Agenda Item number: 8.1
Reference number: PA/15/01526
Location: 216 - 218 Mile End Road, London, E1 4LJ
Proposal: Application for variation of conditions no. 5 'hours of operation', 8 'use of rear yard' and 10 'use of rear yard and details thereof' of planning permission ST/96/00059 dated 04/02/1998

1.0 S106 Agreement and Conditions

- 1.1 Following further discussions with the applicant, in the interest of procedural robustness and in accordance with CIL Regulations 2010 (as amended) and Planning Policy Guidance, the S106 legal agreement (to carry over all of the obligations attached to the original planning permission) is no longer considered necessary as all of the matters secured through the agreement can be adequately dealt with by conditions. In accordance with guidance, this also results in removal of any duplication between conditions and the S106 agreement.
- 1.2 As such, Paragraphs 3.2 and 3.4 of the Recommendation section of the main report shall be omitted, and the following additional condition added to Paragraph 3.6:
- a) Restriction on use of the rear yard for the storage of goods, as a retail area ancillary to the main retail unit or as a cash and carry warehouse or a use ancillary to the same.
- 1.3 Following further discussions with the Council's Highways & Transportation Officers, it is recommended that a further condition is necessary to address traffic safety. This condition is to require submission of a highway safety scheme including but not limited to provision of warning lights to alert vehicles and pedestrians to the presence of any vehicles which are within the access tunnel. This would reduce the risk to the pedestrians posed by the limited visibility by giving a warning that a vehicles is in the tunnel or about to emerge from it, and reduce instances where vehicles meet head on in the tunnel, requiring one to reverse out.
- 1.4 As such, an additional condition shall be inserted in Paragraph 3.6:
- a) Submission of a highway safety scheme.
