# Appendix 5

**Section 182 Advice by the Home Office  
Updated on March 2015**

Relevant, vexatious and frivolous representations

- 9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.
- 9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.
- 9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.
- 9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.

- 9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this Guidance, an assessment should be prepared by officials for consideration by the sub- committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.
- 9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.
- 9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

Thank you for your email. What was the actual breach? While they were open, did they conduct any licensable activities under the Licensing Act 2003? Do you have evidence that they were they selling alcohol? Were they providing hot food / hot drinks after 23:00 hours or regulated entertainment.?

Please note that they had applied to Temporary Event Notices which allowed them to have licensable activities on the following dates:

- 22<sup>nd</sup> November 2016 to 28<sup>th</sup> November 2016, from 10:00 hours to 23:00 hours

In the meantime, please note that I have brought your complaint to the attention of Environmental Health. I acknowledge your representation and the matter will be dealt with by way of a public hearing by the Tower Hamlets Licensing Sub-Committee. Please note that your representation will become a public document (contact details redacted) and the applicant is entitled to a full, un-redacted copy of your representation. Dear Mr Mohshin Ali,

Thank you for your reply.

According to your records, you have said that the council had received the premise license application on the 1st November 2016 yet the premise has already been operating for at least a week before this date. Would this be in breach of the law to be operating before the license was actually issued?

I do wish to object relating to the following conditions - "No noise shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance"

The smell has certainly been a nuisance and radiates very strongly in my living room and bedroom which is directly above the premises. The smell is only present when the premises is open.  
I have already made a noise complaint to the council on Friday 28th October and there is a record of council officers arriving to resolve the issue of loud music coming from the premises.

I will therefore like to make a representation challenging the conditions of the licensing application.

Kindest regards,  
Roman Koblov

Thank you for your email. The premises licence application was received on the 1st November 2016 so you would have received the consultation letter at some point after. I can also confirm the premises did also apply for a temporary event notice.

In relation to this premises licence application, please note that the applicant has agreed the following in consultation with Environmental Protection:

"Sale of Alcohol (on sales),  
Monday to Sunday, from 08:00 hours to 22:30 hours

Hours the premises is open to the public and recorded music (indoors)  
Monday to Sunday, from 08:00 hours to 23:00 hours"

Plus condition to be added as follows: - "No noise shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance"

The applicant has also agreed the following in consultation with Met Police:

- "- The CCTV system shall incorporate a recording facility and any recordings shall be retained and stored in a suitable and secure manner for a minimum of 31 days. A system shall be in place to maintain the quality of the recorded image and a complete audit trail maintained. The system will comply with other essential legislation, and all signs as required will be clearly displayed. The system will be maintained and fully operational throughout the hours that the premises are open for any licensable activity.
- There must also be someone on the premises, who can download the images and present them on request by a police officer or other responsible authority.
- No drinks shall be taken outside of the premises."

I acknowledge your representation in relation to this particular application. Please let me know if any of the above satisfy your concerns. If not, then the matter will be dealt with by way of a public hearing by the Tower Hamlets Licensing Sub-Committee. You will be notified by the Democratic Services at Mulberry Place, 5 Clove Crescent, London E14 2BG of the date, time and venue of the public hearing and invited to attend. Please note that your representation will become a public document (contact details redacted) and the applicant is entitled to a full, un-redacted copy of your representation.

Please note that due to a technical issue the last date to receive representations has been extended to 8th December 2016. Finally, if I can be of any further help, do not hesitate to contact me.

Dear Sir / Madam,

I am writing regarding the proposed licensing change from an A1 to A3 license for Vicolo Romano, 420 Roman Road, London E3 5LU.

I am the leaseholder and resident in [REDACTED]  
[REDACTED].

I first wish to complain regarding the late notification of the proposed licensing changes. I received a letter dated the 2nd November 2016, by which point the restaurant had already been opened and operating for a couple weeks.

Since Vicolo Romano has opened, I have already had to contact the council to make a noise complaint as there was a party being held in the premises which was very audible throughout my home. In the licensing application it states that only light background music will be used but this has not been the case on several occasions now.

I also wish to object regarding the smell. As this restaurant is only open during the evenings, I am often home during their opening hours and can smell a strong pizza odour in my living room and bedroom.

I hope that you will take my objections into account. If you would like to contact me for further information then I am contactable via this email address.

Sincerely,  
Roman Koblov

Hi Tuba

I know what you mean with regards to point (1) but please could you confirm no alcohol after 22:30pm, not before, so it is clear to all parties.

Also point (2) wording that I have used takes into consideration that music in particularly bass music can reverberate through a premises and can affect persons in adjacent premises so prefer that the condition added reads as follows:-

No noise shall emanate from the premises nor vibration be transmitted through the structure of the premises which gives rise to a nuisance

I await your response in due course.

Supply of Alcohol till 22:30 seven days a week, with premises closing 30 minutes later at 2300 hours

(2) I would also like to add a condition that:

## **Noise while the premise is in use**

### General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately address by licensing conditions they should refuse the application.

### Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 8.1 of the Licensing Policy**).

While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 12.11**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 8.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 2 Annex D of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells

- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

### Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs. a premises causing a nuisance resulting from noise emanating from the premises.

### Guidance Issued under Section 182 of the Licensing Act 2003

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (13.20 and Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.36) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.38).

### Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

# Appendix 10

## **Access and Egress Problems**

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

### Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

### General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

### Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Section 10 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 10.2 of the Licensing Policy**).

The policy also recognises that staggered closing can help prevent problems at closure time (**See Section 15.1**).

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 15.5**)

The Council has adopted a set of framework hours (**See 15.8 of the licensing policy**). This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

#### Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.19).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.20)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.22) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

## **Planning**

An application for a Premises Licence can be made in respect of a premises even where the premises does not have relevant Planning Permission. That application has to be considered and Members can only refuse the application where the application itself does not promote one of more of the Licensing Objectives. Members cannot refuse just because there is no planning permission. Where a Premises Licence is granted and which exceeds what is allowed by the Planning Permission and that Premises then operates in breach of planning then the operator would be liable to enforcement by Planning.

## **Licensing Policy Relating to Hours of Trading**

All applications have to be considered on their own merits.

The Council has however adopted a set of framework hours as follows:

- Monday to Thursday, from 06:00 hrs to 23:30 hrs
- Friday and Saturday, from 06:00 hrs to 00:00 hrs (midnight)
- Sunday, from 06:00 hrs to 22:30 hrs

(see 15.8 of the Licensing Policy)

In considering the applicability of frame work hours to any particular application regard should be had to the following

- Location
- Proposed hours of regulated activities, and the proposed hours the premises are open to the public
- The adequacy of the applicant's proposals to deal with issues of crime and disorder and public nuisance
- Previous history
- Access to public transport
- Proximity to other licensed premises, and their hours

(See 15.9 of the licensing policy)

Subject to any representations to the contrary in individual cases the following premises are not generally considered to contribute to late night anti-social behaviour and will therefore generally have greater freedom

- Theatres
- Cinemas
- Premises with club premises certificates
