The Boat Live project is a converted boat and container structure, which has been running at 66-78 White Post Lane for the last year and will be relocated at this site.
- 3.4 The Notice was given on 26th April 2023 and the Responsible Authorities were notified of the Temporary Event Notice on 27th April 2023

- 4.2 They have applied for the following:

Regulated Entertainment

Recorded Music 14:00 hours 22:00 hours

Sales of Alcohol (on sales)

5.0 **Temporary Event Notices**

- 5.1 Temporary Event Notices (TENs) are a creation of the Licensing Act 2003. They provide a method by which licensable activities can be carried out on a temporary basis (max. 168 hrs) without a licence. The

maximum number that can attend at any one time is 499. At least 10 full working days notice must be given to the licensing authority. When a TEN cannot be obtained, for example the event is over 499, then a full premises licence must be obtained, for a limited duration.

- 5.2 The Licensing Authority cannot oppose an application, (nor can local residents or businesses). The Licensing Authority must reject any application that does not meet the rules as to numbers, maximum per year etc. The limits for 2022 and 2023 are as follows: 20 TEN per calendar year or 26 days. The Responsible Authorities that can object is the Metropolitan Police or Environmental Protection.
- 5.3 The Police and Environmental Protection can object on the grounds that allowing the event to go ahead will undermine one of the Licensing Objectives.
- 5.4 At any time before a hearing is held or dispensed, the premises user and EH or Police may come to an agreement and modify the temporary event notice by making changes to it.
- 5.5 Following an objection by the relevant Responsible Authority the Licensing Authority must decide whether;
 - (1) Grant the TEN;
 - (2) Grant the TEN with conditions (if a premises licence is in place) and specify conditions as appropriate to the TEN.
 - (3) Refuse the TEN by serving a Counter Notice
- 5.6 The Licensing Authority can apply one or more conditions ;
 - (a) if it considers it appropriate for the promotion of the licensing objectives to do so,
 - (b) the conditions are also imposed on a premises licence or club premises certificate that has effect in respect of the same premises, or any part of the same premises, as the temporary event notice, and
 - (c) the conditions would not be inconsistent with the carrying out of the licensable activities under the temporary event notice.
- 5.7 Where the authority decides to impose one or more conditions;
 - (a) the authority must give the premises user notice of the decision;
 - (b) the notice must be accompanied by a separate statement (the “statement of conditions”) which sets out the conditions that have been imposed on the temporary event notice; and

- (c) a copy of the notice and statement of conditions must be given to each relevant party.

5.8 LATE TENs have been created through the Police Reform and Social Responsibilities Act 2011, a Late TEN can be made no later than FIVE working days and no earlier than NINE working days before the event. The limits to these applications are no more than 2 for a non personal licence holder or no more than 10 for a personal licence holder.

5.9 The Police and Environmental Protection can object to Late TENs, if an objection is made the Licensing Authority must issue a counter notice advising the event cannot take place.

6.0 **Objections**

6.1 The Police objections are contained in **Appendix 3**.

6.2 Environmental Health objection is in **Appendix 4**.

7.0 **Advice to Members**

7.1 The Police Reform and Social Responsibility Act 2011 amended legislation whereby Environmental Protection alongside Police can object to Temporary Event Notice under any of the licensing objectives.

7.2 This hearing is required by the Licensing Act 2003. As always the decision is on the civil burden of proof, i.e. the balance of probability.

7.3 Members can consider any of the licensing objectives. Other matters can also be dealt with elsewhere by primary legislation.

7.4 Premises users are not required to be on the premises for the entire duration of the event authorised by the TEN, but they will remain liable to prosecution for certain offences that may be committed at the premises during the period covered by it. These include, for example, the offences of the sale of alcohol to a person who is drunk; persistently selling alcohol to children; and allowing disorderly conduct on licensed premises.

7.5 The police or local authority exercising environmental health functions may contact the premises user to discuss their objections and try to come to an agreement which will allow the proposed licensable activities to proceed. The TEN can be modified. If there is no agreement, the licensing authority must hold a hearing to consider the notice.

8.0 **Legal Comments**

8.1 The Council's legal officer will give advice at the hearing.

9.0 Finance Comments

9.1 There are no financial implications in this report.

90 White Post Lane is a cleared gravel yard bounded by 8ft site fencing on all sides. It is the site of the now demolished Lea Tavern public house and guest rooms, the site has been empty since the demolition of the public house building around 2012. The current landlord, Stewart Schwartz, has plans to redevelop the site in the near future, in the interim he has agreed to lease it to us so that we can relocate the Boat Live project which has been running at 66-78 White Post Lane for the last year. The previous site had to be closed to allow for handover from the LLDC to a housing association for development, leaving the project homeless.

Continued from previous page...

Boat Live project is focused around a small mobile event space built inside an old canal boat, this space has primarily been used to showcase music from the vibrant east London electronic scene, facilitating recording and live broadcast of sessions.

The boat has been soundproofed and managed well with no noise complaints from its time at 66-78 White Post Lane.

The Boat Live project was previously operating on the Hackney Wick Underground licence on units 2-3 66-78 White Post Lane and was located in the outdoor front yard area to the north of the units. As with the previous licence we would add some temporary structures to facilitate a wc block, lounge, and bar area, most likely housed in shipping containers. We will have a central courtyard area with flexible seating, keeping a space to give us the option to bring in food trucks, similar to the previous premises. We will have a service window from the bar container direct to the street, this will only be used from early morning through the daytime for sales of coffee and smoothies, no alcohol will ever be sold from this window.

If you intend to use only part of the premises at this address or intend to restrict the area to which this notice applies, give a description and details below ([see also guidance on completing the form, note 3](#))

Describe the nature of the premises below ([see also guidance on completing the form, note 4](#))

The event for this ten is:

27th April 2023

Dear Sir,

Central East Police Licensing formally object to the application for a Temporary Event Notice for Boat Live, at 90 White Post Lane E9 5EN for the 13th May 2023. This objection is on the grounds of preventing crime and disorder, and public nuisance.

Central East Police Licensing object to this application as we believe it will lead to increased crime and disorder and public nuisance. Firstly when the applicant operated from 66 – 78 White Post Lane, not only were there noise complaints from local residents, when Police visited the site we found a poorly run venue with intoxicated customers, and open use of drugs. Management were not running the premises effectively as they had allowed customer to become drunk and there was no sense that anyone was in charge.

We believe that should this venue be allowed to have a Temporary Event Notice there will be crime and disorder. The applicant have not said how they will keep customers safe, they have not provided a security plan, an egress or dispersal plan. Customers are vulnerable when leaving a venue after the event has finished as if they have consumed alcohol then their decision making is impaired and they are more likely to be either victims of or instigators of alcohol related crime and disorder.

Given the likelihood of drugs being used at music events, it is concerning that the applicant has made no reference to any searching of customers or security planning.

We also believe that this event will lead no noise nuisance, in contradiction to the applicants assertion that there were no noise complaints about the venue they previously operated from, noise complaints were indeed received by Tower Hamlets Council.

The boat itself may or may not be sound proofed to one degree or another, but this boat cannot hold 200 people, where will the guests be, and is this area sound proofed? We believe that having 200 people dancing to DJ music will cause noise nuisance as they listen to the music. On Resident Advisor website the event itself is described as an Day Time Open Air event.

We also have concerns that as the Boat Live is next to residential premises, Boat Live's customers will congregate at this entrance and cause noise nuisance both as they enter the premises and as they leave.

I have visited the site of the boat with Nicola Cadzow from Tower Hamlets Council Noise Team and found the site to be dangerous with rubbish on the ground, no electricity or running water or any permanent or semi-permeant buildings for customers built or on site. We believe that such poor management demonstrated previously and an un-prepared site will lead to increased risks of crime and disorder and public nuisance.

We believe that this event will cause alcohol related crime and disorder and noise nuisance and ask that this application is rejected.

Kind Regards

Mark

Subject: 159174 MAU REPRESENTATION ten for Boat Live 90 White Post Lane, London for 13th May 2023

Dear Licensing,

I have reviewed the TENs applications for Boat Live 90 White Post Lane, London for 13th May 2023 and have considered the potential impact of public nuisance and measures to prevent noise generated from within the premises or outside it which could cause disturbance to people in the vicinity.

The applicant advised in the application that and I quote *"the boat had been soundproofed and managed well with no noise complaints from it's time at 66-78 White Post Lane"*. This is contradictory to the fact Tower Hamlets Council Nose Team have received several complaints from nearby residents as recently as November 2022 and I quote complaints received:

- (1) ***"The venue is in a repurposed barge so it has no noise insulation and the sound level of the music coming from it, is ridiculously loud"***.
- (2) ***"...stated that they are playing music indoors at a loud volume with no soundproofing"***
- (3) ***"music indoors at a loud volume with no soundproofing"***

On one occasion when a complaint was received (6th November 2022) the Out of Hours Noise Team arrived in the vicinity of Boat Live at 66-78 White Post Lane, London and they could hear party style music with a heavy bass. I do not believe that by using same wooden boat as a venue on another site further down White Post Lane, particularly with insufficient sound insulation, that the licensing objective for the prevention of public nuisance will be met.

Noise Sensitive premises: residential and commercial premises in close proximity to 90 White Post Lane.

In my view the application, as it stands fails, to comply with the objective of the Licensing Act 2003 relating to "public nuisance" for the following reasons:-

- Noise breakout from the venue affecting neighbouring residents, particular when the boat with the sound system will no facilitate 200 persons, and use of front yard area.
- Access & egress to and from the venue, of patrons, especially due to patrons likely to be in high spirits;

CONCLUSION

Environmental Protection **does not** support the TENs application for Boat Live 90 White Post Lane, as I do not believe that the licensing objective for the prevention of public nuisance will be met, as there is a greater likelihood of disturbance to residential premises if the event goes ahead.

Kind regards
