Tower Hamlets Council **Forthcoming Decisions Plan**

What is this document?

The Forthcoming Decisions Plan (or 'Forward Plan') contains information on significant decisions that the Council expects to take over the next few months.

As a minimum this will include notice of:

- All Key Decisions to be taken by the Mayor or Cabinet.
 - This could include decisions taken at public meetings or taken individually at other times.
- Budget and Policy Framework Decisions (for example the Budget Report itself and major policies to be agreed by Council as set out in the Constitution)

In addition the Council aims to publish all other decisions to be taken by the Mayor and/or Cabinet.

Key Decisions

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Section 3 of the [Constitution](#). Key Decisions can be taken by the Mayor, the Mayor in Cabinet or an officer if it has been expressly delegated.

Publication of Forthcoming Decisions

Individual notices of new Key Decisions will be published on the website as they are known on the 'Forthcoming Decisions' page, whilst this 'Forthcoming Decisions Plan' collating these decisions will be published regularly, as a minimum at least, 28 days before each Cabinet meeting. The Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required.

Urgency

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (on the website) as early as possible and Urgency Procedures as set out in the Constitution have to be followed.

Make your views known

The most effective way for the public to make their views known about a Forthcoming Decisions is to contact the lead officer, or Cabinet Member (where stated), listed. You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

Information about the Decision Makers

Further information on the Mayor and Members of the Cabinet can be found on the Council's [website](#).

Notice of Intention to Conduct Business in Private

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority handling the information)
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matters arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes:-
 - a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
 - b) to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.

Summary of Decision	Children with particularly complex needs, including those who are at significant risk of causing harm to themselves or others, including risk to life, can be placed in a secure children's home when no other type of placement would keep them		

Forward Plan December 2022

safe. There is a significant shortage of national secure children’s home provision as highlighted by OfSTED and London has no provision. The numbers of children placed are small, but the placements expensive. Further, where places are not available, the alternatives, often requiring multiple ratios of staff for each child, are amongst the costliest placements for children’s services. For example, the Association of Directors of Children’s Services (ADCS) recently highlighted more than twenty local authorities paying over £20K per week (equivalent to £1 million per year) and one case of £49,680 per week (equivalent to over £2 million per year).

There are few children requiring secure welfare provision and in the last eight months to July 2022 the numbers per local authority in London ranged from zero to three, with further children being referred but unable to be placed because of a lack of availability.

There is an opportunity now to develop and establish secure children’s home (SCH) provision in London to bring additional capacity to the market, with funds provided by the Department for Education, but this requires a Pan-London approach.

It is proposed that a company, owned by London local authorities, should be established to oversee the build, and contribute to the development of the operating model for the new SCH provision, as well as the commissioning arrangements to run the service. The PLV will be a means to share the risks and benefits associated with developing and running the SCH, with a key benefit being that places at the new provision will be prioritised for the London local authorities who opt in to join the PLV.

In the long term, it is intended that the PLV’s remit will include other key pan-London commissioning arrangements that will improve the lives of London’s children and young people.

As a result, the contracting approach for the Baby Feeding and Wellbeing Service has been re-assessed and it is proposed to insource this service instead of open competitive tendering. <p>Who will be consulted before decision is made and how will this consultation take place</p>	<p>All people who have asked to be added to the planning policy database have been sent an email regarding the consultation; all local councillors have also been contacted. A public notice has been placed in the East End Advertiser to reach further stakeholders.</p> <p>A public consultation is taking place between 17 November 2022 and 12 January 2023. This is beyond the statutorily required six weeks, to account for the holiday period. There is a statutory timeframe which means a decision on the designation must be made within 13 weeks of the consultation beginning. Because of this, and the internal Tower Hamlets reporting timeframes, it is not possible to wait until the consultation has finished to bring this issue to DLT. At the DLT and CLT stages, this report therefore recommends that the decision be moved to the next stage of reporting, and that the final decision will be conditional on an assessment of the consultation responses. The CAB report will be accompanied by a consultation statement as an appendix.</p>
