REPORT OF: Acting Corporate Director of Resources ORIGINATING OFFICER(S): Bola Tobun – Investment & Treasury Manager		TITLE: 2013/14 Local Government Pension Fund Annual Report Ward(s) affected: N/A	

1. SUMMARY

- 1.1 This report presents the amended draft Annual Pension Fund Report and Statement of Accounts.
- 1.2 The Statement of Accounts has been prepared under International Financial Reporting Standards (IFRS) rules and is now presented for consideration by the Pensions Committee.

2. DECISIONS REQUIRED

- 2.1 Members are recommended to:
 - Approve the Pension Fund Annual Report;
 - Approve the Pension Fund Statement of Accounts;
 - Note the Funding Strategy Statement;
 - Approve the Statement of Investment Principles;
 - Note the Governance Compliance Statement.

3. REASONS FOR DECISIONS

- 3.1 The Local Government Pension Scheme (Administration) Regulation 2008 requires the Authority as the administering body for the London Borough of Tower Hamlets Pension Fund to approve and publish an annual report by 1 December following the year end.
- 3.2 The publication of the Pension Fund Annual Report and Statement of Accounts helps to keep Fund members informed, shows good governance and also helps to demonstrate effective management of Fund assets.

4. ALTERNATIVE OPTIONS

- 4.1 The final Pension Fund Annual Report and Statement of Accounts are presented to Members following the conclusion of the audit carried out by the Council's external auditors, the Audit Commission.
- 4.2 There are no alternative options in so far as the publication of the Statement of Accounts and Annual Reports is a legislative requirement.

5. BACKGROUND

- 5.1 The Council as an administering authority under the Local Government Pension Scheme Regulations is required to produce a separate set of accounts for the scheme's financial activities and assets and liabilities.
- 5.2 The contents and format of the accounts are determined by statutory requirements and mandatory professional standards as established by the Chartered Institute of Public Finance (CIPFA) in their Service Code of Recommended Practice (SERCOP).
- 5.3 The Councils auditors, KPMG are concluding the audits and they are preparing their statement of opinion under a separate cover.
- 5.4 The Department Communities and Local Government (DCLG) have introduced an additional requirement for Councils to publish before the 1st December an annual report which incorporates elements of the financial accounts.

6. THE ANNUAL REPORT AND STATEMENT OF ACCOUNTS

- 6.1 The Accounts comprise two main statements with supporting notes. The main statements are:
 - Dealings with Members Employers and Others which is essentially the funds revenue account
 - The Net assets Statement which can be considered as the funds balance sheet.
- 6.2 The return on investment section of the Accounts sets out the movement in the net worth of the fund in the year by analysing the relevant financial transactions and movements in the market value of the investment portfolio. The statement has two main sections:
 - The financial transactions relating to administration of the fund.
 - The transactions relating to its role as an investor.
- 6.3 The fund income section of the Report principally relates to the receipt of contributions from employers and active members and the payment of pensions benefits. The section indicates that the Fund is cash positive in that the receipt of contributions exceeds the pension payments £8.2m in 2013/14 compared to £3.3m in 2012/13 and £3.7m in 2011/12.
- 6.4 Whilst the Fund net cashflow position in 2013/14 is more than double the previous year, it is expected that the Fund will become cashflow negative over the 2 year - although the exact timing is difficult to predict. A Fund is expected to become cashflow negative over time as fund membership matures.
- 6.5 Overall, fund membership has risen, and the active members rose significantly more than the rise in other categories of membership. The number of active members have gone up by 1,494 (28.2%), compared to deferred and retired membership numbers of 372 (5.9%) and 98 (2.4%) respectively. These movements are a consequence of the auto enrolment exercise carried out in the year.
- 6.5 The investment performance section of the Report details returns on the investment portfolio and the impact of managers' activities and investment markets on the value of investments. The Fund achieved a return on its investment portfolio of 8.5% in 2013/14 outperforming benchmark return of 6.8% by 1.7%. The

Fund posted 3 year return of 7.1% which is marginally better than the benchmark return of 6.9% and delivered a 10 year return of 7% lagged benchmark return of 7.5% by 0.5%.

- 6.6 Overall, fund assets increased by £86m. The increase was mostly due to gains made from performance of financial markets in which the Fund held its investments and a net gain between fund income and expenditure.
- 6.7 The net asset statement represents the net worth (£1,013m) of the fund as the 31st March 2014. The statement reflects how the transactions outlined in the other statement have impacted on the value of the fund's assets.
- 6.8 The Annual report also includes three key statements (Funding Strategy Statement, Statement of Investment Principles and Governance Compliance Statement) relating to the management and governance of the scheme and each statement serves a different purpose.
- 6.9 The Funding Strategy Statement undergoes a detailed review and was updated after the triennial valuation. The 2013 triennial valuation outcome was reported, discussed and approved at the Pensions Committee meeting of 27th February 2014.
- 6.10 The purpose of the Funding Strategy statement is threefold:
 - To establish a clear and transparent fund specific strategy which will identify how employers' pension liabilities are best met going forward;
 - To support the regulatory framework to maintain as nearly constant employer contributions rates as possible; and
 - To take a prudent longer-term view of funding those liabilities.
- 6.11 The Statement of Investment Principles facilitates adherence to best practice in the management of pension schemes as set out by the revised Myners Principles and the Fund is required to state the extent to which it has complied with these principles.
- 6.12 The Governance Compliance Statement sets out the Council's policy as the administering authority in relation to its governance responsibilities for the Fund.

7. COMMENTS OF THE CHIEF FINANCIAL OFFICER

- 7.1. The comments of the Acting Corporate Director of Resources have been incorporated into the report.

8. LEGAL COMMENTS

- 8.1 Regulation 34 of the Local Government Pension Scheme (Administration) Regulations 2008 imposes a duty on the Council as an administering authority to prepare a pension fund annual report.
- 8.2 The report should deal with the following matters:
 - (a) management and financial performance during the year of the pension;
 - (b) an explanation of the investment policy for the fund and a review of performance;
 - (c) a report on arrangements made during the year for administration of the fund;

- (d) a statement by an actuary who carried out the most recent valuation of the fund and the level of funding disclosed by that valuation;
- (e) a Governance Compliance Statement;
- (f) a Fund Account and Net Asset Statement;

- (h) the Funding Strategy Statement;
- (i) the Statement of Investment Principles;
- (j) statements of policy concerning communications with members and employing authorities; and
- (k) any other material which the authority considers appropriate.

9. ONE TOWER HAMLETS CONSIDERATIONS

13. EFFICIENCY STATEMENT

- 13.1 The monitoring arrangement for the Pension Fund and the work of the Pension Fund Investment Panel should ensure that the Fund optimises the use of its resources in achieving the best returns for members of the Fund.
