## **1. SUMMARY**

- 1.1 This report presents the draft Annual Pension Fund Report and Statement of Accounts.
- 1.2 The Statement of Accounts have been prepared under International Financial Reporting Standards (IFRS) rules and are now presented for consideration by the Pensions Committee.

## **2. DECISIONS REQUIRED**

- 2.1 Members are recommended to note the:
  - Pension Fund Annual Report;
  - Pension Fund Statement of Accounts;
  - Funding Strategy Statement;
  - Statement of Investment Principles;
  - Governance Compliance Statement.

## **3. REASONS FOR DECISIONS**

- 3.1 The Local Government Pension Scheme (Administration) Regulation 2008 requires the Authority as the administering body for the London Borough of Tower Hamlets Pension Fund to publish an annual report by 1 December following the year end. The Pensions Committee will be asked to approve the audited final accounts at its meeting on 15 November 2012.
- 3.2 The publication of the Pension Fund Annual Report and Statement of Accounts helps to keep Fund members informed, shows good governance and also helps to demonstrate effective management of Fund assets.

## **4. ALTERNATIVE OPTIONS**

- 4.1 The draft Pension Fund Annual Report and Statement of Accounts are presented to Members to give them an early sight of the report. Although, this is not a requirement it is good practice to keep Members informed on the activities and performance of the Fund.

## **5. BACKGROUND**

- 5.1 The Council as an administering authority under the Local Government Pension Scheme Regulations is required to produce a separate set of accounts for the scheme's financial activities and assets and liabilities.
- 5.2 The contents and format of the accounts are determined by statutory Requirements and mandatory professional standards as established by the Chartered Institute of Public Finance (CIPFA) in their Statement of Recommended Practice (SORP).
- 5.3 It should be noted that the Accounts are still in draft form and currently being audited by the Councils auditors, the Audit Commission. A set of audited accounts will be presented to Member approval the 15 November 2012 meeting of the Pensions Committee.
- 5.4 Communities and Local Government (CLG) have introduced an additional requirement for Councils to publish before the 1st December 2010 an annual report which incorporates elements of the financial accounts.

## **6. THE ANNUAL REPORT AND STATEMENT OF ACCOUNTS**

- 6.1 The Accounts comprise two main statements with supporting notes. The main statements are:
- Dealings with Members Employers and Others which is essentially the funds revenue account
  - The Net assets Statement which can be considered as the funds balance sheet.
- 6.2 The return on investment section of the Accounts sets out the movement in the net worth of the fund in the year by analysing the relevant financial transactions and movements in the market value of the investment portfolio. The statement has two main sections:
- The financial transactions relating to administration of the fund.
  - The transactions relating to its role as an investor.
- 6.3 The fund income section of the Report principally relates to the receipt of contributions from employers and active members and the payment of pensions. The section indicates that the Fund is cash positive in that the receipt of contributions exceeds the pension payments by £3.7m in 2011/12 compared to £10.6m in 2010/11. This equates to a significant drop in funding, and is a consequence of a reduction in active members of 434 (7.6%) and increases in deferred and retired membership numbers of 459 (8.2%) and 150 (3.8%) respectively. It can be expected that a Pension Fund will gradually mature in this way, although the change this year is exacerbated by these factors.
- 6.4 The investment performance section of the Report details returns on the investment portfolio and the impact of managers' activities and investment markets on the value of investments. As previously reported, the Fund achieved a return on its investment portfolio of 1.4% in 2011/12 slightly lagging the benchmark of 1.8%. Returns for longer periods continue to lag benchmark at 0.8% and 0.3% for 3 years and 10 years respectively.

- 6.5 Overall, fund assets increased by £15.2m mostly due to gains made from performance of financial markets in which the Fund held its investments and a net gain between fund income and expenditure.
- 6.6 The net asset statement represents the net worth of the fund as the 31<sup>st</sup> March 2012. The statement reflects how the transactions outlined in the other statement have impacted on the value of the fund's assets.
- 6.7 The Annual report also includes three key statements (Funding Strategy Statement, Statement of Investment Principles and Governance Compliance Statement) relating to the management and governance of the scheme and each statement serves a different purpose.
- 6.8 The purpose of the Funding Strategy statement is threefold:
- To establish a clear and transparent fund specific strategy which will identify how employers' pension liabilities are best met going forward;
  - To support the regulatory framework to maintain as nearly constant employer contributions rates as possible; and
  - To take a prudent longer-term view of funding those liabilities.
- 6.9 The Statement of Investment Principles facilitates adherence to best practice in the management of pension schemes as set out by the revised Myners Principles and the Fund is required to state the extent to which it has complied with these principles.
- 6.10 The Governance Compliance Statement sets out the Council's policy as the administering authority in relation to its governance responsibilities for the Fund.

## **7. COMMENTS OF THE CHIEF FINANCIAL OFFICER**

- 7.1. The comments of the Corporate Director Resources have been incorporated into the report.

## **8. CONCURRENT REPORT OF THE ASSISTANT CHIEF EXECUTIVE (LEGAL)**

- 8.1 Regulation 34 of the Local Government Pension Scheme (Administration) Regulations 2008 imposes a duty on the Council as an administering authority to prepare a pension fund annual report.
- 8.2 The report should deal with the following matters:
- (a) management and financial performance during the year of the pension;
  - (b) an explanation of the investment policy for the fund and a review of performance;
  - (c) a report on arrangements made during the year for administration of the fund;
  - (d) a statement by an actuary who carried out the most recent valuation of the fund and the level of funding disclosed by that valuation;
  - (e) a Governance Compliance Statement;

- (f) a Fund Account and Net Asset Statement;
- (g) an Annual Report dealing with levels of performance and any other appropriate matters;
- (h) the Funding Strategy Statement;
- (i) the Statement of Investment Principles;
- (j) statements of policy concerning communications with members and employing authorities; and
- (k) any other material which the authority considers appropriate.

## **9. ONE TOWER HAMLETS CONSIDERATIONS**

- 9.1 The Pension Fund Accounts demonstrate financial stewardship of the fund's assets. A financially viable and stable pension fund is a valuable recruitment and retention incentive for the Council.

## **10. SUSTAINABLE ACTION FOR A GREENER ENVIRONMENT**

- 10.1 There is no Sustainable Action for A Greener Environment implication arising from this report.

## **11. RISK MANAGEMENT IMPLICATIONS**

- 11.1 Accounts provide an effective mechanism to safeguard the Council's assets and assess the risks associated with its activities.

## **11. CRIME AND DISORDER REDUCTION IMPLICATIONS**

- 11.1 There are no any Crime and Disorder Reduction implications arising from this report.

## **12. EFFICIENCY STATEMENT**

- 12.1 The monitoring arrangement for the Pension Fund and the work of the Pension Fund Investment Panel should ensure that the Fund optimises the use of its resources in achieving the best returns for members of the Fund.
