

APPENDIX 1

Tower Hamlets Health and Wellbeing Board – Terms of Reference 2015/2016 Municipal Year

The Health and Wellbeing Board will lead, steer and advise on strategies to improve the health and wellbeing of the population of Tower Hamlets. It will seek to do this through joint work across services in the Borough and the greater integration of health and social care as well as with those accessing services that can help to address the wider determinants of Health. The Board continues to support the ambitions of the Tower Hamlets Partnership outlined within the Tower Hamlets Community Plan.

The Health and Wellbeing Board has the following functions:

1. To have oversight of assurance systems in operation
2. To encourage integrated working between persons who arrange for the provision of any health or social services in Tower Hamlets for the advancement of the health and wellbeing of the people in Tower Hamlets.
3. To provide advice, assistance or other support in order to encourage partnership arrangements under Section 75 of the NHS Act 2006.
4. To encourage those who arrange for the provision of any health-related services in Tower Hamlets (e.g. services related to wider determinants of health, such as housing) to work closely with the HWB.
5. To encourage persons who arrange for the provision of any health or social care functions in Tower Hamlets and those who arrange for the provision of health-related services in Tower Hamlets to work closely together.
6. To identify needs and priorities across Tower Hamlets and publish and refresh the Tower Hamlets Joint Strategic Needs Assessment (JSNA) so that future commissioning/policy decisions are based on evidence.
7. To prepare the Joint Health and Wellbeing Strategy.
8. To develop, prepare, update and publish the local pharmaceutical needs assessments.
9. To be involved in the development of any CCG Commissioning Plan that applies to Tower Hamlets and to give its opinion to the CCG on any such proposed plan.
10. To communicate and engage with local people on how they could achieve the best possible quality of life and be supported to exercise choice and control over their personal health and wellbeing. This will involve working with Local HealthWatch to make sure there's a continuous dialogue with the public to ensure services are meeting need.
11. Consider and promote engagement from wider stakeholders.
12. To have oversight of the quality, safety, and performance mechanisms operated by member organisations of the Board, and the use of relevant public sector resources across a wide spectrum of services and interventions, with greater focus on integration across outcomes spanning health care, social care and public health. Areas of focus to be agreed from time to time by members of the Board as part of work planning for the Board.
13. Such other functions delegated to it by the Local Authority.
14. Such other functions as are conferred on Health and Wellbeing Boards by enactment
