	<p>Annual Performance Report: Education Healthcare Plan Assessments</p> <p>2. The committee raised concerns about the low percentage of education health care plan assessments completed at 29% and wished to ascertain what and how this was measured</p>		OSC Chair	12.09.22	<p>Response received on 01.08.2022</p> <p>The figure of 29% for completed EHCP's relates to those completed within the 20-week timescale. The remaining 71% of EHCP's will have been in progress and will be completed, albeit having taken longer than we would have liked. Q4 was a particularly challenging period, and earlier periods showed increased performance in this area. Additional resources have been put in place which are starting to have an impact.</p>

					<p>Our current cumulative performance is 35% (year to date) and increasing with May (42%), June (45%) and July (45%) demonstrating an improved trajectory. We hold weekly meetings with services to monitor the impact of the increasing demand for EHCPs on timeliness of advice requests coming back into the SEN Service.</p> <p>This measure is a SEND improvement plan priority. The service are working on a backlog of cases which they plan to clear by the autumn term. In terms of benchmarking, the national figure for EHC timeliness is expected to be around 50% for 2020/21.</p>

	<p>4. The committee has requested a note on what the intention is Gill Street site.</p>	<p>Corporate Director of Place</p> <p>Karen Swift Director of Housing</p>			<p>the Gill Street site. The Mayor indicated that he is supportive of the site being sold to Limehouse Mosque on a 125-year lease at market value, subject to a formal decision at Cabinet. However, this would be dependent on finding an alternative housing site in the vicinity of Gill Street for the provision of new council homes. Feasibility studies have been carried out on two nearby sites to establish their potential for the delivery of new council homes and pre-application planning advice for both is being sought.</p>

The committee requested details on the annual budget for Youth Justice and whether this is enough to sufficiently tackle the challenges the service faces. 2. The committee asked if the Sub-Committee could receive an update on Youth Justice performance in 6 months' time with a focus on KPIs. This should feed into the following years workplan in advance of a follow up inspection. Findings in Sub-Committee should be fed back to OSC. 	<p>James Thomas Corporate Director of Children & Culture</p>	<p>OSC Chair</p>	<p>19.11.22</p>	<p>1. The total Youth Justice Services Budget for 2022-2023 is £1,482,008. This is an increase of £50,000 on the figure that the OSC received in the report due to the Youth Justice Board increasing our funding after the Youth Justice Plan was submitted. This figure includes our core budget from the Local Authority as well as the Youth Justice Board Grant and contributions from the City of London.</p> <p>In addition, we receive staff from the Probation Service and the Metropolitan Police as part of our multi-agency agreement. We have also just received information from the Ministry of Justice that we will be receiving an additional £351,641 for the 'Turnaround' project, something that each Youth Justice Service in England and Wales will be receiving. The Turnaround Project is due to take place between December 2022 and March 2025. The purpose of the Turnaround funding is to</p>

In addition to this, the Mayor recently reviewed our Growth Bid submission and agreed to £45,000 for training for the Youth Justice Service.</p> <p>Therefore, with the potential £45,000 from a council growth bid and the above monies then at this point there is now sufficient to tackle the issues.</p> <p>2. We will provide the Children and Education Scrutiny Sub-Committee an update on the progress of the Youth Justice Plan in March 2023 with a focus on key performance indicators.</p>
	<p>Waste and Recycling Services</p> <p>1. The Committee requested benchmark data on missed collections from neighbouring boroughs to help us understand where we can learn, improve, and review best practice.</p>	<p>Dan Jones Director of Public Realm</p>	<p>OSC Chair</p>	<p>19.11.22</p>	<p>Response received on 25.11.2022</p> <p>As the benchmarking data is not publicly available, the service have had to contact individual councils directly to request their data.</p> <p>The service is in the process of collecting and review data and seeing how they can best benchmark this data</p>
