LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

TO PROMOTE ALL FOUR LICENSING OBJECTIVES WE WILL KEEP:

Strong management controls and effective training of all staff so that they are aware of the premises licence and the requirements to meet the four licensing objectives with particular attention to:

a/ no selling of alcohol to underage people

b/ no drunk and disorderly behavior on the premises area

c/ vigilance in preventing the use and sale of illegal drugs at the retail area

d/ no violent and anti-social behaviour

e/ no any harm to children

- Operating Schedule providing the hours of operation and licensable activities during those hours.

- Designated premises supervisor confirmed it is obligated to be in day-to-day control of the premises, to provide good training for staff on the Licensing Act (Training Record), to make or authorize each sale

- CCTV system installed with recording option available

- Roller metal exterior window shutter will be fixed to ensure that shop front is safe and secure at all times

As a licensed premises we know that it is necessary to carry out our functions or operate their businesses with a purpose of promoting these objectives. We promise to support these objectives through their operating schedules and other measures (including staff training and qualifications, policies, and strategic partnerships with other agencies).

b) The prevention of crime and disorder

CCTV System installed to monitor entrances, exits, and other parts of the premises in order to address the prevention of crime objective.

A clear and legible notice outside the premises indicating the normal hours under the terms of the premises licence during which licensable activities are permitted.

Clear and conspicuous notices warning of potential criminal activity, such as theft, that may target customers will be displayed.

Custom will not be sought by means of personal solicitation outside or in the vicinity of the premises.

Prevention and vigilance in illegal drug use at the retail unit area.

c) Public safety

Well trained staff adherence to environmental health requirements.

A log book or recording system shall be kept upon the premises in which shall be entered particulars of inspections made; those required to be made by statute, and information compiled to comply with any public safety condition attached to the premises licence that requires the recording of such information. The log book shall be kept available for inspection when required by persons authorised by the Licensing Act 2003 or associated legislation.

All parts of the premises and all fittings and apparatus therein, door fastenings and notices, lighting, heating, electrical, air condition, sanitary accommodation and other installations, will be maintained at all times in good order and in a safe condition.

d) The prevention of public nuisance

Noise reduction measures to address the public nuisance objective.

Prominent, clear and legible notices will be displayed at the exit requesting the public to respect the needs of nearby residents and to leave the premises and the area quietly.

Deliveries of goods necessary for the operation of the business will be carried out at such a time or in such a manner as to

Section 182 Advice by the Home Office Updated on March 2015

Relevant, vexatious and frivolous representations

- 9.4 A representation is “relevant” if it relates to the likely effect of the grant of the licence on the promotion of at least one of the licensing objectives. For example, a representation from a local businessperson about the commercial damage caused by competition from new licensed premises would not be relevant. On the other hand, a representation by a businessperson that nuisance caused by new premises would deter customers from entering the local area, and the steps proposed by the applicant to prevent that nuisance were inadequate, would be relevant. In other words, representations should relate to the impact of licensable activities carried on from premises on the objectives. For representations in relation to variations to be relevant, they should be confined to the subject matter of the variation. There is no requirement for a responsible authority or other person to produce a recorded history of problems at premises to support their representations, and in fact this would not be possible for new premises.
- 9.5 It is for the licensing authority to determine whether a representation (other than a representation from responsible authority) is frivolous or vexatious on the basis of what might ordinarily be considered to be vexatious or frivolous. A representation may be considered to be vexatious if it appears to be intended to cause aggravation or annoyance, whether to a competitor or other person, without reasonable cause or justification. Vexatious circumstances may arise because of disputes between rival businesses and local knowledge will therefore be invaluable in considering such matters. Licensing authorities can consider the main effect of the representation, and whether any inconvenience or expense caused by it could reasonably be considered to be proportionate.
- 9.6 Frivolous representations would be essentially categorised by a lack of seriousness. Frivolous representations would concern issues which, at most, are minor and in relation to which no remedial steps would be warranted or proportionate.
- 9.7 Any person who is aggrieved by a rejection of their representations on either of these grounds may lodge a complaint through the local authority’s corporate complaints procedure. A person may also challenge the authority’s decision by way of judicial review.

- 9.8 Licensing authorities should not take decisions about whether representations are frivolous, vexatious or relevant to the licensing objectives on the basis of any political judgement. This may be difficult for councillors who receive complaints from residents within their own wards. If consideration is not to be delegated, contrary to the recommendation in this Guidance, an assessment should be prepared by officials for consideration by the sub- committee before any decision is taken that necessitates a hearing. Any councillor who considers that their own interests are such that they are unable to consider the matter independently should disqualify themselves.
- 9.9 It is recommended that, in borderline cases, the benefit of the doubt about any aspect of a representation should be given to the person making that representation. The subsequent hearing would then provide an opportunity for the person or body making the representation to amplify and clarify it.
- 9.10 Licensing authorities should consider providing advice on their websites about how any person can make representations to them.

Subject: Representation/objection to late night opening

Dear Tower Hamlets Council licensing department,

My name is Mr. Ben Brookes. I am resident at [REDACTED]

I recently received notice that there had been a request for extension of late night trading hours to the business called Original Taste located at:

74

Bow Road

London

E3 4DL

I would like to state my objection to the increased late night opening times for the above business.

Extended late night opening will result in increased incidences of antisocial behavior and nuisance behavior local residents are subjected to.

The street adjacent to the business Tomlins Grove is always covered in litter from the business with takeaway wrappers strewn across the street. I believe the existing terms of the business license should prevent this impact on the street and are not being met.

Customers of the business park their cars on Tomlins Grove whilst eating their food and can stay for hours listening to loud music outside causing significant disturbance to residents. Extending the opening hours will increase the occurrence of this.

Drunken people often congregate on Tomlins Grove especially at the weekend eating food from the business. As well as noise from customers we frequently see people urinating on the street at the weekends after using the business.

When we have asked people move away from our property late at night we have been threaten and people have banged on our windows.

I hope you will consider the above reasons as why it is not appropriate for the business to be granted extended late night license in a residential area.

Yours Sincerely,

Mr Ben Brookes

Subject: Licensing Act 2003: 74 Bow Road, E3 4DL

We wish to oppose later opening hours for the above property on the grounds of Public Nuisance. The shop sits at the top of a residential area and residents do not need the noise of visitors to the shop any later than at present. It is not right that the Council has only written to immediate neighbours of the property when as a road Tomlins Grove suffers. People do not only park near the shop, they park the length of Tomlins Grove. They sit in their vehicles with engines running and music playing eating their food. They then dump the rubbish in the road despite there being several bins in the road. We also have the issue of car alarms where customers for the shop don't secure their vehicle properly because they think they will only be a couple of minutes. This happened at 5.50 Sunday 18 December afternoon outside my house. It happens at all times in the evening and it is not right. Why should we have to put up with this later into the night because the shop wants to open later? As mentioned earlier, this is a residential area, not a business area. If the Council allows the shop to open later, we will have to put up with its customers' behaviour later. Also the amount of dumped rubbish will increase. Residents living in Tomlins Grove should not have to put up with this. If anything, opening hours should be reduced so that customer visits to the shop ends earlier.

Melanie Rainbird

Your Ref CLC/EHTS/LIC/096580

Dear Kathy

Thank you for your letter dated 2nd December 2016. I write today to make representations from several concerned residents, living in the homes surrounding this business.

Prevention of crime & disorder

There was a stabbing in this chicken shop recently (August 2016). Its customer base, late at night, is predominantly young men, a demographic closely associated with crime and disorder by the police. There is open and obvious solicitation and dealing of illegal drugs outside and around the shop. While this is not directly linked to the shop, it does seem to be a place for them to hang around.

Prevention of public nuisance

Customers of the shop who drive, regularly park in the surrounding streets to consume the food inside their cars. This takes up much needed parking spaces for residents who have paid for permits. Spaces are already at capacity because of the taxi company and their cars associated with that. The traffic wardens seem unable/unwilling to deal with this. It is common for these customers to play loud music and keep their engines running throughout their visit, causing noise disturbance to residents in their homes.

By far the most common and obvious nuisance associated with this shop is the masses of litter. The surrounding area is permanently strewn with the packaging (boxes, plastic bags, drinks containers, cutlery, sauce sachets, napkins, straws) and left over food. Aside from being unsightly and smelling bad, it encourages vermin. There are rats, pigeons, and an abundance of foxes (whom no doubt pose a threat to resident pets). There are already ample dustbins on the streets, but sadly so many people are unwilling to get out of their cars to use them. Please come and see for yourself.

Public safety

As well as all the above issues I would like to draw your attention to pedestrian safety. The lack of parking means people frequently park on the yellow/red lines up to and around the junction of Bow Road and Tomlins Grove. This creates a hazard for pedestrians crossing the junction, and also inhibits the flow of traffic. It is a daily

occurrence to have gridlock on Tomlins Grove (with angry drivers sounding horns and shouting at each other, and common to see physical fights over assumed right of way) Again it is an issue the traffic wardens are unable/unwilling to deal with.

Extending the hours of operation will only exacerbate the existing problems. I hope you will take these issues into consideration.

Yours sincerely

Charlotte Atyeo

Appendix 9

Anti-Social Behaviour on the Premises

Licensing Policy

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. **(See Section 6 of the Licensing Policy)**

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. **(See Appendix 3 of the Licensing Policy)**. In particular Members may wish to consider (this list is not exhaustive):

- Methods of management communication
- Use of registered Door Supervisors
- Bottle Bans
- Plastic containers
- CCTV
- Restrictions on open containers for “off sales”
- Restrictions on drinking areas
- Capacity
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage
- Seating plans
- Capacity

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public safety.

Guidance Issued under Section 182 of the Licensing Act 2003

The pool of conditions, adopted by the Council is recommended (Annexe D).

The key role of the Police and SIA is acknowledged (2.1-2.2).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder and their staff or agents, but can directly impact on the behaviour of customers in the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) communication, CCTV, police liaison, no glasses, capacity limits are all relevant (2.3 - 2.7).

Guidance Issued under Section 182 of the Licensing Act 2003

Conditions can be imposed for large capacity “vertical consumption” premises (10.23 – 10.24).

Guidance Issued by the Office of Fair Trading

This relates to attempts to control minimum prices.

Other Legislation

- The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

Appendix 10

Anti-Social Behaviour from Patrons Leaving the Premises

General Advice

Members need to bear in mind that once patrons have left a premises they are no longer under direct control. Members will need to be satisfied that there is a link between the way the premises is operating and the behaviour that is complained of. An example of this would be that irresponsible drinking is being encouraged. Before deciding that any particular licensing conditions are proportionate, Members will also need to be satisfied that other legislation is not a more effective route. For example, if the problem is drinking in the street it may be that the Council should designate the area as a place where alcohol cannot be consumed in public.

Members may also wish to consider whether the hours of opening relate to any problems of anti-social behaviour.

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy” (**see Section 4.15 and 4.16 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 6.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 3 of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- Bottle Bans
- Plastic containers
- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However, the process for this involves wide consultation and cannot come from representations about a particular application. **(See Section 7 of the Licensing Policy).**

Police Powers

The Licensing Act 2003, Part 8 gives a senior police officer the power to close a premises for up to 24 hours where the officer believes there is, or is likely to be disorder on or in the vicinity and closure is necessary in the interests of public.

Guidance Issued under Section 182 of the Licensing Act 2003

The key role of the Police is acknowledged (2.1).

Conditions attached to licences cannot seek to manage the behaviour of customers once they are beyond the direct management of the licence holder, but can relate to the immediate vicinity of the premises as they seek entry or leave (1.16).

Conditions are best targeted on deterrence and preventing crime and disorder (2.3) CCTV inside & out, communication, police liaison, no glasses are all relevant

There is also guidance issued around public nuisance (2.14 – 2.20).

The pool of conditions, adopted by the Council is recommended (see Appendix 3 of the Licensing Policy). Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.18/2.20).

Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and, therefore, beyond the direct control of the individual, club or business holding the licence, certificate or authorisation concerned (13.13).

Other Legislation

Crime and Disorder Act 1998

The Council has a duty under Section 17 of the Crime and Disorder Act 1998 to do all it reasonably can to prevent crime and disorder.

The Act also introduced a wide range of measures designed to address anti- social behaviour committed by adults and young people. These include:

- Anti-Social Behaviour Orders
- Child Curfew Schemes
- Truancy
- Parenting Orders
- Reparation Orders
- Tackling Racism

Appendix 11

Access and Egress Problems

Such as:

Disturbance from patrons arriving/leaving the premises on foot

Disturbance from patrons arriving/leaving the premises by car

Lack of adequate car parking facilities

Close proximity to residential properties

Comment

The above have been grouped together as egress problems. Of course the particular facts will be different for each alleged problem.

Egress only is referred to-if necessary access can be added or substituted in.

General Advice

In considering concerns relating to disturbance from egress, Members need to be satisfied that the premises under consideration has been identified as the source of the actual or potential disturbance. If they are satisfied that this is a problem, then proportionate conditions should be considered.

The hours of operation also need to be considered.

If Members believe that there is a substantial problem concerning egress and it cannot be proportionately addressed by licensing conditions, they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. **(See Section 10 of the Licensing Policy)**.

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. **(See Section 10.2 of the Licensing Policy)**.

The policy also recognises that staggered closing can help prevent problems at closure time **(See Section 15.1)**.

However, while all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. **(See Section 15.5)**

The Council has adopted a set of framework hours **(See 15.8 of the licensing policy)**. This relates to potential disturbance caused by late night trading.

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Pool of Conditions relating to the prevention of Public Nuisance. (**See Annex G of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a “beer garden”, or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly

Guidance Issued under Section 182 of the Licensing Act 2003

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community. (2.19).

Licence conditions should not duplicate other legislation (1.16).

Any conditions should be tailored to the type, nature and characteristics of the specific premises. Licensing authorities should be aware of the need to avoid inappropriate or disproportionate measures that could deter events that are valuable to the community, such as live music. Noise limiters, for example, are very expensive to purchase and install and are likely to be a considerable burden for smaller venues. (2.20)

Measures can include ensuring the safe departure of customers, these can include:

- Providing information on the premises of local taxi companies who can provide safe transportation home; and
- Ensuring adequate lighting outside the premises, particularly on paths leading to and from the premises and in car parks

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.22) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder.

Appendix 12

Noise while the premise is in use

General Advice

If they conclude this is a problem Members should consider whether it is possible to carry out suitable and proportionate noise control measures so that noise leakage is prevented. In addition Members may consider that only certain activities are suitable.

The hours of operation also need to be considered (see below).

If Members believe that there is a substantial problem of noise while the premises are in use and it cannot be proportionately addressed by licensing conditions they should refuse the application.

Licensing Policy

The policy recognises that noise nuisance can be an issue, especially if a premises is open late at night. (**See Sections 8.1 of the Licensing Policy**). While all applications will be considered on their merits, consideration will be given to imposing stricter conditions in respect of noise control where premises are situated close to local residents. (**See Section 12.11**).

The Licensing Authority expects the applicant to have addressed all nuisance issues relating to the premises in their operating schedule and to have sought appropriate advice from the Council's Environmental Health Officers. (**See Section 8.2 of the Licensing Policy**).

The Licensing Authority will consider attaching conditions to prevent nuisance and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 2 Annex D of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- hours of opening (this needs to be balanced against potential disorder caused by artificially early closing times)
- Whether certain parts should close earlier than the rest (for example a "beer garden", or restricted in their use)
- Whether or not certain activities should have to close at an early hour, for example live music
- Conditions controlling noise or vibration (for example, noise limiters, keeping doors and windows closed).
- Prominent clear and legible notices at all exits requesting the public to respect the needs of local residents and leave the premises and area quietly
- Conditions controlling the use of explosives, pyrotechnics and fireworks
- Conditions controlling the placing of refuse
- Conditions controlling noxious smells
- Conditions controlling lighting (this needs to be balanced against potential crime prevention benefits)

Police Powers

Part 8 of the Licensing Act 2003 enables a senior police officer to close down a premises for up to 24 hrs. a premises causing a nuisance resulting from noise emanating from the premises.

Guidance Issued under Section 182 of the Licensing Act 2003

The Licensing Policy has adopted the recommended Pool of Conditions as permitted (13.20 and Annex D).

The prevention of public nuisance could include low-level nuisance, perhaps affecting a few people living locally as well as major disturbance affecting the whole community (2.33).

Licence conditions should not duplicate other legislation (1.16).

Necessary and appropriate conditions should normally focus on the most sensitive periods (2.36) and may address disturbance as customers enter or leave the premises but it is essential that conditions are focused on measures within the direct control of the licence holder (2.38).

Other Legislation

The Environmental Protection Act 1990, Part 111 gives Environmental Health Officers the power to deal with statutory nuisances.

The Anti-social Behaviour Act 2003, Sections 40 and 41 give Environmental Health Officers the power of closure up to 24 hours in certain circumstances.

Appendix 13

Appendix 13

Acting as a Magnet Attracting the Young who then engage in Anti-Social Behaviour

General Advice

Members will need to consider whether any of the problems alleged to be associated with young people are the responsibility of the premises. Are they encouraging gangs in any way? If not, there may not be any proportionate conditions that can be applied? Are these patrons of the premises?

If Members believe that there is a substantial problem of anti-social behaviour and it cannot be proportionately addressed by licensing conditions they should refuse the application. However, hours may be an important issue.

Licensing Policy

The policy recognises that other legislation or measures may be more appropriate (in relation to the behaviour of patrons who have left the premises) but also states that licensing laws are “a key aspect of such control and will always be part of an overall approach to the management of the evening and night time economy.” (**See Section 4.10 and 4.11 of the Licensing Policy**).

The Licensing Authority expects the applicant to have addressed all crime and disorder issues relating to the premises in their operating schedule and to have sought appropriate advice. (**See Sections 5.2 of the Licensing Policy**)

The Licensing Authority will consider attaching conditions to deter crime and disorder and these may include Conditions drawn from the Model Poll of Conditions relating to Crime and Disorder. (**See Appendix 2 Annex D of the Licensing Policy**). In particular Members may wish to consider (this list is not exhaustive):

- CCTV (outside the premises)
- Restrictions on open containers for “off sales”
- Proof of Age scheme
- Crime prevention notices
- Drinks promotions-aimed at stopping irresponsible promotions
- Signage

Cumulative Impact

There is a process by which the Licensing Authority can determine that an area is saturated following representations. However the process for this involves wide consultation and cannot come from representations about a particular application. (**See Section 6 of the Licensing Policy**).
