#### 42 Introduction and List of Delegations

#### Introduction

- 1. Part D of the Constitution contains documents which hold information supplementary to, and to be read in conjunction with, Parts A to C of the Constitution.
- For example, Part B contains Terms of Reference for all the Council's Committees. Where additional procedures are useful for a particular committee, they will be published here in Part D.
- 3. To enable efficient updating and control of Part D information, each Section within Part D has its own agreed delegation for making changes to that Section. For the most part this means changes are agreed by the relevant Officer/Body and then forwarded to the Monitoring Officer for publication. However, it is for the General Purposes Committee to agree whether new Sections should be added or existing Sections deleted entirely.
- 4. At the appropriate time the Monitoring Officer will report any changes made to the General Purposes Committee for information.

#### **Individual Delegations**

5. The following table lists the agreed delegations to make changes to each Section within Part D of the Constitution.

#### 43 Council Functions

- 1. Local Authority Functions are split between Executive Functions which are the responsibility of the Mayor and Executive and then Non-Executive Functions which are the responsibility of Council and its Committees.
- 2. The functions derive from specific legislation and cannot be the responsibility of the Executive. The Council is required to set out where there are delegations of Council functions to Committees and officers. Where the delegation is to be exercised by a Committee/Officer, the matters reserved to the Committee are specified in the relevant Committee's functions and terms of reference set out in Section 20.
- 3. These functions derive from specific legislation. When changes to legislation require it, the Monitoring Officer will update the Council Functions' Section necessary.

The procedures repeal and replace all previous schemes of delegation and apply in addition to the Council's Corporate Scheme of Delegation and individual Directorate Schemes of Delegation.
- 3. All powers in these procedures may also be exercised by the Chief Executive, by the Deputy Chief Executive when the Chief Executive is unavailable for any reason, or any other officer designated by the Council as Acting/Interim Chief Executive on a temporary basis.
- 4. In relation to all delegated authority given to officers by these procedures, the Chief Executive may allocate or re-allocate responsibility for exercising particular powers to any officer of the Council in the interests of effective corporate management as they think fit.
- 5. Where there is doubt over the responsibility for the exercise of a delegated power under these procedures, the Chief Executive and the Monitoring Officer or any person nominated/appointed to act on their behalf, is allowed to act.

- 7. In exercising their delegated powers under these procedures the officers concerned shall have broad discretion, subject to complying with all relevant legislation, the Council's constitution, including its contract and financial procedures and regulations, and overall Council policy, to use the most efficient effective and economic means available, including the deployment of staffing and other resources within their control and the procurement of other resources necessary, whether within or outside the Council.
- 8. For the avoidance of doubt anything which is not covered by these procedures or the Council's constitution, including the appointment of a proper officer for the purpose of any statutory function, will (subject to any statutory prohibition) be determined by the Chief Executive in consultation with the Monitoring Officer.

#### 47 Corporate Scheme of Financial Delegations

#### Introduction

The purpose of the Financial Regulations is to set out the Council's financial policies and the framework for managing the Council's financial affairs. The Regulations aim to ensure that the Council conducts is affairs in a way that complies with specific statutory provisions and best professional practice. All financial and accounting procedures and delegations must therefore be carried out in accordance with the Financial Regulations and all other relevant guidelines.

The purpose of the Scheme of Financial Delegation is to set out the powers, duties and responsibilities delegated to each role level. This schedule sets out the approved financial limits within which the Council's business may be conducted. Changes to limits within this Scheme may only be made with the approval of the Corporate Director of Resources.

#### **Roles and Responsibilities**

The Council operates a system of devolved financial management which, in practice, means certain responsibilities are devolved to services, as follows:

- Ensuring that there is proper stewardship of public resources;
- Ensuring that statutory and regulatory standards are met;
- Ensuring value for money;
- Identifying, evaluating and managing risk;
- Supporting good decision making through the provision of financial information and advice to decision makers:
- Analysis of service activity costs and trends to feed into performance information;
- Aligning resource allocations with business objectives:
- Maximising income sources without being diverted from business priorities.

It is therefore important that there is clarity over roles and responsibilities within these areas of activity.

#### **Budget Holders**

The default Budget Holder is deemed to be the Corporate Director in the absence of another specific budget holder being formally identified and nominated by the service. Corporate Directors are required to maintain a definitive schedule of all current employees in the directorate with delegated financial powers, which must be reviewed and updated at least quarterly (this may be in the form of a download from

the Agresso finance system). Delegated financial authority at all levels is limited to the specific cost centres allocated to each staff member and recorded on the Agresso finance system (and supporting feeder systems).

#### **Approval Limits**

In order to facilitate compliance with the Financial Regulations and Scheme of Financial Delegation, the Council has an authorised signatory process, primarily managed through the Agresso system workflows. All staff within posts deemed to have delegated financial authority are required to complete an authorised signatory form. This sets out the extent of the individual's authority, requires them to confirm the cost centres they have authority against. By signing this form, managers are confirming that they will abide by the rules and regulations set out both within the Financial Regulations and the Scheme of Financial Delegation. The details are held within the Agresso Financial Ledger system and are used to notify the relevant authorised signatories that transactions need to be approved.

Each role has a limit to the amount they can authorise, with anything above £5m always requiring Chef Executive approval. The designated approval level for each establishment role is determined by Budget Holder (by default the service director or alternatively a senior manager with appropriate delegated authority in the management hierarchy). All designated approvals for Service Manager and Director are designated by the Budget Holder in partnership with the Finance Manager/Business Partner for the service. All individual employees with delegated financial powers are subject to the systems administration process for new starters, leavers and role changes.

The table below sets out the current approval limits that are recorded on the Agresso Financial Ledger system, alongside the role/grade definitions:

## 48 Children's Services Directorate Scheme of Delegation

The Council's legal powers are granted by law either to the Mayor or full Council, allowing the authority to carry out its functions for the benefit of the residents, workers and businesses in the borough of Tower Hamlets.

The Mayor and full Council both have power to delegate the exercise of these duties to members and officers. These delegations are set out in the Constitution. In addition, each Corporate Director also has the power to further delegate powers to individual officers and these are set out for the Children' Services Directorate in this scheme of delegation.

Note that - under the Local Government Act 2000, all of the Council's functions, its legal powers and duties, are the responsibility of the Mayor and are known as "executive functions", except where they are expressly specified under sch.1, sch.3 or sch.4 of the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 to not be the responsibility or sole responsibility of an authority's executive.

#### 49 Communities Directorate Scheme of Delegation

The Council's legal powers are granted by law either to the Mayor or full Council, allowing the authority to carry out its functions for the benefit of the residents, workers and businesses in the borough of Tower Hamlets.

The Mayor and full Council both have power to delegate the exercise of these duties to members and officers. These delegations are set out in the Constitution. In addition, each Corporate Director also has the power to further delegate powers to individual officers and these are set out for the Communities Directorate in this scheme of delegation.

Note that - under the Local Government Act 2000, all of the Council's functions, its legal powers and duties, are the responsibility of the Mayor and are known as "executive functions", except where they are expressly specified under sch.1, sch.3 or sch.4 of the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 to not be the responsibility or sole responsibility of an authority's executive.

#### 50 Director of Legal's Scheme of Delegation

The Council's legal powers are granted by law either to the Mayor or full Council, allowing the authority to carry out its functions for the benefit of the residents, workers and businesses in the borough of Tower Hamlets.

The Mayor and full Council both have power to delegate the exercise of these duties to members and officers. These delegations are set out in the Constitution. In addition, each Corporate Director also has the power to further delegate powers to individual officers and these are set out in the Constitution. The Director of Legal also has powers of delegation in relation to those duties set out below.

Note that - under the Local Government Act 2000, all of the Council's functions, its legal powers and duties, are the responsibility of the Mayor and are known as "executive functions", except where they are expressly specified under sch.1, sch.3 or sch.4 of the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 to not be the responsibility or sole responsibility of an authority's executive.

# 51 Health and Adult Social Care Directorate Scheme of Delegation

The Council's legal powers are granted by law either to the Mayor or full Council, allowing the authority to carry out its functions for the benefit of the residents, workers and businesses in the borough of Tower Hamlets.

The Mayor and full Council both have power to delegate the exercise of these duties to members and officers. These delegations are set out in the Constitution. In addition, each Corporate Director also has the power to further delegate powers to individual officers and these are set out for the Health and Adult Social Care Directorate in this scheme of delegation.

Note that - under the Local Government Act 2000, all of the Council's functions, its legal powers and duties, are the responsibility of the Mayor and are known as "executive functions", except where they are expressly specified under sch.1, sch.3 or sch.4 of the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 to not be the responsibility or sole responsibility of an authority's executive.

#### 52 Housing and Regeneration Directorate Scheme of Delegation

The Council's legal powers are granted by law either to the Mayor or full Council, allowing the authority to carry out its functions for the benefit of the residents, workers and businesses in the borough of Tower Hamlets.

The Mayor and full Council both have power to delegate the exercise of these duties to members and officers. These delegations are set out in the Constitution. In addition, each Corporate Director also has the power to further delegate powers to individual officers and these are set out for the Housing and Regeneration Directorate in this scheme of delegation.

Note that - under the Local Government Act 2000, all of the Council's functions, its legal powers and duties, are the responsibility of the Mayor and are known as "executive functions", except where they are expressly specified under sch.1, sch.3 or sch.4 of the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 to not be the responsibility or sole responsibility of an authority's executive.

# 53 Resources Directorate Scheme of Delegation

The Council's legal powers are granted by law either to the Mayor or full Council, allowing the authority to carry out its functions for the benefit of the residents, workers and businesses in the borough of Tower Hamlets.

The Mayor and full Council both have power to delegate the exercise of these duties to members and officers. These delegations are set out in the Constitution. In addition, each Corporate Director also has the power to further delegate powers to individual officers and these are set out for the Resources Directorate in this scheme of delegation.

Note that - under the Local Government Act 2000, all of the Council's functions, its legal powers and duties, are the responsibility of the Mayor and are known as "executive functions", except where they are expressly specified under sch.1, sch.3 or sch.4 of the Local Authorities (Functions and Responsibilities) (England) Regulations 2000 to not be the responsibility or sole responsibility of an authority's executive.

# Licensing Committee – Rules of Procedure governing applications for premises licenses and other permissions under the Licensing Act 2003

## 1. Interpretation

- 1.1 These Procedures describe the way in which hearings will be conducted under the Licensing Act 2003, as set out in the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) ('the Hearings Regulations'). The Procedures take into account the Licensing Act (Premises Licences and Club Premises Certificates) Regulations 2005.
- 1.2 Except where otherwise stated, references in this Code are to the Licensing Committee and its Sub-committees and the expression 'Licensing Committee' should be interpreted accordingly.
- 1.3 The Hearings Regulations provide (Regulation 21) that a Licensing Authority shall, subject to the provisions of those Regulations, determine for itself the procedure to be followed at a hearing.
- 1.4 These Procedures, therefore, set out the way in which Licensing Committee Meetings will be conducted under the Licensing Act 2003, following the requirements of the Hearings Regulations.
- 1.5 Proceedings will not be rendered void only as the result of failure to comply with any provision of the Hearings Regulations (Regulation 31) save that in any case of such an irregularity, the Licensing Committee shall, if it considers that any person may have been prejudiced as a result of the irregularity, take such steps as it thinks fit to cure the irregularity before reaching its determination (Regulation 32).

## 2. Composition of Sub-Committee

2.1 The Sub-Committee will consist of three (3) members and no business shall be transacted unless three (3) members of the Licensing Committee are present and able to form a properly constituted Licensing Sub-Committee. In such cases the Chair shall have a second or casting vote.

#### 3. Procedure

3.1 The hearing shall take place in public save that the Licensing Committee may exclude the public from all or part of a hearing where it considers that, on balance, it is in the public interest to do so. The parties and any person representing them may be excluded in the same way as another member of the public. Any person so excluded may, before the end of the hearing, submit to the Licensing Committee in writing, any information which, they would have been entitled to give orally had they not been required to leave. Where there are a number of items on the agenda, the adjournment of that item for a short period, whilst another item is heard, may allow this process to be carried out effectively.

- 3.2 The Chair will begin by asking the parties to identify themselves and confirm whether or not they are represented.
- 3.3 The Licensing Committee should always satisfy itself that sufficient notice of the hearing has been given to all parties and if not satisfied, then the Licensing Committee should take such steps as it thinks fit to deal with that issue before reaching its determination and this could include adjourning that application to a later date.
- 3.4 The Licensing Committee will then consider any requests by a party for any other person to be heard at the hearing in accordance with the Regulations. Permission will not be unreasonably withheld provided proper notice has been given.
- 3.5 The Chair will then explain how the proceedings will be conducted, and indicate any time limits that may apply to the parties to the application. In setting time limits, the Licensing Committee will take into account the importance of ensuring that all parties receive a fair hearing, and the importance of ensuring that all applications are determined expeditiously and without undue delay. Further the Licensing Committee must have regard to the requirement to allow each party an equal amount of time.
- 3.6 If a party considers that any time limit is not sufficient then they should address the Licensing Committee and which will determine accordingly.
- 3.7 If any party has informed the Authority that they will not be attending or be represented at the hearing or any party does not give notice that they will not be attending but fails to attend and is not represented, the Licensing Committee may proceed in their absence or adjourn the hearing if it considers it to be necessary in the public interest. An adjournment will not be considered where due to the operation of the Hearing Regulations it would not be possible to adjourn.
- 3.8 If the Licensing Committee adjourns the hearing to a specified date it must specify the date, time and place to which the hearing has been adjourned and why it is considered necessary in the public interest.
- 3.9 If the Licensing Committee holds the hearing in the absence of a party, it will consider at the hearing the application, representation or notice given by that party.
- 3.10 The Chair will invite an Officer of the Licensing Section to present the report by briefly summarising the application and the number and type of the representations as set out in the papers circulated. The Officer will also advise of any discussions held with the parties; any amendments made to the application; any representations withdrawn; and any agreed conditions that the

Licensing Committee is being asked to consider. The Officer shall not give any opinion on the application or ask the Committee to make an inference based on such an opinion.

- 3.11 Members of the Licensing Committee can then ask questions of clarification of the Licensing Officer or seek legal advice from the Legal Adviser to the Licensing Committee if they require in respect of matters raised during the presentation by the Licensing Officer.
- 3.12 The Legal Adviser to the Licensing Committee will then give any relevant legal advice that the Licensing Committee need to take into consideration.
- 3.13 The Chair will then ask the applicant or their representative, if present, to present a summary of the nature and extent of the application. This should be brief, avoid repetition of material already available to the Licensing Committee in the Officer's report or otherwise, and include any reasons why an exception should be made to the Council's Licensing Policy, where appropriate, and respond to the written representations received. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence on behalf of the applicant or who has made a representation in favour of the application.
- 3.14 The application is to be presented within the time limit that has been set.
- 3.15 Where an applicant is unrepresented and having difficulty in presenting their application then the Legal Adviser to the Licensing Committee may ask questions of the applicant so that the relevant points are addressed and clarified for the Licensing Committee.
- 3.16 Members of the Licensing Committee may ask questions of the person presenting the case after their address as well as any other person who has spoken in support of the application. Members can also ask questions of the applicant as well as any other person present for the applicant who they consider can assist.
- 3.17 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.18 The Chair will then ask the persons who have made representations against the application to address the Licensing Committee within the time limit that has been set. They should not repeat what is already set out in their representations or notice or raise new matters. In their address they should provide clarification on

any points previously requested by the Council. The submission may be followed by the evidence of any person who has been given permission by the Committee to give supporting evidence.

- 3.19 Members of the Licensing Committee may then ask questions of the persons making representations against the application and any other person who has spoken in support of such representation. Members can also ask questions of any other person present who they consider can assist.
- 3.20 The Legal Adviser to the Licensing Committee may ask questions for the purpose of clarifying points for the Licensing Committee.
- 3.21 Petitions will be treated as representations provided they meet the requirements for relevant representations set out in the Licensing Act 2003. Members should proceed with caution when relying upon petitions used as evidence due to the structure and wording used.
- 3.22 The Licensing Committee will disregard any information given by a party, or any other person appearing at the hearing, which is not relevant to:
  - a) their application, representation or notice; and
  - b) the promotion of the licensing objectives or the crime prevention objective where notice has been given by the police.
- 3.23 The Chair will intervene at any stage of the hearing to prevent repetitious or irrelevant points being raised.
- 3.24 Cross examination of any party or any other person allowed to appear will not be allowed unless specifically permitted by the Chair.
- 3.25 There is no right for any party to sum up but they may be permitted to do at the discretion of the Chair and within time limits prescribed by the Chair.
- 3.26 The Licensing Committee will consider its decision in private save that the Legal Adviser and Democratic Services Officer will remain with them.
- 3.27 The Licensing Committee will normally return to open session to announce its decision but in cases where the prescribed time limit allows for a later determination and it is appropriate to determine the matter within that time then the Chair will advise the parties present that the decision will not be announced then but that the determination will take place within the prescribed time limit and that written notification will be dispatched to all parties advising then of the determination.

#### 4. Exclusions

- 4.1 In addition to any exclusion under paragraph 3.1 above, The Licensing Committee may require any person attending the hearing who in their opinion is behaving in a disruptive manner to leave the hearing and may refuse to permit the person to return; or allow them to return only on such conditions as Licensing Committee may specify.
- 4.2 Any person so excluded may, before the end of the hearing, submit to the Authority in writing, any information which, they would have been entitled to give orally had they not been required to leave.

# **Overview and Scrutiny Committee – Councillor Call for Action Procedure**

**Tower Hamlets Councillor Call for Action (CCfA) Guide** 

November 2020

### Introduction

Councillor Call for Action (CCfA) powers were first introduced in the Local Government and Public Involvement in Health Act (2007) to provide a formal mechanism that allows councillors (in England) to refer an issue of local concern e.g. related to local government matter and affecting their ward for consideration by the Overview and Scrutiny Committee (OSC). The Localism Act (2011) further clarifies that councillors can refer matters which are not restricted to local government that are relevant to the functions of the committee. The Police and Criminal Justice Act (2006) also provides a 'Call for Action' in relation to crime and disorder issues.

A CCfA can be used to tackle problems on a neighbourhood or ward specific level which has been unable to resolve through normal channels e.g. corporate complaints, petitions, Member's Enquiries, Freedom of Information (FOI) requests and mediation. It is at the discretion of each councillor as to what issues they wish to raise for a potential review through the CCfA. However, councillors must demonstrate that other methods of resolution have been exhausted first. A CCfA request should not be considered as merely 'scrutiny process' it should be viewed as a whole council approach, that can assist councillors to resolve issues on behalf of their constituents.

# **Principles**

The CCfA process works on the basis of some broad principles:

- Transparency in the decision-making process, and the involvement of scrutiny in the decision-making process;
- Willingness to identify mistakes and shortcomings, and a recognition of the need to resolve problems through discussions;
- A good level of understanding (amongst Mayor, Cabinet and senior officers) of the role that scrutiny can play to help the Council to improve its services; and
- An understanding and a wish to strengthen and support the role of councillors as champions and leaders of their communities.

# Prior to undertaking a CCfA Have existing complaints procedures and other solution options been exhausted?

Councillors should consider the following to resolve local issues:

- Member's Enquiries and FOI
- Mediation
- Advising a resident to make an individual complaint.
- Supporting residents to submit a petition.
- Seeking an apology from the council/local service involved
- Collecting evidence from their ward to support the issue.

- Request to discuss the issue with relevant agencies.
- Signpost to relevant council committee, if appropriate.

# When a referral should be made

Under the CCfA, councillors are able to refer issues to OSC where it can demonstrate the following:

- the issue is of genuine and persistent local concern;
- the issue is not subject to ongoing legal processes; and
- other courses of action have failed to resolve the matter.

Importantly, undertaking a CCfA will be a means of 'last resort' with issues being raised at OSC **only after other methods of resolution have been exhausted**. Furthermore, undertaking a CCfA does not guarantee to resolve an issue but it offers the chance to bring a pressing matter to a wider audience with an opportunity to discuss the item

# Benefits of a CCfA

The CCfA process provides an opportunity:

- for recognition that an issue is significant enough for time, attention and resources to be allocated to the issue in an attempt to resolve it;
- for a public forum for discussion of the issues;
- to discuss the issues in a neutral environment;
- to discuss an issue with others with the sole aim of resolving it; and
- A high-profile process owned by the councillor.

# Limitations of a CCfA

There are some issues that are excluded from referral as a CCfA:

- Planning and licensing decisions or pending applications;
- Any matter where a person or entity has a statutory right of review or appeal (not including the right to complain to the Ombudsman) e.g. issues relating to a welfare benefit appeal;
- Any issues that is vexatious, discriminatory or not reasonable; and
- Any matter already on the work programme for OSC or its subcommittees.
- A CCFA would not be accepted if the matter had already been considered by Overview and Scrutiny (including through the Call-in process) unless there has been a material change to the issue.
- Any matter that is not relevant to the functions of the OSC.

How will Overview and Scrutiny Committee deal with a CCfA Request?

A CCfA referral to OSC will place an issue on the OSC's agenda. It is up to the Committee to decide whether or not to take the issue further. To determine if the CCfA needs to be looked at in detail, the OSC will be able to use the following criteria:

- Is the OSC satisfied that appropriate attempts at resolving the issue have been made by the ward councillor before initiating the CCfA?
- Is this a case that is being, or should be pursued, via the council's corporate complaints system?
- Has the OSC considered any similar issue recently if so, have the circumstances or evidence changed to warrant re-consideration?
- Has the relevant service or partner agency been informed and provided enough time to resolve the issue? What response has the councillor received?
- Is this issue already featured in the OSC's and or subcommittees work programme?

If the OSC decides to take any action, then it will inform the councillor that raised the CCfA and provide that councillor with a copy of any report or recommendations that are made in relation to the CCfA. Where relevant the councillor will also be provided with any response received from the Cabinet or a partner organisation in relation to the CCfA.

# **Statutory Scrutiny Officer**

There are some circumstance where a CCfA will not be dealt with under this scheme as specified by the limitations of a CCfA; or any other circumstances which, in the opinion of the Statutory Scrutiny Officer would mean the CCfA would be better dealt with using a different Council procedure.

# Timeframe or a CCfA Requisition

For a CCfA to be considered, it must be submitted at least 10 working days in advance of the OSC meeting. If a CCfA submission request falls within 10 working days, it will need to be scheduled for the next OSC meeting.

# **Pensions Committee Procedures**

# **Membership of the Pensions Committee**

The Council decides the composition and makes appointments to the Pensions Committee. Currently the membership of the Pensions Committee is a minimum of 7 elected Members from Tower Hamlets Council on a politically proportionate basis and the Pensions Committee will elect a Chair and Vice Chair. All Tower Hamlets Council elected Members have voting rights on the Committee and three voting members of the Committee are required to be able to deem the meeting quorate.

In addition there are two co-opted non-voting members representing employer and Scheme member interests. Although the co-opted representatives do not have voting rights they are treated as equal members of the Committee, they have access to all Committee Advisers, officers, meetings and training as if they were Council Members and have the opportunity to contribute to the decision making process.

Voting rights are restricted to elected Members as they are deemed to be fulfilling the role of Trustees as the Pension Fund with all the legal responsibilities that this entails, it was not felt appropriate to apply the same legal definition to the lay members of the Committee and hence their role as non-voting members. Members of the Pensions Committee, including co-opted members, are required to declare any interests that they have in relation to the Pension Fund or items on the agenda at the commencement of the meeting.

The Constitution allows for the appointment of a Pensions Committee which has responsibility for the discharge of all non-executive functions assigned to it.

# The following are the terms of reference for the Pensions Committee:

- To act as Trustees of the Council's Pension Fund, consider pension matters and meet the obligations and duties of the Council under the Superannuation Act 1972, the Public Service Pensions Act 2013, and the various pensions' legislation.
- To make arrangements for the appointment of and to appoint suitably qualified pension fund administrators, actuaries, advisers, investment managers and custodians and periodically to review those arrangements.
- 3) To formulate and publish an Investment Strategy Statement.
- 4) To set the overall strategic objectives for the Pension Fund, having taken appropriate expert advice, and to develop a medium term plan to deliver the objectives.
- 5) To determine the strategic asset allocation policy, the mandates to be given to the investment managers and the performance measures to be set for them.

- To make arrangements for the triennial actuarial valuation, to monitor liabilities and to undertake any asset/liability and other relevant studies as required.
- 7) To monitor the performance and effectiveness of the investment managers and their compliance with the Statement of Investment Principles.
- 8) To set an annual budget for the operation of the Pension Fund and to monitor income and expenditure against budget.
- 9) To receive and approve an Annual Report on the activities of the Fund prior to publication.
- 10) To make arrangements to keep members of the Pension Fund informed of performance and developments relating to the Pension Fund on an annual basis.
- 11) To keep the terms of reference under review.
- 12) To determine all matters relating to admission body issues.
- To focus on strategic and investment related matters at two Pensions Committee meetings.
- 14) To review the Pension Fund's policy and strategy documents on a regular basis and review performance against the Fund's objectives within the business plan
- 15) To maintain an overview of pensions training for Members.

# Meetings

The Pensions Committee shall meet at least four times a year in the ordinary course of business and additional meetings may be arranged as required to facilitate its work. Work for the year will be agreed with the Committee to include dedicated training sessions for Committee members.

Agendas for meetings will be agreed with the Chair and will be circulated with supporting papers to all members of the Committee, Officers of the Council as appropriate and the Fund's Investment Advisor.

The Council will give at least five clear working days' notice of any meeting by posting details of the meeting at the Tower Hamlets Town Hall and on the Council's website. The Council will make copies of the agenda and reports open to the public available for inspection at least five clear working days before the meeting. If an item is added to the agenda later, the revised agenda will be open to inspection from the time the item was added to the agenda. The reason for lateness will be specified in the report.

There may on occasions be items which may be exempt from the agenda, reports and minutes of the meetings when it is likely in view of the nature of the business to be transacted or the nature of the proceedings that confidential information would be disclosed. Items which are most likely to be excluded are issues where to disclose information would contravene an individual's privacy or where there are financial interests which may be compromised as a result of disclosure for example discussions surrounding contracts.

The Council will make available copies of the minutes of the meeting and records of decisions taken for six years after a meeting. Minutes of meetings and records of decisions are available for inspection on the Council's website:

# Guidance note on the dual role of the Pensions CIV Sectoral Committee

# 1. Overview

The Pensions CIV Joint Committee will in practice be fulfilling two roles:

a) To consider and provide guidance on the direction and performance of the CIV ("Joint Committee Meetings"). Decisions can be taken at the committee relating to the operation and business of the ACS Operator but they will not be formal decisions of the ACS Operator unless either a general meeting of the ACS Operator (and not the committee) has been formally convened or a Board meeting of the ACS operator adopts the recommendations of the Joint Committee. b) The formal shareholder meetings of the ACS Operator to take decisions on behalf of the participating London local authorities in their capacity as shareholders exercising the shareholder rights in relation to the ACS Operator ("Shareholder Meetings").

There are various differences between the Committee meetings and the Shareholder Meetings, both in terms of how they are convened and who can attend. These differences are summarised below. In practice, the best way to conduct business is for a meeting of shareholders to be convened at the rising of the Joint Committee so that shareholders business can be transacted including any necessary formalising of any business of the joint committee:

# 2. Committee Meetings

The conduct of London Councils committee meetings are governed by London Councils' Standing Orders which are contained in Schedule 6 of the Leaders' Committee Governing Agreement.

# 3. Shareholder Meetings

The Shareholder Meetings are private meetings of the shareholders of the ACS Operator and only shareholders or their appointed representative may attend.

The conduct of the shareholder meetings will also be governed by London Councils' Standing Orders as far as these are compatible with company law, or by company law where the requirements are different e.g. notice periods are longer under company law and there are rules around proxies which must be followed.

# Strategic Development Committee / Development Committee –

|        |     | Council Guidelines for Determining Planning Applications under the Town and Country Planning Act 1990   |
|--------|-----|---|
| (i)    |     | The emphasis in determining applications is upon a plan led system. Section 38(6) of the Planning and Compulsory Purchase Act 2004 and section 70(2) of the Town and Country Planning Act 1990 requires all planning applications to be determined in accordance with the Development Plan (comprised of the London Plan (produced by the Mayor of London), Local Plan and Neighbourhood Plans (should any be adopted)) and any other material considerations. If the Development Plan is material to the application then the statutory position is that the application must be determined in accordance with the Development Plan unless material considerations indicate otherwise. |
| ( ii ) |     | The term "other material considerations" has a wide connotation as expressed by the following judicial comment:- "  |
|        |     | such considerations are limited to matters relating to amenityit seems to me that any consideration which relates to the use and development of land is capable of being a planning consideration".   |
| (iii)  |     | Material considerations include national planning guidance in the form of Government Circulars, Planning Policy Guidance Notes, Non-Statutory Development Control Guidelines and case law. A ministerial statement may be a material consideration.   |
| ( iv ) |     | Material considerations can include (but are not limited to):-  |
|        | (a) | Local, strategic, national planning policies and policies in the Development Plan;  |
|        | (b) | Emerging new plans which have already been through at least one stage of public consultation;   |
|        | (c) | Government and Planning Inspectorate requirements - circulars, orders, statutory instruments, guidance and advice;  |
|        | (d) | Previous appeal decisions and planning Inquiry reports;   |
|        | (e) | Principles of Case Law held through the Courts;   |
|        | (f) | Loss of sunlight (based on Building Research Establishment guidance);   |
|        | (g) | Overshadowing/loss of outlook to the detriment of residential amenity (though not loss of view as such);  |
|        | (h) | Overlooking and loss of privacy;  |
|        | (i) | Highway issues: traffic generation, vehicular access, highway safety;   |
|        | (j) | Noise or disturbance resulting from use, including proposed hours of operation;   |
|        |     | 311   |

|     | (k) | Smells and fumes;  |
|-----|-----|--|
|     | (l) | Capacity of physical infrastructure, e.g. in the public drainage or water systems;   |
|     | (m) | Deficiencies in social facilities, e.g. spaces in schools;   |
|     | (n) | Storage & handling of hazardous materials and development of contaminated land;  |
|     | (o) | Loss or effect on trees;   |
|     | (b) | Adverse impact on nature conservation interests & biodiversity opportunities;  |
|     | (q) | Effect on listed buildings and conservation areas;   |
|     | (r) | Incompatible or unacceptable uses;   |
|     | (s) | Local financial considerations offered as a contribution or grant;   |
|     | (t) | Layout and density of building design, visual appearance and finishing materials;  |
|     | (u) | Inadequate or inappropriate landscaping or means of enclosure; and   |
|     | (v) | Disabled persons access.   |
| (v) |     | Matters which are <u>not</u> material considerations again can include (but are not limited to):-  |
|     | (a) | Matters controlled under building regulations or other non-planning legislation e.g. structural stability, drainage details, fire precautions, matters covered by licences etc.; |
|     | (b) | Private issues between neighbours e.g. land/boundary disputes, damage to property, private rights of access, covenants, ancient and other rights to light etc.;                  |
|     | (c) | Problems arising from the construction period of any works, e.g. noise, dust, construction vehicles, hours of working (covered by Control of Pollution Acts);                    |
|     | (d) | Opposition to the principle of development when this has been settled by an outline planning permission or appeal;   |
|     | (e) | Applicant's personal circumstances (unless exceptionally and clearly relevant, e.g. provision of facilities for someone with a physical disability – see (vi) below);            |
|     | (f) | Previously made objections/representations regarding another site or application;  |
|     | (g) | Factual misrepresentation of the proposal;   |
|     | (h) | Opposition to business competition;  |
|     | (i) | Loss of property value;  |
|     | (j) | Loss of view; and  |
|     | (k) | Personal remarks (e.g. the applicant's motives).   |
|     |     |  |

| (vi)   | The personal circumstances of an applicant for planning permission are not generally a material consideration because they do not relate to the character or use of the land. However, in exceptional circumstances they may outweigh other material planning considerations. Where this is the case, specific and valid reasons must be given to justify the exception. |
|--------|--|
| (vii)  | What constitutes a material consideration is a matter of law. The weight to be attached to the consideration is a matter of planning judgement for the decision-maker having regard to the planning evidence.  |
| (viii) | It is essential to consider thoroughly any advice given by a statutory consultee or relevant Government Department, including views expressed by English Heritage or the Environment Agency.   |
| (ix)   | The view of local residents are relevant when determining a planning application, but it must be recognised that such opposition cannot be a reason in itself for refusing or granting planning permission unless founded on valid planning reasons, which are supported by substantial evidence.  |
| (x)    | Account should be taken of previous Council decisions, appeal decisions in relation to the site, or other related appeal decisions.  |
| (xi)   | It is not permissible to prevent, inhibit or delay development which could reasonably be permitted.  |
| (xii)  | Planning Conditions should only be imposed for a planning purpose and not for any ulterior one. They must fairly and reasonably relate to the development. Thus it is essential to avoid conditions which are unnecessary, unreasonable, unenforceable, imprecise or irrelevant.   |

# 1. SCOPE

- 1.1 These rules apply to all meetings of the Development Committee, Strategic Development Committee and Council in relation to the determination of planning applications.
- **1.2** As the determination of planning applications is a quasi-judicial function these rules provide processes and procedures which fulfil legal requirements of impartiality and natural justice.

# 2. REPORTS

- 2.1 All applications are the subject of written reports with officer recommendations. Reports will be produced in a standard form approved by the Corporate Director, Housing and Regeneration, and will identify and analyse major material considerations of which the Committee need to take account when exercising its planning judgment.
- 2.2 In addition to the written report, illustrative material is usually available at least thirty minutes before the meeting at the meeting to explain the scheme and the planning files will also be available for inspection.

# 3. ADDENDUM UPDATE REPORTS

- 3.1 It is common for material (such as late representations) to be received after the close of the agenda. This needs to be brought to the attention of the Committee so that it can be taken into account. Such material will be presented to Committee in written form at least 30 minutes before the beginning of the meeting in the Addendum Update Report which will comprise a summary of whatever has been raised, in the same way as representations are summarised in the main Committee report.
- 3.2 When such material is made available to members it will also be placed on the public planning file along with all the other papers for the application, subject only to any public exclusion restrictions.
- 3.3 The practicality of producing such a report means there has to be a cut-off point for receipt of late material which is no later than noon on the working day before the day of the meeting. Generally material received after this time will not be reported to the Committee though the Corporate Director, Housing and Regeneration, has an absolute discretion in this regard.
- 3.4 Material must not be distributed to Committee members by members of the public (including public speakers) or other Members of the Council during the course of the meeting.

# 4. REPRESENTATIONS AND PETITIONS

**4.1** All representations and petitions upon a particular application which are received prior to the cut-off point are summarised either in the main Committee report or in the addendum update report. Copies of these representations and petitions are available for inspection at the meeting.

# 5. ORDER OF PROCEEDINGS

- 5.1 Except as otherwise stated on the agenda, generally meetings take place at Tower Hamlets Town Hall, 160 Whitechapel Road, London E1 1BJ commencing at 6.30 pm

In order to able to vote upon an item, a Councillor must be present throughout the whole of the Committee's consideration including the officer introduction to the matter.

- 5.5 In the event that any contributor addresses the Committee through an interpreter, additional time may be allowed but the interpreter must not use the additional time to introduce new material.
- 5.6 The minutes of the meeting will record the members and officers present at the meeting and record any declarations of interest made by members or officers.

# 6. PUBLIC SPEAKING

- 6.1 Where a planning application is reported on the "Planning Applications for Decision" part of the agenda, individuals and organisations which have expressed views on the application will be sent a letter that notifies them that the application will be considered by Committee. The letter will explain the provisions regarding public speaking. The letter will be posted by 1st class post at least five clear working days prior to the meeting.
- When a planning application is reported to Committee for determination the provision for the applicant/ supporters of the application and objectors to address the Committee on any planning issues raised by the application, will be in accordance with the public speaking procedure adopted by the relevant Committee from time to time.
- 6.3 All requests from members of the public to address a Committee in support of, or objection to, a particular application must be made to the Committee Clerk by 4.00pm one clear working day prior to the day of the meeting. It is recommended that email or telephone is used for this purpose. This communication must provide the name and contact details of the intended speaker and whether they wish to speak in support of or in objection to the application. Requests to address a Committee will not be accepted prior to the publication of the agenda.
- 6.4 Any Committee or non-Committee member who wishes to address the Committee on an item on the agenda shall also give notice of their intention to speak in support of or in objection to the application, to the Committee Clerk by no later than 4:00pm one clear working day prior to the day of the meeting.
- **6.5** For objectors, the allocation of slots will be on a first come, first served basis.
- **6.6** For supporters, the allocation of slots will be at the discretion of the applicant.
- 6.7 After 4pm one clear working day prior to the day of the meeting the Committee Clerk will advise the applicant of the number of objectors wishing to speak and the length of their speaking slot. This slot can be used for supporters or other persons that the applicant wishes to present the application to the Committee.
- 6.8 Where a planning application has been recommended for approval by officers and the applicant or their supporter has requested to speak but there are no objectors or Members registered to speak, then the applicant or their supporter(s) will not be expected to address the Committee.
- 6.9 Where a planning application has been recommended for refusal by officers and the applicant or their supporter has requested to speak but there are no objectors or Members registered to speak, then the applicant and their supporter(s) can address the Committee for up to three minutes.
- **6.10** The order of public speaking shall be as stated in Rule 5.3.

- **6.11** Public speaking shall comprise verbal presentation only. The distribution of additional material or information to Members of the Committee is not permitted.
- 6.12 Following the completion of a speaker's address to the Committee, that speaker shall take no further part in the proceedings of the meeting unless directed by the Chair of the Committee.
- **6.13** Following the completion of all the speakers' addresses to the Committee, at the discretion of and through the Chair, Committee members may ask questions of a speaker on points of clarification only.
- **6.14** In the interests of natural justice or in exceptional circumstances, at the discretion of the Chair, the procedures in Rule 5.3 and in this Rule may be varied. The reasons for any such variation shall be recorded in the minutes.
- 6.15 Speakers and other members of the public may leave the meeting after the item in which they are interested has been determined.

# 7. COUNCILLORS EXERCISING THEIR PUBLIC SPEAKING RIGHTS

7.1 A Councillor who is a member of the determining Committee and who wishes to address the meeting but has a prejudicial interest is permitted to speak in accordance with Rule 6 above and must immediately leave the room once he/she has finished addressing the meeting. The Councillor cannot remain in the public gallery to observe proceedings on the matter.

# 8. COUNCILLORS WHO ARE NOT MEMBERS OF THE COMMITTEE

- **8.1** Councillors who are not members of the determining Committee may make written representations to the Council about a planning application in the same way as can any other interested person.
- **8.2** A Councillor who is not a member of the determining Committee but who attends a meeting must declare any personal or prejudicial interest. The declaration of a prejudicial interest will preclude the member from remaining in attendance during consideration of the relevant item but not during the stages set out at Rules 5.3(a) to 5.3(d) above. The Councillor may address the meeting as set out in Rule 5.3(d).
- 8.3 In the event that three or more Councillors register to speak on an application, the Chair may exercise their discretion to limit either the number of Councillors entitled to speak or the time each Councillor has to speak in order to enable the business of the meeting to be disposed of in the time available. Preference may be given to Ward Councillors who have registered to speak.
- **8.4** A Councillor who is not a member of the determining Committee who speaks at a meeting must include within the speech details of any contact with the

- applicant, agent, adviser or other interested party and whether or not the speech is made on behalf of such person(s) or any other particular interest.
- **8.5** A Councillor who is not a member of the determining Committee but who is present at a meeting should sit separately from the Committee members, so as to demonstrate clearly that he/she is not taking part in the discussion, consideration or vote.
- **8.6** A Councillor who is not a member of the determining Committee must not communicate in any way with members of the Committee or pass papers or documents to them before or during the meeting.

# 9. DECISIONS CONTRARY TO OFFICER RECOMMENDATIONS

- 9.1 Where a Committee proposes to make a decision contrary to the officer recommendation (whether for approval or refusal) and that decision would not necessarily be contrary to the provisions of the Development Plan, in order to ensure that members are clear of the basis upon which they are proposing to vote advice from officers should be sought. That advice will be based upon the material considerations that have been heard by the Committee and whether there are grounds that could be defended in the event of an appeal or legal challenge.
- 9.2 Where a vote on the officer recommendation is lost, it is necessary for a new motion to either grant or refuse the application to be proposed. The Committee should receive advice from officers as to the appropriate form that the new motion should take.

# 10. DECISIONS CONTRARY TO THE DEVELOPMENT PLAN

- 10.1 The law requires that where the Development Plan is relevant, decisions must be taken in accordance with it unless material considerations indicate otherwise. If a Committee intends to approve an application which is contrary to the Development Plan, the material considerations must be clearly identified and the justification for overriding the Development Plan clearly demonstrated. The application will have to be advertised in accordance with Article 8 of the Planning (General Development Procedure) Order 1985 and, depending upon the type and scale of development proposed, may also have to be referred to the Department for Communities and Local Government. If the officer report recommends approval of a departure, the justification should be included, in full, in that report.
- 10.2 If a Committee is minded to make a decision contrary to the officer recommendation (whether for approval or refusal) and that decision would be contrary to the provisions of the Development Plan, such motion may only contain the Committee's initial view and must be subject to a further report detailing the planning issues raised by such a decision. Further consideration of the matter must be adjourned to a future meeting of the Committee when

- officers will present a supplemental report setting out the proposed new position and explaining the implications of the decision.
- 10.3 If, having considered a supplemental report, the Committee decides to determine the application contrary to the Development Plan, a detailed minute of the Committee's reasons, which as a matter of law must be clear and convincing, shall be made and a copy placed on the application file.

# 11. DEFERRALS

- 11.1 Where it is necessary to defer the determination of an application, the matter will be placed on the list of "Deferred, Adjourned and Outstanding Items" in the agenda to enable further consideration as soon as possible. Generally where the reason for deferral does not involve any substantive new information being brought before the Committee (for example, following deferral for a site meeting or clarification of an issue) the Committee will be updated by means of the addendum update report and can usually proceed to determine the application at the next meeting. In such circumstances at the re-convened consideration there will be no further public speaking pursuant to Rule 6.
- 11.2 Where deferral is for a more substantive reason (such as renegotiating part of the proposal) then it would generally be appropriate for a fresh report to be presented to the Committee in the "Planning Applications for Decision" part of the agenda in order to ensure that that the Committee is apprised of all material considerations. Where a new full report is presented to Committee, public speaking pursuant to Rule 6 is permitted.
- 11.3 Such applications will be placed on the list of deferred items at the beginning of the agenda so that the Committee has a record of all applications that stand deferred.
- 11.4 Where an application is deferred and its consideration recommences at a subsequent meeting only Members who were present at the previous meeting will be able to vote. If this renders the Committee inquorate then the item will have to be reconsidered afresh. This would include public speaking rights being triggered again.

# 12. SITE VISITS BEFORE A COMMITTEE MEETING

- 12.1 It is advisable that members are familiar with the sites of the applications on the agenda to enable them to make informed decisions on the planning applications before them and to avoid deferring those decisions pending site visits.
- 12.2 Where members visit the site themselves before the meeting, care must be taken to ensure that they comply with the Planning Code of Conduct at Part 5 of this Constitution. Such visits should be carried out discreetly and members should not make themselves known to the applicant or to neighbours. Accordingly members should avoid going onto the actual application site or a neighbouring property. The reason for this is that contact between a member

of the Committee and the applicant or a local resident could be misinterpreted as lobbying. If such contact is made this should be declared in Committee, but this should not in itself prevent that member from taking part in the consideration of that application, provided that the member has followed the advice in the Planning Code of Conduct.

# 13. FORMAL SITE VISITS BY THE COMMITTEE

- 13.1 A formal site visit will be arranged where the Committee have resolved on a majority vote to visit the site or if in the opinion of the Corporate Director, Housing and Regeneration a site visit is recommended. Site visits should only be selected where there is a clear and substantial benefit to be gained.
- **13.2** The procedure for formal site visits by the Committee shall be as follows:
  - (a) Arrangements for visits will not normally be publicised or made known to applicants, agents or third parties.
  - (b) Where permission is needed to go on land, contact will be made with the owner by officers, but the owner cannot take any part in the visit, other than to effect access onto the site.
  - (c) The purpose of a site visit is to enable Members to inspect the site and to better understand the impact of the development. The Committee must not receive representations or debate issues during a site visit.
  - (d) An application cannot be determined at a formal site visit by a Committee and must be considered at the next appropriate meeting of the Committee.
  - (e) The Committee Clerk will make a note of the meeting and include it in the Update Report.
  - (f) Failure to attend a Formal Site Visit shall not bar a Member from voting on an item at the meeting that considers the item provided the Member is satisfied that he/she is sufficiently familiar with the site.

# 14. DELEGATED POWERS

- 14.1 The recommendations in the reports to Committees do not set out the full wording of planning conditions or reasons for refusal, but are a summary of them. This communicates the details of the recommended decision more clearly than many pages of detailed conditions or grounds. It is for the Corporate Director, Housing and Regeneration, to communicate the detailed wording to applicants pursuant to delegated powers. Where a particular concern about the precise wording of a condition or ground has been expressed at a meeting the Corporate Director will make the final wording available for inspection.
- 14.2 At the beginning of the agenda there is a general resolution to give delegated powers to the Corporate Director, Housing and Regeneration, to vary or add conditions or reasons for refusal. The reason for this is that there can sometimes be a delay before a decision is issued (such as waiting for the

signing of a legal agreement or views from the Mayor of London) and something may arise which necessitates a minor amendment or an addition. Power is delegated to the Corporate Director to obviate the need for further reference to Committee and delay to the process. The exercise of the power by the Corporate Director must not exce ed the substantive nature of the Committee's determination and any amendment or addition which would do so shall be referred back to the Committee.

# 15. REFERRAL TO COMMITTEE OF A PLANNING APPLICATION DELEGATED TO THE CORPORATE DIRECTOR, HOUSING AND REGENERATION

- 15.1 Any planning application which would be determined under delegated powers may be referred to the Development Committee pursuant to the following procedure.
- 15.2 Within four weeks of the date of a planning application first being publicised any four Members of the relevant Committee may request that the application be referred to the Committee for determination by completing and signing a Planning Application Referral Request which shall be delivered to the Service Head, Development Decisions.

# **Panel Responsibilities**

The panel is responsible for the following in relation to recommendations to the Tower Hamlets Agency Decision Maker:

- (a) To consider each application of adopters for approval and to recommend whether or not a person is suitable to act as an adoptive parent. (Where it recommends the approval of an application it can advise on the terms on which the approval is given). The panel has the added responsibility of being able to recommend the termination of the approval status of a prospective adopter.
- (b) To make recommendations in relation to a 'match' of an adopter with a child. The adoption panel makes a considered recommendation, taking in to account all of the relevant information sent through to them. The relevant documentation is sent out to the panel members at least ten working days in advance of the actual panel date.
- (c) To make a fresh recommendation if a case is referred back to panel following an applicant being considered unsuitable and where they make representations to the agency.
- (d) To consider a brief report when the assessing social worker is recommending that the applicant's assessment should be terminated.
- (e) To consider the reviews of approved adopters where they may be considered no longer suitable to adopt, and to follow the process set out in AAR 29.4
- (f) Give advice and make recommendations on any other matter or case as appropriate.

In addition the panel has the following duties and functions:

(a) A quality assurance function reporting back to the agency every six months in relation to the assessment process and the quality of reports being presented to the panel, including checking whether the requirements of the Restrictions on the Preparation of Adoption Reports Regulations 2005 are being met. In particular, monitoring and review of the work carried out by assessors: to provide feedback; to identify problems; and to ensure there is a consistency of approach in assessment across the service, and that assessment is fair to all applicants and has been completed in a thorough and rigorous way.

- (b) Monitoring the range and type of adopters available to Tower Hamlets in comparison with the needs of children requiring adoptive placements and monitoring time scales according to set standards. Where these timescales have not been met, recording accurately the reason for delay.
- (c) Ensuring the written minutes of panel meetings are accurate and informative, and clearly cover the key issues and views expressed by panel members. The minutes should record the panel's recommendation, the reasons for its recommendation and its advice. The panel chair is responsible for checking the accuracy of the minutes, ensuring they are sufficiently full, and give the actual recommendations from the panel meeting.
- (d) Exploring the support offered to adopters and post- and pre-placement children and making recommendations accordingly

# Time Scales

Tower Hamlets is committed to minimising delay in all aspects of its adoption service. We are committed to meeting the following time scales:

All necessary information is provided to panel members at least <u>five working days</u> in advance of panel meeting to enable full and proper consideration.

Minutes must be produced promptly, agreed by the panel members and sent to the agency decision maker (ADM) to allow the decision to be made within <u>seven</u> working days of the receipt of the panel's recommendation and final set of panel minutes.

# The Prospective Adopters:

- (a) Within <u>two working days</u> written information sent in response to their enquiry. (NMS allows five working days)
- (b) Within <u>two months</u>, a home-visit is undertaken / a follow up interview with a social worker takes place and/or an invitation to an information meeting is offered.
- (c) Within six weeks from the completion of their assessment report, the adoption panel should receive all necessary information from the agency.
- (d) Within *eight months* of the receipt of their formal application the panel should make a considered recommendation on the suitability of a prospective adopter to adopt. A determination about their suitability to adopt should be made by the agency, following the adoption panel's considerations and recommendation.

# **Matching and Placement:**

The following time-scales should be adhered to, taking into account the individual child's needs:

- (a) Within *six months* of the Agency Decision Maker deciding that the child should be placed for adoption, a match with suitable adoptive parents should be identified and recommended by the panel.
- (b) Within *three months* of the agency deciding that the child should be placed for adoption, where a parent has requested that a child aged less than six months be placed for adoption, a match with suitable adoptive parents should be identified and approved by the panel

Where Tower Hamlets fails to meet these time scales the panel can explore the reasons with the presenting social workers and record the reasons in the written minutes of the panel.

- (a) To provide legal advice in the form of a Legal Report to the Agency Decision Maker in relation to the case, when the ADM is considering adoption as the plan for a child.

## **Appointment of Members**

New members can only be appointed with consent from Divisional Director Children's Social Care.

Prior to appointment they should be interviewed and receive detailed briefing and written guidance from the panel adviser.

#### Performance

If Tower Hamlets considers that any member of the adoption panel is unsuitable or unable to remain in office we will terminate their period of office in writing. This can only be done with agreement from Director Children's Social Care (Supporting Families).

The panel's professional adviser is responsible for maintaining records and checks of all panel members. Prior to appointment, each prospective member should be inducted and formally interviewed to ensure they understand their role, task and responsibilities. If required the panel adviser should advertise for appropriate members.

Guidance requires each panel member's performance to be reviewed annually, by way of an appraisal. This will be conducted by the Agency Adviser to the panel and the Panel Chair

The Chair's performance will be conducted by the ADM, who may attend some panels as an observer, to enable them to do the review.

Evaluation forms are provided to social workers and other attending panel in order to ensure quality assurance.

All those on the central list need to be given the opportunity to attend a training day with agency's adoption staff annually. The expectation of attending this should be included in their written undertaking.

In addition to the annual training all those on the central list need access to appropriate training.

## Reaching a Recommendation

The Adoption Panel cannot sit unless they are quorate. To be quorate the following must meet as a panel:-

- (a) The Chair or Vice Chair.
- (b) The panel must also have a social worker, (with three years post-qualification experience),
- (c) Three other members. If the chair is not present and the Vice Chair who is chairing the meeting is not independent of the agency, at least one of these members must be an independent person.

During meetings the Chair should ensure that each panel member has an opportunity to raise any appropriate matter, comment and to participate fully. Following discussion each member should be asked in turn whether or not he/she supports a proposed recommendation. An attempt should be made by the chairperson to facilitate the panel reaching a consensus. This will not always be possible.

It is the Panel Chair's role to ensure that panel members take a consistent approach. Often, an evenly divided panel will suggest that that there is sufficient doubt to prevent the panel making a confident recommendation. In a matching recommendation the balance of the panel's recommendation should always favour the best interest of the child. If the panel cannot reach a consensus the panel chair has a casting vote.

Where there is a serious difference of opinion amongst members, the chairperson may ask for more information to be made available to the panel before a recommendation is made. The panel chair should ensure a record of significant reservations expressed by individual panel members is made within the minutes.

In the event of the majority of the panel not supporting a recommendation then the recommendation should not be made and the reasons clearly recorded.

# The Agency Decision-Maker (For further reference see SG3 67-69)

No panel member may take part in the agency decision.

In Tower Hamlets the agency decision-maker is the Director Children's Social Care (Supporting Families). In the absence of the Director Children's Social Care the Service Manager, Child Protection & Reviewing will act as their deputy.

The Director Children's Social Care (Supporting Families) (the Agency Decision Maker) should receive the panel papers prior to the panel considering them. In the case of CPR's these should be provided by the panel clerk with the Medical and Legal reports, plus other documentation as agreed by the Panel Adviser within the same timetable for other panel papers. The agency's decision maker must make the decision within seven working days of receipt of the panel's recommendation and final set of panel minutes. (The same time frame exists for decisions relating to CPR's.) These must have been produced promptly and a hard copy be given to the ADM by the panel clerk. Prior to making a decision the agency decision-maker may meet/ seek clarification on any of the panel processes or recommendations from either the Panel Chair or Adviser.

The agency decision must be communicated to the birth family member and prospective adopters orally within two working days of the agency decision and in writing within five working days. The oral notification should be given to the birth family by the child's social worker and by a PAST social worker in the case of prospective adopters.

If the agency decision-maker considers that a person is not suitable to act as an adopter they shall:

- (a) Write to them giving notice that they propose not to approve him/her, together with full and detailed reasons for the determination.
- (b) Invite him/her to make any written representations within forty working days of the decision.

In the event of receiving no written representations then the decision will be confirmed.

In the event of written representations being made, the ADM may invite the prospective adopter to meet to discuss their case.

The ADM may instead refer the case to the next possible Adoption Panel for consideration with the original panel papers. The prospective adopter must be invited to this panel. The panel should then make a further recommendation to the agency decision-maker. The agency decision-maker will then write to the adopter either a) giving approval or b) giving written reasons for the decision not to approve.

In the event of a decision not to approve then the person it concerns should be further advised of the Complaints procedure and given information about the Independent Review Mechanism

The panel cannot make any in principle recommendations.

## **Panel Minutes**

These must be taken by the Panel Clerk and meet the following stipulations:

- (a) Be a full and accurate summary of any discussion within the panel.
- (b) Be agreed and signed off by the Panel Chair as accurate.
- (c) Clearly record any differences of opinion in relation to a panel recommendation.
- (d) Record recommendations and advice accurately as dictated by the Panel Chair.

Training should be available to the panel clerk to assist them in taking accurate minutes. In their absence another suitable experienced administrator will be required to cover.

## **Expenses**

Those independent members who are not employed by a partner organisation should receive an expense payment of £100 plus travel per panel. This is paid by the London Borough of Tower Hamlets payroll.

# Frequency and Venue

The Adoption Panel will meet twelve times a year usually for a period of not more than four hours. It will be held at a suitable venue with an appropriate waiting area for Social Workers and applicants.

# **Emergency Panels**

An emergency Permanency Panel can be set up at any time providing it is quorate and is chaired by either the Panel Chair or the Vice Chair.

# Feedback on Quality

Any member of the panel has two ways in which they can give feedback on the quality of assessments and work.

- (a) <u>Informally:</u> Before, during or after panel the professional advisor who will take back the panel members' feedback and use it to inform management practice.
- (b) <u>Formally:</u> This can be put in writing to the Service Manager Children's Resources via the panel chair or to the Director Children's Social Care (Supporting Families).

# **Social Workers and Adopters Attending Panel**

The Social Worker that has completed the assessment and/or their line manager must attend Panel. Adopters have the opportunity to attend Panel when their assessment is considered. The purpose of this is to:

- (a) Demystify the Panel process and membership.
- (b) Provide an opportunity for carers to make representations and ask questions.
- (c) Questions should come only from the Panel Chair and should be designed only to seek clarification in areas not clear. They should not replace the written assessment as a way of gathering information.
- (d) Their strengths should be highlighted where possible.

Adopters may also attend Panel if they are being recommended for a match with a particular child or children. Carers who wish to be matched to a child but have been turned down by Tower Hamlets may not attend

The Social Worker who has completed the assessment should answer questions that relate to the assessment. They should consequently come prepared to verbally support their assessment. A leaflet explaining the process to the carers attending the panel is available from PAST.

## Training

Training for Panel members should come in three forms:

- (1) A briefing/training session prior to starting as a panel representative.
- (2) Attendance at an annual training day. When appropriate additional training days should be provided to panel members.
- (3) Regular facilitated sessions/presentations or discussions at panel on subjects designed to ensure that the panel maintains the level of knowledge required to be effective.

The content of training should be defined by the panel itself and facilitated by the Panel Adviser.

# **Appeals**

If the Applicants are not satisfied by the recommendation or are not in agreement, in addition to the information in the letter from the agency (SG3.65) they should be given a full explanation by their social worker and given information on what action they can take

- (a) Follow the Tower Hamlets Complaints Procedure.
- (b) Make representations to the agency in writing within forty working days of the receipt of the letter outlining the qualifying determination.
- (c) Make an application to the Independent Review Mechanism (see link in letter from ADM and IRM leaflet). The applicant's link worker may provide this leaflet.

# **Referral to the Adoption Register**

The primary objective of PAST is to provide a service to the children who need permanent families with in the borough. In accordance with the adoption standards we aim to reduce the delay in matching children with the adoptive families approved by the team.

After a family has been approved at the panel the assessing social worker will actively search for a suitable match. The assessing social worker must advise the adopters about the National Adoption Register and refer the adopters to the register if no match is found within three months of the adopters' approval

The referral form must be completed and sent to the National Adoption Register.

The adopters can now make a referral to the register and must be advised to do so.

# Referral to the Consortium

The principal of no delay for children can only be achieved when resources are shared. This is the aim of the North East London Adoption Group. The PAST administration should send out a list of all adopters who have been approved to the consortium members on a monthly basis. It is the responsibility of the supporting social worker to ensure that the family's details are given to the administration team to be made a part of the circulation as soon as they have been approved.

# **The Fostering Panel Procedures**

**Legislation:** Children Act 1989 and Arrangements for Placement of children

**Applies to:** Fostering Panel members, social workers and managers

**Applies from:** April 2011

# 1. This Guidance and Procedure should be used by:

 The panel chair person, panel members and panel advisers to guide their practice and decision-making

- Social workers presenting reports to panel
- Managers within the fostering service
- The agency decision-maker

## 2. Relevant Fostering Standards and Regulations

Of particular relevance to this guidance are:

Regulation 26: Assessment of prospective foster parents

• Regulation 27: Approval of foster parents

Regulation 28: Reviews and terminations of approvals

### 3. Membership

There is no requirement for the panel to have a fixed membership, although the ability of the panel to function cohesively and with a level of consistency must be taken into account. There is no limit on the number of people who may be included on the list. Membership should include:

### Member 1: Panel Chair

This will be a person who is independent of the direct line management of Tower Hamlets' fostering service. The chair should hold a recognised social work qualification and be experienced in chairing complex meetings involving the rights and needs of looked after children. The Chair will sign a contract for each term of office and receive a fee on receipt of an invoice. See attached document.

Many of the following tasks and responsibilities are carried out in conjunction with the panel adviser.

- Attending pre-panel meetings in order to ensure the quality and relevance of reports submitted to panel
- Deciding who will attend panel, including observers and others involved in presenting cases
- Ensuring that all panel members participate fully and where possible a consensus is reached. Where there are serious reservations, the chair should ensure these are recorded in the minutes and attached to the panel's recommendations.
- Considering the continued membership of panel members who appear to be unfit, unwilling or unable to continue
- Managing the process when a panel member declares an interest in a case
- Being involved in deciding when an extra panel may need to be convened to consider an urgent matter
- Being involved in the appointment, induction and appraisal of panel members
- Taking responsibility to ensure that the panel is clear about the reasons for its recommendations and that these and the minutes are accurately recorded
- Monitoring the attendance of panel members to ensure that they all maintain an attendance level of at least 75%
- Being involved in the preparation of an annual report summarising the work of the panel and fostering team
- Attending a quarterly meeting with the agency decision-maker to discuss any issues arising from panel and the cases presented to it. One of these meetings will constitute the annual appraisal which will review the chair's strengths and areas of development and any suggested improvements in the department's practice
- Ensuring that the panel works within Tower Hamlets' guidance and policy and that the child's needs always remain paramount

#### Member 2: Vice Chair

This will normally be the Service Manager for Children's Resources. In the event that there is no-one in this post then another Service Manager with suitable experience should take this role until such a time as the post is filled. The role of the vice chair is to deputise for the panel chair in their absence.

## Members 3 & 4: Team Managers or Practice Managers

Of the two social work representatives, one should have expertise in the provision of children's social care and the other in the provision of a fostering service.

## Member 5: Elected Member

This is a person elected to Tower Hamlets council.

#### Member 6: Medical Adviser

The medical adviser should have experience in child health. The agency medical adviser may delegate the panel role to an appropriate person, for instance a CLA nurse.

#### Member 7: Foster Carer

This is an independent member, who should have experience of being a foster carer for another provider within the last two years.

## Member 8: Looked After Child or Parent of Looked After Child

This member is independent and should have previously been a looked after child or have had a child who was placed in public care. He/she must be over 24 or their child should have left public care a minimum of 5 years prior to appointment to the panel. The service should have been provided by a borough other than Tower Hamlets.

Independent members will receive a fee.

# Member 9: Disabled Person or Parent of Disabled Child Who Has Received a Short Break Service

If this post is filled by a disabled person, he/she can be independent or a Tower Hamlets" employee; however, if they are in receipt of a short break service, this should be provided by another borough.

## Member 10:

This should be a person with expertise in education and can be an independent member or employee of Tower Hamlets.

At least four panel members should be independent. Independent members will receive a fee on receipt of an invoice. See attached document.

#### Advisers

#### Adviser 1: Professional Adviser

This should be the team manager of one of the fostering teams or a discrete role within the Family Placement Service. The adviser's role includes:

- Advising the panel on issues of practice and regulation
- With the chair ensuring that reports presented to the panel are of a consistent standard

- Supporting the chair with their role as described above
- Producing the annual report
- Providing management information to enable the panel to monitor the range of carers available in comparison with the children looked after population and trends in recruitment and retention
- Providing updates on cases presented to panel
- Ensuring that the panel clerk carries out their role efficiently
- Arranging panel training
- Drafting decision letters to foster carers and applicants
- Keeping personnel records for all panel members
- With the chair raising issues of behaviour or attitude with panel members as they arise.

The panel adviser is not a voting member.

# Adviser 2: Legal Adviser

The purpose of this role is to provide legal advice to the panel as requested. This adviser is not required to attend every panel, but should receive the papers and forward comments to the panel adviser.

#### Adviser 3: Medical Adviser

The panel should have access to medical advice, either by the medical adviser being a panel member or by providing written advice on the health of applicants and foster carers. The medical adviser will also be able to offer information about the health of children being matched with long term foster carers.

## 4. Appointment of Members

When appointing new members, consideration should be given to maintaining the diversity of the panel in terms of ethnicity, gender and knowledge and experience.

New members are appointed by the Head of Children's Social Care. All members should receive a letter of appointment. All members should supply two references and photographic ID, such as a passport or driving licence. They are also required to have a Criminal Records Bureau check on a three yearly basis. In the case of elected members, they can opt for the Head of Children's Social Care to carry out this procedure.

Independent members should complete an application form and be interviewed by the chair or vice-chair and the panel adviser.

All members should receive detailed guidance and an information pack about the role. They should be invited to observe a panel before becoming a full member.

## Panel Membership Agreement

On appointment, panel members should sign an agreement which will include the following in their agreement:

- Attend at least 75% of panels per year
- Participate in induction and training
- Safeguard the confidentiality of written and verbal information
- Declare an interest if they have either a personal or professional knowledge of the case under consideration
- Adhere to anti-discriminatory practice and Tower Hamlets Equal Opportunities policy
- Read papers carefully and be prepared to contribute to panel discussion
- Undertake CRB checks on a three yearly basis and inform Tower Hamlets immediately if they have been charged, convicted or cautioned for any criminal offence or if any criminal proceedings are pending
- Give one month's notice of their intention to resign
- Participate in the annual appraisal process for panel members

# Appraisal of panel members

Fostering panel members should have a yearly appraisal conducted by the chair and the panel adviser. The ADM (Agency Decision Maker) will carry out the chair's appraisal. The process will consider strengths, developmental areas and review the members' suggestions for improvements by the agency. It should also address, where appropriate, renewing membership at the expiry of the term of office and deal with any issues of practice.

Any concerns about performance, behaviour or attitude should be discussed and recorded in the appraisal.

#### Tenure of Office

There is no prescribed maximum or minimum tenure, although the fostering service should plan and manage turnover in such a way that it avoids the need to replace a large proportion of the members in any one year. Members should give one month's notice of their intention to resign.

Where there is concern that any member of the fostering panel is unsuitable to remain in office, this should be discussed with them, usually by the chair and panel adviser. If there are concerns about the performance of the chair, these should be discussed with them by the ADM and panel adviser. If the concerns continue, the member can be given notice in writing by the ADM.

## 5. Work of the Fostering Panel

The Fostering Panel meets monthly for up to 6 hours. There is an option for an overspill panel to be held on the second Tuesday of each month if there is too much work to be dealt with in one panel.

The Fostering Panel undertakes the following work generated by the Recruitment and Assessment Team, the Fostering Development Team, the Permanency and Adoption Support Team and the Kinship Care Team:

- Approvals of new short term, long term, short break, remand, teenage and when needed of connected persons;
- Annual foster home reviews;
- Specific Issue reports with regard to existing foster carers, including termination of approvals;
- Matches between long term foster carers and children looked after;
- A connected person who is approved as a foster carer is often referred to as a
  family and friends carer. Subject to the successful completion of the assessment
  or checks set out in regulation 24(2), the connected person may be approved as a
  local authority foster carer for a period not exceeding 16 weeks. Regulation 25 of
  the 2010 regulations sets out the circumstances in which, exceptionally, the period
  of temporary approval may be extended for a further 8 weeks. This period has
  been set to allow a sufficient time for the full approval process to be undertaken,
  including any criminal record checks required;
- Variations and exemptions with regard to foster carers' approval criteria.

The panel has the following areas of responsibility:

- To consider each application for approval and recommend whether or not the person is suitable to act as a foster carer and the terms of approval.
- To recommend whether a foster carer's terms of approval remain appropriate. Annual foster home reviews and specific issues reports following allegations can be signed off by the chair but need to be presented to the panel in the following circumstances:
  - First review and every following third review
  - Following allegations or child protection concerns, whether this is proven or unsubstantiated
  - o If a significant change of approval or termination of approval is requested
  - On any other occasion if requested by the panel or the fostering service
- To consider matches between long term foster carers and looked after children
- To give advice at an early stage of the fostering assessment, if there are questions with regard to whether the applicant would ultimately be approved
- To hear appeals from applicants whom the fostering team has turned down
- To make a recommendation in relation to the deregistration of any foster carer and hear representations made by the carer, which are received within 28 days

- To monitor the range and type of foster carers available to Tower Hamlets in relation to the profile of children needing foster carers (Standard 13.6)
- To consider management information about the outcome of foster home reviews (Standard 30)
- To oversee the conduct of assessments and monitor the quality of reports (Standard 13)
- To give advice and make recommendations on any other matter or case that the fostering service feels is appropriate to refer to the panel

# Quoracy

The fostering panel cannot make recommendations unless it is quorate. To be quorate, there must be at least 5 members present, including either the chair or vice-chair. At least one Tower Hamlets social worker and at least two independent members must be present.

To ensure that the panel is quorate the panel clerk will check availability of members prior to each panel and inform the panel adviser if any difficulty is anticipated.

#### Panel Process

Before any case is discussed, panel members should declare any conflict of interest that may arise and a decision should be made by the chair in consultation with the panel adviser as to whether the panel member should withdraw.

Having read the papers, panel members will attend the meeting with comments and questions they would like to raise. There will be a preliminary discussion on each case, whereby the chair will ascertain the views of panel members and any questions or points of clarification required. Questions should seek clarification in areas which are not clear and should not replace the written reports as a way of gathering information.

The chair will go to the waiting room to introduce themselves and welcome the applicant or foster carer to the Panel. The social workers and their line managers will be asked into the room first, if it is felt that there are questions which would be better posed without foster carers or applicants being present. Afterwards applicants or foster carers will be invited into the room and will be asked questions about any further points of clarification. It is important to highlight strengths wherever possible.

The professionals and foster carers or applicants will be asked to leave while the panel considers its recommendation, after which the chair will inform them of the outcome.

#### Making a Recommendation

The panel can make a positive or negative recommendation or recommend a deferment.

During meetings the chair should ensure that each panel member has an opportunity to put forward comments and questions. Following discussion each panel member should be asked whether he/she supports a proposed recommendation. The chair should attempt to facilitate the panel to reach a consensus, although this might not always be possible.

An evenly divided panel may suggest that there is sufficient doubt to prevent the panel making a confident recommendation. At such times, the balance of the panel's recommendation should always favour the best interests of children.

Where there is a difference of opinion, the chair may request additional information before a recommendation is made. The panel clerk should record the views of individual panel members.

In the event of the majority of panel members not supporting a recommendation, it should be rejected and the reasons for this clearly recorded.

# Termination of Approval

**Resignation:** The case should be referred to the panel for information with a brief Specific Issue report and a copy of the letter of resignation.

**Termination:** A full report should be presented to panel detailing the issues and mitigating factors with a clear recommendation. Foster carers should be asked to provide their own written comments and to attend panel.

Where termination of approval is recommended due to serious misconduct or child abuse, the panel should consider whether the foster carer's name should be referred to the Secretary of State for inclusion in the Protection of Children List. This should form part of the recommendation to the ADM.

## **Exemptions and Variations**

**Exemptions:** The usual fostering limit is three children unless they are part of the same sibling group. Only the local authority in which the carers live can grant an exemption. However, Tower Hamlets Fostering Panel should also be informed at its next meeting and should raise its concerns if it feels that the exemption should not continue.

**Variations:** If it is decided to place children outside the foster carers' current approval criteria, the panel should be informed at its next meeting. If the arrangement lasts for more than 6 weeks, a full report should presented to panel.

When considering variations the panel should be mindful that:

• The needs of other children in the placement will continue to be met

- The accommodation is suitable for an additional child
- The foster carer has sufficient support
- The foster carer has the necessary skills to meet the needs of the child

## 6. The Role of the Agency Decision Maker

In Tower Hamlets, the ADM is the Head of Children's Social Care. No panel member may take part in the agency decision.

The ADM should receive the panel papers prior to the panel. Following the panel, the ADM should receive the minutes and recommendation sheets, signed by the chair within 5 days. Prior to making a decision, the ADM may seek clarification from the panel adviser or the chair.

Following the ADM's decision, the panel adviser will draft letters to foster carers and applicants with regard to the outcome, the reasons for the decision and the details and current status of their approval. These should be signed by the ADM.

If the ADM considers that a person is not suitable to act as a foster carer or that there needs to be a change to the approval, the letter should inform the applicant/foster carer of the decision and the reasons and inform him/her of their right either:

1. To make written representations to the ADM within 28 days of the date of the letter, setting out why he/she does not agree with the decision.

## Or

2. To apply to the Independent Review Mechanism (IRM) for a review of the decision.

## Option 1

If written representations are received, the case should be referred back to the earliest possible fostering panel. The applicant/foster carer should be encouraged to attend to present their case. The panel should make a further recommendation to the ADM, taking into account the content of the representations. Once the ADM has made their decision, the panel adviser will draft a letter with the decision and the reasons to inform the foster carer/applicant of the outcome. This decision is final. A copy of the letter should be sent to the local authority in which the carer lives, if this is outside Tower Hamlets.

## Option 2

If the person requests a review by the IRM, their recommendation will be considered by the ADM, who can either uphold or reject it. A letter will be sent to the foster carer or applicant outlining the reasons for the decision.

In the event of a decision not to approve, the person concerned should be informed about the Complaints Procedure, which will be able to consider whether the process was fairly carried out, although the decision itself cannot be changed.

If the ADM does not receive any representations and the IRM is not requested to carry out a review, the ADM decision will stand.

#### 7. The Role of the Panel Clerk

The role includes the following tasks:

- Produce an annual schedule of panel meetings, pre-panel meetings and submission dates
- Pre-book the venue and waiting room for the pre-panel and panel for the year ahead
- Maintain a panel booking system, including a process for urgent cases
- Contact panel members to ensure that the panel will be quorate

- Notify social workers, supervising social workers, applicants and foster carers of the time at which their cases will be heard
- Order lunch for panel members and refreshments for attendees
- Ensure panel members sign the confidentiality statement, which also acts as a register of attendance
- Take minutes of discussion at panel and record recommendations as dictated by the chair
- Record any amendments to panel minutes and bring the amended copy of minutes from last but one panel for the chair to sign
- Collect papers from panel members and dispose of these in a way that maintains confidentiality
- Submit draft minutes to panel adviser and make corrections as required
- Ensure that agency decision-maker receives minutes and recommendation sheets in order that he/she can ratify or reject the panel's recommendations
- Print and send out letters, written by panel adviser, to applicants and foster carers about the decisions
- Provide supervising social workers with copies of decision sheet, minute and letter with regard to the case with which they are concerned
- Send out questionnaires to social workers and foster carers who have attended panel to elicit their views about the process and any improvements that could be made

- Maintain the archive of panel papers and separate files of decision sheets and letters
- Send out agendas to panel members ten days in advance of the panel using security bags and a recorded delivery service

Administrative workers in the Recruitment and Assessment Team, Fostering Development and Kinship Care Team should be familiar with the panel process and able to cover for the panel clerk in their absence.

#### Panel Minutes

These will be taken by the panel clerk and should:

- Record the key issues and views of panel members
- Clearly record differences of opinion in relation to a panel recommendation
- Record recommendations with regard to approval criteria and the reasons
- Be written up in draft form within 3 days of the panel
- Be checked by the panel adviser prior to inclusion in the next panel agenda
- Be agreed as an accurate record at the next panel meeting and a corrected copy signed by the panel chair

## 8. Emergency Panels

An emergency fostering panel can be set up at any time providing it is quorate and is chaired by either the chair or vice-chair.

#### 9. Pre-panel Meeting

The pre-panel meeting will be held approximately two weeks prior to each panel. Its role is to consider the reports submitted and to flag up omissions and inaccuracies, thus ensuring more efficient use of panel time.

- Two copies of panel papers should be submitted approximately three weeks before the panel date according to the schedule, maintained by the panel clerk
- The panel clerk will send one copy of the papers to the chair and give one copy to the panel adviser
- The pre-panel should be attended by the chair, panel adviser, manager or practice manager of the Fostering Development Team and manager or practice manager from the Permanent Placements Team (if relevant) and the panel clerk
- A decision will be reached with regard to which reviews can be signed off by the chair and which should be presented to panel
- Additional information or corrections to reports will be requested
- An agenda for the forthcoming panel will be drawn up

#### 10. Observers

One observer may attend panel with the agreement of the chair, provided they have a professional reason for attending and sign and adhere to the confidentiality agreement.

# 11. Training

Training for panel members should come in three forms:

- A briefing prior to starting as a panel member
- Attendance at an annual training day. When considered appropriate additional training days should be provided to panel members
- Regular presentations or discussions at panel on subjects designed to ensure that the panel maintains the level of knowledge required to be effective. Panel members can also attend training from the Foster Carers' Training Manual.

The content of the training should be defined by the panel itself and facilitated by the fostering service.

Following discussion, each panel member should be asked in turn whether or not he/she is satisfied as to agreeing the suitability of the private fostering arrangement. An attempt should be made by the chairperson to facilitate the panel reaching a consensus. This will not always be possible.

An evenly divided panel will suggest that there is sufficient doubt about the suitability of a private fostering arrangement and at such times the panel's decision will always favour the best interests of the child.

Where there is a serious difference of opinion amongst members, the chairperson may ask for more information to be made available to the panel before a decision can be made. The chairperson should ensure that a record is made in the panel minutes of any significant reservations expressed by individual panel members about a particular decision.

In the event of the majority of the panel not supporting a decision then the decision should not be made and the reasons for this clearly recorded.

## 9. The Agency Decision Maker

The panel chairperson will act as Agency Decision Maker and has the ultimate decision as to whether a private fostering arrangement is agreed as suitable or not. To facilitate this, the Agency Decision Maker may meet or seek clarification on any issue or process from any panel member or adviser.

The Agency Decision Maker will write to the private foster carer concerned within ten working days of the panel sitting detailing their decision.

If the Agency Decision Maker considers that a person is not suitable at that time to act as a private foster carer, he/she shall:

Write to them to let them know the reasons for this decision and detailing any actions(Requirements) they need to take before the arrangement can be agreed;

Invite them to make any written representations within twenty-eight (28) days of the decision.

In the event of written representations being made, then these should be referred to the next possible private fostering panel for consideration with the original panel papers. The panel will then make a further decision. The agency decision maker will then write to the private foster carer either a) giving agreement to the arrangement or b) giving reasons for the decision not to agree.

In the event of a decision not to agree, then the person concerned should be further advised of the complaints procedure and their right to appeal to the Family Proceedings Court.

- (a) Be a concise and accurate summary of any discussion within the panel;
- (b) Be agreed and signed off by the panel chair as accurate;
- (c) Clearly record any differences of opinion in relation to a panel recommendation;
- (d) Record recommendations accurately as dictated by the panel chair.

The panel clerk will be based in the Private Fostering Service.

Training should be available to the panel clerk to assist them in taking accurate minutes (if appropriate).

## 11. Expenses

Those independent members who are not employed by a partner organisation should receive an expenses payment.

## 12. Frequency and venue

The private fostering panel will meet monthly.

## 13. Emergency panels

An emergency private fostering panel can be set up at any time providing it is quorate and is chaired by either the panel chairperson or the vice chair. Where this is not possible, the Agency Decision Maker can make an emergency decision on any matter within the remit of the Private Fostering panel.

## 14. Training

## 56 Council Meeting Filming Protocol

# Protocol for Reporting and Filming Council, Cabinet and Committee meetings

#### Introduction

As set out in the Council Procedure Rules (Constitution, Section 26, Paragraph 22), members of the press and public are welcome to film, audio record, take photographs, use social media or otherwise record or report on (collectively referred to as film/record in this protocol) meetings of the Council, Cabinet and Committees. This facility is important in ensuring the transparency and openness of the Council's decision making.

It is equally important that this filming/recording is done in a way which does not:

- Cause a disturbance at the meeting
- Cause health and safety issues
- Unnecessarily impact on the privacy of members of the public

It should be noted that, unless previously agreed for accessibility reasons, the Council would not normally allow oral reporting/commentary on a meeting as it takes place by someone present at the meeting.

The Speaker/Chair of the meeting will in all cases make the final decision on all matters of dispute in regard to filming/recording meetings.

## **Webcasting Meetings**

The Council webcasts many of its meetings and members of the public may find it easier to link to sections of those webcasts rather than make their own recordings.

#### **Attendance at Meetings**

Whilst the Chair of the meeting will look to ensure those present are aware of all filming/recording taking place and request that members of the public gallery are not filmed no guarantee can be given.

Attendees should also be aware that they may be shown in the background of any Council webcast of the meeting they are attending this includes automated and manually controlled webcasts.

## Recommended actions for those wishing to film/record meetings by attending physical meetings

It is recommended that all those who wish to film/record meetings follow these guidelines to ensure their approach meets with the smooth running of meetings:

- Read any specific guidance in the meeting agenda.
- Notify the clerk to the meeting at least 24 hours in advance (contact details are printed on the agenda front sheet).
  - In particular, it is important to highlight if you wish to bring larger hardware/equipment as facilities arrangements may have to be made.

 Members of the Press should also notify the Communications team (communications@towerhamlets.gov.uk).

## When recording the meeting:

- Do not approach the committee Members or tables, remain at the front of the public gallery or any other location directed by staff and generally follow any instructions given by staff present at the meeting.
- Ensure all equipment is set up in advance of the meeting starting to avoid disruption.
- Avoid the use of flashes, bright lights, noisy equipment or anything which could be distracting.
- Only record those who are actively participating in the meeting.
- Do not film the public gallery.
- Obey any instructions of the Chair of the meeting including on who can/cannot be filmed/recorded.
  - Note that Councillors and officers are excluded from this provision in accordance with the Openness of Local Government Bodies Regulations 2014.

## The Role of the Chair of the meeting

Should the Chair determine at any time that the recording or filming the meeting is causing a disturbance or is otherwise inappropriate then they have the authority to request the activity cease.

Should anyone refuse a request to cease or adjust their filming/recording, the Chair will ask the person to leave the meeting. If the person refuses to leave then the Chair may adjourn the meeting or make other appropriate arrangements for the meeting to continue without disruption. This is in line with the meeting conduct procedures set out in the Council Procedure Rules.

#### Restrictions

You may not film/record:

- Any person(s) who the meeting is informed must not be filmed.
- Any portion of a meeting where a motion has been passed to exclude the press and public.

Whilst officers and others taking part in a Council or Committee meeting can normally be filmed, the Chair may prevent filming of specific individuals where this is necessary. Examples could include cases such as where the individual is a child, or where revealing their identity would impact on their job or could lead to threats or abuse of such an individual.

## **Publishing content**

The Council would expect that those publishing films or recordings made at meetings or from webcast footage would be clear as to the context the recording was made and would not edit the footage in such a way as could lead to misinterpretation or misrepresentation of the proceedings or comments made by attendees.
