Island Gardens Café: additional budget requirement

Under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 – notice is required to be given of the intention to take Executive Key Decisions.

Key Decision? No	Ward(s) All Wards
Summary of Decision	<p>Following the approval of the £0.442m from s106 for the development of Island Gardens Café (including public toilets) by Cabinet on 26th January 2021 as part of the 2020-24 Approved Capital Programme, the project costs have increased.</p> <p>The contractor procurement process started earlier this year and resulted in tender returns which exceeded the original project estimate as at May 2020. The construction industry generally has experienced considerable material and price increases. Contractors are therefore approaching tenders more cautiously to ensure their tenders are robust to cover further price increases once material orders are actually placed after a contract award. In addition, the tender market is also incredibly busy at present. Contractors can therefore be more selective in the tenders they price again resulting in a general increase in prices. Following a period of value engineering, the construction costs have been reduced, but are still exceeding the approved budget.</p> <p>Approval is sought to increase the total scheme budget to £0.983m. The funding for this project will include £0.250m from LIF for the provision of public toilets in Island Gardens, with the remaining £0.692m from s106 contributions. The new café is expected to provide a revenue stream to offset the capital costs.</p> <p>Once a budget approval is in place, the construction contract can be awarded and work start on site as planned in early November 2021, for completion in July 2022. A delay in budget approval will risk the café not being ready for next summer and continued build</p>

	cost inflation and supplier risk will be incurred.
