## Appendix 2 Fees and Charges Review Stepney Green Park Astroturf 2024/25

#### **1. Introduction**

- 1.1. The astroturf pitch at Stepney Green Park is a King George's Field Trust (KGFT) asset, through which bookings are managed on behalf of the Charity by the Council's Parks service.
- 1.2. The current hire rates can be found in Table 3.1 below. Hirers can book a third (5 a-side), two thirds (7 a-side) or the whole pitch (11 a-side) with different rates for the following categories:
  - Adult peak (borough/non-borough)
  - Adult off-peak (borough/non-borough)
  - Junior (under 16 years)
  - State School (borough Primary, Secondary and non-borough)

#### 2. Proposed Hire Rate Review

- 2.1. A review of the hire rates for the astroturf at Stepney Green Parks is proposed to enable the Charity to have sustainable levels of income generation against inflation and rising energy and staffing costs.
- 2.2. The rates have not increased since April 2023 and it is proposed that increases of between 11.6% and 15% are applied to the current pitch hire charges from April 2024. This aligns with the approximate increases being applied to Council hire fees (approved by <u>Cabinet</u> on 3 January 2024). The current rates and proposed increases can be found in *Appendix 2.1* below.

#### 3. Benchmarking

- 3.1. Comparisons with other venues has been undertaken to benchmark our rates and proposed increases. This benchmarking can be found in *Appendix 2.2* below.
- 3.2. The proposed new charges for Stepney Green astroturf hire charges for two/thirds of a pitch (7 a-side) are on average £11.93 lower for borough-based adults and on average £1.07 more expensive non-borough adults (compared to other venues, peak times). For 11 a-side the new rates are on average £44.36 lower for borough-based adults and £22.36 for non-borough adults (peak times). This price comparison takes into consideration the additional hire charge for the use of changing room facilities at Stepney Green Park. Furthermore, it is likely that other venues will increase their pitch rates for 2024/25 and therefore the proposed charges will be competitive for borough and non-borough adult users.
- 3.3. To support the Charity's objective to provide *"facilities for recreation or other leisure-time occupation"*, it is proposed that the prices should remain affordable to residents. Tower Hamlets has high levels of childhood obesity and therefore there is social and public benefit to encouraging all residents to have healthier and more active lifestyles through the provision of accessible and affordable sports and recreation facilities.

# Appendix 2.1: Current and proposed increases

				Increase in £
