Cabinet Report	Question / Comments
<p>Agenda Item 7.1</p> <p>Review of the Council's Discretionary Awards Determination for the 2014/15 financial year and discretionary award policies.</p>	<p>What cost control measures are in place to prevent over-spending of the budget if the MEA is over-subscribed; why is there no ranking criteria for the MEA as there is for the MHEA and can one be introduced and published; and how was the 2013/14 overspend funded?</p> <p>On a point of detail, the figures in 4.9 refer to 2012/13 but appear in table 2 to refer to 2013/14. Is that an error?</p>
<p>Agenda Item 7.2</p> <p>2014/17 Education, Social Care and Wellbeing Capital Programme</p>	<p>What will the sum of £200,000 in recommendation 10 (or £300,000 in 3.28) actually be spent on? And which figure is correct?</p> <p>What level of over-subscription or backlog was there last year for the £100,000 budget for equipment and assistive technology to support people with care needs?</p> <p>What analysis has there been of a) where developments are geographically which have resulted in the £4.2m of S106 and b) where allocation is being made geographically?</p>
