Question and comments from the Overview and Scrutiny Committee held on Tuesday 7th February, 2006 in relation to Restricted Business for consideration

Not for Publication
This report is exempt from publication under paragraph 7 (“information relating to the financial or business affairs of any particular person (other than the authority)”) and paragraph 9 of Schedule 12A of the Local Government Act 1972 (“any terms proposed by or to the authority in the course of negotiations for a contract or the acquisition or disposal of property or the acquisition of goods or services.”)

Agenda Item 19.2 Disposal of Land at Furze Green (CAB 168/056)

It was noted that the procedure to be followed for disposal of land obliges the local authority to give notice in East End Life of the proposed disposal, and invite objections by a specified date (the statutory period). This does not currently provide for ward councillors to be separately notified. Can ward councillors in future be notified at the same time the notice is placed in East End Life, with the same statutory notice period within which to make objections?
