**Name of Committee:** Overview and Scrutiny Committee

**Municipal Year:** 2024-25

**Reason for urgency:** The committee requested for an update on the action log requests which requires the committee to consider at this meeting.

Reference	Action	Assigned to	Scrutiny Lead	Due Date	Response
21 May 2024	<p>Parking Spotlight</p> <p>Committee members commented that this is a difficult stage in the customer journey and from experience, call centres are difficult to get through to and there are often long timescales in place for a replacement permit. As part of the new policy, Members would like the council to ensure the customer journey is simplified and there is no delays/inconveniences caused to a resident should they change a vehicle. The Committee feels that there seems to be a gap here and residents are not aware of this.</p>	Simon Baxter Corporate Director, Communities	Cllr Jahed Choudhury, OSC Chair	9 <sup>th</sup> July 2024	See Appendix 1 on response from the service on parking spotlight.

Briefing title Swap Vehicle / Temporary cover Process Review  
Prepared for Overview and scrutiny  
Date 20/05/2024  
Author Michael Darby

### Key Points

As part of overview and scrutiny parking spotlight there were concerns raised on the customer journey when a resident permit holder obtains a new vehicle and is required to make changes to their permit details. Previously, there was a temporary cover option which would allow residents to cover their new vehicle temporarily. However, this could not be configured at the time to limit the number of covers per year. Therefore, it was removed due to the large scale of abuse, also there were no requirements for documents to be uploaded which was a concern from an audit perspective.

Currently, the resident permit holder is required to submit a swap vehicle application, however this must go through an authorisation process by an officer for the swap to take effect which can take up to 3 working days.

### Focus of the briefing

To improve the customer journey when a resident makes an application for a swap vehicle which can take up to 3 working days the customer will have the ability to apply for a free temporary cover whilst their application is being processed.

### Options or implications

To improve the customer journey, we are working with our supplier to reinstate the temporary cover to allow customers to apply for free of charge to immediately cover their new vehicle whilst their swap vehicle application is processed. Customers will be limited to maximum of 3 temporary cover permit per account per year. Each temporary cover will last a duration of 14 days.

## Background and Information

### What is a swap vehicle?

This function allows resident permit holders the ability change their permit details if they have obtained a new vehicle via the customer portal.

### What documents are required for a swap vehicle?

For a swap vehicle to be successful the resident must supply us one of the below –

- V5C logbook of new vehicle
- Insurance certificate and policy schedule with new vehicle details.

### How much does it cost?

For each swap vehicle application there is an administration charge of £20.

### How long does it take?

The application processing time can take up to 3 working days (in line with our customer charter) although our current processing time on average is within 4 hours Monday to Friday during core hours, as we treat all swap vehicle applications as a priority.

### Current issues raised.

Due to the process of application to be authorised by an officer this has an impact on the customers' ability to park their new vehicle. As they would need to make alternative arrangements until their application has been processed and authorised which could also have a cost implication to the customer.

Furthermore, if an application is made on the weekend the application would not be processed until next working day.

### Temporary cover

Previously the customers had an option to apply for a temporary cover free of charge, however due to configuration of the permit at that time, this allowed customers to apply for a temporary cover numerous times which covered their vehicle without payment. Due to this large scale abuse the decision was made to remove this function as the supplier at the time could not configure to limit the usage to 3 per year.

Due to the recent upgrade to our system the supplier can now configure the temp cover to limit the usage to 3 per year per account with a duration of 14 days for each temporary cover. This will in turn mitigate the possible abuse of this function.

### **Plan to make improvements.**

We are currently working with our system provider to reinstate the temporary cover with a limit of 3 per year per account and each temp cover will last a period of 14 days. This will allow customers to park their vehicles immediately whilst their application for a swap vehicle is being processed.

### **Customer Contact/Enquiries**

For any enquiries in relation to permits the customer has the below options -

- Call the Customer Contact Centre – the customer can call the CCC where the advisor will take the initial call and support the customer. If CCC advisor cannot deal with the call i.e. technical issues the call will be transferred to the permits team.
- Submit an online contact form – The customer can submit an online form whereby an officer will deal with the enquiry, if required the officer will call the customer.

We deal with all enquiries in a timely manner to ensure they are resolved.

Urgency Reasons: Due to officer error, this report was no uploaded at the time of dispatch

## **Tower Hamlets Council** **Forthcoming Decisions Plan**

### **What is this document?**

The Forthcoming Decisions Plan (or 'Forward Plan') contains information on significant decisions that the Council expects to take over the next few months.

As a minimum this will include notice of:

- All Key Decisions to be taken by the Mayor or Cabinet.
  - This could include decisions taken at public meetings or taken individually at other times.
- Budget and Policy Framework Decisions (for example the Budget Report itself and major policies to be agreed by Council as set out in the Constitution)

In addition the Council aims to publish all other decisions to be taken by the Mayor and/or Cabinet.

### **Key Decisions**

The Council is required to publish notice of all key decisions at least 28 days before they are taken by the Executive. Key decisions are all those decisions which involve major spending, or savings, or which have a significant impact on the local community. The precise definition of a key decision adopted by Tower Hamlets is contained in Section 3 of the [Constitution](#). Key Decisions can be taken by the Mayor, the Mayor in Cabinet or an officer if it has been expressly delegated.

### **Publication of Forthcoming Decisions**

Individual notices of new Key Decisions will be published on the website as they are known on the 'Forthcoming Decisions' page, whilst this 'Forthcoming Decisions Plan' collating these decisions will be published regularly, as a minimum at least, 28 days before each Cabinet meeting. The Plan will be published on the Council's website and will also be available to view at the Town Hall and Libraries, Ideas Centres and One Stop Shops if required.

### **Urgency**

If, due to reasons of urgency, a Key Decision has to be taken where 28 days' notice have not been given. Notice will be published (on the website) as early as possible and Urgency Procedures as set out in the Constitution have to be followed.

### **Make your views known**

The most effective way for the public to make their views known about a Forthcoming Decisions is to contact the lead officer, or Cabinet Member (where stated), listed. You can also view the Council's [Consultation Calendar](#), which lists all the issues on which the Council and its partners are consulting.

## Information about the Decision Makers

Further information on the Mayor and Members of the Cabinet can be found on the Council's [website](#).

## Notice of Intention to Conduct Business in Private

The Council is also required to give at least 28 days' notice if it wishes to consider any of the reports on the agenda of an Executive meeting (such as Cabinet) in private session. The last row of each item below will indicate any proposal to consider that item in private session. Should you wish to make any representations in relation to item being considered in private please contact Democratic Services on the contact details listed on the front page.

The notice may reference a paragraph of Section 12A of the 1972 Local Government Act. In summary those paragraphs refer to the following types of exempt information (more information is available in the Constitution):

1. Information relating to any individual
2. Information which is likely to reveal the identity of an individual
3. Information relating to the financial or business affairs of any particular person (including the authority handling the information)
4. Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matters arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.
5. Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.
6. Information which reveals that the authority proposes:-
  - a) to give under any enactment a notice under or by virtue of which requirements are imposed on a person; or
  - b) to make an order or direction under any enactment.
7. Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime.
