<b>Item Housing Revenue Account (HRA) 2022 - 25 Capital Programme: Latest position</b>	
<p>Can the Mayor and Lead Member for Housing explain why the proposed redevelopment of Ashington House has been removed from the Capital Programme?</p>	<p>The Ashington House scheme has progressed more slowly than expected and is still at the feasibility stage. By removing it from the programme at this time, funding is freed up to allocate to schemes which are further forward. Once the 30-year HRA Business Plan has been updated, the HRA capital programme will be refreshed for 2023-2026. Subject to funding being available in future years, the Ashington scheme may be put back into the programme.</p>
