Hello Joe,

Just an update on the massage place since you served the notice.

On the days I have been around they have closed at 8pm and pulled shutters down (which they did not used to do). The residents of [REDACTED] are keeping watch for breaches. Perhaps the proprietor is conscious of good behaviour leading up to the planning hearing on 14/12. I'm certain they will continue to make breaches since they have done so continually over the last 18 months. The brothel business I'd expect is not sustainable with such reasonable operating hours.

We also continue to pressure the freeholder of the property Councillor Bobby Nagpal .

Thank you for your efforts.

Regards,

Daron Pike
