display parking at the Town Hall (free from 6pm)

If you are viewing this on line:(http://www.towerhamlets.gov.uk/content_pages/contact_us.aspx)

Meeting access/special requirements.

The Town Hall is accessible to people with special needs. There are accessible toilets, lifts to venues. Disabled parking bays and an induction loop system for people with hearing difficulties are available. Documents can be made available in large print, Braille or audio version. For further information, contact the Officers shown on the front of the agenda

Fire alarm

If the fire alarm sounds please leave the building immediately by the nearest available fire exit without deviating to collect belongings. Fire wardens will direct you to the exits and to the fire assembly point. If you are unable to use the stairs, a member of staff will direct you to a safe area. The meeting will reconvene if it is safe to do so, otherwise it will stand adjourned.

Electronic agendas reports and minutes.

Copies of agendas, reports and minutes for council meetings can also be found on our website from day of publication.

To access this, click www.towerhamlets.gov.uk/committee and search for the relevant committee and meeting date.

Agendas are available at the Town Hall, Libraries, Idea Centres and One Stop Shops and on the Mod.Gov, iPad and Android apps.

Dear Tower Hamlets

I strongly object to this licencing request. The establishment in question already has outside seating inside the market. Is this not sufficient.

The outside area they are asking to use is very narrow and would mean passing would be inconvenient. The moving of tables in and out would cause noise, the sitting of people drinking would resonate throughout the Lamb Street area and would be v annoying and disturb my evenings. When the last establishment used to allow just people standing out smoking, this used to cause disturbances and feel with tables this would be 100% worse.

There is enough seating for the restaurant and their desire for more which will make my life worse isnt something I hope tower hamlets will agree to.

LICENSING DEPT
TOWER HAMLETS COUNCIL

REF: 076002

Dear Sir/Madam

LICENSE APPLICATION by WRIGHT BROTHERS 8a LAMB ST E1

Spitalfields Market Residents Group wish to register our objection to application.

- * Most of the pavement is Council owned, limiting placing of tables and chairs
- * A panel below a window frontage contains a large metal grill which emanates a constant noise the whole day, and would preclude having a table there.
- * Space between restaurant entrance and resident street door (No 8) is, too narrow to consider.

We say there would only be room for two or possibly three tables. This can easily be checked.

- * The applicant states they "will happily move guests inside after 10pm".

Does that mean, if guests are still eating their meal?

The restaurant already has an outdoor area at the rear for eating and drinking, to accommodate over 20 diners, which beggars the question, why bother just for two or three tables on Lamb st, which can be beset by problems.?

We fear the application is to cater for alcohol drinking plus those that smoke

We ask you to reject this proposal

Mike Myers
Chair: Spitalfields Market Residents Group

Subject: licence application for 8a Lamb St, E1

Dear Sir/Madam,

We would like to object to the licence application by Wright Brothers, 8a Lamb St, E1.

Spitalfields Community Group (SCG) was formed in 2011 with the aim of promoting and protecting the quality of life of people living and working in the ward of Spitalfields and Banglatown. We have over 200 members and are growing. Our current survey, conducted to identify priorities for action, highlighted the growing problems faced by locals as a result of the existing dense concentration of licensed premises in the area, many with late licences, exacerbating the negative impact on us of the night time economy.

Spitalfields is already saturated with licensed premises. LBTH recognised this and recently introduced a Cumulative Impact Zone to help reduce the effect of alcohol-fuelled anti-social behaviour on the lives of those who live in the area. The applicant's premises lie within that zone. Any increase in the capacity of licensed premises within this zone can only exacerbate the problems suffered by local residents.

Lamb Street is largely residential. The residents of the flats above the market and those on the north side of the street already experience problems with noise from the operation of the market. This includes noise from market traders loading and unloading their vans, that from large lorries and utility vehicles serving the market, and that from the huge numbers of visitors to the market. Allowing restaurant patrons to socialise outside will only add to these problems.

The pavement on Lamb Street is busy, especially in the early evening. Traders wheel trolleys between the market and their vans. We understand that the owners of Old Spitalfields Market have plans to attract more visitors to Lamb Street in particular. The narrowing of the useable pavement that this application entails will only make this problem worse.

We urge you to reject the application.

Many thanks for your help in this matter.

Matthew Piper
