisances impacting on people living, working or sleeping in the vicinity of the premises.
- 9.2 The concerns mainly relate to noise nuisance both from the premises and customer egress, light pollution, noxious smells and disruption from parked vehicles and due regard will be taken of the impact these may have in considering a licence. The Licensing Authority will expect Operating Schedules to satisfactorily address these issues. Applicants are advised to seek advice from the Council's Environmental Health Officers before preparing their plans and Schedules.
- 9.3 The Licensing Authority, where its discretion is engaged, will consider, where appropriate, attaching conditions to licences and permissions to prevent the problems identified in Section 18 of this Policy (Special Cumulative Impact Policy for the Brick Lane and Bethnal Green Area), and these may include conditions drawn from the Model Pool of Conditions found in the Secretary of States Guidance.
- 9.4 **Street Furniture** – placing of street furniture, which includes advertising boards, on the highway can cause a public nuisance by way of obstruction, or encourage consumption of alcohol on an unlicensed area. The Licensing Authority expects applicants to have ensured that they fully comply with the Council's rules relating to authorisation of obstructions on the highway, and that the required authorisations are obtained prior to submitting a licence application. Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose conditions in relation to street furniture, including on private land.
- 9.5 **Fly Posting** – The Council has experienced problems with "fly posting" in relation to venues that offer entertainment. Fly posting is the unauthorised posting of posters / advertisements etc. Where it considers it proportionate and appropriate, and its discretion is engaged, the Licensing Authority will attach conditions relating to the control of fly posting to ensure that venues clearly prohibit all fly posting in their contract terms with others and they effectively enforce this control.

Appendix 17

Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated April 2018

Public nuisance

- 2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.
- 2.16 Public nuisance is given a statutory meaning in many pieces of legislation. It is however not narrowly defined in the 2003 Act and retains its broad common law meaning. It may include in appropriate circumstances the reduction of the living and working amenity and environment of other persons living and working in the area of the licensed premises. Public nuisance may also arise as a result of the adverse effects of artificial light, dust, odour and insects or where its effect is prejudicial to health.
- 2.17 Conditions relating to noise nuisance will usually concern steps appropriate to control the levels of noise emanating from premises. This might be achieved by a simple measure such as ensuring that doors and windows are kept closed after a particular time, or persons are not permitted in garden areas of the premises after a certain time. More sophisticated measures like the installation of acoustic curtains or rubber speaker mounts to mitigate sound escape from the premises may be appropriate. However, conditions in relation to live or recorded music may not be enforceable in circumstances where the entertainment activity itself is not licensable (see chapter 16). Any conditions appropriate to promote the prevention of public nuisance should be tailored to the type, nature and characteristics of the specific premises and its licensable activities. Licensing authorities should avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are expensive to purchase and install and are likely to be a considerable burden for smaller venues.
- 2.18 As with all conditions, those relating to noise nuisance may not be appropriate in certain circumstances where provisions in other legislation adequately protect those living in the area of the premises. But as stated earlier in this Guidance, the approach of licensing authorities and responsible authorities should be one of prevention and when their powers are engaged, licensing authorities should be aware of the fact that other legislation may not adequately cover concerns raised in relevant representations and additional conditions may be appropriate.

- 2.19 Where applications have given rise to representations, any appropriate conditions should normally focus on the most sensitive periods. For example, the most sensitive period for people being disturbed by unreasonably loud music is at night and into the early morning when residents in adjacent properties may be attempting to go to sleep or are sleeping. This is why there is still a need for a licence for performances of live music between 11 pm and 8 am. In certain circumstances, conditions relating to noise emanating from the premises may also be appropriate to address any disturbance anticipated as customers enter and leave.
- 2.20 Measures to control light pollution will also require careful thought. Bright lighting outside premises which is considered appropriate to prevent crime and disorder may itself give rise to light pollution for some neighbours. Applicants, licensing authorities and responsible authorities will need to balance these issues.
- 2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

Appendix 18

Protection of children from harm

- 10.1 The wide range of premises that require licensing means that children can be expected to visit many of these, often on their own, for food and/or entertainment. The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Home Office Guidance also expects Licensing authorities to consider the need to protect children from sexual exploitation when undertaking licensing functions.
- 10.2 Tackling Child Sexual Exploitation (CSE) is a key target both locally and nationally as such the Licensing Authority expects Licence Holders to:
- Understand that there are criminal offences in relation to sexual exploitation of a child,
 - Ensure that they and their employees have a basic awareness of the signs of CSE and how to report it;
 - Report any concerns to the appropriate authorities or to the Licensing Authority can advise them of the appropriate authority to report concerns to.
- 10.3 Applicants are to consult with the Responsible Authority designated for Child Protection listed in appendix 1 - List of Responsible Authorities of this who this Licensing Authority recognises to be competent body to advise on the protection of children from harm.
- 10.4 The Act does not prohibit children from having access to any licensed premises; the Council recognises that limitations may have to be considered where it appears necessary to protect children from harm.
- 10.5 The Licensing Authority will judge the merits of each separate application before deciding whether to impose conditions limiting the access of children to individual premises. The following are examples of premises that will raise concern:-
- Where there have been convictions, Fixed Penalty Notices (FPNs) or formal cautions for serving alcohol to minors or with a reputation for underage drinking

- With a known association with drug taking or dealing
 - Where there is a strong element of gambling on the premises
 - Where entertainment of an adult or sexual nature is provided
 - Where irresponsible drinking is encouraged or permitted.
- 10.6 Where its discretion is engaged, the Licensing Authority will consider any of the following options when dealing with a licence application where limiting the access of children is considered necessary to prevent harm to children:
- Limitations on the hours when children may be present,
 - Limitations on ages below 18,
 - Limitations or exclusion when certain activities are taking place,
 - Requirements for an accompanying adult,
 - Full exclusion of people under 18 from the premises when any licensable activities are taking place.
- 10.7 No conditions will be imposed requiring that children must be admitted to any premises and, where no limitation is imposed, this will be left to the discretion of the individual licensee.
- 10.8 The Act details a number of offences designed to protect children in licensed premises and the Licensing Authority will work closely with the police to ensure the appropriate enforcement of the law, especially relating to the sale and supply of alcohol to children.
- 10.9 All licence holders will be expected to comply the Portman Group Code of Practice, and in particular the Retailer Alert Bulletin by which the Portman Group informs licensed retailers, which products have been found to be in breach of the code, and should be removed from sale.
- 10.10 The Licensing Authority expects all licensed suppliers of alcohol to have robust measures, effectively managed and monitored, in place to ensure that minors are fully protected from harm. This will require operating plans to specify these measures and management controls taking into account paragraph 10.1 and 10.2 above. Where appropriate a written childcare policy should be available and be incorporated in the induction of staff.

- 10.11 The Licensing Authority will take appropriate and proportionate action where there are serious concerns in relation to the safe guarding of children in connection with a licensed premises, which may include consideration of applying for a review of the licence where there significant evidence of undermining the licensing objective of the protection of children from harm.
- 10.12 The sale of alcohol to a minor is a criminal offence and Trading Standards will conduct appropriate covert test purchasing exercises and will take account of any complaints and intelligence received. The Act permits the use of children under the age of 18 to undertake test purchases.
- 10.13 Where there are age restrictions imposed by the Act on the licensable activities in respect of children below a certain age, then the licensee will be required to demonstrate that they have age verification systems in place. This Licensing Authority believes that that Licensed Premises should have age verification policies to require individuals who appear to the person serving alcohol to be under the age of 25 years of age to produce on request appropriate identification. This is commonly referred to as the "Challenge 25 Scheme". The rationale for this is because it can often be difficult to judge how old teenagers are and "Challenge 25 age verification system" would provide licensed premises with margin of error to prevent underage sales. Thus Challenge 25 can help to empower staff to challenge customers where there is doubt about their age. In turn this is likely to reduce the risk of the owner, or the seller of the alcohol, committing an offence.
- 10.14 Training in age verification systems should be given to all persons who might be in a position to serve or refuse the sale of alcohol to children. The training should include a basic understanding of the law, seeking proof of age, verifying the authenticity of proof of age cards and handling and recording refusals.
- 10.15 Where proportionate and appropriate, and its discretion is engaged, the Licensing Authority will impose the following standard conditions in relation to age verification systems:
- 1) All tills shall automatically prompt staff to ask for age verification identification when presented with an alcohol sale.
 - 2) A Challenge 25 proof of age scheme shall be operated at the premises where the only acceptable forms of identification are recognised photographic identification cards, such as a driving licence, passport or proof of age card with the PASS Hologram.
 - 3) A record shall be kept detailing all refused sales of alcohol. The record should include the date and time of the refused sale and the name of the member of staff who refused the sale. The record

shall be available for inspection at the premises by the police or an authorised officer at all times whilst the premises is open.

- 4) All staff whose duties include the serving of alcohol must be trained in the requirements of this scheme including the importance of recording any refusals.

11 Access to Cinemas

- 11.1 Films cover a vast range of subjects, some of which deal with adult themes and / or contain, for example, scenes of horror or violence that may be considered unsuitable for children within certain age groups.
- 11.2 In order to prevent children from seeing such films, the Licensing Authority will impose conditions requiring licensees to restrict children from viewing age restricted films classified according to the recommendations of the BBFC, or the Council itself. The Licensing Authority will not consider reclassifying any films already classified by the BBFC. The Council will charge for classifying films, on a full cost recovery basis.
- 11.3 The Licensing Authority will classify films itself where it is satisfied that no BBFC classification exists. It will inform relevant licensee and require such classifications to be clearly contained in any advertising or informative material relating to such films.

12 Children and Public Entertainment

- 12.1 Many children go to see and / or take part in an entertainment arranged substantially for them. Consequently additional arrangements are required to safeguard them at such times.
- 12.2 Where 10.1 applies, and its discretion is engaged, the Licensing Authority will require the following arrangements in order to control their access and egress and to assure their safety:-
 - An adult member of staff to be stationed in the vicinity of each of the exits from any level, subject to there being a minimum of one member of staff per 50 children or part thereof,
 - No child unless accompanied by an adult to be permitted in the front row of any balcony,
 - No standing to be permitted in any part of the auditorium during the Performance.
- 12.3 Where children are taking part in any regulated entertainment, and its

discretion is engaged, the Licensing Authority will require the operating schedule to clearly state the steps taken to assure their safety.

- 12.4 Where its authority is engaged, the Licensing Authority will consider attaching conditions to licences and permissions to prevent harm to children, and these may include conditions drawn from the Model Pool of. Conditions that can be found in the Secretary of State's Guidance.

Appendix 19

Guidance Issued by the Home Office under Section 182 of the Licensing Act 2003

Updated April 2018

Protection of children from harm

- 2.22 The protection of children from harm includes the protection of children from moral, psychological and physical harm. This includes not only protecting children from the harms associated directly with alcohol consumption but also wider harms such as exposure to strong language and sexual expletives (for example, in the context of exposure to certain films or adult entertainment). Licensing authorities must also consider the need to protect children from sexual exploitation when undertaking licensing functions.
- 2.23 The Government believes that it is completely unacceptable to sell alcohol to children. Conditions relating to the access of children where alcohol is sold and which are appropriate to protect them from harm should be carefully considered. Moreover, conditions restricting the access of children to premises should be strongly considered in circumstances where:
- adult entertainment is provided;
 - a member or members of the current management have been convicted for serving alcohol to minors or with a reputation for allowing underage drinking (other than in the context of the exemption in the 2003 Act relating to 16 and 17 year olds consuming beer, wine and cider when accompanied by an adult during a table meal);
 - it is known that unaccompanied children have been allowed access;
 - there is a known association with drug taking or dealing; or
 - in some cases, the premises are used exclusively or primarily for the sale of alcohol for consumption on the premises.
- 2.24 It is also possible that activities, such as adult entertainment, may take place at certain times on premises but not at other times. For example, premises may operate as a café bar during the day providing meals for families but also provide entertainment with a sexual content after 8.00pm. It is not possible to give an exhaustive list of what amounts to entertainment or services of an adult or sexual nature. Applicants, responsible authorities and licensing authorities will need to consider this point carefully. This would broadly include topless bar staff, striptease, lap-, table- or pole-dancing, performances involving feigned violence or horrific incidents, feigned or actual sexual acts or fetishism, or entertainment involving strong and offensive language.

- 2.25 Applicants must be clear in their operating schedules about the activities and times at which the events would take place to help determine when it is not appropriate for children to enter the premises. Consideration should also be given to the proximity of premises to schools and youth clubs so that applicants take appropriate steps to ensure that advertising relating to their premises, or relating to events at their premises, is not displayed at a time when children are likely to be near the premises.
- 2.26 Licensing authorities and responsible authorities should expect applicants, when preparing an operating schedule or club operating schedule, to set out the steps to be taken to protect children from harm when on the premises.
- 2.27 Conditions, where they are appropriate, should reflect the licensable activities taking place on the premises. In addition to the mandatory condition regarding age verification, other conditions relating to the protection of children from harm can include:
- restrictions on the hours when children may be present;
 - restrictions or exclusions on the presence of children under certain ages when particular specified activities are taking place;
 - restrictions on the parts of the premises to which children may have access;
 - age restrictions (below 18);
 - restrictions or exclusions when certain activities are taking place;
 - requirements for an accompanying adult (including for example, a combination of requirements which provide that children under a particular age must be accompanied by an adult); and full exclusion of people under 18 from the premises when any licensable activities are taking place.
- 2.28 Please see also Chapter 10 for details about the Licensing Act 2003 (Mandatory Licensing Conditions) Order 2010.

- 2.29 Licensing authorities should give considerable weight to representations about child protection matters. In addition to the responsible authority whose functions relate directly to child protection, the Director of Public Health may also have access to relevant evidence to inform such representations. These representations may include, amongst other things, the use of health data about the harms that alcohol can cause to underage drinkers. Where a responsible authority, or other person, presents evidence to the licensing authority linking specific premises with harms to children (such as ambulance data or emergency department attendances by persons under 18 years old with alcohol-related illnesses or injuries) this evidence should be considered, and the licensing authority should also consider what action is appropriate to ensure this licensing objective is effectively enforced. In relation to applications for the grant of a licence in areas where evidence is presented on high levels of alcohol-related harms in persons aged under 18, it is recommended that the licensing authority considers what conditions may be appropriate to ensure that this objective is promoted effectively.
- 2.30 The 2003 Act provides that, where a premises licence or club premises certificate authorises the exhibition of a film, it must include a condition requiring the admission of children to films to be restricted in accordance with recommendations given either by a body designated under section 4 of the Video Recordings Act 1984 specified in the licence (the British Board of Film Classification is currently the only body which has been so designated) or by the licensing authority itself. Further details are given in Chapter 10.
- 2.31 Theatres may present a range of diverse activities and entertainment including, for example, variety shows incorporating adult entertainment. It is appropriate in these cases for a licensing authority to consider restricting the admission of children in such circumstances. Entertainments may also be presented at theatres specifically for children. It will be appropriate to consider whether a condition should be attached to a premises licence or club premises certificate which requires the presence of a sufficient number of adult staff on the premises to ensure the wellbeing of the children during any emergency.

Offences relating to the sale and supply of alcohol to children

2.32 Licensing authorities are expected to maintain close contact with the police, young offenders' teams and trading standards officers (who can carry out test purchases under section 154 of the 2003 Act) about the extent of unlawful sales and consumption of alcohol by minors and to be involved in the development of any strategies to control or prevent these unlawful activities and to pursue prosecutions. Licensing authorities, alongside the police, are prosecuting authorities for the purposes of these offences, except for the offences under section 147A (persistently selling alcohol to children). Where, as a matter of policy, warnings are given to retailers prior to any decision to prosecute in respect of an offence, it is important that each of the enforcement arms should be aware of the warnings each of them has given.

Table of relevant offences under the 2003 Act Section	Offence	Prosecuting Authority
Section 145	Unaccompanied children prohibited from certain premises	Police and/or Licensing Authority
Section 146	Sale of alcohol to children	Police, Licensing Authority and/or Local Weights and Measures Authority

Section 149	Purchase of alcohol by or on behalf of children	Police and/or Licensing Authority
Section 150	Consumption of alcohol by children	Police and/or Licensing Authority
Section 151	Delivering alcohol to children	Police and/or Licensing Authority

Section 153	Prohibition of unsupervised sales by children	Police and/or Licensing Authority

Appendix 20

Planning

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

Appendix 21

Licensing Policy Relating to Hours of Trading

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 14.8 of the Licensing Policy)

In considering the applicability of framework hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 14.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
