Enhanced Community Vaccination Programme – Direct Award

Under the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012 – notice is hereby given that an Executive Key Decision is required to be taken under General Exception Urgency provisions as it is not possible to provide at least 28 clear days’ notice of the decision but it is possible to give at least 5 clear days’ notice of the decision.

As required under the above regulations, the Chair of the Overview and Scrutiny Committee will be notified of the above decision being taken under the General Exception Provision.

This notification will be published as soon as possible before the decision is taken, stating why the decision must be taken urgently.

Reason why it is impractical to provide 28 clear days’ notice of the decision:

The urgent necessity to respond quickly to the third wave of the virus fuelled by the more transmissible Omicron variant from late November 2021 required urgent decision-making in order to protect the population from the health impacts of the virus. In order to release funds to the Tower Hamlets GP Care Group, who have been delivering vaccinations to the public on behalf of the Council but at their own financial risk, an urgent executive decision is now required.
