### **Executive Summary**

The Event Fund is a small grant fund for community arts events which has been operating successfully for a number of years. It works on a rolling programme with monthly deadlines to support small scale local events. The fund is part of the council's revenue budget and is intended to support the delivery of the council's Community Plan priorities.

This report covers Event Fund Applications for events between July 1<sup>st</sup> 2016 and September 30<sup>th</sup> 2016.

### **Strategic Alignment**

The Tower Hamlets Community Plan provides the long-term vision for the borough, articulating local aspirations, needs and priorities.

It is the objective of the Event Fund to help support the Community Plans outcomes and contribute towards its five themes.

- A Great Place to Live**
- A Prosperous Community**
- A Safe and Cohesive Community**
- A Healthy and Supportive Community**
- One Tower Hamlets**

The Event Fund exists to provide small grants for high quality public events and festivals, which are accessible to, and of benefit to the community and to promote the One Tower Hamlets principles across the borough, which are:

- Tackling Inequality
- Strengthening Community Cohesion and,
- Building Community Leadership

The projects are expected to demonstrate:

**Administration and management of events**

- An engaging programme of events through a combination of directly delivered events and events which are delivered in partnership with other groups or community organisations.

**A robust process for collaborating with community groups or organisations**

- Evidence they have a strong approach to partnership working with local organisations across the borough and robust partnership processes in place.

**A strong understanding of equality, including:**

- Understanding of the council’s commitment to equality through the Community Plan and ideally, also some understanding of the council’s commitment across the protected characteristics as detailed in the Single Equality Framework.
- A proposal that outlines what issues or topics will be addressed through the events, why these have been selected and how they help the council to achieve the One Tower Hamlets principles.

**Mayor’s Priorities:**

The Event Fund contributes towards the following strands of the Mayor’s key priorities:

- Creating Jobs and supporting the growth of the Local Economy;
- Young People and Schools;
- Older People and Health;
- Community Safety and Community Cohesion;
- Environment and Public Realm; and
- Arts, Heritage, Leisure and Culture.

**Monitoring & evaluation**

- Organisations will be expected to have a system in place to measure the outputs and outcomes by the protected characteristics as set out in the Public Sector Equality Duty where relevant and appropriate.
- We acknowledge that there is an imbalance between number of events taking place in each ward and therefore ask organisers to provide additional monitoring to look at the origin of the audience / participants. Organisations will be expected to have a system in place to monitor the area of the borough that their participants and audience are from and are provided with a two types of template to gather this information. This information is broken down into the 5 postcodes: E1, E2, E3, E14, E1W

- Delegated authority for awards to be authorised by the Service Head for Culture Learning & Leisure [now, Divisional Director, Sports, Leisure, Culture & Youth] was granted by the Commissioners on 9<sup>th</sup> September 2015.

*Event Fund Applications, Quarter 2 2016/17*

- 3.1 The annual budget for the Event Fund is £52,500. The maximum grant award is £2,500 however most awards are in the region of £500 - £1,500.

A total of £12,000 was awarded in Quarter 2.

- 3.2 Applications are assessed by three officers independently of each other. Applications are initially checked for eligibility. If not eligible they are rejected and not assessed. If eligible, applications are scored across a number of areas:

- Track record of delivery for the organisation;
- Event outline,

- Accessibility, Marketing,
- Partnerships & community involvement,
- Outcomes
- Value for money.

3.3 Following the assessment of applications received a report is submitted to the Divisional Director, Sports, Leisure, Culture & Youth for consideration with a meeting with a Festivals and Events Officer to discuss the recommendations and agree awards. For full details of the Guidelines and Criteria, please see Appendix E.

3.4 A total of 18 Applications were received in Quarter 2  
 A total of 11 Applications were awarded funding.  
 A total of 7 applications were declined funding.  
 A full list of the applications received for Quarter 2 can be seen in Appendix A  
 1 event from Quarter 1 (Dash Arts Dacha) changed the event date to July and evaluation information will be examined in Appendix D of this report.  
 The evidence considered in the monitoring (Appendix D) is based on 12 applications. The evaluation forms tend to be completed based on estimates and some do not provide feedback for all categories. This should be considered when referring to Appendix D.

£ 3800	July	5	4	1
£ 3500	August	5	3	2

3.5 A number of applications involved multiple events and multiple venues, which is reflected in the monitoring information. Events took place in 16 wards. The Table below illustrates the number of events which were funded in each ward during quarter 2 was 2.

As a response to the lack or low numbers of Event Fund applications from certain wards in the previous year and the first quarter, there has been additional targeting and marketing to encourage applications through the Event Fund priorities, Our East End publication, our website, social media, and e-newsletters.

The table and chart below below shows the number of events in each ward from July to September 2016 in comparison to quarter 1 (April to June 2016).

## **COMMENTS OF THE CHIEF FINANCE OFFICER**

4.1 This report complies with the requirement to provide a quarterly update report to the Grants' Decision Making meeting on payments awarded from the Events Fund. The total available for grant funding community arts events in 2016/17 is £52,500. To date a total of £27,200 has been awarded for quarters

one and two with the balance remaining of £25,300 still to be allocated. The process is managed through the Arts, Parks and Events team who consider the grant applications and assess them for the purposes of grant award.

- 4.2. For the period covering the second quarter of this financial year a total of 11 grant applications were successful receiving grants totalling £12,000 out of a total of 18 applications, requesting total grants of £33,879. This enabled coverage of a total of 26 events to be delivered across 16 Wards in the Borough. By comparison for the same period in the previous year, only 22 events were delivered across 13 Wards.
- 4.3. Awards of £500 or more, received an initial payment of 80% of the grant reflecting the spend profile of events that typically require necessary infrastructure to be purchased in advance of the events. The balance of the 20% of the award is retained until receipt of the completed evaluation form, final budget statement and all supporting documents as specified in the guidelines and criteria. The adoption of the online Grant system for 2017/18 will benefit the Events Fund, enabling completion of all reporting and submission of required documents to be made through the Council's online portal.

## **5. LEGAL COMMENTS**

- 5.1 The Council has a duty under the Local Government Act 1999 to make arrangements to secure continuous improvement in the way in which its functions are exercised, having regard to a combination of economy, efficiency and effectiveness. This is referred to as the Council's best value duty (Best Value). Best Value considerations have also been addressed in paragraph 7 of this report.
- 5.2. Applying this duty to grants, the Council must operate a fair and open application procedure to process a request to obtain funding. Requests for grant funding should ordinarily be measured against a predetermined set of criteria and the criteria themselves must be fair and transparent. The grant agreement should include a clear monitoring process against defined parameters in order for the Council to demonstrate either: that delivery is in line with the application and, therefore, the grant achieved its purpose; or provide clear delineation where outcomes were not achieved and the reasons for such failure are apparent. Monitoring should therefore include measuring performance against the expected outcomes.
- 5.3. This report provides the Grants Determination Sub Committee with a quarterly performance update for the period 1 July 2016 to 30 September 2016 on applications received for grants from the Events Fund.
- 5.4 There are no other immediate legal implications arising from this report.

## **6. ONE TOWER HAMLETS CONSIDERATIONS**

- 6.1 The Event Fund is designed to support small local events that bring people together and help promote a sense of community. The Event Fund helps to support the diverse local community to celebrate this richness of cultures helping to promote cultural understanding, a sense of inclusion and tolerance and promoting conditions conducive to a sense of wellbeing, community and local pride. Many of the events promote diversity, equality and intergenerational work which support the Council's One Tower Hamlets theme, making a significant contribution to creating a cohesive community.
- 6.2 All applicants must demonstrate that they will comply with the Equality Act 2010 and will not discriminate on the grounds of any of the protected characteristics specified in the Act. All groups funded must fill in the monitoring forms supplied to them which include a template for the recording the nine protected characteristics. This information may be used by the Council to assess the degree to which funded events are successfully serving people with protected characteristics.
- 6.2 An equality analysis has been completed (Appendix B); the Equality Analysis Quality Checklist (Appendix C), and Event Participants' Equalities Data is also attached (Appendix D).
- 6.3 The monitoring data collated from each round of applications indicated in the quarterly report, provides an overview of the characteristics and wards which need to be targeted for future rounds and officers endeavour to pro-actively engage with the community to increase participation in these areas through social media, and other targeted means. However, with limited resources, we have limited success in increasing participation.
- 6.4 We received feedback from the Commissioners and Grants Scrutiny Sub Committee when presenting the Quarter 1 Report in November 2016 that the process is difficult for some organisations and that further work is needed to engage with the whole borough. We are now in the process of setting up workshops prior to the new 17/18 quarterly deadline in partnership with THCVS both to raise awareness and to increase community engagement and support applications in Wards where there is low take up.

## **7. BEST VALUE (BV) IMPLICATIONS**

- 7.1 The conditions of the Event Fund state that it cannot be the sole source of funding so in all cases it helps to lever in other funding and assistance in kind for community activity. It supports valuable community led activity supporting a range of key strategic objectives of the Council in a cost effective manner which would otherwise be unlikely to take place (annually it supports circa 40 – 50 community events). The Council therefore receives added value from the events supported through their additional funding received from other sources.

- 7.2 The current process of monthly application deadlines and the increasing pressure placed on the fund through increased numbers of applications and the additional layers of assessment mean that the fund is costly to maintain. A decision was made at the Commissioners meeting on Tuesday 8<sup>th</sup> November 2016 to move the deadlines to quarterly for 2017/18. This will ensure that each quarter is assessed fairly and equal weight is given to all applications within that quarter and funding amounts can be more consistent.
- 7.3 Due to changes in the administration and assessment of the Event Fund in 2016/17 which now necessitates additional cross-departmental input, and sign off by the Divisional Director, a review is to be carried out in January / February 2017 to look at how the new process has performed, and agree the formal arrangements for the assessment and administration of the Event Fund awards moving to the quarterly process in 2017/18.

## **8. SUSTAINABLE ACTION FOR A GREENER ENVIRONMENT**

N/A

## **9. RISK MANAGEMENT IMPLICATIONS**

- 9.1 The Council retains a proportion of grant which is offered on receipt of monitoring information. Any group not providing required information would lose their second payment and may not be eligible for future funding. The Grant process is audited as determined by corporate risk management arrangements.

## **10. CRIME AND DISORDER REDUCTION IMPLICATIONS**

- 10.1 Free community events help to promote community cohesion which in turn helps to reduce crime and disorder, particularly where young people are engaged in volunteering and supporting local events.
- 10.2 Priority is given to arts events which involve young people, encourage personal responsibility and making a positive contribution to the community.

## **11. SAFEGUARDING IMPLICATIONS**

- 11.1 There are no specific safeguarding implications
