

REPORT TO: Audit Committee	DATE 4th February 2015	CLASSIFICATION Unrestricted	REPORT NO.	AGENDA NO.
REPORT OF: Corporate Director, Resources		Updated Internal Audit Plan 2014-15		
ORIGINATING OFFICER(S): Head of Risk Management and Audit		Ward(s) Affected: N/A		

1. SUMMARY

- 1.1. This report provides an update of audit activity planned for this financial year and reflects changes made to the original internal audit plan as a result of changing priorities of the authority within the resources available to perform audit work.

2. RECOMMENDATIONS

- 2.1 The Audit Committee is asked to note the changes proposed and to endorse the revised 2014/15 internal audit plan attached at Appendix 2.
- 2.2 The Audit Committee is asked to note the resourcing of the audit plan, as detailed at para. 4.1 of this report.

3. Background

3.1 The original internal audit plan was prepared at the start of the current financial year and was presented to the Audit Committee for endorsement in March 2014. The internal audit plan was formulated using the governance model whereby four key areas were assessed for all operations of the Council and prioritised.

3.2 In line with the internal audit strategy, the plan has been refreshed and some changes made to the original annual audit plan. The reasons for this are as follows:

- Requests from officers to perform audits that were not originally planned;
- Requests from officers to increase the scope of audits which has resulted in higher allocation of audit days;
- Requests from Chief Officers to defer audits due to service restructuring, other external inspections and changes made to existing systems and the need to allow a period of bedding in;
- Make use of days provided in the original plan that had not been allocated to specific audits;
- To avoid duplication of work with either the external auditor or other assurance provider; and
- Additional commitment to unplanned work.

4. Updated Internal Audit Plan for 2014/15

4.1 Appendix 1 summarises audits that have been added to or deferred from the original internal audit plan. As with previous years, any audits deferred from the current year's audit plan will be considered as part of the audit planning process for the 2015/16.

4.2 Appendix 2, in line with internal audit best practice, provides details of additional audits that have been identified from a review of the recent organisational changes and developments, our own risk assessment of audit needs for the Council and the Council's strategic risks. The majority of the audits are essentially compliance based audit work that would provide assurance to those charged with governance around compliance with key policies, procedures and regulations and the assurance over the management of strategic risks. As the revised audit plan at Appendix 1 is already fully resourced, carrying out any of the audits listed at Appendix 2 will require planned audits listed in Appendix 1 to be deferred and/or provision made for additional audit resource. In any case, as

part of the audit planning process, audits listed on Appendix 2 will be assessed for inclusion in the 2015/16 Audit Plan.

- 4.3 Appendix 3 shows the updated internal audit plan for 2014/15, which can be resourced from the existing Internal Audit structure. The summary below shows how the plan has changed from that approved in March 2014.

Number of days originally planned	1,441
Add: Additional audits added to the plan (Please refer to Appendix 1)	130
Less: Audits to be considered as part of 2015/16 Audit Plan (Please refer to Appendix 1)	60
Less: Use of previously unallocated days to specific audits	40
Less: Use of reactive fraud allocation	30
Number of days per the Revised plan	1,441

5. Comments of the Chief Financial Officer

- 5.1 The audit plan is expected to be delivered within existing budgets. There are no financial implications arising from the recommendations within this report.

6. Legal Comments

- 6.1. The Council is required to ensure that it has a sound system of internal control that facilitates effective exercise of the Council's functions and includes arrangements for the management of risk. The Council is also required to maintain an effective system of internal audit of its system of internal control in accordance with proper practices. One of the functions of the Audit Committee under the Council's Constitution is to review internal audit findings. The consideration by the Audit Committee of this report is consistent with the Council's obligations and is within the Committee's functions.

7. One Tower Hamlets

- 7.1. There are no specific one Tower Hamlets considerations.
- 7.2. There are no specific Anti-Poverty issues arising from this report.

10 Risk Management Implications

10.1. These are contained within the body of the report.

11. Sustainable Action for a Greener Environment (SAGE)

11.1. There are no specific SAGE implications.
