Agenda Item 3.1

Pilpel – New Premises Licence

Statement of Case

This statement is made in support of an application for a new premises licence at Unit E, Pavilion Building, Old Spitalfields Market, London E1 6EW (the "Premises") with the intention of outlining the applicant's case and seeking to address the concerns of the party which has made a representation.

The Application

The application is for a premises licence for the supply of alcohol with a table meal with off sales in sealed containers. If granted, sales of alcohol will be limited to organic bottled beer which will be stored in a locked fridge.

Background & Style of Operation

Opened in 2011, the Premises operates as a casual, high quality, fast food, falafel Middle Eastern takeaway stall. Please see attached at appendix 1 pictures of the Premises and a sample menu.

The Premises has three sister restaurants in and around the City with a new site shortly to open on Fleet Street. All of the sister restaurants have the benefit of premises licences and a nearby restaurant called Badolina (which is a similar offer, albeit with meat dishes, owned by the same directors of the applicant) also has a premises licence. Please see attached at appendix 2 copies of recent Tripadvisor reports for a number of Pilpel sites.

The Representations

The applicant is pleased that representations have not been made by any of the statutory authorities. However, it is noted that a representation has been received from a local resident and hence this application needs to be considered before a Licensing Sub-Committee.

Before lodging the application careful consideration was given to Tower Hamlet's licensing policy. It was noted that the Premises is located in the Brick Lane Cumulative Impact Zone and hence, if the policy is followed (which is not a legal requirement) there would be a rebuttable presumption that 'the applicant would be expected to show through the operating schedule and where appropriate with supporting evidence that the operation of the premises will not add to the cumulative impact already being experienced'.

It is the applicant's belief that, if a premises licence is granted, the Premises will not add to cumulative impact for the following reasons:

- The premises are extremely small with modest hours applied for. Whilst the applicant notes that a small size is not a specific exemption (as with some other London boroughs) the number of patrons attending the premises to purchase alcohol will be considerably lower than most licensed premises located in the vicinity.
- The application is for a takeaway restaurant, not a bar, as a condition has been proffered which states –

'The supply of alcohol at the premises shall only be to a person taking a meal there and for consumption by such a person as ancillary to their meal.'

Therefore the operation of the Premises is not set to change save for, if desired, patrons can swap their usual soft drink for an organic bottle of beer. The 'fast food' nature of the cuisine also does not lend itself to 'dwell time' and therefore it is unusual for patrons to order more than one beverage. The sister premises in Spitalfields currently sells in the region of 5 to 6 beers a day, with similar sales expected at the Premises if the application is granted.

- A condition has been proffered that off sales are only to be in sealed containers so that patrons can only take beer away to consume with their food away from the Premises either at home or at their desks. The applicant does not consider that this will cause more littering. If people wish to consume quantities of alcohol outside there are numerous off-licences nearby which sell a far greater range of alcoholic drinks considerably cheaper than the anticipated price point of £3 to £4. Given that the Premises will sell 'high end' organic beer if a littering problem does arise it can be quickly traced back to the Premises and, if not quickly addressed, the premises licence can be reviewed.
- The applicant has already shown itself to be a responsible operator with other licensing authorities satisfied that the grant of a premises licence would uphold the licensing objectives.
- The applicant accepted a condition proposed by the Metropolitan Police concerning the use of CCTV.

Furthermore, pursuant to the Licensing Act 2003, there is no requirement for a licensed premises to have toilet provision. An application for a premises licence should be refused if, having regard to the representations, it is appropriate for the promotion of the licensing objectives. Therefore, with respect to the lack of toilet provision, this is only relevant if it is considered that the likely effect of a grant is that patrons will urinate in surrounding streets after having frequented the Premises. The applicant is of the view that this will not be the case for a number of reasons:

- There is no problem at present with patrons urinating on the street and the style of operation is not set to change.
- If patrons do wish to use the toilet there are numerous public facilities on Bishopsgate, in Liverpool Street Station and in Spitalfields Market. Private toilet facilities are also in numerous other pubs, bars and restaurants nearby.

Conclusion

The applicant was and is acutely conscious of the need to uphold the licensing objectives. This has resulted in only one representation being received and the concerns being focused on cumulative impact as opposed to specific current issues with the applicant in question. The Premises is run to the highest possible standards with it and its sister operations having a blemish free record. Therefore the Licensing Sub-Committee is urged to give the Premises a chance to sell a limited amount of alcohol and to grant the application as sought. The applicant would happily consider any appropriate further conditions above and beyond those in the operating schedule.

the **pilpel** story

Pilpel falafels are freshly made on the premises every day, from a family recipe created by my grandfather more than 60 years ago...

At 84 years old he still tirelessly loved to make his falafels, even when his family told him to relax and enjoy life.

At the age of 29 years old I had a vision, maybe the only thing that will give gramps peace of mind, is that I keep the falafel coming.... Pilpel was born.

Pilpel means 'chili pepper' and is the nickname my grandfather bestowed on me as a kid because he thought I had fire in my spirit. Everyone at Pilpel has the 'Pilpel Factor'. It's in our hearts, it's in the air and most importantly it's in our food.

So with us serving you fresh healthy food and you enjoying the Pilpel experience we are all helping to keep my grandfather's legacy alive.

"The best falafel salad in London"

Reviewed 27 October 2014

I love this place. The service is always quick and friendly and usually involves a free 'taster' falafel to whet the tastebuds. I go for the container, which is full of scrummy salads, hummus and falafel. The falafel here are just so good and crunchy. The pita bread is so yummy,, not like anything shop bought at all. It's more...

Re: Application for a new premises licence for Lions Express at 121-123 Poplar High Street Poplar E14 OAE

1. I have been the leaseholder and Premises Licence holder at Lions Express 43 Morris Road London E14 6NX since 2007. I enclose herewith a copy of my lease dated 12th January 2007 marked as "appendix 1" together with the official copy of the register marked as "appendix 2." This premises is approximately 1 mile away from 121-123 poplar High Street. I would say that during the last 7 years of trading at my current premises I have gained a substantial knowledge of how this part of the London city as a drive past poplar High Street on a daily basis. I am currently running a successful business at 43 Morris Road and believe that with my trading experience in this sector and knowledge of the area I will also success with my business intentions at 121-123 Poplar High Street. I am also currently a premise licence holder at 43 Morris road.
2. At my current business the licensable hours from Sunday to Thursday are from 8am until 12pm and on the weekends this is extended until 2am. I am very experienced with the customers which attend during late hours and can confirm that I cannot recall any incidents during my ownership of this business. I have applied for similar licensable hours with my new premises licence application for 121-123 Poplar High Street as I am comfortable to trade within these hours. However considering the appeals and also noting that other stores such as Tesco Express close their business at 11pm I am prepared to reduce the hours of the licensable activates applied for to 8am until 11pm every day of the week. I am a considerate local business man and would like to ensure that I do my part in ensuring that crime and disorder levels in the close proximity are maintained. This will resolve the public nuisance issue referred to in the representations. Considering that other businesses in this area sell alcoholic drinks up until the hours of 11pm I trust that there should be no issues in this respect with me selling alcoholic drinks during the same hours.
3. The premises at 121-123 Poplar High Street is currently vacant. I am in the process of finalising my lease for this premises. Attached is a copy of the agreed lease which has not yet been completed. The completion of the lease is dependent on the outcome of this premises licence application. As I will be opening a new business I need to be in a position to provide every service possible expected from a convenience store to the customers so that I am able to build up a customer loyalty base. If customers are unable to find products such as alcoholic drinks this will be a deterrent for them to attend in the future as the general concept of a convenience store is for customers to be able to find all day to day products. Therefore it is essential that I am able to sell alcoholic drinks in order to build up my business.
4. I estimate that I will be investing approximately £20,000.00 into starting up the business at 121-123 Poplar High Street. This is a considerable sum to invest in a local business. I will also be employee a further 2 individuals in order to operate a successful business. In order to meet all the outgoings of the business I require to attract as many customers possible. You will note from the floor plan of the premises provided with the premises licence application that the percentage of floor space which will be dedicated to alcoholic drinks is approximately 15%-20%. This is only one fifth of the floor space. The remainder of the business will include groceries, confectionaries and domestic products. The business will be fitted with a modern CCTV recording system in order to deter criminals.

5. For over 7 years, I have run my businesses at 43 Morris Road with strong work ethics, by complying with the law at all times, by providing a safe and secure working environment and by trying to provide a professional service. This type of service will also be replicated at 121-123 Poplar High Street. I will be regenerating the area by starting up a business at a premises which is currently vacant.
6. The representations state that the alcohol licence will draw unwelcome attention and increase the footfall at unsociable hours. I would like to state that even without an alcohol licence I will be able to open my business for 24 hours of the day 7 days of the week. This cannot be prevented and customers will be attending. I do not see the alcohol licence to be a cause for concern with regards to increasing unwelcome attention. As this is a residential area most of the custom will be from residents and very few from passing trade.
7. It appears from the representations that there are two business currently selling with an alcohol licence on poplar high street known as Tesco Express and Poplar Minimarket. The opening of a third business with an alcohol license would increase the level of competition between the businesses. A more competitive market will allow for product to be fairly priced giving consumers more value for their money.
8. The representations from Sheikh Rahman, Poplar Newsagent, Arms Chemist and Poplar Fried Chicken have all been prepared to the same standard using the same format express that "longer alcohol serving hours on the high street will unnecessarily draw people from a wider area at unsocial hours. Signage will be visible from a distance down the High Street which will add to the additional draw of pedestrians and vehicles....." As stated at point 2 above I have already agreed for a reduction in the hours applied for. The balance of the representation made is a speculation and it is impossible to know whether the sale of alcohol from one more business will have a positive or negative impact on the area before I actually open for the said hours. It would be unfair for my application to be refused on an assumption rather than a matter of fact. The issues regarding the signage and noise are also invalid as any business could start up at this premises where it will have a sign and the attendance of customers may or may not create noise.
9. When I start up my business I will also starting paying business rates to the Council. In order for me to be able to pay the rent for the premises, wages for the employees together with other expenditures I will need to be able to have a wide range of products available to my potential customers. As an experienced retailer, I know that a small percentage of sale of alcoholic drinks will help build up the business.
10. There also seems to be a petition objecting to the grant of the premises licence which has been signed by various individuals. It appears that only on the first page of the petition the reasoning for the signatures are made clear and the following pages only have the signatures but not the reasoning. This should be looked into to ensure that all the parties who signed the petition on pages 2-7 are fully aware of what they have signed as it is not made clear on the pages which have the signatures.

SIGNED
NURETTIN ERDOGAN

11. The representation by Mr Michael H Lauterpacht refers to the fact that customers are lounging around Coral bookmaker and that these customers will have the ability to move over to my premises have Coral bookmaker has closed down. I am told that Coral bookmaker closes at 10pm which is only an hour before I purpose to close my business at 121-123 Poplar High Street. I cannot see that customers will be lounging at my premises as it is not of a similar nature to Coral Bookmakers. Coral Bookmakers is a betting shop where people bet and wait for the results of the bet whereas people who attend my premises will be generally in and out within a few minutes.
12. I would point out that except from local businesses and a few of individuals none of the responsible authorities have made a representation against my application. There are no representations from Health & Safety, none from Environmental Health and none from Child Protection and none from the Police of Fire Authority. In fact my solicitor has received a letter from London Fire and Emergency Planning Authority who have confirmed that they do not propose to make any representation. The letter is enclosed and marked as "appendix 4."

3.2 The Guarantor shall not be released by any variation of the rents reserved by, or the tenant covenants in, this Lease (or the Tenant's obligations under the Authorised Guarantee Agreement) whether or not:

- (a) the variation is material or prejudicial to the Guarantor; or

4. GUARANTOR TO TAKE A NEW LEASE OR MAKE PAYMENT

4.1 If this lease is forfeited or the liability of the Tenant under this lease is disclaimed and the Landlord gives the Guarantor notice not later than [six] months after the forfeiture or the Landlord having received notice of the disclaimer, the Guarantor shall enter into a new lease of the Property on the terms set out in paragraph 4.2.

4.2 The rights and obligations under the new lease shall take effect from the date of the forfeiture or disclaimer and the new lease shall:

- (a) be granted subject to the right of any person to have this lease vested in them by the court and to the terms on which any such order may be made and subject to the rights of any third party existing at the date of the grant;
- (b) be for a term that expires at the same date as the end of the Contractual Term of this lease had there been no forfeiture or disclaimer;
- (c) reserve as an initial annual rent an amount equal to the Annual Rent payable under this lease at the date of the forfeiture or disclaimer or which would be payable but for any abatement or suspension of the Annual Rent or restriction on the right to collect it (subject to paragraph 5) and which is subject to review on the same terms and dates provided by this lease;

4.3 The Guarantor shall pay the Landlord's solicitors' costs and disbursements (on a full indemnity basis) and any VAT in respect of them in relation to the new lease and shall execute and deliver to the Landlord a counterpart of the new lease within one month after service of the Landlord's notice.

4.4 The grant of a new lease and its acceptance by the Guarantor shall be without prejudice to any other rights which the Landlord may have against the Guarantor or against any other person or in respect of any other security that the Landlord may have in connection with this lease.

4.5 The Landlord may, instead of giving the Guarantor notice pursuant to paragraph 4.1 but in the same circumstances and within the same time limit, require the Guarantor to pay an amount equal to six months Annual Rent and the Guarantor shall pay that amount on demand.

6.1 Any payment or dividend that the Landlord receives from the Tenant (or its estate) or any other person in connection with any insolvency proceedings or arrangement involving the Tenant shall be taken and applied as a payment in gross and shall not prejudice the right of the Landlord to recover from the Guarantor to the full extent of the obligations that are the subject of this guarantee and indemnity.

6.2 The Guarantor shall not claim in competition with the Landlord in any insolvency proceedings or arrangement of the Tenant in respect of any payment made by the Guarantor pursuant to this guarantee and indemnity. If it otherwise receives any money in such proceedings or arrangement, it shall hold that money on trust for the Landlord to the extent of its liability to the Landlord.

6.3 The Guarantor shall not, without the consent of the Landlord, exercise any right or remedy that it may have (whether against the Tenant or any other person) in respect of any amount paid or other obligation performed by the Guarantor under this guarantee and indemnity unless and until all the obligations of the Guarantor under this guarantee and indemnity have been fully performed.

7. OTHER SECURITIES

7.1 The Guarantor warrants that it has not taken and covenants that it shall not take any security from or over the assets of the Tenant in respect of any liability of the Tenant to the Guarantor. If it does take or hold any such security it shall hold it for the benefit of the Landlord.

7.2 This guarantee and indemnity is in addition to and independent of any other security that the Landlord may from time to time hold from the Guarantor or the Tenant or any other person in respect of the liability of the Tenant to pay the rents reserved by this lease and to observe and perform the tenant covenants of this lease. It shall not merge in or be affected by any other security.

7.3 The Guarantor shall not be entitled to claim or participate in any other security held by the Landlord in respect of the liability of the Tenant to pay the rents reserved by this lease or to observe and perform the tenant covenants of this lease.

Dear Sir/Madam,

REF: This is an objection in reference to the new premise license at 121-123 Poplar High Street, Poplar, E14 0AE.

Please consider the following points in reference to the objection of premise license to the above site.

1. **Concentration of Licensed Outlets.**

- There are numerous public houses off of Poplar High Street in close proximity to the proposed site
- There are numerous shops selling alcohol on the high street and just off of the High Street.
- In addition to above there are numerous restaurants serving alcohol in close proximity around the proposed site.

After leaving local restaurants late at night the concern is that people will be drawn into the residential area on and off the High Street, where the proposed off license site would be located, for the further purchase of alcohol and other items. There is also potential overspill from events such as weddings and parties that take place in the Church Hall, respectively in a very close proximity of the proposed site.

The addition of another outlet selling alcohol in this location, which is bounded by two children's school and the Church Hall which hosts weekly regular young children's events, is inappropriate during daylight hours and after dark adds to concerns about breaches of the peace increasing in and around the park near to the site (as referred to below).

2. **Crime and Disorder.**

If an alcohol licence will draw unwelcome attention and increased footfall at unsociable hours to the residential area in and around Poplar High Street. Noise, public nuisance, anti-social behaviour, low-level nuisance (non-reportable crime including shouting, swearing, urination in public, littering) will be increased. The site is close to a park. Historically there have been vagrants sleeping in the park and incidents of regular gatherings of youths drinking alcohol and causing disturbances. Police attention to this issue has largely cured this, however, the site is acknowledged by the Police to be of concern. Recently there have been a few incidents of alcohol related malicious wounding on the High Street, 1 resulting in death, illustrating the reality of the Police and local residents' concerns

3. **Public Nuisance.**

Longer alcohol serving hours on the high street will unnecessarily draw people from a wider area at unsociable hours. Signage will be visible from a distance down the High Street which will add to the additional draw of pedestrians and vehicles. Noise, light pollution, traffic and traffic noise will all have a negative impact. Additional traffic, to an already busy junction and tight corner will have serious public safety implications.

Impact comparisons can be drawn with other local supermarket developments such as - Tesco on the High Street. These have become traffic compact zones with a negative impact on the areas despite closing at 11:00pm.

4. **The Protection of Children from Harm.**

The licence conflicts with the amenities available to children in the area, putting them at risk from anti-social behaviour, increased littering, rodent and fox infestations, exposure to the marketing and sale of alcohol and cigarettes, increased potential for road traffic incidents.

- There is a nursery close by to the site.
- The Church runs children's activities, Scouts, Girl Guides and is a venue for hire for children's parties and family functions such as weddings and christenings.
- Annual Community events are run in the park.
- The Park is a green space to enjoy, for children to play in and to walk dogs.

Thank you for taking the time to seriously consider these objections.

Yours Sincerely,

Impact comparisons can be drawn with other local supermarket developments such as – Tesco on the High Street. These have become traffic compact zones with a negative impact on the areas despite closing at 11:00pm.

4. The Protection of Children from Harm.

The licence conflicts with the amenities available to children in the area putting them at risk from anti-social behaviour, increased littering, rodent and fox infestations, exposure to the marketing and sale of alcohol and cigarettes, increased potential for road traffic incidents

- There is a nursery close by to the site.

- The Church runs children's activities, Scouts, Girl Guides and is a venue for hire for children's parties and family functions such as weddings and christenings.

- Annual Community events are run in the park.

- The Park is a green space to enjoy, for children to play in and to walk dogs.

Thank you for taking the time to seriously consider these objections

Yours Sincerely,

Dear Sir/Madam,

REF: This is an objection in reference to the new premise license at 121-123 Poplar High Street, Poplar, E14 0AE

Please consider the following points in reference to the objection of premise license to the above site

1. **Concentration of Licensed Outlets.**

- There are numerous public houses off of Poplar High Street in close proximity to the proposed site.
- There are numerous shops selling alcohol on the high street and just off of the High Street.
- In addition to above there are numerous restaurants serving alcohol in close proximity around the proposed site

After leaving local restaurants late at night the concern is that people will be drawn into the residential area on and off the High Street, where the proposed off license site would be located, for the further purchase of alcohol and other items. There is also potential overspill from events such as weddings and parties that take place in the Church Hall, respectively in a very close proximity of the proposed site

The addition of another outlet selling alcohol in this location, which is bounded by two children's school and the Church Hall which hosts weekly regular young children's events, is inappropriate during daylight hours and after dark adds to concerns about breaches of the peace increasing in and around the park near to the site (as referred to below).

2. **Crime and Disorder.**

1 am alcohol licence will draw unwelcome attention and increased footfall at unsociable hours to the residential area in and around Poplar High Street. Noise, public nuisance, anti-social behaviour, low-level nuisance (non-reportable crime including, shouting, swearing, urination in public, littering) will be increased. The site is close to a park. Historically there have been vagrants sleeping in the park and incidents of regular gatherings of youths drinking alcohol and causing disturbances. Police attention to this issue has largely cured this, however, the site is acknowledged by the Police to be of concern. Recently there have been a few incidents of alcohol related malicious wounding on the High Street, 1 resulting in death, illustrating the reality of the Police and local residents' concerns

3. **Public Nuisance.**

Longer alcohol serving hours on the high street will unnecessarily draw people from a wider area at unsociable hours. Signage will be visible from a distance down the High Street which will add to the additional draw of pedestrians and vehicles. Noise, light pollution, traffic and traffic noise will all have a negative impact. Additional traffic, to an already busy junction and tight corner will have serious public safety implications.

Impact comparisons can be drawn with other local supermarket developments such as – Tesco on the High Street. These have become traffic compact zones with a negative impact on the areas despite closing at 11:00pm.

4. **The Protection of Children from Harm.**

To the Licencing Department of London Borough of Tower Hamlets

We oppose the permission for a premises licence under the Licencing Act 2003 for the Lions Express at 121-123 Poplar High Street E14 0AE.

Our reasons as follows:

- There is an off licence and a Tesco express already selling alcohol just down the road.
- We feel with another licences premises will just increase the anti-social behaviour within the area.
- Since the stopping of the alcohol sales at the newsagent on 51 Poplar High Street. We have seen the anti-social behaviour reduced and the whole area is a safer environment for the local community, especially the elders who feel safer to come out of their homes more often.
- There is a college nearby which we feel will be destructive to the students by the selling of alcohol as we have seen previously many alcohol related fights between the students.

Subject: FW: REPRESENTATION ABOUT THE PREMISES LICENCE APPLICATION FOR SALE OF ALCOHOL AT 121-123 POPLAR HIGH ST

Subject: REPRESENTATION ABOUT THE PREMISES LICENCE APPLICATION FOR SALE OF ALCOHOL AT 121-123 POPLAR HIGH ST

Dear Sirs

I live at [REDACTED] in close vicinity to the premises.

In addition, I own [REDACTED] a rental investment that is opposite 121 - 123 Poplar High St.

I strongly oppose the granting of a licence to sell alcohol at this location for the following reasons.

The area suffers from a significant crime problem. The crime statistics for Woodstock Terrace and Poplar High Street are available on the web and they are extraordinarily high. Alcohol will worsen the statistics. Only recently a man was murdered opposite the application site. The Corals bookmaker already has customers often lounging around the public highway, the ability for the customers to move over from Corals when they close to the off-licence is not good.

Public Safety: Poplar High Street is narrowed in many places, and at the same time it is a Major Cycle Route. There is a serious risk of accidents where customers for the off-licence who arrive by car are forced to park badly/illegally due to lack of available parking, and a perception that it is ok to park badly for a few moments while they complete their purchase. The bad parking will occur. It already does outside the Tesco at the junction of Poplar High St and Cotton St. Bad parking does not mix well with a Major Cycle Route. LBTH already has one of the worse records for cycle deaths (on Cycle Routes) in London so why increase the risk further? The risk will increase further when the new Hotel at the corner of Woodstock Terrace and Poplar High St opens and customers are dropped off and picked up and the supplies for the hotel, and the waste from the hotel are all collected/ delivered.

Poplar High Street already has micro areas where youths congregate and for public safety it would be bad to add a further off-licence to the mix. The more alcohol that is sold the greater the risk of street drinking and fighting in a borough that at present does not have its full quota of police due to recruitment issues, and so it is the "little" crimes like street drunkenness that are ignored.

Please do not allow a licence to sell alcohol at 121 - 123 Poplar High Street for the above reasons.

Yours faithfully

MICHAEL H LAUTERPACHT

Dear Sirs,

Re Application for Licensed Premises at 121 – 123 Poplar High Street

I understand that an application is before you for licensed premises at the above address. As a local resident for many years I must object to this in the strongest possible terms.

The area is already plagued by pot smoking on a daily basis and much anti social behaviour and I fear that the introduction of a licensed premises in the area will only encourage more of the same.

At present most of this behaviour is limited to social hours but granting this licence would mean that local residents will have to put up with it until the early hours of the morning.

I therefore ask that this application is turned down at the earliest possible date.

Regards

Margaret Brown

Licensing Application 121-123 Poplar High Street E14

We, the undersigned residents of Woodstock Terrace and adjacent streets, write this petition to object to the Licensing Application submitted by Lions Express for premises located at 121-123 Poplar High Street E14, on the following grounds:

1. **Prevention of nuisance:** We are extremely concerned about the evening opening hours to midnight and to 1 a.m. These premises border on, are below, opposite and within close proximity to high density residential accommodation within a conservation area. They are located in an area where there is currently no other retail activity taking place during these hours. The opening hours will encourage noise with pedestrians, vehicles and/or taxis going to and from the premises, litter and increased traffic. Additional parking from customers in an already overcrowded restricted Residents Parking area will further inconvenience local residents in the evening. More late activity, potential disturbances and noise into the early hours of the morning will disrupt children's and adults' sleep.
2. **Public Safety:** Corporate companies managing license premise are required to have a wide range of measures in place e.g. CCTV, staff training on the responsible sale of alcohol, under-age ID checks and security to manage and minimise alcohol misuse. Small outlets do not have the same resources, financial and human, to operate in this way. Alcohol misuse remains an area of concern borough-wide.
3. **Prevention of crime and disorder:** Limehouse Area Metropolitan Police Service has prioritised policing for this neighbourhood as a) anti-social behaviour in general b) anti-social behaviour by youths and c) anti-social behaviour related to drug use. There is an on-going problem as the Police and Community safety officers can confirm of street drug dealing in this area. Additional licensed premises in the area could encourage additional undesirable illegal activity related to drugs and drinking in the vicinity.
4. There are plenty of other take-aways, restaurants, public houses and off-sales within walking distance of this location without the need to disturb the peace of an established residential quarter with an additional outlet - particularly one which is open to such late hours including Sunday evening to midnight.
