I have been a member of the club for a number of years , and have enjoyed using it . It has always had a good atmosphere and has always been well run by John . I've never encountered any problems or bad behaviour, it is quite a friendly and welcoming place to be. I see no problems with it moving to the above address, in fact I welcome it. The premises have been empty for far too long and it will be good to see another premises utilised as I have a shop at 168 Roman Road and would like to see the High Street do better. I can't see it being detrimental to have another premises cared for !
